# PRESIDENT'S REPORT

Wet weather certainly played its part in 2010 with a number of games being either postponed or cancelled however despite the ever-present threat of rain it was yet again another successful year for our soccer club.

On-field success came by way of the Under 8s who took out their competition and the President's Cup, the Under 12s won the Sixaside and the Premier League won the Preseason and Sixaside. Apart from competition success full praise must go to ALL teams for representing the mighty blue and gold in such a sporting manner in 2010.

The Premier League First Grade under new coach Phil McIntosh had an impressive season despite losing in the competition semifinals. Phil has introduced new training methods and the team responded accordingly with the Reserve Grade side providing excellent support throughout the season.

Off the field your club Management Committee worked hard behind the scenes and credit must go to Secretary James May and his hard-working committee members for their efforts in raising much-needed funds at the weekend barbecues at Bunnings Warehouses in both Lidcombe and Auburn.

The loss of players past the age of twelve has always been a concern and your Management Committee is discussing a number of strategies in an endeavour to overcome this. It is apparent that players drop out for a variety of reasons and we would like to see these players continue their football careers by moving through to the Under 14s and Under 16s and eventually the All Age sides. A number of former Churches clubs have either moved away completely or sent individual sides to District competitions outside of Churches and this is an aspect to which we might also consider.

In 2010 our Under 12s played in a combined 11s and 12s competition yet still faced two Byes throughout the season - not an ideal way to manage a competition. In the Under 8s competition Lidcombe was a standout performer however hopefully next season will see an increase in team numbers similar to the Under 10s in 2010 where ten teams provided two full rounds of keen competition.

The Under 6s and Under 7s travelled far and wide for their social games and discussions are currently taking place in regard to perhaps replacing some of these games with Saturday skill sessions as a prelude to playing in actual competitions.

Lidcombe remains one of the strongest clubs in the Churches Association and we must maintain a strong junior base to ensure our viability.

I thank you for all your wonderful contributions in 2010 and I look forward to having you back with us next season.

**- NEIL RUDGLEY**  
**PRESIDENT**

# SECRETARY'S REPORT

In our 71st year we fielded six junior teams (two more than last year) and two senior teams.

There were many highlights this year. On-field successes were:

- Under 8s being runners up in the Six A Side Competition
- Under 8s winning the Competition undefeated
- Under 8s winning the President's Cup Competition
- Under 10s being runners up in the Sixaside Competition
- Under 12s winning the Sixaside Competition.
- Premier League squad winning the Sixaside Competition.
- Premier League squad making the semi-finals of the State Cup Competition.
- Premier League First Grade making the semi-final of the Premier League Competition for the first time since its inception in 1968.

What continues to be especially pleasing are the enjoyment and enthusiasm shown by all players, coaches, managers and parents.

As always, the club could not field teams without the tremendous support and work done by the coaches and managers. Thanks to Ian and Trent Smith, Michael Hawach, Michael Chamchoum, Steven May, Loueze Dib, Thai Lam, Mathew James, Lorraine Kratz, Ken James, Phil McIntosh and Brett May for helping out with their respective teams this season.

Once again this year the number of official referees registered with the Association fell and it was mostly up to us at a club level to supply referees for home matches for the junior matches. My thanks go to Alex Morozoff, Steven May, Mathew James and Loueze Dib for their assistance in controlling games in a fair, unbiased and sporting manner. Referee courses are run by the Association early in the season and I encourage everyone to participate even if it is only to gain the knowledge of the laws of the game.

Thanks to Alex Morozoff for again co-ordinating the activities in the canteen this year. Thanks also to Rhiannah Morozoff, Helena Conneely and Kane Reuter who gave up their time on Saturdays helping out behind the counter and on the barbecue.

Again we were in the fortunate position of having people volunteer their time to help out with the running of the club. This year the committee has recognised the contribution that Lorraine and Paul Kratz have made to the club. Apart from Managing the Under 12s team they organised the venue for the Annual General Meeting, helped dress the fields and pack away equipment following matches each Saturday morning. They were also an integral part of the team that operated the Bunnings Community Sausage Sizzles at the Lidcombe Bunnings Store. For these reasons Lorraine and Paul have been awarded the Norm Huteau Memorial Trophy for Best Clubman.

The committee also recognises the efforts of a junior member who has made a great contribution to the club throughout the season. This year the committee would like to recognise the contribution of Amanda Kratz. Amanda was also an integral member of the team that operated the Bunnings Community Sausage Sizzles and also would help pack away equipment following junior matches at Phillips Park. For her efforts throughout the season Amanda has been awarded the Patrons Trophy for Best Junior Clubman.

There was a number of players who achieve some extraordinary personal milestones. Congratulations to the following players on achieving their own individual milestones while loyally representing the club:

- Peter Oberemok became the 11th person to play 500 club games. He commenced playing in 1974 and notched up his milestone against Wentworthville Uniting in June at Phillips Park.
- Five players joined the Honour Roll this season when they played their 100th club game. They were:
  - Anthony Boustani (U/12s) - commenced 2004
  - Ibrahim Annous (U/12s) - commenced 2002
  - Christopher May (U/8s) - commenced 2005
  - Patrick Murray (U/12s) - commenced 2004
  - Vincent Hui (P/L) - commenced 2004
  - Matthew May (U/12s) - commenced 2004

Overall it has been another enjoyable year, enjoyable because of the contributions and support of the players, coaches, spectators and volunteers. All of these people contribute to the successful running of our club which in turn gives the children in every team the opportunity to develop both their football and social skills. Thank you everyone for supporting the club.

Special thanks must go to the Management Committee who started organising the season last December and working through to this Presentation Day in October. My personal thanks extends to all members of the Committee for your help and contributions this season.

We look forward to seeing each and every one of you back at Phillips Park next season.

Finally a reminder of those immortal words that our former patron Ray "Curly" James once said and was so often heard to repeat:

**"Once a Congo, ALWAYS A CONGO".**

**- JAMES MAY**

# UNDER 6 BLUE

What an inspirational year in what was the first season for a number of our Under Six (Blue) team.

We had five players returning from last year making a full team of nine. After a couple of early training sessions the young soccer players began to emerge.

The team received great support and encouragement from all their family members including mums, dads, sisters, brothers, grandparents and friends! Your support was very much appreciated.

Despite not winning a game all year the effort and commitment from our team was inspirational. Many of the games during the year were hard fought and extremely exciting.

With continued training (even in the school holidays) our players skills started to improve. We were able to achieve a number of close matches in the latter part of the season where the results could easily have gone our way.

During the year there were many memorable moments with some of our players scoring their first goals but it was highly satisfying year all round.

The players in the team were:

**Troy GAYOS:** Despite suffering some sickness throughout the season whenever Troy was able to play he always gave his best. He is our only left-footed player and turned in a great effort.

**Raiden JANG:** One of our goal keepers who also made bursting runs down the field and provided much excitement throughout the season. Big things to come for Raiden, Well Done!

**Madeleine LEASK (Maddy):** Our only girl who brightened our team and always played to the best of her ability. She showed great improvement. Well played!

**Joshua LIM:** Our long-legged and hard running forward, playing more upfront and putting fear into the opposing teams when he strode out. It was late in the season when we found a star goal keeper in him. A great year from Josh!

**Ken RHOLDAN:** His first year at soccer yet always put his best foot forward. He played with aggression straight up the field, Good effort in 2010.

**Jerold REYES (Spike ):** His aggressive tenacity and never-say-die attitude was terrific. Unlucky not to score more goals. A great year and more to come, Spike!

**Connor SMITH:** Improved each game showing a natural talent to weave in and around opposing players. Always in the middle of the ruck trying to steal the ball. His best year yet. Great season!

**Brandon THAI:** One of our strongest players and most consistent players whose ability up front was undeniable with nine goals but his defence was also very strong. With a killer right foot he has a long future ahead. Great year!

**Pedro TORRES (PJ):** By far our strongest defender with many full field runs to his name. He also has a big right foot. Good season!

As Coach and Manager we were both extremely pleased with the improvement shown by the team and we will be proud to be the Coach and Manager for years to come! We have both enjoyed ourselves immensely and look forward to your return for another season.

# UNDER 6 GOLD

It was an exciting season of soccer for the 2010 Under 6s (Gold) team and it was great to watch the kids learn more and more each week developing their skills and knowledge. We didn't achieve a winning match this year but whatever we lacked we made up for in spirit and heart. The kids had a lot of fun learning and playing and it was unfortunate that we had a fair few rained out days but that's the way it went this year.

All the team played so well and it was a pleasure to watch their confidence grow on the field also. Most of the kids didn't even attempt to kick the ball at the start of the season but at the end of season they were making breaks and defending back at their goals like stars.

The players in the team were:

**Aidan CURRAN:** Aidan was the inspiration from the first game he had with us defending so well and making so many breaks. He got the whole sideline pumped up when he scored a goal against Newington doing "the dive" with hands in the air! Now that is what soccer is about, loving the game to no end! He was a great goalkeeper also but was missed on the field so much when he went in goals. He played well in any position and has a great future.

**Aydan HAMDAN:** He was our main goalkeeper for most of the year making some top saves and also playing some great soccer with some good breaks and defending. He developed so well over the year and I can't wait to see him playing in a few years' time.

**Gabriel HAMDAN:** Gabriel played well throughout the year and made a lot of great breaks with some good attempts at goal. He liked playing in goals and did a good job in there also. His playing skills improved so well over the year and I'm looking forward to his 2011 season.

**Yehye HAMDAN:** He was the rocket! Whenever he would come on the field everyone else would lift! He got better and better as the year went on and made some great breaks and tackles. He has the makings of a fine soccer player and is so good to watch playing on the field.

**Jordan HAWACH:** Played in the backs defending well and improved as the season progressed. Once he got more confidence he started to tackle and go for the ball more. He also made a number of breaks later on and it was great to see his development over the year.

**Samuel HAWACH:** Started the year off not knowing if he wanted to play soccer but after one game he said he wanted to play every day! Sam played well throughout the year defending and passing the ball while his game improved as the season went on. He loved the friendship with the other players and training every Wednesday and will be great to watch in a few years.

**Adam MHAJER:** Adam was the tank of the team! Our solid defender at the back who made some of the best breaks this year. He got better each week and turned in some fine games. He was just exciting to watch on the field and made numerous solid tackles around the goals. Congratulations on receiving this year's Most Improved Player Award.

**Eknor SINGH:** Sadly left us later in the season but she had a good year playing well in the backs making some effective tackles and having a lot of fun on the field. Hope she is having fun in whatever she chooses to do.

A big thank you to Brandon Thai, Joshua Lim, Connor Smith, Rana Mhajer and Leila Hamdan for helping us out when we were short of players.

Thank you guys for the great year. It was amazing to watch the kids develop so much and I had a great time coaching them.

**CONGO BROTHERS MAKING GOOD!**

- Congratulations to former Congo footballer **BRANDON STARC** (189 games & 56 goals, 1999-2009) who represented Australia at the World Youth Olympics this year in Singapore. Brandon finished equal first, winning the Silver Medal on a count back bettering his personal best by 9cm with a jump of 2.19m.
- Not to be out done by his younger brother **MITCHELL STARC** (207 games & 68 goals, 1997-2006) made is One Day International debut for Australia against India last week. Not bad for a Lidcombe lad lining up with the likes of Michael Clarke, Mike Hussey etc against India's Dhoni and Kohli.

# UNDER 7s

The team was unlucky enough to get drawn to play against a very experienced and well drilled opposition in the first game of the season. With all but three boys playing their very first game and with only limited training and no practice games beforehand the team never really had a chance, losing 19-0.

However, this very heavy loss did not seem to have much effect on the team's confidence and they recovered to have a reasonably successful season, winning seven and drawing two of their remaining 13 games.

Their games were always exciting with plenty of goals scored as evidenced by the 61 goals scored by the team which was matched by the same number of goals scored by the opposition throughout the year.

Coaching the team has been an enjoyable and learning experience for me and I would like to thank those people who helped me out, especially Jose Chan-Frias who stepped in and looked after the boys on the couple of occasions when I could not make the game or training. Thanks also to the other parents for their enthusiastic support and for making the effort to get their children to the games week which meant that despite only having eight regular players we were able to field a full team almost every week.

The players in the team were:

**Edwin AKOL:** In his first season Edwin chased the opposition keenly, tackled strongly and managed to score a few goals as well. The improvement in his ball control as the season progressed was also noticeable.

**Ali ASKAR:** Another new player who defended well, made some good runs and proved he knew where the goal posts were by scoring three in a game against OLQP at Daniel Street.

**Justin CHAN-FRIAS:** The mainstay of the team as evidenced by the 32 goals he scored, many of which came from long runs made from inside his own half. A very talented little player with a powerful shot and with ball skills which would be the envy of many older players. A star in the making!

**George FAINGATAA:** Only a little fellow but a wholehearted player who looks to pass the ball and certainly knows how to score a goal. Also proved to be a very handy back-up goalkeeper.

**Gabriel FUSI:** Played very reliably, particularly in the defence, and showed a willingness to pass the ball when the occasion required it. Also performed well in goals when called upon to play in that position.

**Terence FUSI:** The baby of the team aged only four and a bit years old at the start of the season. Understandably he didn't really know what it was all about but got a few kicks in and we certainly appreciated him being there to make up the numbers each week.

**Serhan KOL:** A shy boy who specialised in the goalkeeping position in his first season. His confidence grew as the season progressed and he made some good saves.

**Raagul SEAVERAJAH:** Another newcomer who played very enthusiastically throughout the year. He tackled strongly and went close to scoring on a number of occasions. The improvement noted in his play has seen him deservedly receive the Most Improved Player Award.

**MORE HISTORY IN THE MAKING.**

- The effort of the Premier League First Grade side in reaching the finals was all the more meritorious when you consider that this was the **FIRST** time that our top grade has made the semifinals since the Premier League commenced in 1968!  
Sadly our boys were beaten by a “golden goal” in extra time yet the week before the team had beaten eventual competition winners St. Patricks 3-1.

# UNDER 8s

The Under 8s had a successful 2010 season being undefeated Competition winners, President's Cup champions and Six-a-side runners up.

The season started on a winning note at Daniel St Park against OLQP. The boys totally outplayed the opposition and came away 6-0 winners. That was the moment I knew we had a side that could win the competition. Not because of the one-sided score line, but because of the enthusiasm with which each boy played and the fact that they all played as a team. I remember thinking that skills and the basics of the game can be learnt but the hunger and team spirit these kids showed right from that very first match cannot be learnt.

The style of play that we learnt and worked on each week saw us unbeaten at the season's end. All of the fifteen registered players contributed greatly at various stages throughout the season. This made the team's achievements even more satisfying, knowing that we were not just a one or two player team (unlike other teams!).

While the season was filled with many highlights the main ones to stand out were our battles with Guildford McCredie. It all started at the beginning of May in Round 4. Both teams were undefeated and fighting for outright first place. Lidcombe started well and were leading 3-0 when Guildford put in three quick goals to draw level. Lidcombe fought hard and scored close to full time to run out 4-3 winners.

The second meeting of the two teams was the Six-a-Side final. Lidcombe were totally dominating the match when Guildford won the ball from a Lidcombe corner and ran away to score with the Lidcombe defence being caught short. This was to be the only goal of the match and Lidcombe lost despite being the better team.

The next meeting of the two teams was at Phillips Park in round 14. With only one point separating the two teams top spot on the ladder was again up for grabs. Guildford took the lead twice in the match but both times Lidcombe came from behind to level the scores and the match finished at 2-2. This was enough for Lidcombe to hold onto top spot on the ladder while gaining a huge amount of confidence and proving to everyone how mentally strong this team is, by coming from behind twice in one match and still achieving their goal of holding onto first place.

The final meeting of the two teams was the culmination of the season - the President's Cup final at Everley Park. On this day Lidcombe played their best football of the year. Lidcombe went into the match with a simple yet effective game plan - play the ball wide to our fast players! We played as a team with precision passing and teamwork, every player knew his job in both defence and attack and executed it to perfection. We ended up winning 1-0 with Guildford's usual game plan of stacking their defence and relying on one fast player in attack failing miserably against the champion Lidcombe team.

Another highlight of the season was Christopher May playing his 100<sup>th</sup> club game against St Bernadettes in May (not surprising considering he has been playing since he was THREE years old!).

This year the Most Consistent Player Award is shared between two players - Calvin Iturra and Christopher May. Calvin wins this award for the second year in a row while Christopher also receives this award for the second year running after being the Most Consistent in last year's Under 9 side!! Congratulations to both boys on an outstanding season.

This season the Most Improved Player Award was an easy decision. Despite the major improvement of all the players throughout the season, there was one stand out performer - William Leask. The improvement Billy made was noticed by not only me but all the parents and regular watchers of the team. Well done Billy!

I would like to thank the following people:

- James May- who not only managed the team but acted more like a second coach. Taking the team when I had work commitments, running the substitutes and giving general instructions from the far side of the field.
- Tito Tealdo- for his invaluable help at training and taking time out from his HSC studies. His guidance in the end of training games got the boys passing the ball more and more each week.
- All the parents who washed the jerseys and allowed me the privilege of coaching your children, never once questioning my decisions.
- All the supporters who attended the President's Cup final to cheer the team on proving that Lidcombe is easily the best supported club in the association.

Finally I would like to congratulate all the boys on a fantastic and enjoyable season. I hope each and every one of you come back next year and continue to play for this great club for many years to come.

Remember.....

Once a Congo ALWAYS A CONGO.

The players in the team were:

**Talha AHMED:** A new player to the club this year. Talha didn't take long to settle into the team finding his way into the fullback role where his strong tackling and clearing kicks shut down many opposition attacks.

**Gabriel ALBANO:** Playing his first season of soccer, it took JR a while to settle into the team but by seasons end he was playing some excellent matches in the striker role. With this first season now under his belt watch out for a fantastic 2011 season from the big guy!

**Blake BATCHELOR:** A hard running player with a powerful right foot shot. Blake knows how to sniff out a goal scoring seven for the season, mostly from midfield. Also our first choice keeper he practiced every day for two weeks in the lead up to the Presidents Cup only to touch the ball once! (He didn't let any in though!!).

**Liam CURRAN:** Another new player to the club who fitted in immediately, scoring twice in his first match. Liam is easily the most gifted player in the competition. His powerful left footed long range shots were unstoppable for many opposition keepers throughout the season. While his crossing ability from corners led to many goals throughout the season including the winner in the Presidents Cup final.

**Arzycki De VERA:** The most unselfish player I have ever seen, so much so that he sometimes has to be told to hold onto the ball and stop passing it! Arzycki is a real thinker on the field and sometimes appears to be two or three passes ahead of the rest of the team. Unfortunately illness interrupted the second half of his season, only playing five of our last twelve games.

**Abraham HAMDAN:** Abs moved into the striker role this season to partner Salim upfront. His pace and skill with the ball at his feet made him the perfect addition to his hard running partner. Abs also played some games at right midfield where he set up many goals with speed and accurate crosses.

**Samuel HARRIS:** Played mostly at left midfield where he would use his hard tackling to win the ball from the opposition and promote it up the field to the strikers.

When his mind is on the game Samuel is one of the best players in the team, he worked hard on his concentration in the second half of the season and finished off strongly. Hopefully he starts next year where he left off this season.

**Calvin ITURRA:** A naturally gifted player who just loves to play football. He controlled the midfield in attack and would be the defensive anchor in the midfield when needed with his tackling and slide challenges that are some of the most aggressive (and perhaps slightly illegal) ever seen from an under 8 player!

**Bryan LAM:** A versatile player who preferred to play in either midfield or defence. Bryan never let himself or the team down always giving his best efforts for his teammates.

**William LEASK:** Started off the season slowly failing to get going especially in early morning games. But then one game out at Kellyville something happened! Billy played fantastic and even scored his first-ever goal. From then on he never looked back even breaking into the starting line up for the President's Cup and winning the Most Improved Player Award. Well done Billy on a fantastic season!!

**Alex MALJEVAC:** Another new player to the team who fitted in straight away. Alex played the majority of the season at either centre or right midfield where he would hustle for the ball and play it smartly up the field. Alex also played regularly in goals including half a game in the President's Cup semi final where he made an outstanding one-on-one save to protect our one goal lead.

**Christopher MAY:** Without doubt the best and most experienced defensive player in the competition. Chris' ability to read the game from his position at sweeper is second to none. He would regularly win the ball at the back and quite often start a counter attack when most players his age would just boot it back up the field.

**Salim MHAJER:** The team's number one striker and leading goal scorer for the second season in a row. Salim only knows one way and that's 'straight to goal'! Once he receives the ball his first thought is 'how am I going to score?' While this is the attitude of most strikers he does need to learn to pass occasionally and, most of all, to trust his team mates to do the defensive work and STAY UP FRONT!!!

**Yatin MOHARANA:** Was playing well at left fullback when he suffered an ankle injury early in the season. He returned towards the end of the season and was only just gaining confidence in his ankle when the season ended. With a full season, next year I can see Yatin developing into an outstanding defensive player, as he plays his best with the ball coming towards him and players running at him.

**Athavan NITHIANANTHAN:** Started the season playing in defence and was playing well. Mid season he was moved to left midfield where he had the space to use his speed to full advantage. Artie is easily the fastest player in the competition when he gets his long stride going, he only needs to realise just how fast he is and start backing himself. He showed glimpses of how good he can be by being our best player at the President's Cup.

**PRESIDENT'S CUP SUCCESS**

- The Under 8s win in the President's Cup in August was only the fourth time that a Lidcombe side has tasted victory in this prestigious event. Other successes were the Under 13s (2002), Under 13s (2006) and Under 11s (2009).

# UNDER 10s

To coach the Under 10s was not on my agenda for 2010 but without too much pressure I committed to the task!

I have to admit that every single moment from training to the matches, coaching became my priority and passion throughout the soccer season. Once I commit I give 110% so the pressure was on me to bring out the best in each child to make the team competitive and gel as a team.

For those who know me I am not backward in coming forward so I asked for some guidance in coaching the team! Without any hesitation Ken 'KJ' James offered to support, assist and mentor me as a coach. Ken taught me some valuable techniques and skills which benefitted the team giving the Under 10s a great start to the season. His knowledge carried through from coaching to the field right through the season and beyond. We will not forget..... *"be hungry for the ball", "first to the ball", "play like you are a tiger"*! I am sure that many of you reading this would also recognise Ken's style. Thank you Ken for being there for the team and myself.

A special mention must be made of Thai Lam who came along one training session asking if he could be of any assistance to the club. He ended up being part of the team's training sessions from then on showing his support and dedication to a team of children he had never met. The team and myself were all eager to see Thai at training for he was fun, skilful and an excellent help in building confidence to the kids. Thank you for your time Thai, you made a world of difference to the team.

There were many highlights that made me be proud of the team:

- playing against the number one team OLQP (Q) (even though we lost 6-0 both times we met), the team never gave up, played their best and came off the field with their heads held high;
- the Six-a-side competition where we made it to the final and were runners-up.

What will remain with me is the RESPECT that each child had for one another and for myself. With 14 kids in the team, two of them being only EIGHT years young, they all had this same quality. To have RESPECT starts from the home so I would like to thank the parents/careers for making my role as a coach a privilege and without a doubt an honour to be with a great bunch of children who would turn up to training in freezing, windy conditions and never complained. The kids were always happy, energetic and eager to get a ball at their feet then have a friendly game.

To all the Under 10s, thank you for your ENTHUSIASM, TEAM EFFORT and RESPECT you gave throughout the season. I hope that you continue to play soccer and be associated with the Congs.

The players in the team were:

**Matthew AMURAO:** Playing his first season of soccer Matthew took a few weeks to find his position at left fullback that gave him the confidence to play and be part of the team. He played 15 games and his stand-out performance was played against Guildford McCredie (Red). Matthew showed no fear in defending and attacking at this match.

**Camryn BATCHELOR:** Playing her second season Camryn's confidence, skill and energy have all increased. She was happy to play in any of the positions asked which included goalkeeper, mid-fielder and striker! Camryn's throw-ins were excellent and the team always knew that her throws would give the team an advantage. She

played 15 games and her support for helping the team and myself out all day at the Six-a-side competition was very much appreciated.

**Alpina BOU-SLEIMAN:** Playing her first season of soccer Alpina became part of the team in Week Two of the competition. Having never played before Alpina was a stand-out from the beginning with her athleticism. Even though she was not familiar with the rules of the game that did not stop her from scoring five goals. She played 14 games (plus four games in the Six-a-side competition scoring another two goals) with the last game of the season against OLOR/St Angelas (White) being one of the highlights. If only I had taped this game for you all to witness her team commitment, skill and stamina!

**Mitchell DJELEVSKI:** Mitchell's passion for football, the club and his team were evident from the beginning of the season. He played confidently and comfortably in the mid-field position. His stand-out performances were in the areas of athleticism, ball control, team commitment and skill. Mitchell played 15 games, scored three goals (plus four games in the Six-a-side competition scoring another two goals), with a highlight performance when he voluntarily put on the goalkeeper's jersey as the team were losing 3-0 in the first half against Guildford McCredie (Red) by showing no fear and saving many goals for the end result being 3-2.

**Jonathan DUONG:** Congratulations for being the team's Most Improved Player in 2010. Jonathan loves to talk and he was always keen to learn the rules of the game asking questions when he was unsure about what I was talking about. This quality gave Jonathan an advantage in building on his soccer skills. Each match played he tried his best and would listen to the feedback given after every match. He played 16 games with his highlight performance against St Bernadettes (Lions) being 'hungry for the ball' and was able to get to the ball first. This game was a positive turn around for the rest of his matches.

**William HA:** Playing his first season for the club William became part of the team in Week Six of the competition thanks to his cousin Jonathan. William would always turn up extremely happy with a hunger to learn the rules and his position so he could contribute to the team. He played nine games with his best game being the final match of the season and was able to play a full game without running out of energy. This made a huge difference for the team and also for William's confidence by being able to play a full game.

**Vinushan KUNGANATAN:** Playing his second season Vinushan made more effort at training sessions where he showed improved ball skills and confidence. He played seven games, including one away game. His best performance was when he put on the opposition's jersey (as Wentworthville Uniting were short of players) to play against his own team! Vinushan was 'hungry for the ball' and was close to scoring twice!

**James LAWANDOS:** Congratulations to our Most Consistent Player for 2010. James' stamina, development, skill and knowledge of the game improved remarkably throughout the season. Many times he set up goals from his position in the backs by being a clever player who outran his opponents with his fancy foot work and confidence. James played 15 games, (plus another four games in the Six-a-side competition). Highlights for his season were consistency in defence and attack, holding his position and team commitment.

**Andrew LI:** The youngest player in the team at eight years young is a natural left-footer! Andrew did not let his age difference stop him from being a determined strong defender in his position of left wing full back. He would fight for the ball, especially when an opponent got past him and he never gave up. Andrew played 13 games with one of his best performances against Newington Gunners. He was able to control and pass the ball without missing a beat during that game!

**Andrew LYLO:** A tough and confident player who always played hard to win the ball with his no-fear approach and attitude. Andrew never panicked and knew how to read a game while playing in true team spirit. He can play in any position though his passion is as a striker or midfielder. Andrew played 15 games, scored 12 goals (plus four games in the Six-a-side competition scoring another goal). One of his outstanding performances was against Guildford McCredie (White) where he upset the opposition by scoring Lidcombe's three goals to draw the match!

**Madhuran SELVAMANO HAR:** A shy and quiet team member who tried his best each week. Madhuran's confidence started to build up later in the season and it was at training sessions that he made a positive difference as a team member. He played nine games this year with his best performance against the top team OLQP (Q). He managed to get the ball a number of times and successfully pass it to his team mates.

**Hamze TAHA:** The second-youngest player at eight years young can play in any position but with an injury to his brother earlier in the season Hamze took on the position of playing centre back. He is a solid defender and attacker who never ran out of energy or enthusiasm. He played 16 games (plus four games in the Six-a-side competition scoring seven goals!). One of Hamze's season highlights was his game against Guildford McCredie (Grey) in the Six-a-side competition. Hamze scored FIVE goals and helped set up the other three goals for a team win of 8-0!

**Ibrahim TAHA:** With an injury at the start of the season Ibrahim was unable to play but stayed involved by supporting his team from the side-line. When sufficiently fit Ibrahim was goal-keeper then later in the season returned to centre back. He was the 'communicator' for the team and kept his side in their positions most of the time especially the back row. He played 13 games (plus four games in the Six-a-side competition) and his experience was invaluable to the team throughout the season.

**Samuel ZUBKOV:** Playing his first season with the team Samuel gelled quickly with his team members. Another natural left footer who baffled his opponents with his speed and ball skills. He was sharp and quick to challenge the ball no matter where he was on the field. He read his games really well and was a great team player. Samuel played 14 games, scored four goals (plus four games in the Six-a-side competition scoring another two goals). His performances were consistent and outstanding with an abundance of stamina.

# UNDER 12s

Another season has come and gone and again it was a successful one. It was pleasing to have a majority of last year's team coming back while we were also bolstered with a few new additions to the squad.

It was rewarding coaching this group of players again, watching them develop week in week out, riding all the highs and lows with them.

We started off the season well with a 10 game unbeaten run and by mid-season we were sitting in second position. The mid-season break came and so did the Six-a-side competition. It was a weekend for the kids to have some fun, entering two teams and having everyone play on the day. Our Blue team did well playing two games unfortunately losing both while the Gold team took out the title winning their games.

With the fun over it was back to business but a disappointing 1-0 loss to the eventual winners St. Bernadette's 12 Eagles proved the difference at the end of the season with the team suffering only that single loss all year.

But proud they should be as they defended strongly all year conceding only four goals and in attack managed to grab 43 goals. We should have had many more with goals eluding the team particularly in those close drawn games. Blame the coach as I think my own shooting curse found its way into the team!

All said and done the team played well for most of the year, coming up just a point or two shy but they can be proud of their efforts as I know I was.

I would like to thank:

- the team for showing up each week, occasionally baring the coach's wrath!
- the parents who without them the kids wouldn't be able to turn up to training and games and also for their support of the team and myself
- Lorraine for helping manage the team and our regular linesman Paul
- James for taking the side while I was away
- Nikky for helping with the transport of kids when needed
- Michelle and Lorraine again for taking the majority of turns in washing the jerseys each week.

All of these allowed me to just focus on the training and coaching of the kids.

Hopefully you all come back next year, regardless of what competition we have to enter, as I would like to see you all back again.

The players in the team were:

**Mortoda ALSAEDY:** The little midfield general. Played an important part in the midfield again this year and his defence and passing were much needed especially in the tough games. Would have liked to have seen him at more away games.

**Ibrahim ANNOUS:** A tough nut in defence, always strong in tackles and ever willing to do the man-marking job on certain opposition players. Scored a cracker during the year against St. Bernadette's Lions from distance showing that if you are hungry enough and want it anything can happen.

**Anthony BOUSTANI:** One half of the strike force, showed power and determination for the ball and was always on hand to grab quite a few goals along the way. Played his behind off every minute he was on the field. Defended when needed and was always willing to set up a team mate for opportunities.

**Bellal ELKHODR:** The other half of the strike force, quick, strong and lethal, scoring 19 goals this year through determined running and excellent finishing. Worked in well with Anthony with little one-two's splitting opposition defences and causing havoc. Great season for Bellal earning him the Most Consistent Player award.

**Mohamed ELKHODR:** Moe improved this season having another strong year playing wherever he was asked too. Strong in defence he was always solid going into tackles, not allowing much get past him whether it was ball or man. Showed plenty of dogged fight and grit which was needed in the tough games.

**Daniel KRATZ:** A strong defender leading an equally strong backline not allowing much to get past him. Did get his chance up front this year grabbing himself a well deserved goal against OLOR White although somewhat lucky! Also showed control pushing the ball wide or through the middle when coming out of defence into attack.

**Ribish LIMBU:** First season with the Congs and Ribish proved a vital part of the defence and an equally vital part of the attack. Grabbed his first goal for the club with a long-range strike in an important game against St. Bernadette's Tigers near the end of the season. Played left back and did an outstanding job for the team.

**Sartaj MALHI:** Another to have his first season with the club and his first actual season playing soccer as well. Started off slowly due to this but showed a willingness to learn throughout the season to finish it off playing some good football. Another one to be tough in defence and would play wherever needed for the team.

**Matthew MAY:** The incumbent right back, strong in defence, strong playing the ball up the field, calm under pressure, Matty formed a great partnership with Eloise making the right hand side their own, always putting the opposition under the pump with their passing and defence.

**Patrick MAY:** Goal keeper for the bigger games, calm, good judgement and possessing a great kick. Pat can read the game and knows when to come and when to hold. Some games it become a case of "HAVE KEEPER WILL TRAVEL" for the amount of times he got to touch the ball! My fault for the last game, mate, as I forgot all about you back there getting cold (0-0 draw and he never saw the ball!). Scored the goal of the season with a 30 metre volley off a keeper's clearance!

**Keegan MURRAY:** Another good year for Keegan who played well down the left hand side of the midfield, setting up and creating a lot of the team's chances. Also showed he could defend when needed or when not too tired resting upfront. Worked well with Ribish and Mortoda passing and using one-two's to open up opposing defences.

**Patrick MURRAY:** The brick wall of the backline constantly barging and using his body to get the ball from opposing players. Showed nice touches and passes allowing many attacking raids to start from him at the back.

**Eloise TANTI:** Right midfielder who was always creating chances and causing mayhem for defenders with her passing, running and crosses. Popped up every now and then to grab some lucky goals (I will say "lucky" – she will say "GREAT"! ). Tentative at the start of the year to get in and challenge for the ball but by season's end she would be in there fighting for every scrap she could!

**Adam YOON:** Another first-timer and another to grab his first goal for the club late in the season. Adam showed he has some nice touches and passes, not afraid of a challenge or a header, stopping a lot of plays in the midfield with his pace and positioning. He was very versatile, able to play in several key positions but I believe central midfield is his calling. He improved week in and week out and deservedly won the Most Improved Player award for this season.

Another great season for the team and hopefully you will all come back to have another crack at it again next year.

# PREMIER LEAGUE RESERVE GRADE

After conceding five goals to newly-promoted Wentworthville Uniting in the season's first match it looked as though 2010 was going to be one long hard slog for the Reserve Grade team!

However this poor display was quickly wiped from the memory with a hard fought 1-0 win in the second round followed by consistent efforts through to May. This had the team in the top four and talk was of a semi-final berth at the conclusion of the season. Some injuries and the lack of a regular quality striker up front often meant that the great work done in defence and in the midfield often went unrewarded.

After defeating St Columbas 3-2 on May 29 the side was firmly entrenched in the four however ultimately it was the failure of the team to record any victories after that match that saw us miss out on a finals position.

We welcomed back Trevor Hofer and Kamal Jamal however injuries to both players put an early end to their seasons.

Despite this it was certainly pleasing to see that seven players in the team had all played with the club as juniors setting a trend that I hope will continue in future years to carry on the Congo spirit.

The team was led by Steven May at the back who at times had to be "Captain Grumpy" to get the team moving. Once they got going however things seemed to happen. This season saw some great improvement from the younger players who seemed to take guidance from the more experienced players like Steven, Brett May and Kieran O'Hara.

Vincent Hui came of age and is to be congratulated on receiving the Bill Stevens Trophy for Most Consistent Player.

It was also pleasing to see some new faces in the team that actually made a difference (not like some of PC's infamous past signings!). The 'Cambodian connection' of Makara Prak, Samnang Kaing and Ratanak Kim along with Ronnie Booth and Tito Tealdo were welcome additions to the team.

Some of the highlights of the season were;

- Vincent Hui playing his 100th club game.
- Jared Boccanfuso returning to his "goal scoring den" at Ron Dine Reserve to double his tally of club goals.
- The courage shown by "old man" Kieran "Kegs" O'Hara playing two games most weeks backing up in goals for the First Grade team.
- Playing the semi-final of the A Grade Knockout Competition.
- Making the semi-final of the Sixaside Competition.
- James "P.C." May setting a new Club record for the most number of games played for the Club.

I must take this opportunity on behalf of the players to thank Phil McIntosh, Brett May and Ken "KJ" James for their efforts in Coaching and Managing the squad this season and for the time and effort that they put in.

I look forward to seeing you all again next year for another enjoyable season.

The team comprised:

Sam Annous, Jared Boccanfuso, Ronald Booth, Domenic Coleiro, Trevor Hofer, Vincent Hui, Danny Huynh, Kamal Jamal, Samnang Kaing, Ratanak Kim, Mat Lane, Brett May, James May, Steven May, Kieran O'Hara, Makara Prak, Aaron Sivasothy, Jurez Sivasothy and Tito Tealdo.

# PREMIER LEAGUE FIRST GRADE

The year has now come and gone and this being my first season at this club I can say "Mission Completed" but some unfinished business still remains!

In saying this, our objective that was discussed at our initial meeting was that I would be happy with a semi-final appearance! Anything above this was a bonus and the commitment that was made by all players and officials ensured not only a semi final position in the competition but additional appearances in the State Cup semi final and being winners of the Six-a-side competition.

In the past, the only contact I had with the Lidcombe club was to referee them from time to time always knowing this was a group of guys that needed just guidance, not necessarily coaching! I already knew that the squad had the ability to win a competition.

I have been totally impressed with the way this club is managed with its record-keeping, organisation on game day etc. etc. and this is due to the efforts of members in this squad that ensure our day is going to be run with minimum or no interruptions. I have expressed this to more senior officials of the Association why this great club is still operating today with a healthy junior outfit.

Players in this squad showed me another commitment that I was going to ensure would be kept to a minimum and that was our appearance at the judiciary! With this in mind we kept out of the Association's rooms which showed me encouraging signs of self-management and this was acknowledged by the Association.

As I mentioned to all players a competition cannot be won if we are spending more times on the side line and reshuffling position to accommodate reckless behaviour but to my delight this was another area I was very pleased about.

It is hard to mention a particular player or players however the leadership and skills of Stephen James demonstrated the way to go and this filtered through the squad and encouraged all others to perform (including myself!). This drew me closer to the players and generated a closer bond which also had an impact on our results.

Also impressing this season with his experience and leadership was Peter "Obi" Oberemok. The move to a more attacking roll mid way through the season saw Peter putting in some great balls from the left and even finding the target himself on five occasions this year.

There were several other performers who seem to consistently plug along unnoticed, some of these included Alfonso "Fonz" Argueta, Trent Smith, Tristram "Trixie" Larwood and Daniel James.

Another positive this season was the addition of the 'Mat attack', the combination of the three Mats (Mathew James, Matthew Lane and new recruit Matthew Hyde) in attack, who between them scored 14 goals in First Grade.

There were some games that should not have been lost. We did struggle somewhat due to the absence of a specialist goalkeeper however this gives me the opportunity to acknowledge the work done by our regular stand-in keepers, Kieran "Kegs" O'Hara, James May and Robbie Hastings who, under the circumstances, braved the challenge and stood tall.

I have no doubt in my mind that if we strengthen this area there will be more favourable results along the way but this season all the guys did what they had to do without objection and this is only what a coach can ask for.

In conclusion 2010 has been a rewarding season with these guys and it was very encouraging to be associated with them. I still firmly have the belief that this squad can win the Premier League competition soon. We just need to strengthen in some areas to be realistic but it can be accomplished.

I would like to thank the players, officials and supporters for welcoming me to this great club and hope that we can really take a title in the not-too-distant future.

Thanks everyone! You have done your club proud and you confirm to me that you are friends I wish to be long associated with.

**#####****NEW COACH LEADS BREAKTHROUGH!**

- New Premier League coach PHIL McINTOSH seemed right at home when he took over the reins this season. Phil is a qualified referee and has controlled many of our club's games over the years. He was also a guest at last year's 70th Anniversary Dinner and obviously liked what he saw! So much so that he put his hand up for the vacant coaching position and was instrumental in the team's successes this season.

**#####**

Ok all you budding Referees, Let's see how you go with these scenarios prepared by the Cong's own "Walking Rule Book"

- Q.** Playing at Phillips Park running down hill towards the B.B.Q in the second half Stephen James takes a goal kick that goes straight to brother Mathew who is, as usual, very slow limping back into position and is just outside the opposition's penalty area, in an "off-side position". Mat turns shoots and puts the ball in the back of the net.
- Decision.** **Law 11 (Off-side).**  
**There is no offside offence if a player receives the ball directly from a goal kick, a throw-in or a corner.**  
**Therefore you award a GOAL!**
- Q.** A player shoots for goal and unfortunately for you as referee, the ball strikes you and crossed the line into the goals!
- Decision.** **As Referee (or Linesman for that matter) you are deemed part of the game if the ball strikes you and goals in you are to award A GOAL.**
- Q.** A player takes a corner kick, the ball hits the goalpost and bounces directly back to him without touching another player. He then kicks it again!
- Decision.** **A player MUST NOT play the ball a second time before it has been touched or played by another player. Indirect free kick against the offender where the infringement occurred.**
- Q.** The referee awards an INDIRECT free kick and the striker blasts the ball at the goal. It rebounds off you, the Referee, and goes straight into the net.
- Decision.** **Law 13 – Free Kicks**  
**No Goal. A goal can only be scored if it subsequently touches another player before it enters the goal.**  
**Play is to be restarted by the awarding of a goal kick.**
- Q.** The defending team receives a direct free-kick for handball inside their penalty area. The defender passes the ball to the goalkeeper who picks up the ball.
- Decision.** **Law 13 – Free Kicks**  
**Retake the kick! The ball is in play when it is kicked directly beyond the penalty area following a free kick taken by the defending team inside its own penalty area.**
