PRESIDENT'S REPORT

I present my second President's report after having been a member of your Club for 40 years.

2019 was a much quieter year compared to the past due to the fact that our two Ladies teams did not return despite the tremendous foundation work that Secretary Steve May and his very loyal wife Donna had put in over the past three seasons.

Our club has been built on a great foundation of tremendous volunteers over the past 80 years and it disappoints me that in our 80th year that some of the volunteers have let us down after committing themselves at our 2018 AGM and earlier this year.

Having said that I would like to thank our members that have put their heart and soul into the club this year. In particular Steven May, Donna Batchelor, Ken James, John Mylonas, Emmanuel Mylonas, Christopher May, Patrick May and Matthew May.

Congratulations to all of our teams on their efforts this season and thank you very much to our coaches and managers. It was great to be at Phillips Park every Saturday to see our teams run around and be encouraged by their coaches.

I must make a special mention of our Congo Kickers who are the future of our Club and thank Camryn Batchelor and Felicia Debreczeni for all of their efforts in encouraging these youngsters love of football.

The highlight of the season was our well-attended 80th Anniversary Dinner held at Blacktown Workers Club in June. Guests came from many parts of Australia and it was also pleasing to see former player Phill Bird travel from Colorado, USA specifically for the dinner. Amongst the guests were Churches Association President Paul Sydenham and his wife Karen, TWENTY Life Members and EIGHT of the successful 1966 All Age side. Our oldest Life Member 94 year old Gordon Weeks had the honour of cutting the Anniversary cake along with former 1940s players Jim Pincott, Bobby Blyton and Ian Shepherd.

Many thanks to the Reunion Committee, notably Donna Batchelor, Ken James and Neil Rudgley, for their outstanding efforts in organising this prestigious event. As expected with such a night the majority of attendees were Congos associated with the club from the past and we hope future events may even attract more support from current players and parents.

All that I ask is that you think about what you, your child and family have taken away from this season and try to progress into the future. Always remember that you can have some input into the future. It does not take a great deal of time to help out with the development of your children.

“Once a Congo, ALWAYS A CONGO”.

PRESIDENT

SECRETARY'S REPORT

This season the number of registered players fell away from the previous season. Nine teams (six junior and three senior) represented the Congs - down from last season's high of 14 teams which included two Ladies sides who did not play in 2019.

On field success was limited this season with only Under 8s and Over 35s Six-a-side trophies coming our way although all teams represented the Blue and Gold in the traditional excellent sporting manner.

With an increase in All Age Men's registrations we were able to form a third grade this season which played in the Sydney Cup Competition. This side performed well making the Grand Final. Our top two grades competed in the Premier League Competition with the Reserve Grade making the semi-finals.

In the juniors only the Under 8s Gold side were able to make competition Semi-finals while the Under 6s made the Final of their end of season Knock-Out.

This season we welcomed new junior coaches in the form of Blake Batchelor (Under 6s), Christopher May (Under 6s) and Christopher Morgan (Under 11s). These young men joined our returning band of junior coaches and managers. All parents and players should remember that there would be no team without these special people who take the time out of their busy schedules to coach or manage our teams. Your selfless dedication does not go unnoticed and is very much appreciated.

Our preschool program, the Congo Kickers, enjoyed healthy numbers again this season. It is always a highlight on Saturday mornings to see so many young children enjoying themselves and developing a love for the game. Thank you to Camryn Batchelor and Felicia Debreczeni for taking on the Kickers Co-ordinator roles this year. I know you found the experience a rewarding one.

I am pleased to report that once again the Congs were well represented at the Christian Football Federation Australia (CFFA) National Titles held at Dolphin Stadium in Redcliffe, 30 kms from Brisbane earlier this month. Three players – Chris May and Emmanuel Mylonas (both Under 18s) and Patrick May (Under 23s) - were selected in the NSW City teams. Emmanuel was also named as a back-up for the Under 23s and Men's sides. Patrick was also the Under 14s team Manager, James May was the Under 16s Manager and John Mylonas was Coach of the Under 18s team.

Congratulations to the following Congos who reached notable milestones this year:

200 GAMES: Aydin Agar (Premier League).

100 GAMES: Noge Bengamine Beshire (Sydney Cup)
Chris Morgan (Premier League)
Jee Cheung Ong (Under 13s)
Jee Jun Ong (Under 13s)
Sivanujan Sivakumaran (Under 13s).

Sadly we lost a number of treasured Congos this year:

Stella (Fern) Eagleson (passed away 29/12/2018): long-term Ladies Auxiliary member and co-ordinator of our Phillips Park canteen 1960s -1970s;

Brian Davies (08/02/2019): played 1964 – 1973 (173 games, 2 goals).

Graeme Heterick (25/02/2019): 1980 – 1987 (130 games, 143 goals).

Ray Taylor (02/04/2019): 1964 – 1974 (305 games, 41 goals).

George Brown (10/08/2019): 1965 – 1980 (138 games, 71 goals).

We will miss these wonderful people and the club extended its condolences to all families.

A big thank-you must be extended to our Sponsors for the 2019 season for their valuable contributions:

- Jim Courtwood from Time & Attendance Solutions
- Mathew James from Soccer City
- Trent Smith from DTS Auto & Marine Trimming & Upholstery
- Steven May from SJM Sportsturf

Your ongoing support of our club is a vital part of keeping our registration fees at a minimum while not making our players miss out on the vital equipment they need to play at their highest possible level.

A big thank-you also to Neil Rudgley, former President and now one of the club's Patrons, for his tireless efforts in co-ordinating the preparation of the Annual Report booklet. Nadalie King, from Red Diamond Design, has once again donated another wonderful Report front cover as she has done so for many years. Nadalie also designed the booklet cover for our 80th Anniversary Dinner.

Once again we were lucky enough to have one of the most efficient and best stocked canteens in the Association. The club extends a very big thank you to our President, James May and barbecue cook, John Mylonas, for all their hard work this season.

For many years our club has been run by a small group of dedicated volunteers, myself being one of them. We continue to attract new players and parents each year, but with little help coming forward. To expect the same people to continue to do everything is not fair. Regrettably work commitments mean that this will be my last year as Secretary and we need new people to step up and be willing to take this club forward into the future. Don't say "I don't have time"! Make the time to do something good for the community.

A special thanks also to those on the club Management Committee who started organising the season last December and have worked through to today's Presentation Day.

Last, but certainly not least, I would like to thank my family, in particular my wife Donna, for the patience and understanding shown this season, supporting and encouraging me on the several occasions when I considered standing down because of work commitments.

I hope to see some new faces on the Committee next year to make 2020 the biggest and best season ever!

- STEVEN MAY
SECRETARY

CONGO KICKERS

We would like to congratulate all the Congo Kickers of 2019. You all did so well and learnt so much at Phillips Park each Saturday morning.

Despite some trainings being hampered by occasional rain and bouts of flu, the Congo Kickers always managed to kick the ball around and have fun practising and building up their basic soccer skills.

Parents, supporters and Co-ordinators were able to see their growth and development in such a short period of time. We could not have asked for a better group to coach.

Special thanks must go to the parents who came along each week encouraging their children to be active and play around with a ball. It was reassuring to see initially shy kids open up as the season progressed and be excited to run around with other kids.

It was pleasing to see Ronin Saritas, Nathaniel Hogan and Danny Booth play some games with the Under 6s and this will be great experiences for their football futures.

Congo Kickers would not function without the parents and guardians who showed their support and offered their time and energy in our "Adults versus Children" mock games! Of course, the Congo Kickers prevailed every time and took delight in their victory within these matches! This season has hopefully built an appreciation for the sport in the future for these kids.

Thank you for the great year and we hope to see you all playing soccer next season.

The Congo Kickers were:

Pradyumn Aswin, Danny Booth, Liam Booth, Dylan De, Max Hardman, Ahmad Hawli, Farah Hawli, Nathaniel Hogan, Alex Hofer, Sienna Hofer, Axl Kabat, Riyan Khatri, Anusha Mayuran, Zara McKay, Joy Rajagulasingham, Gerard Rasgo, Ethan Santiago, Ronin Saritas.

- CAMRYN BATCHELOR & FELICIA DEBRECZENI
COACHES

The Under 6s had an outstanding season with every player, apart from Mackenzie May, playing minis for the first time. This meant there were many long training sessions working on various skills to give the team the best chance on game day. Although we had many players registered we always had our consistent six team members showing up to every game and training session, showing great perseverance and dedication.

Blake and I would like to thank our Manager Donna Batchelor for all her assistance. In addition, many thanks to the parents who were able to get their kids to games and training sessions on time allowing this great bunch of Congos to enjoy themselves and make life-long friendships.

A special mention must be made of our two team mascots, Axl Kabat and Ben Kang, who were at most games and training sessions. Their support was greatly appreciated by the players, coaches and parents.

Players in the Team were:

Prahalad ASWIN: Joined our team later in the season but quickly picked up the skills required to be a valuable inclusion in our side.

Ivan GURUNG: Our designated striker who scored some outstanding goals and always came back to help in defence. Sadly, Ivan has moved away and won't be with us next season. We wish him all the best and hope he continues to improve with his soccer in future seasons.

Nathaniel HOGAN: Nathaniel came to us late in the season and he definitely put in a 100% effort in all his games. A ball to the glasses in the Knock-out Semi-final didn't stop him from a fantastic effort in the Final!

Nicholas IBRAHIM: A very reliable defender who always had fun at the back no matter who he had playing alongside him!

Zoe KABAT: At the start of the season Zoe appeared somewhat nervous when playing with the boys and this made her a bit distant. However, in the latter half of the season, with the help of training (and plenty of encouragement from Mackenzie!), she became quite a force to be reckoned with. This led to her being one of the most feared players in our side and she has deservedly been awarded the team's Most Improved trophy.

Thomas KANG: Thomas was always reluctant to get onto the field but once he got on there was no stopping him from ripping through a team's defence and making some ferocious tackles!

Mackenzie MAY: Mackenzie was the only one who has played Under 6s previously. Being in her third year she showed her experience by regularly showing up all the boys with her exceptional skills.

Brodie McCARRON: An extremely dynamic player who rarely missed a game. Excellent as a shot-stopper and defender with his big left boot leading to him being awarded the team's Most Consistent Player.

Ronin SARITAS: Ronin is a player coming through the ranks who started off with the Congo Kickers. Each game throughout the season he always showed his improvement.

Hakash VASIKAR: Another player also coming into the team through the Kickers, Hakash had experience on his side and put it to good use when hunting down an opponent.

I would also like to thank Rithul Baskaran and Safal Bhandari who played when needed.

A special mention for Danny Booth who came up from the Congo Kickers into our Six-a-side team and showed promise.

Also played: Araan Kanthar, Arjun Krishna.

This season the Under 7s team was a combination of new and returning players. This meant that it was always going to take time to 'find our feet' against the other teams who predominately had players returning from last season.

It was not through a lack of effort or dedication from both the players and parents that the team lost its first five games of the season, which included losing 3 – 2 in back-to-back weeks to Kings Old Boys (Blue) and Greystanes.

Despite the misfortune in those close matches, the players continually wanted to improve and play soccer with their mates – a sign of a champion team in the making for seasons to come.

This made my role as coach much easier as, like last season, the players became very used to playing with each other and consequently managed to play extraordinarily well as a team as the season progressed. This development was again show-cased at the Six-a-side where we almost knocked out eventual back-to-back competition winners Kings Old Boys (Blue) losing 3–2 with our last-minute free kick going slightly wide of their goal.

My thanks to all the parents who helped me out throughout the season at both training and matches (especially washing the shirts!), and notably to the players who always tried their best and were always willing to listen and learn.

I hope you all join me in coming back to play with your mates next year as I know that we will have an even more successful than this season.

Players in the Team were:

Liam ARROZA: Liam surprised everyone with his speed and sheer determination to be first to the ball ever since he filled in for us at the Six-a-side competition. This was best demonstrated when he made a full field run against Greystanes at Freame Park, where he ran straight past four defenders, only to be unlucky as their very experienced goalkeeper ran out and cleared the ball away.

Rithul BASKARAN: Rithul was always going to be one of the better players in the side after playing with us last season. He would always manage to dribble through or pass his way around the opposition team just about every match, even when there were multiple defenders to beat. Rithul was also nice enough to fill in for the Under 6s team whenever they were short of players and did so with great success.

Safal BHANDARI: Safal joined our team just before the first match and showed why his dad preferred him to play in the Under 7s rather than the Under 6s! His first season with us was as good as anyone could hope for. From the very start of the season he was always posed an attacking threat with good ball skills and combinations emerging with fellow teammates.

Jake HARDMAN: Jake showed why he is a great team player as he always gave everything he had for the team and let nothing stand in his way. This was shown at Freame Park against Greystanes where he was hit on his left ear with the ball from short distance late in the first half. He was crying profusely (as I would have as well!) and I thought he would be out for the remainder of the match, only for me to turn around moments later and see him smiling and asking to come back on! Well done!

Lucas HUANG: Although Lucas may not be the most skilful player on the team it was his determination to beat the opposition to the ball which made him one of the better ones. He always managed to pressure the opposition team into losing the ball which created many attacking opportunities throughout the season. Lucas was also one of the few players who willingly played where he was asked and did so with great effort every week.

Zachary MAY: One of the returning players, Zac played well in whatever position he was required to play. He was a very good defender, rarely allowing the ball to get past him in one-on-one situations and tackled anyone with confidence and consistency. Zac was also our best goalkeeper and showed his skill in the semi- final against OLQP where he made a number of excellent saves to keep us in the game.

Paul McGARVEY: A very smart player, Paul's defence is well ahead of his age. He was our best defender and from early in the season he was one of the few players who understood the value of kicking the ball out of play when defending. However, he always wanted to play as an attacker and, whenever he was given the opportunity, he did very well – either assisting other goalscorers or even scoring one himself as he did against Guildford (Red).

Lucas QUI: Lucas was always keen to play soccer every Saturday and was one of the first players to arrive at each match. Despite not being the quickest player, he played wherever the team needed him the most with all his effort and skill. Lucas quickly learnt to pressure the opposition into countless mistakes and passed the ball to our quicker players which created many attacking opportunities throughout the season.

Bahir SARWARI: A very skilful player, Bahir certainly knew how to shield the ball from the opposition. Every week he managed to receive the ball and, no matter where on the field that was, he was able to attract opposition players, turn and pass the ball to a teammate who now had a lot of space. This was very beneficial for the team as it created many attacking opportunities and often turned the momentum of the match.

Also played: Daniel Azzi and Liam Byun.

With a few new players added this season to the majority of the same side from last year it was another good year for the Under 8s Gold side reaching the semi finals only to be outplayed by a stronger OLQP White side.

I'd like to thank the players and the parents for another good year and also Augustine Birgen and Stephen James for helping take the boys on Saturdays I wasn't able to make it.

Players in the Team were:

Abednego BIRGEN: Another good year for Abe putting away more goals to add to his already imposing tally. He is one of the better players in the competition who showed his class in most games and was the difference between the sides at times.

Ricky BOOTH: Ricky had another good year and improved yet again. Handy backup goalkeeper and played wherever he was asked, though I think after the last game defence might just suit him better.

Levi JAMES: The team's goalkeeper who did well between the sticks improving week-in and week-out with his saves and getting better at his bigger kicks. Handy little midfielder when given a run on the field and could have scored himself a goal or five if he stayed in the middle of the goals when attacking!

Makaii JAMES: The little rock at the back who doesn't like to attack for goals preferring to be at the back stopping opposition players with his strong tackles (occasionally "accidental" late tackles)! He showed improvement with his big kicks. Did make a few good runs towards the end of the year but in his words: *"I don't like making big runs, daddy, I just want to tackle the other team!"* Congratulations on being awarded the team's Most Consistent Player trophy!

Christopher LA ROSA: Chris always tried hard each week, going up, then back and side to side. He never stopped running and trying in all his games. Loves a good run and a good tackle. He came in very handy in several games showing off his defensive abilities with clearances off the line and on a couple of occasions even throwing his body in the way if he needed to!

Nitin MOHARANA: The incumbent left back of the team Nitin enjoys a good tackle. He can get a little lost at times when staying in his position but was always willing to try and stop the opposition attackers. He improved as the season progressed and also proved a reliable backup goalkeeper who was willing to put his hand up and play there when and if needed.

Ethan NEUPANE: Another new comer to the team this year who always gave his best. A handy little defender, Ethan was always willing to get in and chase or put his body on the line. Occasionally he was guilty of leaving his position but improved as the year went on.

Jiwu PARK: Another rock at the back Jiwu was willing and able to make the long runs up the field when needed and was always looking to pass the ball forward quickly.

Darsh PATEL: His first year with the team and Darsh always tried his best playing wherever he was asked too. He became better as the year went on and improved with each game.

Dilan SAG: Dilan's first year with the team as well. It took a good few games to get him into just playing with his mind frequently wandering and his continual chatting away to his teammates! When he stayed focused throughout a game he became more involved as he is a fierce little tackler who showed glimpses of his dribbling towards the end of the season.

Jayden WAGLE: A handy little midfielder. Although not blessed with a lot of speed Jayden occasionally shied away from tackling bigger kids but when he wanted to show he could be a dogged defender he just went for it! In addition, he was always one to go forward and move into a central position for any loose crosses coming in.

Jeremiah YOO: Another good year from Jeremiah who was always trying hard and continually running. He much prefers the attacking side popping up for a number of goals yet again.

It was apparent after the 9-0 trial game loss to our Under 8 Gold team at the start of the season which was then followed up with a 4–1 loss to Guildford (White) in the first competition game, that the boys had much to learn about playing in position on the bigger field.

We were therefore surprised and delighted in the very next competition game when, with only 9 players available, the team played with great determination to force a 1–1 draw against the strongest team (and undefeated competition winners) OLQP (White). A remarkable achievement considering this was the only game OLQP (White) did not win during the season

From this game onwards the team grew in confidence and was competitive in every game, narrowly missing out on making the semi-finals by finishing in 5th place with the respectable record of 8 wins, 2 draws and 6 losses. Frustratingly, I thought that we were at least the equal of the two Guildford teams who made the semi-finals, but each time we played the Guildford sides missed goalscoring opportunities (we missed so many “easy” goals) and player absences due to illness meant that we did not take any competition points off either Guildford side during the season.

For me, highlights of the season were the first round 1-1 draw against OLQP (White) mentioned above, an unlucky 2-1 loss against the same team in the second round and a come from behind 3-2 win over Lidcombe Gold in the second round after being 2-0 down at half time.

My thanks to Manager, Peter Azzi for his assistance and also to the parents for their support and encouragement of the boys throughout the season.

Players in the Team were:

Nanartha ADHIKARI: He proved to be our best goal keeper as well as our leading goalscorer. Not the fastest player in the team and can be a bit lazy from time to time, but he can certainly “sniff out” a goal. Missed quite a few easy goals and he must learn .to take advantage of every goal scoring opportunity that comes his way. Deservedly received the Most Consistent Player Award.

Joseph AZZI: A frustrating player to coach. Has the ability, but in quite a few games he didn’t show much interest or effort and if he wants to improve his game he must push himself a lot more.

John-Luke BOUTROS: Always tried his best and a bit unlucky not to score a goal or two. However, he needs to show a greater awareness of what is happening on the field so that he can anticipate when play is coming his way and try to get to the ball first.

Chad LESLIE: Played reliably at centre back where he proved to be the mainstay of the defence. As his confidence grew we also saw him making many strong runs out of defence with the ball. For his efforts he has deservedly received the Most Improved Player Award.

Justin MAY: Coaching Justin was certainly interesting coaching because you just never knew which Justin was going to turn up on Saturdays. On his best behavior and concentrating he was capable of doing some good things, but at other times most of his kicks either went the wrong way or he got in the way/tackled his team mates. Saved his best for our last game where a couple of his kicks went in the right direction and sailed by perilously close to the opposition goalposts.

Zachary MCKAY: Played with great enthusiasm and ran the ball strongly on many occasions including a barnstorming run from about half way to score the goal in our drawn game with OLQP (White) early in the season. However, he often gets too excited during the game and starts to chase the ball so needs to concentrate a bit more and try and stay in his allocated playing position.

Edlan MICHAEL: Family transport issues meant we did not see him at away games and training so a fairly disrupted season for Edlan. When he did get on the field he showed glimpses of the form I know he is capable of.

Mateo MORALEDA: Played and trained with enthusiasm and ran confidently with the ball, but illness prevented him from playing in four games and we certainly missed him in those games.

Vedic SAINI: In his first season Vedic found it difficult to settle into a team where everybody else was ahead of him in the learning curve, having all previously played soccer. He tried hard and I'm sure he will be all the better for the experience next year.

Vihash SUTHARSAN: A newcomer with good ball skills who caused plenty of problems for the opposition with his speed and stamina. Will become a much more dangerous attacker once he learns to combine more with his teammates to get past opposition defences rather just rely on his ball skills. We missed his contribution when illness saw him miss four games.

Suriyah VADIVALE: Continued on with the good form he displayed last year, playing in the left midfield position where he tackled tigerishly and ran the ball strongly when the opportunity arose.

Bravin VASITHARAN: Another newcomer with plenty of pace and good ball skills. Only small in stature, but he never stopped running and played determinedly. Like Vihash, his game will improve when he combines more with his teammates rather than just trying to beat opponents with his ball skills.

Annual General Meeting

A notice to all club members

The club will be holding the A.G.M on

Monday 11th November 2019

Dooleys Waterview, corner of Clyde St & Silverwater Rd Silverwater commencing at 6.30pm.

The main purpose of this meeting will be to elect the office bearers for the 2019 season.

We need new committee members to keep YOUR CLUB running for the children to have a club to play with.

Many hands make light work!

Come along and have your say in the running of your club, meet the committee.

New faces also mean new ideas and an improved club!

Playing in a very high standard competition I was very proud of the team's efforts despite their lack of wins. This season was very much a rebuilding year as we lost a few key players but fortunately gained some bright new ones. These new players were keen to learn and improved greatly over the course of the season.

We struggled against the good teams especially the undefeated Wentworthville (Blue) although we certainly matched them in the Six-a-side and could consider ourselves unlucky in losing 3-1.

Playing at Phillips Park in the second round against eventual Grand Final champions Guildford (Red) the team was very unlucky to lose 3-2 in a good display of effort.

The season's most memorable game was against Guilford (White) at Everley Park in May. Guildford was winning 5-0 at halftime but our team never gave up and almost pulled back a victory with an amazing display of teamwork scoring four second-half goals which included a fabulous hat trick from Athi Mayuran.

George Magnus deservedly won the Most Consistent Player award and with his eleven competition goals he proved to be a danger to all opposition teams.

Throughout the season the side was never disgraced despite sometimes playing short. The players always did their best which is all I could ask of them and I congratulate them on their efforts.

Many thanks to all the parents who were very supportive especially in my first season as coach. Special thanks to Bejoy Corraya who was able to fill in when I was unavailable.

Players in the Team were:

Yuvraj ALAHLUWALIA: One of five new players this season Yuvraj was a bit unsure of himself at the start but he grew into a solid midfield player showing exceptional speed. His continual improvement was evident even in the final game.

Quinton CHAR: Quinton was one of our youngest in the team and was playing up from the Under 10s. He displayed excellent skills in defence often taking possession from some of the best players in the competition.

LUKE CORRAYA: Luke displayed an excellent spirit through the season never giving up no matter what. He played mostly in defence but really began to shine through in the midfield in the last part of the season.

Justin HAN: Justin was an extremely solid player in the midfield. He was always there and was someone who I came to rely upon to hold the midfield together. He displayed great courage even while injured and continued to impress all season long.

Lucas JOYA: Lucas was our sweeper for most of the season and he showed great skill and ability in defence. He was often our last line of defence and saved many goals on his own proving to be a great asset to the team.

Sai KANTHAR: Played five games in June and July and then sadly disappeared!

Alexander KIM: Alexander was another mainstay of the team putting in solid performances all season long. He had many shots on goal and was unlucky to only come away with two goals for his efforts.

George MAGNUS: George was a machine this year running his heart out on the field and it showed in the amount of goals he was able to score. He often outran entire teams in counter-attacks and helped to hold our midfield together. A great season from George.

Athithan MAYURAN: Athi had a very good season. He was an excellent goal keeper and also came out onto the field several times where he absolutely routed opposing teams all by himself!

Enoch MICHAEL: Enoch gave his best through the season and he was a pleasure to have on the team. He continued to learn throughout the season and was improving each time he played.

Noah MICHAEL: Noah was quite a dangerous wing player who created many opportunities for the rest of the team. He is a selfless very good team player.

Samir SARWARI: Samir was another of our new players and he learnt much through the season. He gave his all on the field and seemed to be everywhere at once. He continued to improve throughout the season and will continue to be a solid player in the future.

Jaybriel THAMAE: Jaybriel very effectively held together the left side of defence all by himself. He put in a great effort every week and excelled at taking the ball off the opposition and starting the counter-attack. Many of our chances started with Jaybriel at the back.

Dhilan THIYAGARAJAH: Dhilan put his all into every game and was very flexible in where I played him. He was a player I relied upon to fill gaps and played well in all situations.

Daniel YANG: Daniel was one of our new players this season and showed an ability to work hard and learn as much as he could and it showed in his displays. He grew into one of the best defensive players on the team and is our Most Improved Player for 2019. Well done!

Ian YANG: Ian was a great player in the midfield and was not afraid to learn new skills. In the second part of the season he became a part-time goalkeeper and excelled in that role. He continued to improve his skills through the season and was a great player to have in the team.

2019: 34 years since **JOHN MYLONAS'** last appearance with us back in 1985 this year he made a return to the field in the Sydney Cup side. John needed another 25 games in 2019 to reach the 200 game milestone but fell **FOUR SHORT** on 196 by season's end.

He assures us that he will be back in 2020 to get those extra four matches and he reckons he might even improve his goal scoring record of **FOUR GOALS** next season!

UNDER 13

The Under 13s this year started in Division Two however, after three weeks of competitive losses, the competition was reorganised and the team was put into Division Three.

It turned out that the lower division wasn't that much easier as the combination of still figuring out positions, not having gelled as a team, and our goalkeeper not being there led to us getting demolished in the first week against eventual undefeated competition winners Toongabbie (Black) side. Despite this loss we were able to rebound and win the next game.

From the start the priority was on a strong defence however the team is full of attacking minded players, one of which is our best goalkeeper and this made things hard to balance to start with. It took most of the season to win consistently, as injury and some commitment issues made us play short and/or lose games we should have won. Once the team got comfortable in their positions and gelled as a team, we got into form and the results turned around. The contrast between our trial games and the last few games is night and day, and I couldn't be happier with it. If only we started winning two weeks earlier, I might have been writing about the Grand Final!

Major accomplishments from this season include:

- Defeating or drawing against three of the four top teams in the second half of the year, after losing to them the first time;
- Sivanujan Sivakumaran, Jee Cheung Ong, and Jee Jung Ong all playing their 100th games;
- Sean Seo winning the Most Promising Junior Goalkeeper award;
- Runners up in the Six-a-Side competition.

The Most Consistent Player award this year deservedly goes to Imran Aydemir. His defensive efforts as sweeper and centre midfield kept many games competitive, and his strong kicks with both feet created opportunities and scored goals from considerable distance. While there are other players in the team that possess as much skill, what sets Imran apart is how he listens to instructions and plays his position as part of the team. Congratulations for a great year.

The Most Improved Player is Sailesh Arulanantham who, over the course of the season, greatly improved as a defender, being able to read the play and stop attacks based on it. He also developed his general game awareness and was there to cover for other defenders and gaps in the midfield.

I want to thank Sean for his efforts as goalkeeper. I frustrated him somewhat by not letting him play striker in the close games this year (where he'd rather be!). I hope I did a good job balancing the team's need of having the best possible keeper with keeping Sean happy and in the team. In either case the Most Promising Junior Goalkeeper award is well deserved.

Thank you also to the parents who put up with the ridiculous amount of catch-up games we had to play this year (although on the bright side it padded the team's statistics!), and Dave Miller for offering to coach in my absence (even though the game got washed out).

I hope to see the team back again next year for an even better season.

Players in the Team were:

Etienne ANNAEV: When the team would be asked when losing at half time whether they think they could stay in the game, others might have had their heads down, but Etienne would be the first to say that they could. This attitude was reflected on the field as Etienne would only give up when he was exhausted in the midfield.

Sailesh ARULANANTHAM: The most improved player this year, mostly played left and right back with occasional games in midfield. His ability to read the play and act upon it improved greatly and has become a great defender because of it.

Imran AYDEMIR: Back in the club after a few years away, Imran started as a midfielder, however he became our main sweeper and could always be counted on to stop most attacks. When the numbers were there he went back into the midfield where his distribution and long range shots were a great help. Including a free kick I won't quickly forget, when he scored off a free kick about 25 metres out with the help of the wind. Congratulations on winning the Most Consistent Player.

Juan COSTELO: Juan is a versatile player that is a valuable back up goalkeeper and sweeper. His starting position would be almost anywhere depending on who was there on the day and did well wherever he was placed, especially when he could easily use his strong right boot.

Joel MICHAEL: Though he made limited appearances, Joel made his presence felt as a strong centre and right back each time.

Jee Cheung "JC" Ong: Our top goal scorer this year, JC has a knack for finding himself in the right position to receive the ball, and almost always chases the ball into the goal, cleaning up any errors the defenders made. This resulted in him being chosen as the lone striker more often than not when playing short.

Jee Jun "JJ" ONG: I initially tried to make JJ a sweeper when I saw his game awareness and ball skills, however I realised that his will to attack was too strong. He can run circles around most people with or without the ball, and is almost tireless, combined making him a valuable midfielder and striker. His defensive efforts shouldn't be overlooked as a midfielder either.

Sean SEO: Sean was the hardest player to give a position to, as he is the best goalkeeper in the team and may also be the best striker in the team. His strong right boot helped in both positions and when playing striker, if he runs with a through ball he's hard to catch and shoots the ball extremely well.

Sivanujan SIVAKUMARAN: Along with Imran, Sivanujan formed the core of the defence as stopper, as well as take strong throw ins from the back. He could always be trusted to mark their main striker, and when he's switched on almost nothing gets past him.

Vithushan SRIMURUGAKUMAR: Usually first at the games and training, Vithushan is eager to get going and it shows in his attacking play. However when he's playing striker he acts as a midfielder and when I put him into midfield he starts playing as a striker. Regardless of his positioning, Vithushan was unlucky not to score more goals this year.

Harrish SUJANTHAN: This was Harrish's first year playing soccer and put in the effort to learn the game and improve. He played mostly striker, and although he still needs to develop his shooting, his distribution and effort make up for it.

Vignesh SUJANTHAN: Much like his twin, Vignesh learned to play mostly left midfield (and made great runs attacking as well as defending), and to show off his strong headers. Also much like his twin he wasn't quiet in letting me know what position he'd like to play in the upcoming game.

Joel TILAYE: The injury bug kept Joel from playing for most of the year. He's a capable defender and has a strong left boot. Here's to a long season next year!

I must also thank the following players from the Under 11s who filled in this year. They weren't out of place playing against the older kids and helped us stay competitive in some close games (especially the knockout game where they helped keep the score to 1-1 at half time when we played with 9). They are very much part of the team.

Lucas JOYA: Lucas is a strong fullback and played on the right mostly. I was impressed with his strong challenges, even if he gave away a penalty once when he missed the ball.

George MAGNUS: The pocket rocket who won't stop running, George was a great addition to the midfield hounding opposition players and making attacking runs, as well as being striker where he is most dangerous.

Jaybriel THAMAE: A very capable fullback, Jaybriel loves playing on the left side using his left foot to make strong passes up the line. He also does strong headers out of the goal area. He, along with Lucas, contributed to a strong backline that allowed for a strong midfield and attack.

And thanks to **Anthony MYLONAS** for taking part in the Six a Side.

2019: Premier League Reserve Grade coach **Trent SMITH** is about to score in front of the Lidcombe crowd at Phillips Park but gets pushed from behind in the penalty area and appeals for a penalty. He then found out it was teammate **Anshul SHUKLA** that took him out and claimed to not see him!

####

The club entered a team in the Sydney Cup competition this year (CFA's 3rd division) comprising a handful of returning (yet ageing!) 2018 First Grade players along with a mix of younger footballers and players not really quite up to the rigours of Premier League competition.

Not all went to plan as we lost Jim Courtwood to a broken foot in the first trial game only two weeks before the season proper started!

Needing more players, Peter Oberemok and Reegan "Reggie" Rajakumaran were both enticed out of retirement but sadly also came to disastrous ends. Playing their first and only games of the season in Round two they also suffered season-ending injuries - the joys of being old! With Adrian Martinez receiving a red card in the first game we knew that able replacements were quickly needed and fortunately super signings Tito Tealdo, Omar Brena and Dilshan Karunaratne all came into the team for the rest of the season.

It was a mixed year with some good performances, good results, narrow losses and hard fought games generally against teams of fit young guys. 2019 wasn't the walk in the park some may have thought it would be.

The team had success in the Six-a-side with a win in the Over 35s competition but sadly the competition season did not end as we would have liked with a 2-1 Grand Final loss against Darling St Anglican. However, we were minor premiers and getting to the Grand Final with a rag tag bunch of old, broken and young skilled/unskilled group of guys was a great achievement!

Players in the Team were:

- At the back, Blake Batchelor and Matt May played well week in and week out;
- Steven May, dare we say, played right back, forever trying to sneak up front and seagull himself a goal;
- Omar Brena, Tito Tealdo, Dilshan Karunaratne, Adiran Martinez and Vahid Ameripour worked tirelessly in the midfield (the latter probably needed a defib. machine each week chasing after the 20 year olds down the right!);
- Matt Hyde banged away 30 plus goals (probably missed 3000 chances and some easy ones blind Freddy would have put away!);
- Danny "Frank the Tank" James waddled around and even scored a few goals;
- Steve James and Noge Bengamine Beshere controlled the back line for the first part of the year before Elliott Jauregui slotted in besides Noge where he had some outstanding games at the back;

- Khaled Hamdan worked tirelessly every time he came on, learning week by week where and when to make runs to support attacking plays. Even earned himself a few goals including a bullet header (I wasn't there and called BS as soon as I heard it! But no - it actually happened!). A fine season.
- In goals we had John Mylonas, the Greek Colossus! The body may have slowed the movements down a tad but he came up with big saves all throughout the year to keep us ahead or in the game. In addition, he also cooks a mean lamb kebab on the barbecue!
- Other honourable mentions go to Adam Motyovszki for being Adam all year (!), Safal Sanjel for never-ending texts, Premier League coach Trent "Angry" Smith for getting a Six-a-side winner's medal with us and Naod Michael for showing up once (maybe twice!).

ANOTHER GREAT CONGO MOMENT!

August 8 1970: Lidcombe 3rd Grade vs Auburn Churches at Wilson Park Silverwater.
Don Lane was a T.V. personality in those days but he really didn't have much to do with us except...

Third Grade player STEVE GREENTREE was being cautioned by the referee and the man in white asked him his name.

Steve replied : "DON LANE!!"

The referee then said: "Mr LANE, I'm taking your name and cautioning you for dissent!"

Needless to say Don Lane has a booking against his name and our Steve had an unblemished record!

#####

Over the past few seasons I have always written two separate reports for both the First and Reserve Grades. This year I have combined all players into the one Report recognising that the players were part of the one squad and I should report accordingly.

At the start of the 2019 season we had a squad of 30 for both First and Reserve teams but this quickly changed. Several players sustained injuries, a few left the club and half a team went to Turkey on holidays! This only left Wasyl and myself with a core of 16 players for the rest of the season. Let me add that this is the most dedicated and loyal squad I've had in years and is the reason why I decided to only write one report.

As you can imagine we had a rocky season but at least no one can complain about not getting enough game time!! Most weekends there were two solid games on offer. Once we came together as a loyal squad we began to win a few games and the Reserve Grade was able to slide into fourth spot going into the semi-finals. It was a controversial semi final against Greystanes United with some 50-50 refereeing decisions going against us, but this is football!! It was a great effort by all the boys but unfortunately we went down 4-3 in extra time by a golden goal. The boys never gave up showing their true colours and, with some quite passionate support by our spectators, it was extremely great to see!

The First Grade tried hard all season but inexperience and playing in the Association's highest standard competition saw us struggle at times and we did not make it to the finals.

Stand out players this season included Emmanuel Mylonas, Baris Agis and Aydin Agar – all three performed at a consistent high standard each game.

A big shout out and thanks to our Manager, the one and only Wasyl Prytoulia! He may be loud, he may be occasionally late, but he's a 100% true blue and gold Congo! Without his assistance, ideas and thoughts the 2019 season would not have been as strong as it was.

Thanks to all those who supported the squad this year and it was enjoyable to coach and direct everyone.

Bring on the 2020 season!

Players in the Squad were:

Liam ABDY: Only played a few games this year but made quite an impact. His defence was great and his ability to distribute from the back was even better. Hopefully we can squeeze a couple more games out of him next season!

Aydin AGAR: Always managed to score from seemingly ridiculous positions on the field and the Turkish Bullet's speed was matched by no-one. Aydin was instrumental in a number of our wins this season and he is an extremely valuable asset to the team. I personally thank you, Aydin as you set up a few of MY goals this season! You made an old man like myself enjoy one of his last years of soccer! Congratulations on playing your 200th game against Guildford in June. Well done, Aydin!!!

Baris AGI: The co-captain is our free kick specialist and is a great attacker from any position. Baris is a very creative player who is always looking to improve his goal scoring tally! He has been one of the players who was a key to the strength of this squad.

Tolga AGI: Our resident goal keeper pulled off some amazing saves this year. Often came out of the goals to back up as a defender and didn't go too bad at all, if I may say so!

Omar ASHOUR: A very a solid centre midfield with great defensive tackles who was always looking to be creative. A great season from a young player. Well done!

Ali BOYACI: Another rising young star who is strong in the midfield and also upfront as a striker. His ability to hold off the defensive to create attacking plays was crucial throughout the season and he had another fine season.

Carlos CORREA GARCIA: Only played a few games this year but when he did you could sense the immediate benefit to the team.

Will COURTWOOD: Will is one of our solid defenders who has developed his attacking skills as a midfielder. His solid season was highlighted by a cracking goal against Wentworthville!

Ben COUTTS: Our resident Scotsman showed great skills with the ball. Ben was very solid in defence and quite creative as a right midfielder. Scored his one and only goal (so far!) in the Six-a-side! With a little more fitness he will show more prowess as an attacking player.

Nicholas GRASEVSKI: Nick usually rotated between the defence and the midfield and proved a solid player with a great left foot. Always a dedicated footballer he plays the game hard and fair.

Ahmed "Jack" HUSSEINI: The one and only Jack always supports the club in every way, shape and form! His skills have really improved this year and he has become quite a strong midfielder. Thanks, Jack for another great season!

Murtaza IBRAHIMI: One of our resident Afghans who is a very elusive player, always twisting and turning in the midfield. He turned in some strong performances this year.

Omer KARABULUT: One of our Turkish players with a killer left foot and great attacking plays. Omer went on holidays mid-season so hopefully next season "no more holidays"!

Daniel KRATZ: As captain, the big man's defence was second to none despite often chancing a yellow card with his crunching tackles stopping any opponent's play! Without Kratz at the back our backline would have fallen to pieces. A great season, young son!

Patrick MAY: Our solid and dependable right back who always held his own against all comers. A big thanks to Pat for all the lines and refereeing games he did for us and it did not go unnoticed! A strong season!!

Chris MAY: Another bright, young star who cemented his position in the backline for First Grade with a great sense and ability to distribute cleverly from the defence. Chris is also a fine goal keeper who enjoyed another good season!

Chris "One D" MORGAN: Reached his 100th game in the match against Wentworthville in April. Another good season from Chris who has proven to be a most reliable defender and is always 100% committed.

Emmanuel MYLONAS: The one name that kept constantly springing up to WasyI and myself was Emmanuel! He was without a doubt the best player in the squad. In many games throughout the season his defensive abilities kept us in the game coupled with his skills to carve up the opposition team through the middle of the park. This year he is deservedly being awarded the First Grade's Most Consistent Player. Emmanuel is only 16 so we look forward to him returning for another great season in 2020! Congratulations, Emmanuel!

Anshul "Fingers" SHUKLA: A great personality both on and off the field, Ash is definitely one player who is vital to our squad! With a little more control on the ball he will be an even better attacking player. He always put in 100% effort this season.

Desimir "Deki" STANKOVIC: Thoroughly deserved the trophy for the Most Consistent Reserve Grade player. What a transformation! Deki lost heaps of weight, gained loads of speed and displayed a sexy new hair cut to keep his girlfriend happy! But enough chit-chat so back to his performance! For such a big fellow he could easily move - twisting and turning and always kept the opposition guessing on what he was going to do next! Let's not forget he was constantly playing two games straight without any decrease in effort! Congratulations on your great efforts this season, Deki!

Zayan "Z" YOUSUF: Came very close this year to winning the Reserve Grade's Most Consistent trophy and without a doubt he was the side's most improved player this season. Playing in a men's team for the first time is not always the easiest path to take. Defending on the left side of the field he showed great skills and also the ability to penetrate down the wing. Well done "Z"!!!!

Also played: Vadly ATMADJA, Hanani GHULAM RAZA, Mohammed HASSAN, Salim MHAJER, Rusheel RAJ, Safal SANJEL, Malvyn WALTON and Martin WALTON.
