LONGEST CAREER – NO GOALS (150): KEVIN WOODCROFT (1961 – 1967)

MOST CONSECUTIVE SEASONS PLAYED (45): KEN JAMES (1960 – 2004)

#####

President's Report

The referee has whistled fulltime on another memorable season and sadly we have to wait until March next year for us to get together once again.

There were no premiership successes this season however as had been stated in the past the success or otherwise of a club over the years cannot be measured merely by referring to the list of competition winners. Lidcombe Churches Soccer Club believes that its continued success is built around enjoyment and sportsmanship of its players – trophy success is perhaps an added bonus!

Steven May's Under 12s side, despite finishing third in the competition, took out both the Knockout and Six-a-side competitions. I have no doubt that the premiership should have also come their way however I am confident that they will be right there again next year! The Under 13s, under new coach Sam Annous, also took out the Six-a-side after an exciting battle at Everley Park. Ken James' Under 9s were leading contenders in all their competitions and despite missing out this season it is clear that premiership success is not far away for this team.

John Hawach's Under 10s side struggled all season with the bare minimum of players yet these players were still cheerfully representing the "Blue and Gold" right to the season's final game. Despite being outnumbered and outplayed our young Congos battled to the end and I know John had a tear in his eye when his team took a point off the then-competition leaders in an enthralling battle at Phillips Park in July! The opposition had thrashed our side 8-0 in the first round so to come away with a hard-earned point was a triumph for the under 10s even if that was the only point earned all season! I know that performances like that that will remain a fond memory in years to come!

Our four mini sides created much interest this season and there are quite a number of aspiring footballers who will go on to bigger and better things!

After a long absence the all-age sides were promoted to Premier League where the standard was noticeably higher than First Division. A high injury toll saw both sides struggle however it was refreshing to see the Under 16 players backing up as required.

And of course it has been very noticeable over the past few seasons that the fairer sex has been taking an increasing part with our teams. Scott Ashbrooke's Under 15s boasted SIX females this season while other sides are also well represented! And needless to say the girls have performed admirably in their matches well led by Katie Rush (Under 16s) who has certainly not been outshone by the boys ever since she started playing in Under 8s so long ago!

It was very pleasing to see all sides strongly supported on the sidelines this season and this was very much appreciated by the players who, in turn, represented the club in a fine manner.

Once again your club was well served by the Management Committee led by Secretary James May. This Committee does a fabulous job for the club and we are indeed fortunate to have such dedicated workers devoted to our cause.

My hard-working Vice President Alex Morozoff could not resist the lure of the playing field and once more donned the boots to provide inspiration to the Premier League sides. In addition, Alex controlled the running of the canteen and was instrumental in its fund-raising success this season. As were the fine efforts of Julie and Brett May, Ben and Michelle Williamson.

To our Coaches, Managers, players and supporters I thank you for another great season and look forward to being with you in 2006.

- NEIL RUDGLEY
PRESIDENT

Secretary's Report

The club's activities for 2005 are summarised as follows:

COACHES & MANAGERS:

Once again the club was very fortunate to have the support of these unselfish people who give up their time to guide their teams in representing Lidcombe Churches and enjoy the development of the players in their respective teams.

Thanks go to Dave Whitwell, Kieran O'Hara, Katie, Julie and Michael Rush, Kerry and William Wilbow, Jorge Salamo, Ken James, Tony Houhlias, John Hawach, Sam Sterland, Grant Smith, Steven May, Patrick Conneely, Sam Annous, Natasha Conneely, Stan Gad, Scott Ashbrooke, Joe Nesci, Anne Hay and Matthew James who were this year's coaches and managers

I can only encourage anyone who is thinking of coaching or managing a team to talk to any of the above people or Management Committee member to share some of the experiences and find out just how rewarding this can be. It does not take a great deal of time to see the rewards and development of the players.

CANTEEN:

This season, as in the past, the canteen was the focal point of the club and the main source of revenue. Profits raised through the canteen have been used to pay for this year's presentation day, purchase equipment such as training balls and to hire Phillips Park for training. It is mainly thanks to the volunteers who have helped in the canteen this year that the club is able to pay for these expenses.

Thanks to Alex Morozoff for coordinating the activities of the canteen this season. Alex and his band of volunteers have done a great job in serving the masses each Saturday at Phillips Park and made this season another successful one behind the counter.

EQUIPMENT:

Some new training balls were purchased this year and next year we will need to purchase training balls for most teams along with at least five sets of jerseys. This will be dependant on available funds.

REFEREES:

As a requirement to enter into the senior competitions each team must have a minimum of two Associate Referees. The numbers were down this year even though Joe Nesci qualified earlier in the season.

Next season it will be a prerequisite that all senior players sit the Associate Referees course before being registered.

BEST CLUBMAN:

Once again we were in the fortunate position of having so many volunteers who helped out with the running of the club. This year the committee has recognised the contribution that Alex Morozoff has made to the club. He stepped in to coordinate the running of the canteen (the club's focal point and main source of income). Alex was also an integral part of the fundraising committee that helped to organise sponsorship and the trivia night. For these reasons Alex has been awarded the Norm Huteau Memorial Trophy for Best Clubman.

JUNIOR CLUBMAN:

This award recognises the efforts of a junior club member for their help and contributions throughout the year. The Management Committee has recognised the efforts of a young man who was at Phillips Park on most Saturday mornings setting up the mini goal posts, refereeing mini games, helping in the canteen and cooking the BBQ. The 2005 winner of the Patrons' Trophy for Best Junior Clubman is Aydin Agar. Congratulations!

JUNIORS:

This season we had 161 registered junior players, an increase of 10 from 2004, and also fielded one extra team.

SENIORS:

The number of registered senior players this year was 32. Despite this healthy number of players the squad was hit by injury and towards the end of the season we could only manage to have around 13 players available for two matches.

INDIVIDUAL PERFORMANCES:

Congratulations to the following people who all reached their own individual milestones while representing the Club:

- Kieran O'Hara became the 36th player to notch up 300 games. After commencing with the Congs in 1980 he reached this milestone in July against Abu Sefin at Yatama Park.
- Khaled Mehajer played his 200th match against Arncliffe at Jones Park during the Pre-Season Competition.
- Seven players joined the Honour Roll this season when they played their 100th club game. They were: Jake Smith (U/11s), Adem Agar (P/L), Anthony Khattar (U/11s), Brandon Starc (U/12s), Raymond Khattar (U/12s), Rebecca Wilbow (U/11s) and Khaled Hamdan (U/12s).

SUPPORTERS:

Saturday mornings at Phillips Park were always a buzz when the teams were playing at home. The numbers of supporters that gathered to see the locals take to the field was overwhelming. Not since my days as a junior player making my way down from Frances St to play in Ray "Curly" James' under 8 team have I witnessed the sea of blue and gold in such force!

It was a pleasure to attend games where Lidcombe were playing and to see the great support that followed all teams from Under 6 to First Grade. Not only was it pleasing to see the number of supporters at games but it also made me proud to be the Secretary of Lidcombe Churches because of the great behaviour displayed by all supporters of the Congs.

SPONSORSHIP:

Once again this season the club is indebted to our sponsors for helping to purchase shirts and equipment and in keeping registration fees to a minimum.

Thanks this season to Jorge Salamo and TNI for their sponsorship of the Under 8 team.

Our thanks and appreciation also go to other companies supporting our club this year namely Smith's Trimmers and Hungry Jacks, Auburn.

CONCLUSION:

This has been yet another successful year for the club. Successful because of the efforts put in by so many volunteers who give up their own time to help run the club and work behind the scenes. Volunteers like coaches and managers, canteen workers, line markers, BBQ cooks, people who dress the fields on Saturdays, parents who take time out to see their children develop their social and football skills. Thanks to all of these people for supporting the club.

Let's not forget the volunteers who started their season in January and worked tirelessly until the end of October namely the Management Committee. Thanks to all members of this Committee for their contributions throughout the season helping to make us one of the most successful and best run clubs in the association.

Thanks to all players for representing Lidcombe Churches so well this season. I know you are all proud to wear the blue and gold. And remember that you do not have to win to be a champion!

Finally a reminder of those immortal words that our former Patron Ray "Curly" James once said and was so often heard to repeat:

"Once a Congo ALWAYS A CONGO".

**- JAMES MAY
SECRETARY**

####

Although numbers were looking a bit thin at the start of the season, Lidcombe again fielded two teams in the Under 6s and I took on coaching the Under 6 Blue team.

This was my first year at coaching a team and although there were a few anxious moments I found the experience very enjoyable and rewarding. It has been great to see the players develop throughout the year whilst learning the rules of the game. With further development of these skills I am sure that we will be seeing some great results in the future for both teams.

I hope to see you all again next year for another season with the Congos.

The players in the team were:

MITCHELL DJELEVSKI: Mitchell played in goals in the early games of this season and proved to be very capable between the sticks, saving several goals. He then missed a few games through illness which meant that his full potential could not be seen this year.

MICHAEL DUTTON: Despite being a small player Michael had great pace which enabled him to beat many defenders. As his skills with running with the ball developed and his confidence grew he became quite a handful to the opposition. Great season, Michael!

DYLAN LIAN: Dylan was a late inclusion to the Lidcombe Blues and was much needed when numbers were looking thin. He has a big kick and always does what is asked of him. Will improve further with another season under his belt.

CHRISTOPHER MAY: Little Christopher was the youngest player at the club this year, being only 3 years old. Despite this, he has displayed great hand and eye coordination for someone of his age. He had limited time on the field due to being intimidated by much bigger and older players although with probably three more years in the under 6s he could prove to be a champion future player for the Congos. He proved to be a crowd favourite this year, even with passers-by at the six-a-side competition with his effort in goals!

MATTHEW MAY: Matthew's second season in the under 6s brought much experience to the side. He spent most of the season playing in defence (as most of the May clan does!) and proved to be a very reliable player. He came close to scoring his first goal on several occasions but was unlucky with his shots going just wide of the posts.

KEEGAN MURRAY: Keegan proved to be a very versatile player. This was shown in his play in attack with Koray Yilmaz where together they scored many goals. In defence he was running the ball with great pace and strength and, as a goal keeper, he let very little past pulling off some great saves for his side.

WILLIAM THOMAS: When he put his mind to it, William played a great game of soccer which included scoring a memorable goal by running the ball from well within his own half and blasting it past the goal keeper. Further concentration on the game will see more examples of this in the future.

KORAY YILMAZ: As one of the older members of the team, Koray had size on his side. He scored a total of 60 goals for the season proving a real attacking weapon for the Blues. In one match against Wentworthville ten goals were scored by this one player! This was a great effort for his first season of soccer. Well done!

- **DAVID WHITWELL**
COACH

William THOMAS	2	0	2
Luke BARICEVIC	0	1	1
Total Goals:	84	6	90

2005 was a very satisfying season for our team who were improving every Saturday.

It was great to see everyone at training and at the games every week. They were keen and eager to learn but more importantly they enjoyed themselves which is what it is all about at this young age.

Thanks must go out to all the parents who brought their children to training and games each week and made the season a success. Thanks go also to all who helped out throughout the season.

Well done to all players as you matched it against all teams.

I hope everyone will be back next season for another big year.

The players in the team were:

GOKALP ALIRIZA: Gokalp improved as the season progressed. He had some very good games towards the end of the season scoring his debut goal for Lidcombe. Well done on the Most Improved Award!

LUKE BARICEVIC: Luke was our most consistent player this season. He scored the majority of our goals and helped the others learn from his experience. He has a great shot on him but he is also a team player and looks to find his team-mates. Well done, Luke!

SAMANTHA HAMILTON: Had a strong year. She is capable of making very good breaks right through the heart of any defence with her speed and good ball control. She just needs to work on the shooting. Samantha was very vital to our team's strong season.

BRONWYN HANSEN: Bronwyn was younger than the other players but mixed it with them. She enjoyed training and will be hard to handle in years to come when the others are of the same age. Went missing for the last few rounds.

JOYCELINE LOTO'ANIU: Started the season a few weeks late but played like she had been doing so for years! She trained well and was always a handful to the opposition players. Left a few weeks early but had a good season overall.

FADI NABOULSI: Fadi was our main goal keeper for the season and did very well showing improvement as the season went on. He made several impressive saves and will be a force in future years.

BEN STERLAND: Ben always enjoys himself on a soccer field either at training or on game day. He gets stuck into both defence and attack and will score several goals in the coming year!

IBRAHIM TAHA: Ibrahim had a great season being amongst our best every week. He was the heart of our defence and saved several attacking raids from the opposition with his gutsy and skilful defence. Also showed his versatility in goals making some very good saves throughout the year.

LAYLA URDULAG: Another player who improved as the season went on also scoring her first goal for Lidcombe. She trained hard and this was evident with the improved performances.

Also played Lachlan Hughes-O'Hara and Hamzi Taha.

Wow! What a year we had!

It was nice to see everyone again and William and I enjoyed meeting the new players that made up our team this year along with their parents. We appreciated the keenness shown by all the team at training and games each week. We hope that you've all enjoyed the season as much as we have.

The whole soccer season was fantastic to watch and be a part of the highs and the lows of the season. Each week we watched on the sidelines and with a feeling of great pride because whether we were losing or winning you all conducted yourselves with such pride and sportsmanship. That goes for the parents as well.

We appreciated the assistance of the fathers who without hesitation jumped in and coached the few games due to William's work commitments.

Thank you very much to all the parents for their support and providing the transport each week to the away games.

We hope to see everyone next year on the big field for soccer season 2006.

The players in the team were:

EZANA ABERA: Ezana performed well in his first season with Lidcombe and I know he enjoyed his games throughout the year.

IBRAHIM ANNOUS: Oh, Ibrahim! Always a good defender who would stand there defiantly in front of a player twice his size and quite often stopped the opposition in their tracks.

KENJI BALDELOMAR CASTILLO: Only played a few games through the season but in doing so performed well in partnership with his team mates.

ANTHONY BOUSTANI: Probably doesn't realise that he would be the one who would take a beating almost every game. Let's all think back to the six a side when he hurt himself and still gave us his all in every game. Well done, Anthony!

LUCA CUSMANO: Luca has improved immensely this season with grater concentration leading to more involvement in every match.

RAKULAN GANESARJAH: One of the new players to the team who has shown enthusiasm throughout the season with his participation and efforts.

AISHA HAMILTON: Improved throughout the year building on the experience that she gained last season. Great positional play towards the end of the season contributed to Aisha scoring her first goal in the last game of the season! Well done, Aisha!

ARJUN PUSHPAVANNAN: Another new player who joined us this year he made clear impact in defence keeping us in many games.

RYAN WHITEHOUSE: Ryan found himself frequently running up the sideline and curving the ball into the middle of the field to score many vital goals.

JACK WILBOW: Jack became more enthusiastic this year with his football. This enthusiasm soon showed with his improvement on the field very noticeable.

This year we retained most of the Under 6 players from 2004 and also welcomed some new faces to the team.

The beginning of the season started well with a lot of enthusiasm shown at training and the trial games. As the season progressed the team began to form some positional play and improvement in team work showed during their games as against acting as a single group. They kept their positions and relied upon their team mates. In my view, these were the greatest steps forward this year.

As well as the positional improvement, the players also honed their individual skills on the field, at training and at home. It is really encouraging to see the effort that they put in over the year. At times they looked like world beaters!

Skills are important but the one thing that shone through was the commitment of the players. They gave their best all season, never giving up. This is the stuff that champions are made of!

Katie and I would like to thank all of the players for a great year and also thank the parents for their support. I would like to wish them all well on the 'Big Field' next year.

- MICHAEL RUSH
MANAGER

The players in the team were:

NICHOLAS BORLAND: Nicky played well with a number of some strong attacking runs during the year. It was a loss when he moved interstate.

PETER EL-MASRI: Peter is one of the smaller players on the field but he has one of the largest hearts. He is a stronger runner and his speed is amazing.

LACHLAN FIELD: Lachlan has a natural ability which showed this season. He performed well in goals and has a good attacking game as well.

KHALED HAMDAN: Khaled was one of the new players this year and has improved greatly over the season. Definitely a player who enjoys his game.

ANNDREA HANSEN: Another newcomer to the club but not to the game. Anndrea shows plenty of spirit on the field and has a promising future.

JAY HOULIAS: Jay's skills improved during the year (helped no doubt by the overseas training!). He worked tirelessly in attack and could switch just as quickly to defence.

SIMON KOSTER: Simon played a strong season and his experience in goals is proving valuable in his back's position.

DANIEL KRATZ: It takes a lot to stop Daniel. He is one of the quiet achievers, never has much to say, but gives his all on the field.

PATRICK MAY: Patrick played well all year and is a great goalie. He loves to get out in attack as well and was rewarded with a number of goals this year.

REECE SKINNER: Reece showed a lot of promise this season and did well in his positional play. He was willing to play in any position asked and was very enthusiastic. With more experience he will develop into a valuable player.

ZOE RUSH: Zoe built on last year's performance and had another strong year. Her ability to be in the right spot is a valuable asset.

This team is definitely one that shows potential for the near future. Some of these kids only started playing soccer this season but the team spirit displayed and the fight they showed was enough to think they had won every game! I hope to see all these young nippers next year.

A special mention must go to Patrick May and Ryan Whitehouse from the Under 7s for their numerous appearances in a TNI jersey. The two of them were also inspirational to a team which struggled to field a full side on a few occasions. Thank you very much, boys! You deserve a promotion to the Under 9s next season!

The players in the team were:

SURAFEL ABERA: His best position is in goals and he is outstanding! Just ask his team mates and anyone who has seen him play. Unfortunately Surafel doesn't like playing in goals even though it is the position on the team where the ball ends up most often! On the field Surafel tries his hardest and his strength is his build which sometimes scares his opponents and they let him run straight by them!

MIRIAM BARDOUH: Miriam has played her best all season. In the backs she is the last line of defence and she is not scared to protect her goal. In midfield she was also solid and her strength like Surafel, is her size. She also has good composure to push the ball forward under pressure.

LAURA EL-MASRI: Joined the team a few games into the season but immediately made her impact, outrunning most of the boys and outskilling them too! Laura is a natural in the middle of the pitch where she prefers to play and with a little more coaching she could definitely be the main threat on the team!

THIBYAN IBRAHIM: It is hard to talk about Thibyan! He is probably the smallest player on the team. At training all he does is laugh and run around but come game day his presence is felt when he chases tirelessly to win the ball back. Because he is so small he finds it hard to compete but give him time and he could be inspirational.

ALPAY KESKIN: Alpay, Alpay, Alpay! Here is a guy who showed all the potential in the world at the start of the season! He then he scored a goal and thought he was the best, deciding that he knew everything and didn't need to learn anything else! He has the potential to go all the way but he needs to understand that learning is part of life. The minute you think you know everything, life gets boring and useless. Be ready to learn ALWAYS!

TERESA KHATTAR: The "daydreamer" of the team! Teresa spends her time at training playing with her hair, thinking about what she wants to be or who she is going to marry when she grows up! To be fair, Teresa was a worthy team mate and when she was on the field she chased till she couldn't chase no more. I wish Teresa the best in her future endeavours and I do hope she returns.

WILLIAM KINSMAN: William has played a few games for Lidcombe. He did struggle at the start like most of the kids as it was his first year playing. A little experimentation in field positions saw William play his best game as centre fullback partnering up with Patrick Murray. With the two of them you could see a special connection which resulted in one of Lidcombe's best defensive games ever. Next season, I hope to see William proudly wearing the "blue and gold" playing more games for Lidcombe.

JACKSON LIAN: Jackson is one of the characters of the team. He might not look like a footballer at training where he spends most of his time wrestling with Jacky! However on game day he pops up out of nowhere to win the ball for Lidcombe giving us hope for goal scoring opportunities. His jokes and humour also provide good moral for the team of future legends!

PATRICK MURRAY: Patrick is a natural. His dribbling ability is way ahead of his years however a bit more concentration is needed! On Saturdays Patrick is inspirational, not just by the skill he displays to get past his opponents but also the way he always has encouraging words for his team. Patrick definitely has the potential to be a brilliant soccer player and with a little extra coaching and time I have no doubt other coaches will be trying to poach him from me! – Just try it!!

ELEANOR STERLAND: Ella (as she prefers to be called!) has come a long way this year. Her natural instinct when defending was to go backwards all the way to the goal but now she has definitely shown signs of her attacking prowess. She is a trier, putting in 100% every time and that is all a coach can ask for from their player. Thanks, Ella. See you next year!

KENNY VUONG: The captain and the leader of the pack, Kenny has played great football over the term of the season. He was very unlucky to miss a penalty in the last game of the season but even the best players miss penalties. I think this experience will make him a better player and spur him on to better things. Kenny is all the good things that have been mentioned above. He is inspirational, hard working and also one of the most experienced players on the team. His leadership will be needed again next season. I await his return so we complete "the team of future legends"!

Surafel ABERA	1	0	1
Total Goals:	6	0	6

The team certainly improved on their efforts of last year playing very consistently throughout the season with a competition record of 12 wins, 3 draws and 2 losses (44 goals for and only 4 against).

The side went very close to winning the competition. In the last round clash against St Michaels they turned in a very gutsy effort giving the opposition an almighty scare before losing (very unluckily) 0-1. They also gave the same team a good run for their money the following week in the final of the President's Cup before losing 0-1 in extra time.

An especially pleasing feature of the season was the way the team lifted its performance in the games that mattered with their best four games being recorded against the other competition front runners – St Michaels and OLQP. While they didn't manage to win any of these games (two 0 - 1 losses and two draws) they were highly competitive and with a bit of luck the result could most certainly have gone their way on each occasion. However, we did struggle to score goals in these games with often only one person up front in a goal scoring position. Next year we will put in plenty of work on our support play to try to make sure that when we do attack, we attack in numbers.

As well as the excellent displays by the team as whole, it was also pleasing to note improvement in each player's game. While in some cases it may not have seemed a big deal – it might have been just a player attempting a header for the first time or showing initiative by being first to the ball - it was all still gratifying from a coaching viewpoint.

Of course, no report on the season would be complete without acknowledging the excellent support and encouragement the players received from the sidelines. My thanks go to the parents for being there each week and helping out with washing the shirts. Thanks also to Tony Houhlias and Wayne Hart for their help in managing the team and to Mick Anlezark for assisting with training. Also all the dads and uncles who ran around retrieving soccer balls each Tuesday night deserve mention. Despite the fact that there would be 15 or more balls whizzing around the park each training session we never lost a ball!

An enjoyable season! Hope to see you all back again next year when we should really give the competition a shake!

The players in the team were:

MATTHEW ANLEZARK: A player with the big shot and plenty of ball skills who played some good games this year. Matt is a laid back character who plays the game like his Uncle Scott! Next year I'm going to try and get him to play a bit more like his dad, looking to support his team mates when they've got the ball and having a "hammer" at goals when he gets the chance!

JAQSON ARELLANO: A most determined youngster who could always be relied upon to do his best out on the right wing where he dribbled the ball well and ran strongly. While he didn't score a goal this year it wasn't for a lack of trying! His efforts in the President's Cup final are worthy of mention where a couple of very strong runs certainly got his dad all excited!

ALAN FOO: School commitments meant that Alan missed quite a few games but when he played he tried hard. His best effort being in the second round match against Newington where he surprised even himself by harassing their best player with strong tackling and by getting to the ball first. With a bit more effort at training and greater concentration during the game Alan's game will show further improvement.

JAMES HANNAFORD: James held the defence together throughout the year playing at centre back where he displayed good positional sense and rescued the team on many occasions with no-nonsense clearing kicks and some excellent headers. We certainly missed him in the President's Cup final after he took ill in the semi! For his reliable efforts throughout the year James has deservedly shared the Most Consistent Player Award with Matt Thomas.

DANIEL HART: At right fullback Daniel could always be relied upon to hold his position and try his best. Had an especially strong game in the second round clash against OLQP at Daniel Street where he surprised us all by appearing out of nowhere to get to the ball first and foil a dangerous opposition attacking move. Now all we've got to do with him is to get him to open his eyes when he heads the ball!

ANTHONY HATEM: Not much of him but a tricky little player! He certainly knows where the goals are, finishing up as our leading goalscorer with 13 competition goals including a beauty against OLQP in the third round where he scored a much needed goal after making a very determined long run from half way. Next year I hope to have more support for him when we're attacking but I also want him to be a bit "hungrier" and go looking for the ball when it is not getting through to him.

SERGEI HOULIAS: A good listener who followed his coach's instructions and played some excellent games out on the left wing where he showed good speed and set up many of the team's attacking raids with some excellent left foot crosses into the centre. His combination with Nathan down the left side was one of the features of our attacking play.

BELAL ISSA: A newcomer and only a little fellow but Billy certainly showed a talent for sniffing out goals including the golden goal in the President's Cup semi-final. At the start of the season he was trying to do it all by himself but in the last few games it was especially pleasing to see him trying to pass the ball wherever possible. With benefit of his first season's experience I'm expecting big things from him next year.

ADEM KESKIN: In his first season, Adem showed ability from the outset and his big kicks and crunching tackles certainly rescued us in defence on many occasions. His dad tells me he lost about SIX kilograms over the course of the season and his increased mobility in the last few games was especially evident. Rewarded for his support play with a goal against Newington in the second round and he is another player whom I'm expecting to make a big contribution to the team's play next year.

NATHAN LE: Playing mostly at left midfield Nathan displayed much greater stamina and determination this year, combining well with Sergei down the left flank and managing to score a couple of goals in the process. Also proved to be the team's best goalkeeper and willingly answered the coach's call to play in that position in the tougher games, including the President's Cup final where he kept us in the game with some eye-catching saves.

JOSEPH RACHID: With other commitments on a Saturday morning he missed quite a few games but when he did play Joseph played solidly at the back of the defence and could be relied upon to hold his position. Hopefully he will be available for more games next year and we can try him out in some other positions.

TAYLAH STARC: A very enthusiastic and determined young lady, Taylah's game continued to improve this year and while she didn't score a goal she came very close on a number of occasions. She now knows that it's only a matter of reading the play and getting in the right position and the goals will come. In a couple of games she proved to be our best player where she led by example with some very determined runs and her efforts throughout the year have seen her awarded the Most Improved Player trophy.

HANI TAKI: Another newcomer who really loves his soccer. Just ask his mum and dad who were often woken up at 6am on Saturdays to "make sure he wasn't late for the game!" Hani showed natural ability from the first training session and played very strongly throughout the season in the defence where he read the play well, displayed good positional sense and tackled strongly. Almost scored a couple of goals by following up play behind the forwards and if he keeps this up the goals will come.

MATTHEW THOMAS: A talented player who put in a whole-hearted effort every week and you just never knew where he was next going to turn up on the field! Much of the team's attack came from his many great runs with the ball but he could also be relied upon to rush back in cover defence when the situation warranted it. If everyone had Matt's high work rate I'm sure we could have won a trophy or two this season. Deservedly shared the Most Consistent Player Award with James Hannaford.

KAAN MIKAIL TUYSUZ: A speedy customer whose game improved from last year with most of his nine competition goals coming from the good support play of his team mates. However in some games he lost concentration and next year I want him to use his pace more, be a lot "hungrier" for the ball and to put in the big effort EVERY week. His excellent run from halfway in the second round clash against OLQP where he outpaced the defence and was very unlucky not to score proved to me what he could do when he really puts his mind to it!

*** TASTEFUL THIEF!**

When Ken "KJ" James learnt that his house had been burgled he rushed home thinking the worst. His prized painting - had it been stolen?

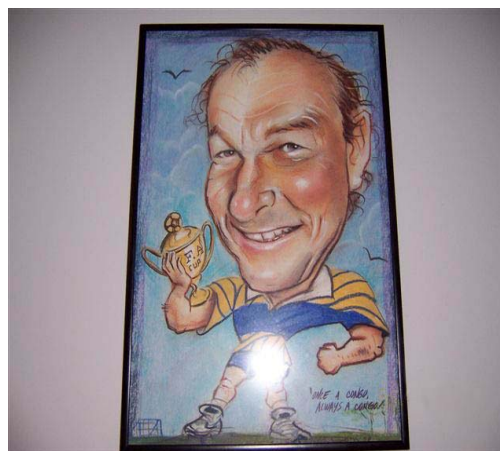

Never fear, little ones!

The thief took everything else BUT the painting and much to Ken's relief it was safe!

"Safe"?

Take a look at what the thief left behind (see Right)!

According to KJ this is a painting of the Congo footballer himself around his 50th birthday (yeah - right KJ!). Obviously the thief had better taste!

Ken "KJ" James- Invaluable Portrait!

I would like to take this opportunity to thank all the players for their efforts this season. Maybe it wasn't a very successful year points-wise but it was a great learning one for all the players and myself.

For a team that started the season with 16 players but only finished with 11 they did a fantastic job for the year. Congratulations to the 10s for trying all year and never giving up!

I was very proud of the team when they drew 0-0 with OLQP Falcons at Phillips Park especially since we had been beaten 8-0 by the same side in the first round! It was like winning the grand final on our home turf that day!

I would also like to thank James May for his help with training and support for the year and also to Andrew Wall for his help at training. We were very fortunate to have such valuable replacements to help out when we were short including Brenden Wall and a number of players from the Under 9s.

To the parents that showed up every week I also want to thank them for their support and transport all season. It was very much appreciated.

Many thanks go to my wife Ritta for washing the jerseys every week with help from Therisa Cusmano.

The players in the team were:

ROBERT BORLAND: As captain of the team Robert always gave his team 100% effort every game. It was sad to see him leave the team and move to Queensland with six games left. Hope to see you back one day, Robert and best of luck in the future.

JACQUELINE COLOMB: Jackie showed that she has the ability to be a good soccer player and will be a better footballer once she concentrates on the game a bit more. Well done, Jackie!

NICOLE COLOMB: Once again Nicole has been a valuable player this year with some great work on the field. Well done, Nicole and keep up the good work!

GIULIA CUSMANO: Giulia had a great season on the field but missed a lot of games due to the traveling. Looking forward to seeing you on the field again next year!

BRANDON DJELEVSKI: Brandon didn't play many games this year but when he played he showed a lot of potential. Keep up the good work, Brandon!

ALEXANDER DOSON: Alexander played the opening half a dozen games and was missed when he left the team.

MOUFID HAWACH: Moufid this year shared the goal keeping duties with Ryan and also took on the fullback role. He played well in both positions all year. Well done and congratulations on receiving this year's Most Improved Player Award.

KATHERINE HINES: Katie has a lot of talent hidden inside her. When she wants to play she can be a great soccer player. Looking forward to seeing you develop these hidden talents next season.

NALIN KATARIA: Only played four games this season but tried hard and didn't disappoint in those matches.

MUHAMMED KOKSAL: Muhammed had a great year up front. He has a lot of talent and ability as a striker. He scored the only goal for the team this year and will go a long way with soccer. Well played!

KEVIN LEE: Kevin started the season late but he showed a lot of heart both in attack and defence. He would play any position on the field without a problem. Good season, Kevin!

DANIEL MUN: The team's work horse. He never stops throughout the game and is all over the field. Always giving 100% effort. A fine year, Daniel!

NAM-KHA NGUYEN: Nam-Kha had a great season this year playing in the halves. He did not stop trying all year! Great work, Nam-Kha!

RYAN OBEREMOK: Ryan had a great season in goals and out on the field. He does his best in every position he is asked to play. He captained the side after Robert left the team and did a great job for the coach and his side. Well done, Ryan!

MATTHEW YU: This year Matthew showed his undoubted talent in defence. He also displayed a lot of speed and played well all year. Good season, Matthew!

DARREN ZHANG: Darren didn't show us all his talent this season but I am sure he will fire up next season. He has a great left footed boot on him and played well all season. Well done, Darren!

GOALSCORERS - Under 10:

	Comp.	Other	Total
Muhammed KOKSAL	1	0	1
Total Goals:	1	0	1

After struggling with numbers for two sides in 2004, this year the decision was made to field only one under 11 team. This made it difficult as we ended up with 18 registered players! A healthier position to be in than last year however it proved almost as difficult when it came to team selection trying to ensure that all players had an equal amount of games.

Overall the season was a success although the players must start to realise that from now on it is up to them to decide if they want to be competitive or just want to play for the social aspect. There were games that we should have won but the team just either did not seem to be there mentally or thought that they would win just by showing up. There were other matches where they concentrated on what was taught at training and out-classed their opposition ultimately taking the points.

Thanks to Sam Sterland and Grant Smith for their assistance with the team and to the parents for their understanding of the situation we had with not only merging two teams from last year but also combining the coaching staff.

Looking forward to seeing you all back in 2006.

The players in the team were:

MATTHEW CONNEELY: Matthew's game developed this year and he is starting to run the ball more. He had some of his best games in midfield where the ball was coming on to him rather than when he was forced to chase it.

DAVID DIB: Formed the basis of the midfield and combined well with Rustam to set up many of our attacking raids this year. He was also solid when playing in defence.

YILMAZ ICLI: By learning the off-side law this season Yilmaz played more efficiently down the right wing and was able to get the ball across into the opposition penalty area with the strong boot that he is developing. Great season, Yilmaz!

ANTHONY KHATTAR: Another good season from Anthony who was instrumental in setting up and executing the majority of our attack down the left side. Playing in the midfield he also covered in defence and always came off the field after giving 100%.

JONATHON KHATTAR: Proved this year that he can play any position asked of him. Solid in defence, good ball control in midfield and best of all he was looking up for options and team mates to pass to when he had the ball at his feet. Keep up the good work, John!

JOHN KOSTER: This year's big improver, John played predominantly in the midfield and tackled well with hardly any opposition players getting past him. When he had the ball he would accurately pass it on to a team mate. Congratulations, John on receiving this year's Most Improved Player Award.

YEE LIAN: Great in defence this year learning the value of marking a player and sticking to him. Also played well in goals this year on the odd occasion when called upon.

SIMON LY: Defended well and was never fazed by anything, always pressuring the opposition attackers off the ball. Also made sure that he was always on the match card!

RUSTAM MIA: Best suited to the role of midfield Rustam set up most of our play from there. He led the way overlapping well to finish off a lot of attacking raids that he was most often involved in setting up.

CONNOR O'SHEA: Played mostly in the midfield this year and also covered on a few occasions at the back. Another top year from Connor!

JAKE SMITH: "The General" was always the organiser! Jake has the ability to hold the ball at his feet and feed it off to team mates in an attacking position. Another good season, Jake! Keep it up in 2006!

JACOB STERLAND: Jake played predominantly as a defender this year. He improved with every match and showed that when you listen to your coach and concentrate you can perform well. Keep up the good work, Jake!

BILAL TAHA: "As solid as the Rock of Gibraltar"! Bilal saved the team on many occasions being the last man in defence and then had the ability to turn defence into attack.

KEVIN TRUONG: In goals, Kevin was "as safe as the Bank of England"! On the field he would run the ball and defend well. Yet another great year, Kevin!

BRENDEN WALL: Brenden, despite playing two years up in age, was one of our best defenders and was just beginning to develop the art of marking his opponent when the season came to an end.

JEREMY WALL: Jeremy had another good season and performed well in both the midfield and defensive positions. His game is definitely developing. Look out for this player in 2006!

REBECCA WILBOW: Yes, this girl can play soccer! Rebecca has come out of her shell this year and was a pleasure to watch as she gave 100% in every game and came off the field exhausted. Well done, Beck!

ALLAN WONG: Started off the season where he left off last year and was inspirational in midfield. Teamwork suffered when Allan was unable to play for a few weeks.

####*** MAY DAY!***A proud Secretary's better half, JODIE MAY, excitedly reported this season that one Saturday in MAY (what other month could it be?), three of her sons ALL PLAYED IN GOALS!**Surprisingly, husband JAMES "PC" MAY, a frequent custodian for the Premier League, did NOT play between the sticks that day. Still, it must be some sort of club record!***####***** OH LORDY!***Popular mum, KERRY WILBOW, must have thought the record got stuck when, along with a number of other Congos, she took part in the final of the Karaoke competition at the local RSL. Kerry's choice of song however was "Me and Bobby McGee" in which the only word sung for about two straight minutes is "Lordy".**We reckon Kerry sang "Lordy" THIRTY EIGHT times. At least she didn't have to learn too many words for the song!**Sadly, Kerry didn't win the event, either!*

After a very successful 2004, this season the under 12s slipped down the competition table one place finishing a creditable third. Lidcombe only lost three games and drew three for the year.

Even after losing four players from last season Lidcombe still had a squad of 16 players. The four new players Sercan Demir, Luke Mun, Kerry-Anne Palivos and Frankie Tassone all fitted in well and enjoyed their first season of hopefully many with Lidcombe.

Although our goals for and against tally was not as impressive as last season we still had eleven different goal scorers. This statistic highlights the fact that we didn't really depend upon one or two players to win games as most other sides in the competition did.

The highlights of the season included

- the six-a-side where the performance was truly dominating with the team scoring 17 goals and conceding none.
- the knock-out competition where we defeated the two top sides in the semi final and final to show we truly deserved our victory.

Two players reached the 100 games milestone this season namely Khaled Hamdan and Raymond Khattar. Congratulations to both of you.

Brandon Starc again receives the Most Consistent Player trophy although several other players could have easily taken out this award.

The Most Improved Player award was an easy choice this season with Armadeus Lombardo being the only real candidate. He made the centre back position his own and was every opposition forward's worse nightmare!

Thank you to all the parents who washed jerseys and supplied transport to away matches this season and a special thank you to Tony Tanti who went out of his way on more than one occasion to track down missing players!

Thank you also to all the supporters who attended the knock out final. I know your presence lifted the team and made the victory that little bit more special.

To the team - well done on a great season. You should be very proud of yourselves.

Hope to see you all in the Blue and Gold again next year!

The players in the team were:

ACHIC ACHIC: Started the season as our first choice striker where he displayed excellent positional play and great finishing skills. Unfortunately, he couldn't make training on a regular basis and found it increasingly difficult to combine with the team as the season progressed.

SAMANTHA COLOMB: Played the majority of the season at right full back where she defended well and spoilt many opposition attacks. Samantha needs to learn that just being at training isn't enough and you have to put in an effort at training to improve.

SERCAN DEMIR: Played the majority of the season at right wing where he set up many goals and scored a number himself. He has a great knowledge of the game and proved this when he filled in at sweeper mid-season during Joe's injury lay-off.

KHALED HAMDAN: A tough tackling no-nonsense player who played in most positions this season. He scored several goals when playing in attack but needs to put in a greater effort at training to make greater use of his natural ability rather than disrupting the rest of the team.

JOSEPH HATEM: Another stellar season from Joe. A natural reader of the game who knows his limitations and always plays within them. A mid-season injury had everyone worried but he returned in time to be included in our winning six-a-side team.

RAYMOND KHATTAR: Always seeking to improve his game, Ray worked hard this season with the results showing on the field. He played mostly in attack where he displayed excellent control and one-touch passing along with a powerful right foot shot.

ARMADEUS LOMBARDO: A major improver this season Armadeus developed a competitive nature and will to win. This, combined with his aggressive tackling, made him the obvious choice to play centre back. Also scored his first club goal with a spectacular long range shot from half way.

LUKE MUN: A versatile player who can play in most positions on the field. He is fit and fast and can run all day.

KERRY-ANNE PALIVOS: Started the season way out of her depth due to having absolutely no football experience but by season's end Kerry-Anne was pushing for a starting spot and everyone in the team had noticed the major improvement she had made. This was all due to the hard work she put in even though the coach would like to take all the credit!

ANTHONY RACHID: One of the left-footed brigade! A smart player with an accurate passing game who was used mostly at the back and occasionally in midfield. Played an absolute blinder in the knock-out final.

EDWARD REID: Played solidly at left back where he was often first to the ball. Unfortunately still can't stop him from 'toe bashing' the ball which often sees his clearing kicks go sideways!

BRANDON STARC: Brandon lives to play football. He is technically the best player in the team and definitely the fittest. He has the ability to control the game while understanding the strengths and weaknesses of the players around him. A real talent.

DAVID TANTI: Our left winger and leading goal scorer for the season. David thrived on the skilful midfield players behind him. When put into space no one could catch him simply because he was too fast!

FRANKIE TASSONE: Frankie was a new player to the team this season who fitted in immediately at right midfield. Possesses a smart footballing brain and loves the step-over. Was picked as goal keeper for the six-a-side but the team played so well he only touched the ball twice all day!

MICHAEL VUONG: A quality player with silky skills. Became our first choice keeper towards season's end and impressed so much he won the club's Most Promising Junior Goalkeeper Award. Michael narrowly missed being picked for our six-a-side team. Not to be outdone he went and played for the Under 13s and helped them win the title! What a player!

JAYSN WATERS: Everyone at the Congs knows and loves Jaysn because he is a true Congo! He has a passion for the game and has an abundance of natural talent which is second-to-none. His down-to-earth nature and composure both on and off the field make him a very valuable player to not only the team but to the club as a whole.

Over the past few years I have been watching this side from the side lines, cheering the team on and see previous Coach Ken Burton yell his lungs out! It is an enjoyable sight to see the boys playing soccer and when Secretary James May said "you are coaching the under 13s!" I had no option! I had flashes of Ken Burton yelling his instructions from the side line!

It was a strong team effort in 2004 and the boys were keen to improve this season. We lost a few players but with the addition of Azzam Elkhodr, Mustafa Hamdan and Takudzwa Mukando it was going to be a good year.

Knowing that the other teams were going to improve from last year we knew we had to play to the best of our ability every week. The beginning of the competition was very tight with the players trying new positions. There were only a couple of points separating the top three sides which meant Lidcombe had to win every week however on a few occasions the boys let themselves down by not playing as a team. When the opposition scored the boys seemed to drop their heads. So Lidcombe lost at crucial stages during the year which put the team further behind on the competition ladder.

There were games which we expected to win but failed because we did not show any respect for the opposition. There is no team too easy or too hard but there were games where we played as a team and showed skill, especially in defence.

Losing key goalscorer Jordan Aguilar half way through the season, together with players not showing up to matches, didn't help our cause. However it was a good effort by the boys as they tried very hard especially those who showed up every week to training and games.

Lidcombe did have some success with one of the six a side teams going all the way to win the final. Well done to all players as it was a good effort!

At times this season was frustrating but I enjoyed my first year as coach!

I want to thank our manager Natasha Conneely for her organization which included taking care of the card, bringing drinks, arranging transport and organizing teams for the six a side. All of these made it easier for me to prepare the team.

Thanks to all the parents who showed up every Saturday with transport and support throughout the year.

Hope you will all be back next year.

- SAM ANNOUS
COACH

Another big season is over for the under 13s. Congratulations to all the boys for a well played and memorable season. It was a great effort by both Brendan Conneely, who received the award for Most Consistent Player, and Kane Reuter, who won the Most Improved Player. Although they were hard decisions to make they were much deserved by both boys.

I personally would like to thank all parents who provided transportation throughout the season. You are not forgotten!! It was very much appreciated.

From the boys and myself I would like to thank Sam for coaching the boys this season. It was often a hard task but Sam handled it well. We hope to see him back next season.

- NATASHA CONNEELY
MANAGER

The players in the team were:

AYDIN AGAR: Aydin had a strong season this year and his attack stood out. He loved taking on defenders and scored some amazing goals with his powerful shots (but missed a few easy ones, too!). Sometimes there were a few lapses in his game but he always helped in defence especially at crucial times.

JORDAN AGUILAR: Jordan has improved as a team player. He gave the team plenty of options in attack and showed his skills with the ball scoring plenty of goals along the way. Unfortunately he left us midway through the season. Hope to see him back next year.

FADI ANNOUS: Fadi keeps on improving every year scoring some valuable goals for the team. Playing most of the season up front helped Fadi improve his attacking skills but he always dropped back to help in defence when needed.

BRENDAN CONNEELY: Brendan played his best season in 2005. He was always there to clean-up in defence destroying the opposition with his solid tackles and speed. He did manage to score some goals on the few occasions when playing up front.

AZZAM ELKHODR: A new player to the team Azzam was eager to learn although at times he found it difficult at training and games. He improved his game throughout the season being always present at training and games which showed his enthusiasm to play soccer. Azzam's game will improve with more experience next season.

MUSTAFA HAMDAN: In his first season Mustafa enjoyed playing in a team. The effort he put into training showed on the field every Saturday especially towards the end of the season where he was playing with more confidence in defence. Well done!

KIERAN HINES: We know Kieran has all the skills but it is important he learns how to play in a team. If he put more effort into concentrating on his soccer than on the opposition I am sure both Kieran and the team will benefit. Hopefully he will come to training next season.

PAUL LEE: Paul was solid in goals. He lifted the team with his great saves and proved reliable with his positional play. Even when he played on the field his attacking raids gave the team plenty of opportunities. He will continue to improve especially when he starts listening to the coach.

TAKUDZWA MUKANDO: Being one of the new players Taku impressed everyone with his attitude at training and games. He always listened to advice and carried it out. Taku's play was solid in goals which he shared with Paul Lee He will improve in 2006.

CHARLIE RACHID: Charlie has improved on last year and was very keen to get involved in both attack and defence. Maybe if he stopped those late nights we would see Charlie more often at the games!

KANE REUTER: 2005 saw Kane's best season yet. Playing all the games in different positions didn't make a difference as he showed he was willing to attack the ball. Kane never took a backward step and never gave up, always jumping to head the ball. Even at training he was keen to improve. Well done, Kane!

CHARLIE TAOUK: Charlie let the team down this year by not showing up for games and to training. When he did show up it was hard to get him focused on his game and at times he looked lost. Improvement was shown by the end of season.

ANDREW VOLPATO: Andrew showed that he can step up when needed. His defence was solid as were his passing and attacking raids from left fullback. This helped the team to get the ball down our half. I am sure Andrew will improve if he concentrates on his training instead of worrying about what other team members are doing.

Lidcombe Churches Soccer Club

would like to thank

**TNI The Network Australia Pty Ltd.**

Sponsors of the under 14 team

1-800-814-062www.TNINetwork.com

Season 2005 was a very enjoyable and, in many ways, quite a successful year. The Under 15s went through the year only dropping three games, all against undefeated Guilford McCredie.

However in the final showdown of the year at Phillips Park we gave Guildford a real shock by leading 1-0 midway through the second half before ultimately losing 3-1.

The teamwork and friendship shown both on and off the field was a highlight for me as a coach. The under 15s excelled in regular competition games to finish in second place on the ladder.

The spirit displayed in a knock-out match versus Guildford's Under 16s at Jones Park (where Lidcombe went down 11-0) was an unusual highlight for me personally. Lidcombe dominated the first 10 minutes but in the end the opposition were far too strong but our team never gave up and couldn't get the ball back to the halfway line quick enough for the kick off!

Finally, who could forget this year's six-a-side! After both of our sides lost their two matches, lunch was had by all and then everyone decided to go trekking for an hour or two in the wild jungle and waterways of Everley Park!

A good balance of skill, experience and a will to listen and learn came from this season. All players improved, showed their maturity by assisting new players to the club, and excelled on past years.

In goals we had the 'Amazing' Ahmed who, time and time again, kept his team in many close games with some incredible saves. At the back we had the 'Talented' Tim who controlled the back three - 'Fearless' Felix, who is continuing to improve; 'Great' Goksel, who is playing his first year of soccer; 'Aggressive' Anthony who showed his best in the final few rounds, and 'Courageous' Catherine who has developed into a very accomplished fullback!

In the midfield we had the 'Bewildering' Ben who was always talking, 'Marvellous' Mathew is another who doesn't stop talking; 'Persistent' Paige who will get a goal soon, I'm sure; 'Jostling' Jessica who may attempt a penalty one day and 'Jolly' Jenny who doesn't say much, but has improved!

Up front the 'Athletic' Abdul who continues to hit the post; 'Attentive' Amanda who showed vision on the wing; 'Masterful' Mohamed who is a great fullback preferring to score goals; 'Mindful' Mitchell the travelling man; 'Determined' Danielle having played a consistent year and finally 'Jumping' Jordan who was everywhere on the field!

A good day was enjoyed by all at the local McDonalds after ending the season with a bye. I trust you all enjoyed the burgers, fries, drinks and ice creams as much as Stan and I enjoyed being involved with each and every player throughout the year!

The team improved their attention at training and the results and playing standard was evident by individual efforts. As a coach I was again happy with the on and off field behaviour by all as the newer players were taken in and very well liked.

I thank Stan Gad who has now completed his "apprenticeship" as Manager and is finally ready for the coaching role! Stan never misses a match and is full of encouragement and always has an esky full of refreshments. Stan, along with many of the parents, supplied their services and 'soccer taxis' to convoy the team to many away games. I thank you all.

Finally thanks to Brett May who often took control of training after an SOS was sent out at short notice with my work commitments.

I would encourage all this team to return next year as I know you will again improve as team even more, and look forward to seeing you all at Phillips Park playing in the famous Blue and Gold strip.

The players in the team were:

GOKSEL AKGUN: Goksel was playing his first year with Lidcombe and soon became a very popular player. He has a huge kick on him and a great will to listen and learn more about soccer. Look forward to seeing him again in the blue and gold in 2006.

ABDUL ANNOUS: As one of the more experienced players Abdul played an important role this season. He played at fullback when required and was unleashed up front playing striker.

CATHERINE CONNEELY: Catherine never plays a bad game at fullback – a position that has been hers for a number of years now. Rarely makes a mistake, and if she does makes up for it immediately. Shows her opponents how a good fullback should play.

AHMED ELCHEIKH: Ahmed never ceases to amaze as our number one keeper and has come on in leaps and bounds over the last two seasons. He is never afraid to commit himself and kept extremely well throughout the year.

BENJAMIN GAD: Ben played to a high standard each week and was rewarded with the team's Most Consistent Player award. He was also called upon on numerous occasions to play in the U16s. Look forward to Ben playing in the all-age sides sooner rather than later.

TIM HA: Tim has also grown into a tremendous player with his direction at the back very important to his team. Controls the play and marshals his fullbacks and halves around the park well. Tim is another young player who will play all-age soccer in coming years.

PAIGE KELLY: Paige again was very consistent following on from 2004. Her runs down the wing and her passing skills have improved yet again. Reads the play well and is always in position. Still that first goal eludes her. Maybe next year!

FELIX LEE: Felix improved on 2004 with a more determined approach to his game. Playing at fullback he tackled hard and contained attacking wingers very well. Look for a big improvement from Felix in 2006.

JENNY LEE: Jenny was another who was playing her first year of soccer. After starting midway through the season she commenced slowly but as the year went on she put in many fines efforts. Will benefit from this season.

JESSICA PALAZZOLO: Jessica had a terrific season as was rewarded with the team's Most Improved Player award. A very consistent year and week after week Jessica outplayed her opponents having the ability to look up and pass to un-marked players. She has also improved her tackling.

MATHEW ROKOV: Mathew has all the skills and has developed into an excellent player. Stan and I are still not certain whether Matthew is better suited in the midfield or as a forward! He is another player destined to play with the all-age in 2006 or 2007.

JORDAN SKINNER: Jordan also played his first season with Lidcombe and it was soon apparent that he was going to play an important role in the front line. Has an incredible turn of speed and was always on the spot in the 18 yard box aiming for goals. Look forward to his return next season.

AMANDA STARC: Amanda is playing her second season of soccer and was another who impressed week after week. She now has a better understanding of her position and is a very un-selfish player who knows when to pass the ball. Her raids down the wing this year were very impressive.

MITCHELL STARC: Mitchell is a very passionate player who also had plenty of experience this year in the all age competition. The experience he gained in playing with the older players was rewarding not only to himself but also to his fellow players in the U15s as he passed on a wealth of knowledge to the younger players around him.

MOHAMED TAHA: Mohamed has grown into a fine young player and is a very determined player who never puts in a bad performance. A broken wrist (playing school footy) had Mohamed sidelined for a number of weeks. Upon his return he slotted straight back into his faultless game plan.

DANIELLE WILBOW: Danielle had her best year since joining the club in 2003. It would be rewarding for her to attend more training and play a full season. She has now learnt more about her role and what is required when assigned to the halves or when playing on the wing.

ANTHONY YOUNAN: Anthony had a slow start to the year but as the season progressed he was one of the most consistent players in particular, the final four rounds. Playing at fullback, he was first to the ball and shut down opposing forwards with many fine and well-timed tackles.

*** BROKEN BUT NOT BEATEN**

A sore wrist following a school accident did not stop MOHAMED TAHA (U/15s) from playing with his side next day against St Michaels and also scoring a fine goal to draw the match. A later x-ray revealed the wrist HAD BEEN BROKEN and Mohamed missed the next six weeks.

Keeping it in the family, Mohamed's brother RARBIE (U/16s) suffered a severe leg injury in June and missed the rest of the season.

Both are looking forward to an injury-free 2006!

####

*** WORLD CHAMPIONSHIP MOUTH!**

Club veteran KEN "KJ" JAMES, certainly has some stories to tell!

He recalls the night he went to see the American wrestlers and paid big bucks for his front row seat.

Known for his rather excitable (?) manner, our KJ did not like the actions of one rough grappler who hid a piece of metal in his trunks. KJ jumped to his feet and gave the wrestler some "typical" KJ lip but was shocked when the evil giant stopped midway through his aeroplane spin and jumped through the ropes after KJ!

KJ reckons the reason he has crook knees these days is because of his rapid exit that night from the stadium with the snarling wrestler hot on his heels!

2005 promised so much for the Under 16s. Well, that is what the side told me at the start of the season. They also told me that we would win this competition easily!

Sadly that was not to be and so I understand when they feel a bit dejected. Upon reflection, I am not sure that they could have taken out the coveted prize against a set of teams who were not any better than them but just more acutely focused.

Moving from 15s to 16s is quite a large step in terms of the game of football but it is also that point in a player's age where he or she really begins to develop and refine those skills, abilities and attitudes.

Attitude is what we saw a lot of this season. My time with the team was characterised by the highs of two consistently tough matches against St Columbas, the lows when we travelled to the Mountains, the tension when we played at home, the Congs spirit when we were down and all those other matches when I lost my voice! Best of all was the satisfaction that the team felt when they put in a good effort. It is those days that you can feel really proud and know and hope that you have made a difference. Unfortunate as it was, those days only came late in the season and often when we had loan players to bolster us.

Congratulations to Charlie Ozcelik on receiving this season's Most Consistent Player Award and well done also to Jacky Chu who has been awarded the Most Improved Player Award, an excellent season from both players.

A huge thanks must go to Anne Hay for being the team manager, disciplinarian, chauffer, laundromat and mother to the team. Without her support I think my wounds would have been much deeper. Also thanks to Morrie Volpato who was also there every week, transporting the team, running the side lines and generally facilitating.

The players in the team were:

DANIEL BUGARIJA: The little master is a worthy contribution to any team but he should have bagged a lot more goals this season. His intense skill and ability unfortunately does not match his attitude and level of commitment at training and he seemed intent on destroying other people's time. Unfortunately for us, Daniel performed at his best when he played for the seniors.

JACKY CHU: Jack was a welcome and necessary addition to the team this year. Every game and every training session he performed at his peak. He is smart on the ball and controls it well. He was often left to do a lot of the work in the centre of the park and every week he took on that challenge but he needs to be a bit more aware of defenders around him on his turns.

LARNIE DARSA: Larnie only managed to play just over half a season with us but when she did play she brought that lively upbeat spirit with her. If only I could get her to stop running on those eggshells as lack of speed was her enemy. I especially liked her temperament and she was often on the sideline providing me with counselling and bringing me back to down to earth and making me laugh when I needed it!

DAVID HAY: David played the majority of the season on the right wing where his deceptive height and skill often outclassed his opposition. His pinpoint accuracy from the corners resulted in his team-mates being gifted numerous goals. He needs to focus on ensuring that his team mates feed him more of the ball in the future.

CHRISTOPHER HINES: Chris' year is best summed up as "so much ability, so much mouth, and so little willingness!" On his day he can be a match winner as his central midfield play and understanding of the game are of the highest standards. It was only in the last few games of the season that he performed up to his undoubted ability when his "partner in crime" did not influence him. He just needs to be more committed and he will be a great player.

VINCENT HUI: "Young Huey" was lucky to have suffered the growth spurts this year which benefited him in the one-on-one situations. He picked up his defensive role and really displayed his true talent late in the season. He still suffers from pre-match fitness; it takes him half a game to get the engines going even when he is playing in goals!

BAHRAM MIA: Baz had a steady and strong season when he was on the pitch. His indiscretions cost his team dearly and he needs to trust his players a little more to extract a lot more from them in support. Bahram will excel once he moves into the senior teams.

CHARLIE OZCELIK: The "Kebab Kid" has developed immensely this year. To his dislike we had to put him in as goalkeeper, only because he was more able than other team members and offered greater team utility. Without his efforts we would have finished a lot lower down the ladder. He really came into his own and marshalled the control of the game after we lost Rarbie. With a bit more fitness and less MSN time, he will be a star.

KATIE RUSH: Katie had plenty of commitments to her junior team and suffered a constant ankle injury this season. When she did manage to take the field she played well and did what was asked of her week in and week out. Even though she copped a lot from the boys she never let her spirit and determination fall.

NATHAN SCHLIEPER: Nathan came to us as a late find and demonstrated that he had immense speed to run on a short burst. Unfortunately for the team we were unable to convert the ex-leaguer to be a goal scoring speed machine. Nathan could have gained a lot more from this season if he paid attention at training and trusted himself and not focused on the unnecessary personal conflicts within the game.

RARBIE TAHA: This young gentleman encapsulated what it means to show commitment and leadership. Week in and week out he gave everything that he had in his tank then searched for more in his reserves. He then often enough backed up for a seniors game displaying a sense of maturity and discipline that far exceeded everyone's expectations. Unfortunately, Rarbie suffered a serious injury late in the season and this impacted upon the team's outlook as they relied on his guidance and on field management.

DANIEL VOLPATO: Mr Reliability as he is known, Daniel's performance week in week out was the same. Not boring, but consistent, passionate, dependable and always giving his best. Like Charlie, he could probably share the most consistent player award of the year. Daniel's efforts make a coach's day and his support of fellow team members ensures that he works well in a unit. His goalkeeping utility also got us out of sticky situations many a time.

ANDREW WALL: The opposition battering ram or "Don Juan" Wall. Andrew always seemed to be in the wars where the opposition was always bowling him over. This was due to his determined commitment of getting there and not stopping. His speed at the back saved us many times and with a bit more coaching he will be an able defender and perhaps referees might go easier on him. Next year hopefully we won't have to spend so much time looking for him at the park as this season he was often chatting up the girls!

WILLIAM WILBOW: William proved that he can play many roles on the team even when his enthusiasm got confused with his temper. Having said that, William will develop into a solid player once he practices using the inside of his foot. All he requires is a bit of patience and commitment.

At the start of the season there was an air of quiet confidence within the squad regarding the prospects of the Reserve grade side. Even promotion to the Premier League competition could not faze the anticipation.

Unfortunately a never before seen horror run of injuries hit the senior squad with its effects invariably being felt hardest in the Reserve Grade side. On Occasions not only were many of our players out through injury but our best players were regularly called up to the First Grade side to cover their injuries. Of course, all this enforced player rotation had a detrimental effect on the team continuity but surprisingly it did not affect our attacking style of play.

Highlights of the season included.

- the outstanding performance of Sam Elzahr in his debut season;
- the impressive form and 'coming of age' of Patrick Conneely who picked up the Bill Stevens' trophy for Most Consistent Player.
- The performance of the younger generation coming through from the under 16's. All of these players handled themselves well with a few even getting First Grade starts.
- The manner in which the games were played showing excellent sportsmanship and team spirit - something which First Grade could learn from us.

All in all not a bad season with plenty of positive signs for next year.

Bring on 2006!

The players in the team were:

ADEM AGAR: A player with excellent vision and a great passing game started the season in first grade but a lack of fitness towards seasons end let him down

REG AGAR: Due to work commitments, appearances were few and far between for Reg. He always gives 100 percent and enjoys showing the young fellas how the game is meant to be played.

LUIS ARGUETA: Sustained a horror knee injury in the second round which put him out for the season. Will be back next year!

SCOTT ASHBROOKE: Played mostly in the left back role this season where he used his experience to give the opposition forwards hell. While his overlapping runs down the left were often the start of our attack he didn't manage to hit the light pole as often as his retired hero Nigel Batts!

PATRICK CONNELLY: Stepped up his game to a whole new level this season. His pace at the back was invaluable and often covered the mistakes of more experienced players around him.

ISSAM ELZAHAR: Proved to everyone this season that fitness and commitment are two valuable qualities in a footballer. Consistently one of our best players receiving regular call ups to the First Grade side.

GRAHAM HOLLEBONE: Found the retirement pill a hard one to swallow and got his leave pass stamped early in the season. Pulled off several outstanding saves in goals and even scored a goal when playing up front, showing that he can perform at both ends of the field!

MARK KINSMAN: Came into the squad after Grant Leslie's retirement to fill our "Pommy Quota". A constant battle with injuries made consecutive appearances rare however scoring four goals in one match at Phillips Park will ensure his return for next season.

ANDREW KASS: Joined the team mid season and improved in every game he played. Will benefit greatly from this season's experience

BRETT MAY: After starting the season struggling to find any fitness (and the coach ruling out a move into goals!) Brett knew something had to be done. So with the ankles holding together along with the new diet and extra training Brett finished the season fit and trim and playing two games a week! Hopefully the off- season is kinder on his waistline enabling him to start next season fit and firing!

JAMES MAY: The pace of reserve grade seemed to agree with PC this season. Now in the veteran category he used his experience to always be in the right place at the right time. At only 34 he still has plenty to offer and proved it with some eye-catching performances when backing up for first grade towards the end of the season.

KHALED MEHAJER: Changed to a wide mid field role this season where he was able to use his pace to run at and around players. Khaled also does a lot of work in defence which often goes unnoticed.

ALEX MOROZOFF: Answered the call and came out of retirement to add some experience and provide a calm head on the field. Whether in goals or playing up front he showed he still has what it takes. After both Alex and Graham's successful returns this season watch for a flood of Congos escaping from the nursing home in 2006 to make their playing comebacks!

JOE NESCI: Got his referee's ticket this season and seemed to be gaining some sort of fitness when during a night match at Jones park he actually outpaced someone to the ball! Needless to say his knees were so shocked they gave out within seconds and thus ended Joe's season!

KIERAN O'HARA: "Kegs" had a great season passing the 300 game mark and scoring some cracking goals. He has excellent vision and is always looking to put players into goal scoring positions. The jury is still out on the white boots though!!

LACHLAN WEEKES: Lachlan fits in well at the Congs. He is tough and determined and always gave 100 per cent. He could always be counted on to 'fill the back of the card' for First Grade! Will be one to watch next season if he improves his fitness.

- STEVEN MAY
MANAGER

#####

*** DOUBLE MAGIC**

Twins STEPHEN and MATHEW JAMES' favourite free kick ploy worked a treat this season! In the match against St Patricks the First Grade received a free kick just outside the box. As Stephen bent down to place the ball he touched the ball on to his brother who blasted the ball into the opposition net without the defence moving an inch!

#####

*** IRON CONGO**

Junior Clubman of the year AYDIN AGAR (U/13s) certainly enjoyed his stints as Barbeque chef on Saturdays at Phillips Park.

According to his father, Aydin is a keen watcher of TV's "Iron Chef" and regularly cooks up various culinary delights at home!

In the future we might see Aydin with his own cooking show on television!

Finishing second in First Division in 2004 meant an automatic promotion for the squad to the Premier League after an absence of almost twenty years.

Meeting up with Telopea who had won Premier League last season was a difficult start and despite our best efforts we were well beaten in the opening game. However Telopea did set the standard and it was no surprise when they again took out the competition.

The first grade finished in six position, three points out of the four, which was a very good effort considering the horrific injury toll which hit the side throughout the season. Key players such as Peter Oberemok, Mathew James and Dave Whitwell were missing for a number of matches which severely limited our attack and defence.

Highlights of the season include:

- Stephen James' six goal haul in the deferred game against St Lukes and the only goalscorer in a 5-0 win over Chester Hill in the Knockout;
- Mathew James' excellent performances throughout the season despite crippling knee injuries;
- Consistent performances from Mo Elzahr, Adem Agar and Sam Annous;
- The excellent support of the Reserve Grade players, under 16s and Mitchell Starc (from the under 15s), who more than capably filled in when we were short.

I am confident that the experience gained this season will allow us to build for a stronger 2006.

The players in the team were:

VAHID AMERIPOUR: Vahid "soft hands" Ameripour! He came back this year to take on the goal keeping duties however he didn't spend too much time in goals when injury hit the team as he was moved out to the right wing position. Always showed heart every time he played, and boy didn't he need it! Not the fittest player but always tried hard to be up for attack and back for defence when needed. Scored a couple of goals but there is debate as to whether it was good positioning or tiredness which got him into those scoring positions!

SAM ANNOUS: Sam gave his all when he was playing. Might not be the most skilled defender but definitely is one of the hardest (which is good for us that he was on our team!). Took a few hard knocks throughout the year and had his fair share of injuries but always got back up to take some more for the team. The old guy still has a few more years in him yet (we hope)!

MOHAMED ELZAHR: Mo "the butcher" Elzahr! When he was there the opposition knew it, leaving many lying on the ground wondering what hit them! One of the pivotal players in defence he was always there to hurt the opposition attack or the opposition (whichever came first). Did go missing at the end of the season due to work commitments but hopefully will be back next year.

DANIEL JAMES: Had another strong year showing the big boys how dangerous he can be with his ball skills, his version of the 'Obe' shuffle and his defending which at times can hurt opposing players! Needs to listen and take in what is said to him instead of letting it get the better of him.

MATHEW JAMES: Mat "how's your knee" James had another great year playing mainly upfront and had the ability to turn the play in an instant. Scored some brilliant goals from nothing and for these reasons has been awarded the Ray 'Curly' James Memorial Trophy for Best All Age Player.

STEPHEN JAMES: Stephen “captain morpheus” James! Once again he had another strong year which provided him with many goals. Whether it be in attack or defence he was always working hard and there is no doubting how valuable he is to the team. In attack he was there putting away the goals the team set up for him. In defence he was always “putting a head on it” when it seemed others wouldn’t. Led the team well throughout the year and will do it again next year.

TRISTRAM LARWOOD: Tristram “the aarrgghh man” once again showed how valuable he was at left back stopping many attacking raids but he also showed he could attack making many an overlapping run down the left. Needs to work on his crossing though because for all the hard work in making the runs his final balls tended to let him down a bit.

STEVEN MAY: “Mr Fitness”! The mad man that wouldn’t stop running was originally promoted to First Grade to fill in due to injury, proved his worth and just couldn’t be left out of the side from there on.

PETER OBEREMOK: Peter “Obe Won” Oberemok. Injury kept the old stalwart on the sidelines for most of the second half of the season which was when his team needed him most. Always a danger with the ball and although the body may be getting on the brain is still as sharp as always. Provided the base for the team and was always able to put team mates in scoring positions with his sharp passing. Possesses one of the best left feet when it comes to shooting from distance.

JORGE SALAMO: Jorge Salamo aka “Serge” aka “Hans Salamo” aka “Neo” once again showed the force was strong in him all throughout the year using his size to hold the ball up providing many opportunities for his team-mates to shoot on goal or get into a better position. Provided the composure that was needed when the team was down. Always looking to play and in the latter part of the season was often called upon to play two games when the numbers weren’t there. Serge does need to work on his shooting from distance as he tended more often than not to try to beat too many players when it may have been the better option to shoot.

TRENT SMITH: Trent’s work commitments kept him out for most of the season (or was it the wife?) and for the first time seemed to be lacking a lot of fitness. Occasionally heard calling out “I’m buggered”! Needs to stop thinking when in front of goal and just hammer the ball.

DAVID WHITWELL: “Boxich” had another strong year at the back popping up when needed to thwart the opposition attack. Loves getting up the front for a corner to cause havoc with his size. Much like his golfing prowess he needs to take the airswings out of his game!

**- MATHEW JAMES
MANAGER**
