# 75TH ANNIVERSARY DINNER

The Congs 75<sup>th</sup> Anniversary Dinner held at Blacktown Workers Club on Saturday August 2 was the highlight of the Club's 75<sup>th</sup> year.

The glittering event attracted over 150 current and former players and supporters with the event sold out several weeks before the event.

NSW Churches Association President Paul Sydenham presented the Club with a 75<sup>th</sup> Anniversary plaque while Congs President Ken James made a special toast to the Club.

Former President Neil Rudgley recounted stories of various well-known Congo characters making special mention of Trevor "Lumpy" Lavender who passed away suddenly in 2012.

Life Members Jim Pincott and Ron Hollebhone travelled from the Central Coast and Bathurst, respectively, and had the honour of cutting the Anniversary cake before an enthusiastic audience.

# TED "FLOPPER" BIRD

The sad passing of co-patron Ted Bird on 3 September saw the loss of another wonderful Congo who was an integral part of the Club's early years and maintained his enthusiasm and support for over 50 years.

"Flopper", as he was popularly known to all Congos, became associated with the Club as coach and manager of his son's soccer teams in the early '60s and over the years he also held numerous positions on the Club's Management Committee.

Fellow Congo Allan Nicholas, recalled the time in the 1970s when both he and Flopper managed the ladies soccer team. In one match at Bankstown, tempers flared and when a number of the girls squared

up to each other it was left to both Congo managers to intervene and separate the warring parties! Allan is still mystified today how he and Flopper managed to avoid the wild punches being thrown!!

Ted and fellow patron, Gordon Weeks, donated the Patrons' Trophy for Best Junior Clubman which was dedicated to the memory of their late wives Dot and Peg who were both tireless workers and very strong supporters of the Club for many years.

Ted and his late wife Dot were both awarded Life Membership of the Club for their wonderful contributions over the years.

Both Ted and Dot attended our inaugural Anniversary Dinner in 1979 and it was only Ted's deteriorating health that saw him miss our 75<sup>th</sup> Dinner in August.

Flopper was a regular visitor to Phillips Park but in recent times once the sun went down he would say that "it was getting a bit cold!" and would depart for the warmth of his Jellicoe St home!

Ted's son Phil, another former Congo player, flew back from America for the service which was filled to capacity with many of Ted's Congo acquaintances in attendance.

Vale Ted "Flopper" Bird – **"Once a Congo, ALWAYS A CONGO"**.

# PRESIDENT'S REPORT

It is pleasing to report the Club still going strongly in its 75th year with nine junior teams fielded (increase of two over last year) and the Club seniors once again competing in the Premier League after recruiting sufficient additional senior players to form a squad, albeit it must be said with limited success. Additionally, we have seen a healthy growth in the numbers attending our pre-school "Congo Kickers" training sessions.

Competition success came by way of the U/9's, U/11's and U/14's – the U/9's and U/14's repeating their achievements of last season - while the U/16's came so close, losing out to a golden goal in their Grand Final. Also, three of the junior teams were successful in the annual six a side competition. However, all junior teams are to be commended for their competitive efforts throughout the season.

After starting with such optimism, the seniors proved to be a major disappointment mainly due to a lack of commitment shown by some players which meant that those who loyally turned up to play each week quite often were called upon to play in both games. The squad also had to rely throughout the season on some of the U/16 players to make up the numbers and the experience gained by these youngsters in such a tough environment is probably the only positive to come out the season.

An increase in junior teams of course comes with it the need for additional coaches and the Club was fortunate that three new coaches stepped in to help: Kannon Rajah, Noge Bengamine Beshere and Mathew James. The commitment and dedication shown by these people as well as the coaches who backed up from last year – Dave Miller, Ben Oner, Trent Smith, Steve May, James May and Wasyl Prytouliaak – contributed greatly to another successful season.

The Club's 75th year Anniversary celebrations culminated in the Anniversary Dinner at Blacktown Workers Club on August 2. My thanks to all those who worked to make the night such an enjoyable occasion with special mention for the efforts of former President, Neil Rudgley, who came to the rescue and really got things moving after we were a bit slow in getting off the mark in organising this milestone event.

All involved with the Club were saddened by the death of Life Member and Club Patron, Ted "Flopper" Bird on September 3. Ted's involvement with Club extended over 50 years and he was a familiar figure on most Saturday mornings at Phillips Park enthusiastically supporting all our junior teams. He will be sadly missed.

As has been the case for quite a few years now, the continued smooth running of the Club has been mainly due to the untiring efforts of Secretary, James May, ably supported by, wife, Jodie May and brother, Steven May. On behalf of everyone in the Club I wish to place on record our great appreciation for their dedicated services to the Club.

One other person requiring special mention for her contribution is Donna Batchelor who once again co-ordinated the canteen activities and has been deservedly awarded this year's Best Clubman Trophy. With five youngsters to look after, I don't know how Donna and Steve May manage to fit it all in!

Hope to see everyone back again next season.

**- KEN JAMES**  
**PRESIDENT**

# SECRETARY'S REPORT

As another season concludes I reflect on the position of our Club. The building phase that we have been undergoing for the past two seasons has continued and we have capitalised and should continue to hold on to the Club's strong position.

It was very pleasing this year to see new volunteers step up when needed in so many rolls. Whether it was coaching, helping with the canteen & BBQ, dressing the fields or any of the other duties that need to be done to ensure that the Club's functions are fulfilled.

This year we fielded nine junior teams and two senior teams.

There were many highlights this year. On-field successes were:

- Under 8s Semi Finalists
- Under 9s Competition Winners
- Under 9s winning the Six A Side competition
- Under 10s Semi Finalists
- Under 11s Competition Winners
- Under 12s Semi Finalists
- Under 13s winning the Six A Side competition
- Under 14s Competition Winners
- Under 16s Grand Finalists
- Under 16s winning the Six A Side competition

As always, the Club could not field teams without the tremendous support and work done by the coaches and managers. Thanks to all the coaches and managers for your efforts throughout the season.

The Club must extend a big thankyou to Donna Batchelor and Steven May for their efforts in coordinating the efficient running of the canteen. The canteen is the nucleus of the Club's income and the efforts that they put in this season are greatly appreciated. Thanks also to the other volunteers who supported Donna and Steve behind the counter and on the BBQ. It is the small efforts that are appreciated that take off just a little bit of pressure on the day and ensure that everything runs smoothly.

Our Club is fortunate to be supported by many volunteers. The Management Committee each year has the hard task of recognising one individual who has just done that little bit extra or stepped out of their comfort zone to help out. This year the Management Committee has recognised the contribution Donna Batchelor has made to the Club by awarding her the Norm Huteau Memorial Trophy for Best Clubman. Donna coordinated the running of the canteen around her very busy schedule looking after her five children. Thanks Donna for your efforts and the work you have done for the Club this season

The Management Committee also recognises the efforts of a junior member who has made a great contribution to the Club throughout the season and this year Adam Yoon has been awarded the Patrons' Trophy for Best Junior Clubman. Adam was always willing to help at Phillips Park. He would help with dressing the fields, not only on Saturday mornings but also at the junior representative matches that were held mid week. Adam also helped out at Bunnings BBQs and with cooking the BBQ at Phillips Park.

There were a number of players who achieve personal milestones. Congratulations to the following players on achieving their own individual milestones while loyally representing the Club:

- Mathew James achieved the incredible milestone of becoming the second player in our Club's 75 year history to score 400 club goals and then went on to break the Club's goal scoring record finishing the season on 412 goals from 566 games.
- Two players moved into the next phase of the Honour Roll playing their 200<sup>th</sup> club game. Congratulations to:
  - Christopher May (U/13s) - (Commenced 2005)
  - Daniel Kratz (U/16s) - (Commenced 2004)
- Six players joined the Honour Roll this season when they played their 100th club game. Congratulations to:

This year saw our Club well represented at the National Christian Football Federation National Titles. Congratulations to the following players who were chosen to represent our Association at the titles that were held at the Sydney Academy of Sport and Recreation Centre in October: Peter Oberemok, Noge Bengamine Beshere, Daniel Kratz, Anthony Boustani, Andrew Lylo, Samuel Zubkov and Christopher May

Overall it has been another enjoyable year, enjoyable because of the contributions and support of the players, coaches, spectators and volunteers. All of these people contribute to the successful running of our Club which, in turn, gives the children in every team the opportunity to develop both their football and social skills. Thank you everyone for supporting the Club.

Special thanks must go to the Management Committee who started organising the season last December and have worked through to the Presentation Day in October. My personal thanks extend to all members of the Management Committee for your help and contributions this season.

We look forward to seeing each and every one of you back at Phillips Park next season and please remember that LOYALTY IS PRICELESS.

Finally a reminder of those immortal words that former patron Ray "Curly" James once said and was so often heard to repeat:

**"Once a Congo, ALWAYS A CONGO".**

# UNDER 7s

What an amazing year it has been for the U7s.

With only two players in the squad having played before, it was a year of great improvement, effort and above all fun.

The team won eight games, drawing one and dropping five.

To highlight just how far the team has come, we drew our last game against the best team in the competition, Wentworthville Uniting (Blue).

Mentally and physically the boys grew in leaps and bounds. The effort they put in each week, never giving up, staying positive and enjoying the challenge of competition, was most pleasing to see. It was also pleasing to see the vast improvements in defence and attack.

The character of boys as a team really started to come out in the last month of football, when we didn't drop a game playing against the best teams in the competition, who we'd gone down to earlier in the season.

The team was challenged in a number of games and the boys had to fight their way out of it. From those times when things aren't quite working out, you tend to grow and character builds which led to better performances towards the backend of the season – the team became stronger and closer.

This character building has been the making of us this season.

Zak Esmail, Mou Juach and Jack Taylor upfront were unstoppable, scoring some very impressive goals.

JJ and JC Ong held the team together in the mid-field with their incredible silky skills. Their touches with the ball were sublime.

Harson Jegatheesan was a rock in the back. Nothing and no-one got past him.

Rio Rajah had a great season goalkeeping with some impressive saves and clearances.

Harnoor Singh, the sportsman of the team, was always encouraging and cheering on his teammates. Along with Mustafa Ercan and Gabriel Cruz, they epitomized the effort and determination of the team. Never giving up and always trying their heart out. Effort on effort.

It was great seeing the boys' improvement and development. All bodes well for next season.

At last year's Annual General Meeting of the NSW Churches Football Association long-serving Congos, Ken James and James May, were awarded the Association's top honour of Life Membership.

Both Ken and James have served on the Association's Committee over the years and their tireless Association contributions were recognised with this prestigious award.

Ken now joins his father and grandfather as being a recipient of the Association's Life Membership.

Lidcombe Churches Soccer Club is indeed proud of Ken and James and extends well-deserved congratulations to you both.

# UNDER 8s

Season statistics (18 rounds): Home games - 6 wins, 3 losses. Away games - 6 wins, 2 losses, 1 forfeit. A total of 12 games won, in which 45 goals were scored for, and 9 against. Total for the season (including losses & forfeit) was 46 goals for, 31 against. The team reached outright third position on the Under 8 competition ladder.

The 2014 Congs Under 8 squad consisted of fifteen players, of whom five were welcomed to the Congs in 2014, and ten who rejoined from the U7 team of 2013. Three Under 8 Congs players were also selected to play in the 2014 Junior Zone representative competition.

This was a very successful season for the Under 8's. The way the team conducted themselves during the course of the season is to be commended - the remarkable amount of enthusiasm they brought to each and every game, produced a series of memorable matches, which were very entertaining for the spectators. On a number of occasions the officiating referee also complimented the team's effort, in remarks made to the coach at the conclusion of play. As much as anything, the attitude the team brought on to the field determined their success this year.

The focus at training sessions in 2014 has been on two main areas. Firstly - on developing skills in ball control, passing, player positioning and marking. As match reports throughout the season have indicated, there has been pleasing progress made by the players, especially the newer team members. Secondly - on developing teamwork and forging a 'team identity', in which each team member understands the contribution they make to the combined effort. And of course, applying it all in the practice games at the end of each Wednesday night training session - this seems to have been the part the team enjoyed the most!

As the team's performance in the semi-final (their final match of 2014) showed, they have developed into a formidable unit. The semi-final was one of the teams' best games of the year, which showcased how well they can play. Other highlights of the season were the 4-3 win against Guildford McCredie (White), an away game where the Congs showed tons of character to stage a fighting comeback from 3-2 down; and a 4-1 win with just seven players, against a full-strength Wentworthville team on their home ground.

Much appreciation is expressed for the efforts of parents and helpers in 2014, your contributions at training and support at competition matches are valued and have been the foundation of the Under 8 team's success in 2014. It has certainly been a privilege and a pleasure to act as Coach for the Under 8 Congs team this year. Congratulations to all the team on a fine season - you are encouraged to return in 2015 to be part of the new Under 9 Congs team - hope to see you there!

The players in the team were:

**Hissham AHMADI:** Hissham has made it to all of the Saturday competition matches this year. In every one of these games he has shown incredible stamina and dedication to scoring goals, finding the back of the net an amazing 33 times, making him the team's leading goal scorer. Hissham was also selected to play in the Zone representative team this year. An excellent player - congratulations Hissham on a very successful 2014 season.

**Tito AKOL:** Tito is an experienced player whose style can be described as 'barnstorming'. Once he has some speed going when running with the ball, it takes a lot to stop him. He is also a solid defender capable of stopping any opposition player in his tracks. He has performed well in both the defender and midfielder positions this year. Keep up the running Tito, yours is a formidable presence.

**Sailesh ARULANANTHAM:** Sailesh has shown much improvement in 2014, making some key running and passing plays which led to a number of goals being scored by the forwards. Sailesh is also commended for the non-stop effort he makes on the field. In the midfield he provided great service, and is one of the players who consistently does his best for the Congs. Thank you Sailesh for being a player who has shown a ton of the Congs spirit.

**Garang ATHIAN:** Garang is another player who has improved significantly in 2014. Garang's role in the midfield has been to challenge the opposition and win the ball. This ability to disrupt the opposition attack has proven valuable and has allowed the Congs to turn the tables on many occasions. Garang has shown heaps of enthusiasm throughout the year and is the most powerful kicker of the ball in the team.

**Imran AYDEMIR:** Imran was new to the game of soccer in 2014, and has developed to the point where he has the confidence and ability to work as part of the team in a midfield role as well as in the goalkeeper position. Well done Imran on taking the initiative. Your continued involvement in playing within the team will give you the opportunity to further develop your skills.

**Daniel IBAY:** Daniel has been a great asset in the Congs team in 2014. In the defender role he has made some incredible last-ditch defensive tackles, arriving at lightning speed to prevent the opposition from scoring goals on many occasions. In the midfield he has been a dynamo, being one of the players who have allowed the Under 8 Congs to gain the upper hand in field position. Speed, persistence and good skills have defined Daniel's game in 2014, a good and consistent effort.

**Roland IFONI:** Roland has improved in 2014 to the point where he has proven to be one of the strongest midfielders in the team. With plenty of strength and speed, Roland showed an impressive willingness to take on the opposition in both attack and defence, he also performed very well in aspects of the game such as marking, positioning and passing. Roland is a player who has made a significant contribution to the team's record of success in 2014 - well done and well played.

**Keith MILLER:** Keith has attended all of the Saturday competition matches this year, and has provided great service as a defender. Another experienced player, he has been very adept at consistently denying the opposition the chance to progress towards goal. His booming clearances have also been the start of quite a few Congs goal scoring movements. Congratulations Keith on reaching the milestone this season of 50 games played for the Congs.

**Anthony MUBARIK:** Anthony is a very good all-rounder who can play well in any position, including goalkeeper. He has an excellent understanding of the game and is always a welcome addition to the team. He is also a player who has an outstanding attitude and demonstrates fair play at all times. Anthony is commended for his willingness to contribute to goalkeeping for the Congs, and for his general display of soccer skills.

**Anthony MYLONAS:** Anthony, another experienced player in the team, was also selected to play in the Zone representative team in 2014. He has been an outstanding all-round player. Anthony has consistently demonstrated his excellent understanding of the game and shown some fine soccer skills. Anthony is commended for his willingness to contribute to goalkeeping for the Congs, and is the perfect example of a player who has mastered ball control, passing and positioning. Well done Anthony.

**Okej OTWAN:** Okej has shown improvement with every game that he has played this year. What has really impressed is that he has always made an effort to be amongst the action when on the field. This type of enthusiasm has defined the Congs Under 8 team in 2014. A highlight of Okej's season was his contribution to the 1-0 win in Round 13, one of the toughest matches of the season, where Okej helped win the midfield battle against a determined Hills Spirit Blue.

**Jethro RINAKAMA:** Jethro scored an impressive ten goals this season, and because of his great soccer skills, was one of the Congs Under 8 players selected for the Zone representative team in 2014. With his fantastic ability to cover the whole ground at speed for the whole match and take on and beat opposition players anywhere, Jethro has proven to be a key player in the Congs team. Jethro is a player who gives everything he has to the game. Congratulations on a fine season and also on consistently showing good sportsmanship and fair play.

**Sivanujan SIVAKUMARAN:** Sivanujan has given great service to the Congs Under 8 team by forming part of the defensive line-up which has worked so well this year. A non-stop player with plenty of stamina, he is another example of someone who brings energy and enthusiasm to every match he plays. Sivanujan has also helped out with goalkeeping duties, and has proven effective when playing as a midfielder and as a forward. Such players who can do well in any position are important to being a successful team.

**Vithushan SRIMURUGAKUMAR:** New to the Congs in 2014, Vithushan brought with him some already good soccer skills. He has proven to be another good all-rounder who can move around the field at lightning speed, he was rewarded with a goal in the 5-0 win against OLQP in round 12 . Well done and thank you Vithushan for your contribution to the Under 8 Congs 2014 season, players with all-round abilities are always valued.

**Lachlan TANG:** New to soccer in 2014, Lachlan has quickly developed a good working understanding of the game, and has become an effective midfielder. With plenty of speed, stamina and enthusiasm, it has been very pleasing to see how much improvement Lachlan has made. With his speed and continued involvement with the game, Lachlan has become a key part of the Congs team.

What a season we've had - played 18, won 14, drew 3 and lost 1; 67 goals scored whilst conceding 9 - and as a result finishing in first place with 45 points.

Of course this would not have been possible if it wasn't for all the hard work and determination shown by all the players.

We managed to keep most of the squad together from the previous season and also had some new faces join our team. The challenge was set for the managing staff to make sure that the players not only improved their individual games, but also learnt to play as a team.

In the beginning this proved to be quite hard. Even though we were winning our games, it was mainly on the back of individual play rather than playing as a team, but with each passing training session with all the player's hard work and enthusiasm we've managed to correct this problem. We became more of a team and a result ended up finishing on top.

We also have to acknowledge the parents part in creating this winning team. Not only did they made sure their kids attended training sessions regularly, they also cheered us on in every game. "Let's go Lidcombe!" is still ringing around Marconi Stadium.

Thank you all for a great season.

# UNDER 10s

This was another successful season. Having one of the largest teams in the club with a total of 16 committed players I thought it would be hard to manage, but wasn't I wrong. Every week I had the brilliant support from my manager Cynthia Law and the committed following of parents - the season could not been so successful without all of their help.

This team has become a small tight knit family with everyone pitching in for driving duties and helping with the flag on the line. All of the team performed extremely well and everyone continued to improve throughout the season. Some of the fondest memories are of all the supports screaming and cheering every team member the whole time and politely keeping the referees honest.

Some of the success has to be because of the versatility of the team.

I hope that all 16 players return next year for another successful season and hopefully go one or two steps better.

The players in the team were:

**Sean MCGLADE:** Aka, 'Kiwi Krusher', absolutely lived up to his name. In an outstanding season he was our strongest defender who led and controlled the back and saved his best game for the semi final.

**Jonathan HANNAFORD:** Had a great season with his strength at the back and was missed late in the season due to injury. He also made some damaging runs from the back

**Timothy YOON:** The heart of the team, scoring many goals. Tim caused havoc and grief for EVERY team with his darting runs and perfect through balls, a key element to the success of the team. Another outstanding season.

**Jason NGUYEN:** Aka 'Nugget', his ability improved throughout the year, when he played defensive midfield, stopping countless attacks. His versatility to change to other positions and adapt quickly was a great advantage to the team.

**Brandon THAI:** Another impact player, his ability to read the play in defend or attack along with his versatility was a key factor for the success of the team. Another strong year from Brandon.

**Joshua LIM:** The first half of the year must have built his confidence up because in the second half of the season he was the "slide tackle king" and was such a destructor of opposing teams' attacks. Great strength in tackles and speed in attack, his best year yet.

**Renee MILLER:** Shy little Renee with a killer left foot. When Renee tackled most of the time the opposing boys were left on the floor. Renee continued to improve throughout the year, her best work was in defence and was unlucky not to score.

**Juach JUACH:** Aka Juwii, another impact player. His ability to produce killer runs all over the park and to weave through opposition players was outstanding. Juach's defence with his thunder like tackles also very noticeable.

**Severino FIERRO:** Big Sev at the back had a great season. He stepped up his defence at the back and was very solid, stopping many of the goal scoring attempts from other teams. His ability to clear the ball from the back was outstanding.

**Jerold REYES:** Aka 'Spike' I'm torn as to which of his positions was his best, goalie or sliding defence. The most versatile player on the TEAM, that is definitely his strength. Another great season!

**Byron BADZMIROWSKI:** Byron continued to improve every week. His commitment to the team and his ability to run the ball down the wings or give a little through ball went a long way to the team's success. A great first year!

**Hayden LAW:** Once Hayden found his position at right back he then fired on the field. His ability to defend improved immensely week in and week out a, key figure to the success of the team.

**Ngawiri EDMONDS:-** He continued to improve at the back with strong defence and he also possesses a great left footed clearance kick.

**Jerry ZHANG:** One of the safest hands in the competition. Our resident goal keeper, his greatest strength was keeping many goals out from our net.

**Luke TANG:** Is like a bullet down the wings with speedy runs and a great ability to take the ball to goals. He supported many runs which is equally important. His ball control continued to improve thought the year

**Hanujan PUVANENTHIRAN: ,** Another impact player and a key to the success of the team. A speedy player with a killer finish, he continued to improve and showed a great deal of skill in attack. Well done!

Again, my last opportunity to congratulate the whole team on a tremendous year and to thank everyone for their continued support. It has been my privilege to coach this team for a number of years and I hope to have inspired a few young Congos.

# UNDER 11s

The Under 11's had a successful season, finishing equal first on the table after the regular season and then going on to win the competition by winning the Grand Final.

The team consisted of eleven regular players and because we played in the Under 12's competition we were able to borrow some Under 12 players when we were short.

In a successful team such as this one it is always hard to single out individuals for special recognition. However, upon reflecting on the entire season it is quite obvious that Titus Kwon (Most Consistent Player) and Kogulan Senthurchelvan (Most Improved Player) are deserving of the awards they received.

A very big thank you to all the parents who washed jerseys throughout the season. Thank you also for allowing me to coach your children and supporting my decisions. Also a special mention must go to David Richards who volunteered to coach the team early in the season when the team had no coach. Unfortunately after taking the team for a few weeks work commitments made him unable to see the season out, but his willingness to put his hand up and help when the team desperately needed it was greatly appreciated.

The team would like to thank and recognise the following players who filled in throughout the season. We could not have achieved what we did this season without your contributions:

Tomislav Teklic (12 games); Christopher May (9 games); Athavan Nithiananthan (8 games); Emmanuel Mylonas (6 games); Caleb Rinakama (5 games); Salim Mhajer (4 games); Abraham Hamdan and Dion Kaa (3 games each); Kennu Challenger (2 games); Ali Askar, Blake Batchelor, Calvin Iturra, Juach Juach, Sean McGlade, Renee Miller, and Timothy Yoon (1 game each).

I hope to see everyone back next season and continue to play for this great club for many seasons to come.

The players in the team were:

**Edwin AKOL:** A player with silky skills and speed to burn. When running with the ball he can beat players with ease. Although Edwin was our leading goal scorer he needs to work on his finishing as he quite often misses more than he scores. He was chosen as captain for the Grand Final and led the team well.

**George FAINGATAA:** Our ever reliable right back who, despite his diminutive size always got the job done and never let anyone past! With the team having many first time players this year his experience in defence was invaluable.

**Philemon KWON:** A versatile player who can play exceptionally well in any position. Philemon was our first choice keeper and played there for most of the season.

**Titus KWON:** Our sweeper with the big boot! Titus was the back bone of our defence. His clearing kicks and goal kicks are some of the biggest for his age. He is also deceptively quick and able to chase down opposing strikers with ease.

**Dhushi MORGAN:** The quietest player on the team. Dhushi played most of the season at right midfield. His ability to always find a teammate with his passes and not just kick it anywhere is a rare and valuable attribute for a player of his age.

**Jee Teng ONG:** JT returned to the Congs after last playing in the Under 7's in 2009 and guess what? - he still had the same coach! He played the majority of the season at left back, holding his position well and defending strongly. Hope to see you next year JT, not in five years!

**Aydin RICHARDS:** The teams fittest player who would run all day. Aydin played mostly at centre back and would quite often be given the task of marking the opposition's best player. He has good skills and can read the game well in defence.

**Raagul SELVARAJAH:** A versatile player who was asked to play in many positions throughout the season and never let the team down. Because he can read the play so well sweeper is his best position though his lack of pace can often work against him.

**Kogulan SENTHURCHELVAN:** Our striker who played along side Edwin. Kogulan has a good shot on him and would quite often drop into midfield to set up the attack when needed. He was our big game player who would step up when the team needed it, scoring a second half hat trick in the final round (when we were 0-3 down at half time) to put us into top place on the table and scoring the golden goal in extra time in the Grand Final.

**William TRAN:** A player with an excellent knowledge of how the game should be played. William played in the crucial centre midfield role and would quite often be the starting point of everything good we did in attack. He would also frustrate the opposition with his ability to shut down their attack by being in the right place at the right time. All William needs to do is trust his own ability and instincts and want the ball more. Everyone knows you are a good player now you need to believe it too!

**Gorang YAI:** Our only left footer on the team who played mostly at left midfield. Once he gets those long legs pumping he is almost impossible to catch. Gorang needs to learn to pass the ball to more than just Edwin to reach his full potential as a player.

# UNDER 12s

As this was my first year with the under 12 boys I didn't really know what to expect. When Steve asked me if I wanted to coach the team, I said yes but sort of braced myself for whatever may come. The boys have been the opposite of what I was expecting: I thought I was going to get kids that were hard to manage, but they respected me as their coach from day one which made happy and want to coach them.

Throughout the year I was very, very happy with the way the boys conducted themselves and how they played together. I was expecting to finish somewhere near the bottom and work on it for next year, but they proved me wrong and we made it all the way to the semi-finals, which as a coach made me very proud. I am very grateful to the Club and the parents for giving me the opportunity and support to be part of the under 12s this year and looking forward to coaching them again next year.

The players in the team were:

**Talha AHMED:** Talha is the right back and this year he has given 100% in every game. He is certainly not a quitter – if he loses the ball or get beaten, he follows them until he gets the ball back.

**Ali ASKAR:** Ali, one my best one strikers and one of the smallest guys in the team, but with the big heart of a fighter, always putting himself out there amongst the bigger guys. Scored some nice goals this year.

**Blake BATCHELOR:** Blake was our goal keeper for part of the year, but he left the team. While he was with the team he was great in goals as well as in the field, always playing hard.

**Deniz COSKUN:** Deniz is our central midfielder and one of the fitter boys in the team. Playing in midfield is not an easy task but he has applied himself and put in a 100% and the team has benefited from it.

**Ali HASAN:** Like the other Ali, one of my main strikers and the smallest boy in the team. Ali is an all-round player who can play anywhere in the field and do a great job. He has scored a few goals this year.

**Alex ISAACS:** Alex is our left-back and central back as well, always giving a 100% in every game. He would tell me to put him at left back because he was better there, but he also played well in the centre next to the other Alex. Always loves a challenge.

**Dion KAA:** Dion started the season playing in the back next to Alex Maljevac, but then when Blake left I asked if anyone wanted to go in goal and Dion put his hand up for the job. He has done a great job in goals, some of the other coaches have told me that he is a great goalkeeper and I'm sure the boys will say the same.

**Debashish KUMAR:** Debashish is a quiet player but when I would tell him to give it a go he had the courage to come to me and ask how to do certain drills or to explain something to him because he didn't understand.

**Jian LIN:** Jian joined the team very late in the season, but has fitted in very well and the boys have welcomed him in to the group and made him part of the team. With the little time we had he has played so well in the positions that I've put him in.

**Arjun LUCKSHMAN:** Arjun is our right midfielder and has played very well in that position. Always gives a 100% in every game. When he applies himself, he is great to watch.

**Alex MALJEVAC:** Alex is our centre-back and without him in the backs I don't know what we would of have done. Ever reliable in the backs, he wants the team to win and encourages his team mates to do the same.

**Nirusan MANOHARAN:** Nirusan is an allround player, willing to play anywhere on the field, but mostly played in the backs, eother right or left.

**Yatin MOHARANA:**Yatin is a very happy and an all-round player. He has been doing very well in right and left midfield this year. Gives his all in every game.

**Caleb RINAKAMA:** Caleb has been the mainstay of the team along with Deniz. Caleb has a lot of energy and speed, sets an example for his team and the whole team respects him for it. He scored most of our goals this year.

**Keenen ROSHAN:** Keenen, our only left footer, played very well in the left-mid position. Always gives 100% in every game. Also another quiet one in the team but his play speaks for itself.

All in all the boys have played very well throughout the season. It was their efforts that got us all the way to the semi-finals. As their coach I was very proud to be part of the under 12s this year. Thank you also to the parents from coming down every week to watch your children play. It makes me and them very happy when you are there.

# UNDER 13s

The Under 13s had a mixed season. Our results in the regular competition didn't reflect the way the team played and we were only two wins out of the top four. A lesson that the team should remember for next season.

We were fortunate enough to be able to enter in a different number of competitions in both the GDSFA & NSWCF A which included; Thistle Cup, Night Knockout and Six A Side. The boys also had the opportunity to help our Under 11 & 12 teams playing extra matches on Saturdays. We also had players representing the South Zone in the NSWCF A Zone Challenge.

The strength of the team was demonstrated at the Six A Side competition where we entered two sides that made the Final to play off against each other.

Congratulations must go to the following team members who this season achieved some personal milestones:

- Christopher May – 200 club games
- Salim Mhajer – 100 club games and 100 club goals
- Emmanuel Mylonas 100 club games
- Abraham Hamdan 100 club games
- Calvin Iturra – 100 club games

I would like to thank all of the parents who transported the players and ensured they were at training and matches and for supporting the players with a great deal of passion in a sporting manner.

Finally I would like to congratulate all the team on an enjoyable season. I look forward to seeing each and every one of you return next year and continue to play for our great club for many years to come.

The players in the team were:

**Kennu CHALLENGER:** The quiet achiever, Kennu has the ability to read the play in defence and combined with his impressive speed was able to counteract most opposition attacking raids. Deservedly adjudged the MOST CONSISTENT player.

**Arzycki DE VERA:** "Zeek" was once again solid at the back in defence and combined well with Kennu to stop most opponents in their tracks

**Kabilan GOWRIESWAREN:** Kabilan continued his good form from previous seasons and added the position of goalkeeper to his list, saving us on numerous occasions.

**Abraham HAMDAN:** Abs returned this season after a years absence and slotted right back in. He played his best football when he played through from an attacking midfield roll feeding the ball off to the wide players.

**Calvin ITURRA:** Although we didn't see much of Calvin this season he still possesses great ball control and vision. He was definitely missed in the midfield.

**Daniel KRITIKOS:** As predicted at the end of 2013 Daniel improved this season with his ball control and positional play. He was able to hold the ball up and feed it off to the other attacking players with ease.

**Chris KWON:** Playing in his first season Chris settled in to the team and soon made the right back position his own. Easily the most improved player this season and a deserved recipient of the MOST IMPROVED player award.

**Christopher MAY:** Chris played mostly in goals and was a vital part of the defence. His ability to communicate with his team mates helps them with their play. He must however take more time on the ball when playing on the field and get out of the habit that he has developed of trying to flick the ball on all the time.

**Salim MHAJER:** Salim also was a welcome return to the team after a year's break. His ball control and speed combined with good team play were very much noted. His powerful right foot gave him the ability to score some good goals from long range. Definitely one of the most passionate members of the team.

**Emmanuel MYLONAS:** A gifted player, Emmanuel showed glimpses of his skill and control when he was able to run through several players to score goals at vital times. He also started to release the ball when required towards the end of the season.

**Athavan NITHIANANTHAN:** Carried a few niggling injuries this season but was still able to perform and dazzle the opposition down our left side.

**Nathan RAJAGULASINGAM:** Nathan played his first season with us this year and developed well playing in defence. He will, without a doubt benefit from the experience and develop next season.

**Tomislav TEKLIC:** Once again Tommy was solid in defence and showed composure on the ball to help turn defence into attack.

**Jerong UNG:** Jerong played strongly in attack and defence using his size well against the opposition. His ball control developed well throughout the year and will continue to improve with more experience in his second season next year.

Once again, I must say that it has been a pleasure to guide the team to success, this time in 2014. In a higher division the team made me proud, but this would have been hard to achieve without our new team mates Adeel, Ali, Ethan, Faisal, James.

The team had another fantastic year on the field runner's up in the Six-A-Side tournament, runner's up Minor Premiership and winner Grand Final. On another high for the team, three players Andrew Lylo, Samuel Zubkov and Ahmad Khalili were selected to represent NSW City Churches U14's team at the National Titles to held at Sydney Academy of Sport in Narrabeen in October.

I would like to congratulate and thank all the players on another great season. Without your effort and commitment to training and playing football all these achievements would not have been possible. Near the end of the season injuries and other factors affected team numbers, these challenges didn't set us back with players adapting and playing out of their normal position, always giving 110%.

A big thank you to all the parents/guardians for your commitment in bringing your kids and others to away games, especially Loren Djelevski not only giving lifts, but also donating a first aid kit to the team. Thank you to Maria Lylo providing oranges/fruit every game for our half time energy boost and washing the teams jerseys. Thank you Loueze Dib (manager), even though this year you were part time due to your university commitments, you always managed to be with us at all the right times.

It would be great to see everyone play next year and continue our success as a team.

The players in the team were:

**Adeel ALI:** A new player in the team, Adeel began to display good leadership skills as the year progressed, playing in the back line always talking to his team mates, organising the boys in the defensive line and making goal saving tackles.

**Kin CHALLENGER:** A solid defender, showed great determination to win the ball playing right back and a year above his age group.

**Mitchell DJELEVSKI:** Played in the defensive line, showing great potential as a solid defender. His effort in the semi final was one of the contributing factors that saw us win the game.

**Jonathan DUONG:** The youngest player in the team, showed no fear in heading high balls and taking on the older boys.

**Ali Dad FAYAZI:** Playing his first year with the Congs, Ali fitted in well with the team always turning up to training on his bike even though he lived in Auburn. That is the kind of determination you want to see from your players! He also had a great year playing in the defensive line in midfield.

**William HA:** His commitment to follow instructions, playing in any position he was required didn't go unnoticed.

**Ahmad KHALILI:** A key member of the team playing in midfield and a player who continues to show great ability with every year he plays.

**Faisal KHAN:** A player that always wanted to improve himself, unfortunately he didn't play too many games with us. Faisal needs to believe in himself and his abilities. Once this hurdle is overcome he will enjoy himself playing the sport he has a passion for.

**James LAWANDOS:** His free kick ability is second to none as he keeps on mastering this talent. Also shows strong ball control skills with the ball at his feet.

**Andrew LYLO:** A consistent and determined striker, also the team captain. Played out of his comfort zone in midfield near the end of the season, his biggest highlights of the year would have been scoring the winning goal in the Grand Final in extra time and achieving 100 club goals at the start of the season.

**Akash MUBARIK:** Displayed determination in winning the ball playing left back. Another player playing above his age group, always giving his best. His solid ability in throw ins was also discovered this year.

**John MUBARIK:** Had another solid season in midfield, his absence near the end of the season due to injury affecting the team's formation. John made his recovery to join the boys in the finals where his effort did not go unnoticed.

**Ethan TIAH:** Shows great potential playing in defence and midfield> With further training and games, his skills to read the game will develop and his ability will improve.

**James YATES:** His first year in goals, he has gone from strength to strength. James's development has been fast tracked as he displayed great determination to stop the ball going in the net as the year progressed. His performance during the finals series was one of the key factors in the team's success.

**Samuel ZUBKOV:** A small pocket rocket playing on the left wing showed great pace and ball skill where he beat opposition players with his pace to reach the opposition goals.

# UNDER 16s

The U16s started off the season all guns blazing winning, undefeated after the first six games, but for the remainder of the season it was a mixed bag of results, with injuries, no shows, dropouts, and a lack of training week in week out not helping the cause. All in all they did a great job putting these set backs behind them and getting on with the job. A couple of key games throughout the year saw the team drop from 1st to 4th against some good opposition, but making the semi's was the first goal.

After a first week washout of the semi's the draw ended up being in our favour coming up against Merrylands and the boys put in a determined effort to run out 3-0 winners on the day.

The Grand Final saw us up against Pendle Hill who had knocked us off twice during the year. The boys came out fired up and grabbed a goal midway through the first half to enter the break ahead. Shortly into the second half Lidcombe grabbed a second to extend the lead, but to Pendle Hill's credit they kept coming back, launching attack after attack on the Lidcombe goal and were rewarded when the defence switched off allowing them to pull one back. Lidcombe tried valiantly to defend the now onslaught from Pendle Hill who threw caution to the wind in order to find an equaliser, which came with five minutes of play remaining.

Off to extra time we went and with momentum still with Pendle Hill they kept pushing forward. A headed clearance from a resulting corner fell to a Pendle Hill player who lofted the greasy wet ball back into the box which slipped through the keeper's fingers and in to give Pendle Hill the victory.

The boys although disappointed on the day can be proud of their achievements throughout the year to reach another Grand Final but on the day the hungrier team prevailed.

It would be great to see everyone play next year and continue our success as a team.

**Zia-Abbas ALI:** Zia had a good year banging away some vital goals and proving himself a handful for opposition defenders. If he can learn to be patient at times with his passes to teammates especially on counter attacks he will set up as many as he scores. Also needs to learn to trust his right foot as much as he does his left.

**Ibrahim ANNOUS:** The "Rock" does the job asked of him which on many occasions was to man mark their striker and frustrate him out of the game. Popped up to score a few goals as well and yet again another good season by lbby.

**Anthony BOUSTANI:** The danger man up front, powerful on the ball and dangerous with his head. Scored a lot of goals bustling his way to the ball from crosses and corners and throwing his head onto the ball. Opposite of Zia, needs to trust his left foot when bearing down on goal.

**Radar CHALLENGER:** Missed the first few games with a broken hand. Came back possibly lacking a little fitness, but was able to fulfil a deeper midfield role for the team, winning loose balls, moving the ball forward and helping create counter attacks for the more forward players.

**Will COURTWOOD:** Will improved each game this year. Started the season slowly and being a little tentative in tackles early on, but developed into a solid left back, breaking down a lot of opposition attacks with his dogged defence and willingness to win aerial challenges.

**Jayden HUGHES:** Jayden had a great year as the defensive heart of the team, solid at the back with a big left boot that could change defence to attack so quickly. Does need to learn to back his teammates and allow them to do their jobs.

**Lachlan HUGHES:** Arrived mid way through the year but proved to be an important part of the team, particularly going forward with his strong runs down the right hand side. Linked up well with the strikers and was always a handful for defenders.

**Daniel KRATZ:** Kratz had another great year, always ready to go and willing to throw his body around (and elbows on a lot of occasions) to win balls for his teammates. Popped up numerous times to nab himself a few goals and provided plenty of great crosses/set pieces for the boys.

**Patrick MAY:** Pat had another fine year playing mainly in goals but getting the odd run out on the field as well. Made plenty of fine saves on occasions to keep the team alive in close games but does need to learn to scream and command his area when he needs to.

**Keegan MURRAY:** Possibly the best I have seen Keegan play. Full of running down the left, making defenders nervous as he ran at them. Got onto the end of a few good runs to slot home his mandatory quota of goals.

**Baylee RAMSAY:** Played a few games then disappeared. When he played he could cause trouble for defenders, when he didn't play he just caused trouble.

**Deng YAI:** The relaxed journeyman, Deng improved week in week out if he showed up. Missed a few games sleeping in or catching the late train to games. Solid right back who proved he can be a handy right midfielder if played there.

**Adam YOON:** The utility player, Adam filled into a number of roles this year. Each time he was asked to play in a certain position did it without fuss and handled whatever was thrown at him. Always willing to win the high balls and use his head at the back as well as being able to open up play with his passing.

## **ASSISTANTS**

**PAUL AND LORRAINE KRATZ** – Turned up each week whether it be to training or games, messaged players each week and chased up players on game days. Without these two I would probably have a lot more grey hairs than I do now. Took on a lot of responsibilities for the team from organising team sheets to playing taxi for players each week. A big thank you from myself, but I also feel the players and parents should recognise and thank you too.

# PREMIER LEAGUE

2014 saw the Congs return to Premier League after a two year absence. We had a squad of 35 registered players. As has been the case in recent years the commitment of the players was poor and as a consequence so was our results. We attracted 17 new players to our club this season. How many of them will return after the way they were treated is anybody's guess.

If this squad is ever to do any good certain things need to occur-

- All the players should take some time to learn about the proud history of the Club they are representing and learn what it means to be a Congo.
- People need to put the team before their own ego and stop arguing over trivial things.
- Players need to realise that this is a full season of commitment, not just turn up when you want and then complain that others are not there.
- Train together at least one night a week.
- Players need to come to realise that squad football requires more from everyone and we are not two single teams.
- Show respect to each other and realise that everyone has different levels of ability and the game cannot be played alone.
- GET YOURSELF FIT!

The Ray 'Curly' James Trophy for Best All Age player this season went to Noge Bengamine Beshere and the Bill Stevens Trophy for Best Reserve Grade player goes to Christopher Morgan. Unsurprisingly, these two men not only played well but were two of the more committed and respectful members of the squad.

Highlights of the season included-

- Matthew James breaking the Clubs all time goal scoring record.
- Steve May playing 500 games.
- Lachlan Weekes playing 100 games.

I hope 2015 is more enjoyable than 2014!

## **BLAST FROM THE PAST**

(These extracts are taken from past Annual Reports)

**TRENT SMITH** (Under 7 team report **1986** by Ken James)

Trent is another wholehearted player who could always be relied upon to do his best. He was never far away from the ball and made many good tackles as well as some strong attacking runs.

**DAVID HAY** (Under 8s team report **1997** by Brett & Steven May)

David worked hard on his game throughout the season and a great amount of improvement was noticed by the season's end. He proved to be a very reliable fullback.

# HUMPTY DOO

- The Under 11s were playing at Daniel St Park in June. The match was evenly poised at 2-2. As OLQP were making one of their many regular interchanges referee Trevor "HUMPTY" Hallett turned to Lidcombe Coach STEVE MAY and said "Steve, are you going to make any substitutes?". Steve then looked around and counted the number of Lidcombe players on the field and replied, "But Trevor, we only have eight players.  
And he is the Junior Referees' Coordinator?????"

## YOU ARE THE REFEREE

Ok all you budding Referees, Let's see how you go with these scenarios prepared by the Cong's own "Walking Rule Book"

- Q.** A player taking a throw in, throws the ball to his own goalkeeper who chips the ball back to him and he then heads it back to the keeper who catches the ball.

**Decision.** **Law 12 (Fouls and Misconduct).**  
**The goalkeeper must not touch the ball with his hands after it has been deliberately kicked to him by a team mate and he may not touch the ball with his hands after he receives it directly from a throw in taken by a team mate.**  
**Therefore it is play on!**

- Q.** A penalty has been awarded close to fulltime. The match has been extended to allow the taking of the penalty kick. The attacking player takes the kick and it hits the post and another attacker has run in and kicked the ball into the goal.

**Decision.** **Law 14 (The Penalty Kick).**  
**NO GOAL.** The extension of playing time to take a penalty kick is only until the kick is completed. The kick is deemed complete if a goal is scored directly from the penalty kick or if the penalty kick is saved by the goalkeeper or is missed by the attacker taking the kick.

- Q.** A player kicks the ball and it hits the corner post and does not cross the touch line or goal line.

**Decision.** **Law 9 (Ball In and Out of Play).**  
**PLAY ON.** The ball is in play if it rebounds off a goalpost, cross bar or corner flagpost and remains in the field of play.
