## PRESIDENT'S REPORT

Once again it is my pleasure to present my Report for the season just concluded.

I would like to take this opportunity to commend all players for their efforts in 1983 and I congratulate the teams who are competition winners.

To those members to won individual awards and trophies also go my congratulations.

*Gordon Weeks*

Whilst watching games this year I gained the distinct impression that more players seem to enjoy the 'team spirit and comaradie' that exists during and after the matches even more so than in previous years.

To all Managers, Coaches and Trainers I thank you for jobs well done and carried out.

I would like to thank my fellow members of the Management Committee for their time and loyal support.

Several functions were organised by our ever active Social Committee during the year and it was reassuring to see their efforts rewarded with the large attendances on hand.

It would be remiss of me if I did not mention the work carried out by 'Big' John Hawach ably assisted by Arthur Dixon and Ken James in running our popular canteen.

I know that I speak for all Congos when I thank Club Secretary Geoff Morgan for his tremendous contribution in 1983.

Geoff stepped into this position vacated by Ray James earlier this year and has certainly continued the excellent work which 'Curly' did.

In conclusion, may I extend to all officials of the Congs my appreciation for yet another solid year of work. To those parents and friends who attend our matches each week I thank you also as this certainly brings our families closer together.

GORDON WEEKS (PRESIDENT)

## SECRETARY'S REPORT

It gives me great pleasure to be able to report to you for the first time. It has been a hard job taking over from a person of the capabilities of Ray James but the support and encouragement that I have received from everyone has certainly made it easier.

1983 has proved to be another great season, not only in regards to successes on the field, but also in the way the Club has continued to grow stronger due to the efforts of all those people involved in the management of the Congs.

On field success has come our way via the Under 10s who are Competition winners. At the time of writing this report, the Under 15s, having already taken out the Knockout, are awaiting a protest concerning other sides to determine if they have won their Competition also. The 15s finished one point in front and have their fingers crossed remembering last year's upset with points. The Under 11s finished equal leaders with St. Joachims and face a play-off. Our Raahauge Cup 1sts and 2nds both finished Minor Premiers and the 2nds are through to the Grand Final. The 1sts sadly lost to Chester Hill in the final last Saturday.

The Club's activities this season can be summarised as follows:-

### TEAMS:

A total of 12 teams were entered in the Churches competition in ages ranging from Under 10 to All Age. A Ladies team was also entered bringing the total registrations to 174 players.

### MANAGERS:

Our Club is grateful to the people who undertook these positions in 1983. They carried out their duties in a first class manner and we are fortunate to have such people to give their time and talents. I would especially like to thank Ron Grocott and Fred Ellul who, in the absence of an official Manager, looked after the Under 14s throughout the season.

### COACHES:

As always, our teams were well catered for in this area and we are appreciative of the dedication and application shown by all who undertook these vital roles. It was good to see several of our senior players taking on these positions. Welcome to our new Coaches, John Mylonas (U/10s), Bulent Pinar (U/12s) and Mark Yildiz (J/14s).

### CANTEEN:

The canteen was once again the focal point of our Phillips Park operations. This year the canteen was operated by Ken James, John Hawach and Arthur Dixon who, along with other helpers, carried out a top job. The Club canteen is still "the best in the west"!

### GROUNDS:

In 1983 the Club had the use of both grounds at Phillips Park but it is very evident that the playing surfaces, especially on the lower Number 1 ground, are still in need of urgent attention.

*Continued....*

*Secretary's Report Continued..../*EQUIPMENT:

The Club was well supplied with shirts, balls etc. The Raahauge Cup 3rds and 4ths will receive new shirts next season courtesy of a new sponsor Lidcombe Travel.

DRESS OF TEAMS:

It is pleasing to report that all teams took pride in their appearance and all players are to be congratulated on their efforts in this regard.

SUPPORTERS:

To those parents and friends who attended matches this year, the Club is very appreciative of your efforts and it is hoped that next year more supporters, especially PARENTS, will be evident at all matches.

INJURIES:

Compared to 1982, this year was a good year in regard to injuries. Apart from the normal bruises, sprains and pulled muscles, only one serious injury occurred. Mark Mirkovic (R/C 3 ) suffered a serious leg injury that required surgery. We all wish him a speedy recovery and hope to see him again on the field in 1983.

SUSPENSIONS:

Apart from several "unofficial" and two official send offs, the Club was virtually free from suspensions. However we hope that even this number will decrease in 1984 with a little thought from the players involved. Remember "the man in white is ALWAYS right!"

SPONSORS:

We are indebted to our sponsors, F & G Shoe Store in Joseph St. for their continual support. I would like to also thank our new sponsors this year, Lidcombe Travel Service and Lidcombe Hotel opposite the Railway Station for their generous donations.

SOCIAL COMMITTEE:

It was another great year on the social scene with a variety of events being held. A highlight of the year was undoubtedly the farewell dinner for Mabel and Ray James at the Catholic Workmen's Club in June. Thanks to all members of the Social Committee for a job well done.

400 GAMES:

Ian Turnbull achieved this milestone in 1983 after 22 years of loyal service with the Club. "Bub"'s next target is the 200 goal mark which he will no doubt reach in the near future.

200 GAMES:

Congratulations go to Trevor "Lumpy" Lavender, George Luke and Jimmy Frame for reaching the magical 200!

100 GAMES:

Congratulations to the following: Terry Rooney, Jim Tsiklieris, Bulent Pinar, Andrew Grattan, Scott Forbes, Levent Pinar, James May, Matthew Gaunson, Con Kottaridis and Evan Stylianou.

*Continued..../*

Congratulations to Jim Pincott (R/C 4) and Metin Sima (U/10s) for reaching this milestone in their careers.

Two of our bright prospects, Jangchoon Lee (U/13s) and Pablo Gomez (U/12s), were selected in the N.S.W. Churches Under 13 Representative side to tour New Caledonia in October. I am sure that both boys will be great ambassadors for both the Association and the Congs. Good luck!

Once again we must thank Neil "Rock" Rudgley who prepared this Annual Report and also to Ray James for his arranging of the printing.

RAY JAMES.  
I would like to take this opportunity to thank former Secretary Ray James for all the help and assistance that he has given me this season. It has been great to see "Curly" down at Phillips Park on occasions this year (even if he did bring the Central Coast rain with him!). I am sure that everyone will join me in wishing Ray and Mabel James all the best for the future and I know that we will stay in close contact for many years to come.

In conclusion may I take this opportunity to thank the Management Committee, especially Gordon Weeks and Ken James, for all their work during the year. To all those other Congos who helped the Club in any small way we thank you also and know that you will be back with us in 1984.

As that man, Ray "Curly" James, once said and often repeated:

"Once a Congo - ALWAYS a Congo!"

# UNDER 10 TEAM REPORT      COMPETITION WINNERS

1983

It was my pleasure to coach the Club's Under 10 side in 1983 being my first year as a coach. It was an even greater pleasure to report that the side won the competition following on their victory last year as Under 9s.

The team reached the semi-final of the Six-A-Side competition in June but were defeated 4-3 in an exciting match and the boys were certainly not disgraced.

Throughout the season the team played consistent football and were always at the top of the competition and we must thank Manager Brendan McKeown who passed on valuable hints and assistance which undoubtedly made the difference in winning or losing vital matches.

Spearhead of the attack once again was Metin Sima who netted 48 goals this season to take his overall tally to 100 in only 84 matches.

Congratulations go to Jason Yee (Most Consistent Trophy) and Mark McKeown (Most Improved Trophy) who both shone throughout the year.

My thanks are extended to Mrs. Yee who supplied the oranges every week and to Mr Ivankovic who took charge of the team whenever Brendan and myself were unavailable.

On behalf of the team may I make special mention of the great sideline support that we received all year from the parents and friends and I'm sure that if other sides also had this sideline encouragement then more premiership victories will certainly come the club's way.

The team was:-

JOSEPH IVANKOVIC: As team Captain, Joseph had another great season and is the mastermind of all happenings on the field. He gave 100% effort every game and, in addition, he backed up to score a handful of goals.

METIN SIMA: Vice Captain Metin finished up the season with most goals in the Club. He fully deserves this honour as he has undoubted ball skills, strong running and a tremendously powerful shot.

JASON YEE: Jason had an excellent season turning in strong performances each match. He was the backbone of the defence.

MARK McKEOWN: Little Mark had a great year with his speed down the right flank. Each game he played he got better and better and deservedly won the Most Improved Trophy.

OZCAN TUYSUZ: Didn't have much to do this season because of the strong defence in front of him but what he did he did very well and allowed only a handful of goals to get past him.

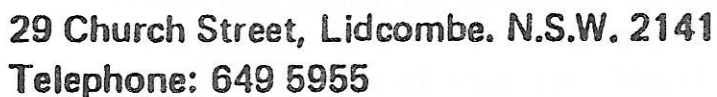

OZGUR TUYSUZ: Missed the first few games but when he got his chance in the team he took it and became a permanent fixture playing many good games.

KENAN TIFLIS: Kenan plays in any position. He gave a total effort and grabbed a couple of goals with his speed and skill.

## UNDER 11 TEAM REPORT

Season 1983 will be one to be long remembered by all concerned with the Under 11s. The year has been the most successful season for the team ever since forming with the side finishing at the top of the table with arch rivals St. Joachims necessitating a play-off. At the time this report went to print no date had been set for the play-off but if the game was held yesterday (17/9/83) a result is at the end of this report.

The team really showed its capabilities when the opposition was St Joachims and Greystanes and the side's 2-0 victory over the then leaders St Joachims was one which we were very proud.

The boys improved very dramatically on last year's performances and lifted their games as each week went by. My thanks go to Coach John Hawach for his excellent rapport with the boys at training and I know that he put in a lot of time and effort each week. John, your efforts have certainly been rewarded with the teams results this year.

Even though the boys had a great season I know that with a bit more support from parents and a bit more sideline encouragement they will improve even more and this can only be good for everyone!

Congraulations boys and we will all be back in 1984!

The team was:-

TONY HARB: Tony has improved a lot since last year and has settled into his new position quite well. Keep up the good work, Tony!

MATTHEW BARAN: Matthew is a player with great potential as a defender. Well done, Matthew!

GARRY BARAN: A great player when he puts his mind to it. Keep trying!

ANGELO BERIOS: Angelo is the most improved player in the team and I am really pleased with his performances this season.

EDDIE GHORRA: Eddie started the season from where he left off last year with good showings but he faded slightly towards the end.

MICHAEL WEEKS: Michael always tries hard and it was disappointing that the team had to lose him in the final round. See you in '84!

BAYRAM CEYLAN: Bayram is a very exciting player to watch. Keep up the good work!

JASON BRAND: He is a very intelligent player and has the ability to create something from nothing.

UMIT EVIRGEN: Has always been a good positional player and listens well to all instructions.

TROY WATSON: He puts a lot of thought into his game and has the potential to become a very fine footballer.

*Continued....!*

Under 11 Team Report Continued....!

MINH TRAN: Minh was our main attacker and turned well off both feet. He has the great ability to score goals from anywhere in the goal area.

GABRIEL HALVAGI: Gabriel is a great player who leads by example. He may be the smallest member in the team but he has no fear of the opposition.

TELKO AKAWOLA: Telko is another player who has showed a lot of improvement.

DENNIS NORMALI & DARREN HOFFMAN: Both players displayed good ball skills on the field but more improvement can be expected if they concentrate and listen at training.

KEN JAMES AWARDED LIFE MEMBERSHIP

Popular Congo stalwart KEN JAMES has been awarded Life Membership of our Soccer Club.

The decision, taken at a recent meeting of the Management Committee, reflects the high esteem Ken is held by his fellow Congos.

Ken has been a very hard worker for the Club both on and off the field.

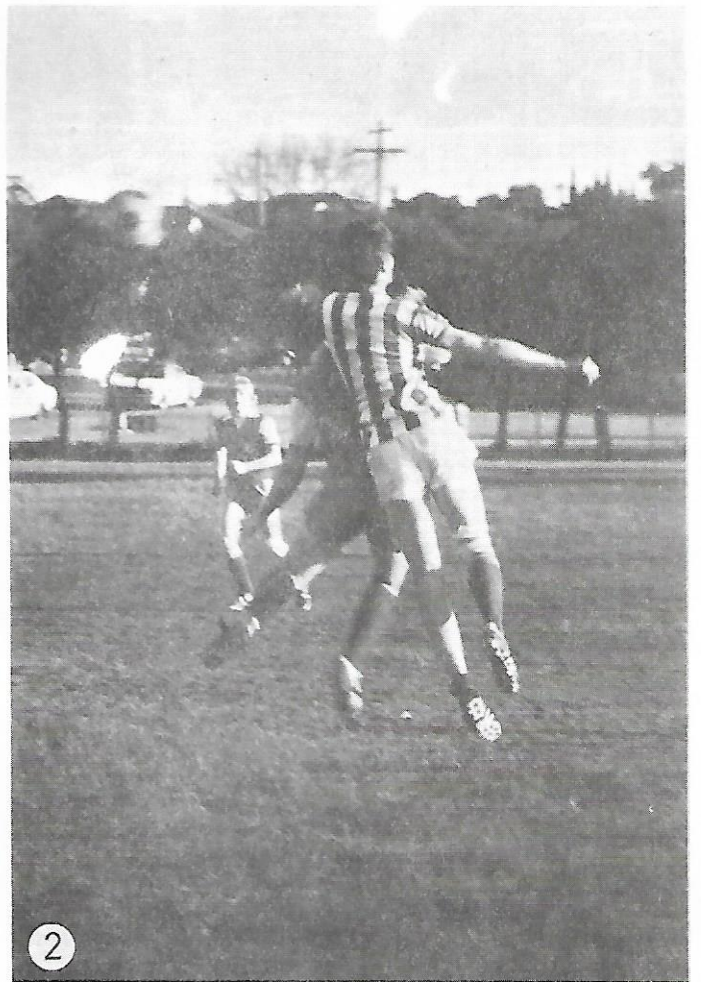

As a player he has turned in some tremendous performances and is probably playing better nowadays than at any time in his long career. He even played two matches back in 1967 with the all-conquering 1st Division side!

Off the field, Ken has acted in various positions and presently works behind the Club scene as Assistant Secretary, Treasurer, Councillor to Association and also as a member of our Social Committee.... all in the one year!

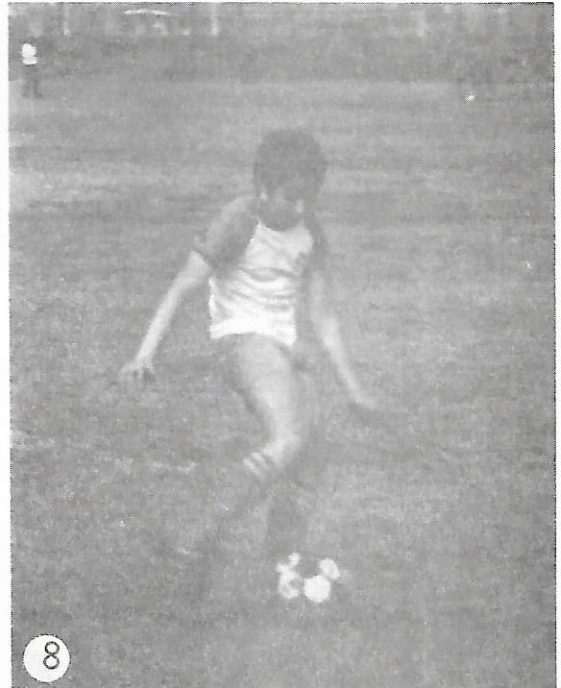

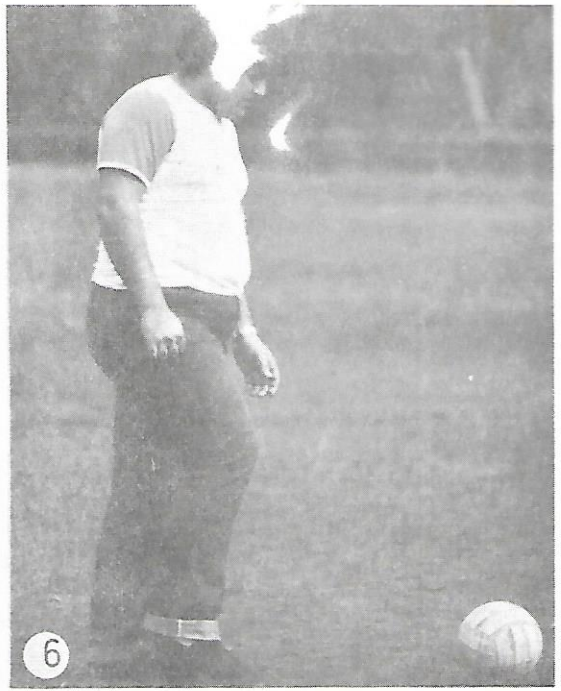

Congratulations to KEN JAMES - a deserved recipient of our Club's highest honour - LIFE MEMBERSHIP.

## UNDER 12 TEAM REPORT

The team had a relatively good season in 1983 winning twelve of the nineteen matches played and finishing a creditable third in their first year in Division One.

Those players who made the semi finals of the Six-a-side did a remarkable job. These were Con Kottaridis, James May, Scott Rayner, Harry Stone, Evan Stylianou and Pablo Gomez.

On behalf of the team and Bulent Pinar, the Coach, may I offer congratulations to Pablo on his selection in the Under 13 Representative side to tour New Caledonia in October. This is a wonderful achievement for any young footballer to gain and even more so because he is a Congo!

JIM RAYNER (MANAGER)

The team was:

JAMES MAY: (Goalkeeper) James is top goalkeeper who has improved a lot. Keep it up, James!

CHRIS WOO: (Fullback) Chris is a very good Fullback who puts a lot of effort into his games.

SCOTT RAYNER: (Centre Fullback) A player who was able to switch from Centre Half to Centre Fullback with ease.

KELVIN JOHNSTONE: (Left Fullback) Kelvin is a player who only started this year but has improved greatly.

BILAL CAMBAZ: (Right Half) A small player but he has plenty of skills which he should use at every opportunity.

CON KOTTARIDIS: (Centre Half) Con is a great Captain who can play in any position and score goals from anywhere.

TIMUR OZTURK: (Left Half) Timur missed some matches because of a leg injury but on his return he showed his true ability.

PERRY PANOUSOPOULOS: (Right Wing) He is a good player who has a big kick. Keep it up, Perry!

PABLO GOMEZ: (Inside Right) Our Vice Captain is a good, fast footballer who never gives up. Best of luck in the Rep. team, Pablo!

HARRY STONE: (Centre Forward) He is a player who never stops running. Wherever the ball is, you'll see Harry fighting for possession.

JOHN VENDITTI: (Inside Left) John is a player who has improved 100%. Keep up the good work!

EVAN STYLIANOU: Evan is a utility player who easily adapts to wherever selected. A great, young footballer.

MESUT ULUTURK: (Left Wing) Another newcomer to the side who has already improved his kicking, running and tackling.

BULENT PINAR (COACH)

## UNDER 13 TEAM REPORT

Results-wise this season saw our 13s only emerge with moderate success - 5 wins and a draw from 16 games played. At the start of the season we had lost two of our best players from 1982 but we gained four new ones so things balanced out pretty well.

Congratulations must go firstly to Jangchoon Lee who has been selected in the Under 13s Representative side and secondly to Stephen Grattan, our new goalkeeper, who had a really sensational year with us.

Special thanks go to Coach Mal Lockley (Father of the Year!) for his time and effort spent with the boys. I would also like to especially thank Martin Stone, our Number One Supporter and 'Kid Carrier' for always being there when needed to help with transportation. To those other parents who helped during the year we thank you also.

I am pleased to say that I will be back again next year and wish the boys the best of luck for a better season.

The team was:

STEPHEN GRATTAN: His first year with us and I trust that it will not be his last. He always gave his best in goals each game and made some spectacular saves.

EDGARDO MENDEZ: Keeps his position and strengthens the back line. Needs just a little more dedication.

LEVENT PINAR: One of our best players. Always plays well but just needs a little more pace.

ALEXANDER SLAVEN: Playing well in the mid-field. Always listens to instructions.

SCOTT FORBES: Very talented player who encourages the team at all times with his own efforts.

MATTHEW GAUNSON: Improved his game again this year, a keen thoughtful player.

ENRICO CIOFFI: Reads the game well and has improved his form but still has a tendency to be tackle shy.

JASON LARKIN: One of our most improved players this year gaining more confidence with each game.

CON STONE: Didn't show his true capabilities this year. Relies too much on his own skills rather than his team mates.

JANGCHOON LEE: Displayed his true talent this year and was fortunate enough to be selected in the Representative squad.

KERIM TIFLIS: A newcomer to the game but is a soccer natural with a lot of potential.

SIMON OLAH: First year at soccer and still learning the game. Will improve with more effort.

GLEN VARTIAINEN: A very good player but needs to listen to what he is told for the benefit of himself and the team.

MARGARET GAUNSON (MANAGER)

## UNDER 14 TEAM REPORT

It was a long, hard road for the Under 14s this year and the team battled problem after problem but, to their credit, the boys played on to the end despite a lack of on-field success.

Halfway through the season our Coach unfortunately resigned without warning and without an appointed Manager things looked bleak.

However Mark Yildiz took over the task of coaching and set about moulding the players into a team. There was an immediate improvement in form and there were some exciting, close encounters in the second round with teams that had beaten us quite easily in the first round. Not being able to regularly field a full team saw the team only record two wins and two draws in all matches.

It was disappointing to see some players who commenced with us at the beginning of the season drop out without offering any excuse and it is to be hoped that the Club remembers these players when accepting nominations next season. Players must learn that they have a commitment to their team and should they be unable to play on a particular day or be unable to complete the season, they must notify the Coach or Manager.

It is hoped that parents will come along next season and support their sons on the field as this was lacking all this year. Transportation is always a problem and any parent who could help out would have the thanks of the boys. This year, with two exceptions, there was a complete lack of support from the parents and this affected the team's performances.

To those boys who did stick by the team we thank them wholeheartedly and congratulations go to Harry Zouroudis and Serdar Kurtoglu who won the Most Consistent and Most Improved Trophies respectively.

The team was:-

LOUIS MALENICA: Louis as Fullback always tries his best. He puts in the big kick just when it is needed and if he tries hard his game will improve.

MICHAEL HAWACH: He started off the season as Fullback then moved into goals and made a good effort. Bit more concentration will assist him.

TONY JOHNSTONE: Tony tries hard all the time and puts a lot of effort in. If his ball skills improve so will his ability.

SERDAR KURTOGLU: A skilful player who, despite his lack of weight, always tries hard. Some off-season sprint training will help his game immensely.

HARRY ZOUROUDIS: Harry is a skilful left winger who has a good centre cross. He can shoot from far out and is a fast mover onto the ball.

PETER GROCCOTT: Peter returned to the team after a lengthy absence. He is a fairly good defender but lacks momentum and needs to move faster to the ball.

MARIO LUBURIC: Mario tries hard but may be better suited in the backs next season. Practise those ball skills, Mario!

*Under 14 Team Report Continued....!*

MATTHEW FLETCHER: He started off the season in fine style but is a bit loose with his mouth and needs to control his temper. Listen to instructions, Matthew and your game will improve out of sight.

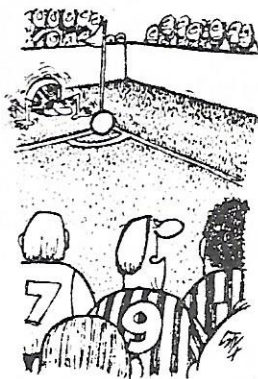

JASON ELLUL: Jason needs more effort on the playing field and should his enthusiasm improve he will have a good year in 1984.

### FOOTBALL FUNNIES

"He hasn't been the same since he took up golf."

"Now that's what I call team-work."

"The very latest game. One policeman trying to stop 50 skinheads from wrecking the stadium."

UNDER 15 TEAM REPORTKNOCK OUT WINNERS*(Awarded Robert Brown Memorial Shield 1983)*

Once again this team had a magnificent season having already won the Knock-out and now awaiting a replay between two other teams to see whether we require a play-off to determine the competition winners.

At the time of writing this report, our Under 15s have finished one point in front of Castle Hill. Castle Hill has successfully protested about a drawn match which they played earlier in the season against Blacktown and they are due to replay this match this month. Should they win this match Castle Hill will then force a play-off with Lidcombe. Should they lose or draw then Lidcombe will win the competition outright.

After recalling the disappointment of last season when a points mix-up saw our team losing a play-off to determine the 1982 competition winners then you can understand our caution this season!

1983 has proved that the older our players get, then the harder the games become but they have worked very hard to be successful showing determination in their games and dedication at training.

I have been associated with this team since their Under 8 days and during that period they have won three competitions and have been runner-up several other times. This definitely shows the skills and ability of the boys.

I would like to congratulate the trophy winners as it wasn't an easy task for Coach Barry Wilson as each player gave his best each game.

Barry Wilson deserves a big pat on the back as it was his constant urging and barracking that drove the players on to victory when it seemed that they were in trouble. You have done a great job, Barry, and the boys really appreciated it!

It was great to see Congo supporters at our important games but it was disappointing not to see more parents at the matches. To those who did attend I say thank-you very much.

Also I know that the team was very appreciative of the shirt washing exploits of Heather. Thanks 'Ted'!

On reflection I can see that the side is very keen to remain together next season and prove just what a great side it is, not only as soccer players but also as true Congos. Gentlemen, I will support them to the best of my ability!

ARTHUR DIXON (MANAGER)

The team was:-

PETER OBEREMOK: (Captain) Peter played in the Centre Half position this year but proved that he could still score goals from anywhere he played.

ERROL EGITMENOGLU: Errol was a newcomer to the side who started off slowly but soon developed into a very useful winger. Once he learns to stay in his

*Continued....!*

*Under 15 Team Report Continued....!*

position his game will improve even more.

MURAT (DENNIS) EVIRGEN: Dennis was another newcomer who scored some great goals. His general play was very good and he displays excellent ball skills.

ANDREW GRATTAN: Andrew once again had a very good season making many good crosses to the centre.

DAVID LARKIN: David improved dramatically this season and marked his opposite number very well. Congratulations for winning the 'Most Improved' Trophy!

STEVE YILDIZ: A small yet very solid footballer who plays the game hard but likes to backchat occasionally.

MURAT LALELI: Murat is a tall player with a long throw and is an asset to this side.

BYRON DIXON: Byron played his heart out this year and got his just desserts... our Most Consistent Player! Well done, Byron!

IRFAN TUYSUZ: Irfan played mostly in the mid-field but when transferred to the Sweeper position in the last game he had his best match of the season.

ADAM OLAH: Our Goalkeeper talks a lot but played very consistently throughout the season.

CHRIS PSATHAS: Again Chris is showing his improvement from last year and he was very solid in defence.

JAMES BONNYMAN: James combined very well with the left side of the field and he fed his forwards well.

HUSEYIN ULUTURK: A newcomer to the side who proved that he was not afraid to throw his weight around.

BARRY WILSON (COACH)

### CURLY'S PERSONALITY PARS

\* ALAN 'KILLER' WEEKS: Back on the goalpoaching trail with plenty of New Zealand support also!

\* BARRY O'KEEFE: Still suffering from that terrible leg injury but still manages a smile!

\* JOHN HAWACH: Made sure that the Club canteen remained affluent!

\* THE HOLLANDS: A top family effort from 'Dutchy', Chris and Yvonne kept Club spirit high!

\* EILE MELKI & 'MACKA': Kept the girls on their toes all year in their quest for Ladies Competition success!

\* STEWART CARMICHAEL: Congratulations on your good fortune and we wish you and Daph well on your move to the Central Coast.

RAAHAUGE CUP 1STS TEAM REPORT

After being relegated from Premier League, the 1st Grade team were placed in the Raahauge Cup 3rd Division Competition for the 1983 season.

Popular George Luke was again appointed Coach and John Mylonas selected as Manager. The players were more determined this year to succeed where they had so dismally failed last year and it was evident on the playing field that Congo determination had returned to the senior side.

The 1sts finished the season as Minor Premiers as did the 2nd Grade and this alone was a triumph for all concerned. However as has happened so many times in the past with our senior sides the major semi-final was a big let down and we were defeated 3-1 by Blacktown.

In the final we played arch rivals Chester Hill but once again tasted defeat - this time 1-0. For a team hailed as likely Competition winners we certainly didn't live up to expectations.

In the State Cup competition the team went much better than expected and reached the semi-final only to be beaten 2-0 by a much faster Cypriot Youth side in a hard clash.

In the side there were a number of players who turned in good performances throughout the season namely Phil Rushworth, Geoff Morgan, Graeme Roberts and Ian Turnbull. Glenn Spierings, as usual, drove the team on as Captain and was constantly verbally and physically urging the players to greater heights.

Whilst appreciative of the lower standard of competition in this grade the side certainly played good, constructive soccer all year and promotion to a higher division seems a mere formality.

Our thanks go to our supporters on the sidelines who turned up at all matches and it was reassuring to know that whenever reserves were required then players of the calibre of those youngsters in the 2nds were always available.

The team was:-

Glen Hamilton, Russell Hore, Gary James, Brendan McKeown, Geoff Morgan, John Mylonas, Graeme Roberts, Terry Rooney, Phil Rushworth, Glenn Spierings (Captain), Mark Spierings, Ian Turnbull and Gary Vartiainen.

JOHN MYLONAS (MANAGER)

## RAAHAUGE CUP 2NDS TEAM REPORT

This season the Seconds achieved Minor Premiership status, a very pleasing reversal in performance from the previous season. The fine results this year, although assisted by playing in a lower standard of competition, were also attributable to a successful blending of youth and more senior players.

In the major semi-final played on Saturday, 3/9/83, the team defeated second placed Blacktown 2-1 and so advanced to the Grand Final due to be played yesterday. A result of this match will appear at the end of this report so we have our fingers crossed!

An interesting side-light to this semi-final against Blacktown was that both teams ran on with only NINE men! A car load of Congo players broke down on the way to the ground at Rooty Hill and veterans George Luke and Robert Eagleson were dragged off the spectators seating to play. Robert scored one of the goals also!!

The overall keenness of all players was pleasing to witness, both on and off the field. If the team remains basically the same in 1984 I am sure that this year's success will be repeated.

The influx of younger players such as Eile Melki, Jimmy Tsiklieris, Eddie Perdomo, Wally Brzica, Geoff Rider, Theo Karabetsos and Scott Anlezark contributed to the side's performances.

It is interesting to note that most of these younger players were born in that magical year...1966...now where have we heard THAT before??

Special mention must be made of Geoff Rider who unselfishly agreed to play in numerous positions ranging from Goalkeeper to Striker! It was a pity to lose the services of Goalkeeper Ron Irwin so late in the season when the side was settled but Geoff filled in quite admirably. Ron was having one of his best ever seasons with the Club so we all hope to see him back with us soon.

The more senior players comprised Alan Pilling, Mike Anlezark and "Dutchy" Holland. Alan, in particular, had a fine season in defence. Other players to assist during shortages were Grant Pincott, George Luke and Dennis Bellato. Grant must now hold the Club record for the number of "Nellie Melbas" (comebacks)!

Mark Spierings and Gary James also made fine contributions before being promoted to the 1st Grade team.

Finally thanks must go to our supporters who followed us around each match and also to the 1st Grade boys who were always prominent with their assistance and vocal support when needed.

## RAAHAUGE CUP 3RDS TEAM REPORT

The 1983 season was a disappointing one for this side. After a convincing start to the season when we won both our rounds of the Knock-Out and having a win and a draw from our first three competition matches our form slumped and wins were few and far between.

The side always managed to turn in good performances against the stronger teams but against the lesser lights we played well below our ability and were usually well beaten.

The highlights of the season were two narrow losses at the hands of undefeated Minor Premiers West Ryde, a good 2-1 victory over second placed Telopea and two unlucky draws against third placed Berala.

Although finishing near the bottom of the ladder the team fought to the end with typical Congo determination and perhaps 1984 shall see this side into the semi-finals or further.

The team was:-

TREVOR ("LUMPY") LAVENDER: Trevor backed up every week after playing 4th Grade and despite injuries he managed to play about 39 matches this year! He could in no way be held responsible for our losses as he was the victim of some horrific back passes! Had many fine games between the sticks.

WAYNE SMITH: A newcomer to the Club who scored 11 goals up front. Plays the game real hard and had an excellent year troubling the opposition defences.

NEIL SAMUEL: Another young newcomer who played many fine games at Fullback or in the midfield.

KEN JAMES: Played his usual steady game at Centre Back being particularly strong in the air.

KEVIN JAMES: After starting the season in 4th Grade he soon became a permanent fixture in the 3rds as a Midfielder. Always tackled with determination.

LINDSAY FRAME: Undoubted ability if only he could maintain consistency.

JIM FRAME: Always prominent in defence but troubled by a knee injury towards the end of the season.

JEFF VIAL: Faster than ever down the right wing but his centres could improve.

MARK MIRKOVIC: Mark suffered a bad ligament injury throughout the first round and finally succumbed to weight of the plaster!

PETER JAMES: Still running as hard as ever and his corners are a delight!

Robert Eagleson and Peter Hamilton, after playing half a season in this Grade, dropped back to strengthen the 4ths. However on the occasions they were recalled to the 3rds they played as reliable as ever.

It was good to see Neil ("Rock") Rudgley come out of retirement even if it was for two appearances. Rock showed that he has lost none of his left foot skills and had Wayne Smith pleading for his permanent comeback!

A disappointing season results-wise but great harmony existed right throughout the season resulting in that excellent bar-be-que at Phillips Park after the final match!

RAAHAUGE CUP 4THS TEAM REPORT

The 4ths side consisted of a mixture of senior and junior players and we started the season slowly however the second round saw us play more solidly and with more determination and it was only on goal averages that we were outed from the final four.

Notable events and comments worth recording were:-

\* Roger "The Pom" Bowden's return this season despite the dumping of his boots in the garbage bin at Jones Park after the last game in 1982!

\* Robert Eagleson chasing his 500th game after doubling up many times throughout the year. He recommends bicycle riding to everyone!

\* Trevor Lavender, not to be outdone by Robert Eagleson, played Goalkeeper in both grades all year!

\* Ray "Tatters" Taylor played his best game of the season on his 40th birthday (sorry, Ray!).

\* Jim Ironside, that tenacious defender, stated that he has never conceded a penalty!

\* Stewart Carmichael earned the name of 'Mud Lark' after playing his best game at Doyle Park in the slush!

\* Club stalwart Jimmy Pincott scored his 100th goal for the Club. Congratulations Jim!

\* Neil Rudgley's lone surprise appearance to photograph Jimmy's 100th goal has us all mystified. How did he know it was on?

\* And finally the ladies on the sidelines who, as always, were more intent on catching up with the latest fashion news, Club gossip, baby arrivals etc etc than seeing their beloved huddies scoring goals! (I'm only kidding, girls, REALLY!!)

I believe that all the players will agree that we had a very enjoyable season, free from any serious injuries. If the 'oldies' can keep fit during the off-season we will all be back for 1984.

I wish to thank Dave Eagleson for providing the liquid refreshments at half and full time and also to Yvonne Holland for washing all the shirts.

P.S. I noticed that Roger Bowden didn't throw his NEW boots away at the end of 1983!

The team was:

Roger Bowden, Stewart Carmichael, Gary Collier, Robert Eagleson, Steve Edenborough (Captain), Jim Gall, Peter Hamilton, Chris Holland, Graham Hollebone, Jim Ironside, Trevor Lavender, Jim Pincott, Ray Taylor, Alan Weeks and Barry Wison.

CHRIS HOLLAND (MANAGER)

## ALL AGE 5THS TEAM REPORT

This season, the 5th Grade started off like a house on fire with two wins and a draw from our first three matches. However the house collapsed quickly as we were completely outplayed and beaten in our next five games including a disastrous 8-1 loss to eventual premiers Rooty Hill! At least in the second round we only lost 2-1 to the same team!

From a crowded 18 players on the books for the first game of the season we played the last match of the year against Blacktown with only 10 players and after five minutes we lost Bob "Ribot" Barry with an ankle injury. So we battled on with only NINE men! The injury was doubly bad luck for Bob as he missed out on collecting a winner's medal next day when 'Curly' James' team won the Telecom Cup!

Lack of a recognised Goalkeeper contributed to our hot and cold performances this year but full praise go to those brave souls who volunteered their services between the sticks including Johnny Hawach and Bulent Pinar. John still loves those meat pies and we in the 5ths reckon that he would now give Arty Beetson a run for his money in the gastronomic stakes!

Some bright efforts were recorded on the field also in 1983 and Mark Yildiz showed that he still has the goalscoring touch with 11 goals this year. New players Mark Graham and David Hill also found the net on welcome occasions. Ken and Eric Emme gave solid displays all year as did Peter Barry who is set for an even bigger year in 1984.

The team thanks Eric Emme and his wife for their efforts this season including the dreaded washing of the shirts- these were much appreciated.

The team was:

Abraham Awakian, Bob Barry, Peter Barry, Barry Barudzija, Eric Emme, Ken Emme, Mark Graham, John Hawach, David Hill, Wayne Larkin, George Mavros, Jim Merceta, Bulent Pinar, Lester Price, Shane Thew and Mark Yildiz.

Also played Frank Cizmar and Ataloy Durak.

## LADIES TEAM REPORT

For the first time, our Club entered a Ladies team in the competition proper. Players were signed from Granville R.S.L. and Granville Waratahs sides but most were "first year" players.

Matches were played at Jones Park, Merrylands each Tuesday evening and were strongly supported by the male spectators! Although our team tried hard every match, we often were beaten by teams that had played together for several seasons but all the same we gave eventual winners Chester Hill some scares when we narrowly lost 1-0 in the first round and drew with them 1-1 in the second round.

As the team progressed through the competition the combinations improved each week and better skills were being seen. Next season the side will go a lot better and now that you know where and when we play we hope that more of the Congos will appear on the terraces and cheer us on!

*Continued....!*

Ladies Team Report Continued....

The team was:-

JOY WOODHOUSE: Joy was the captain of the side and played as Centre Back. She made a very good defender and was one of the fastest in the competition.

YADRANKA MARUNA: Yadranka was our Goalkeeper and she gave her best both on the field and at training.

ROBYN COLLINS: Robyn played as an Inside Right and her positioning was excellent. She scored most of the team's goals and was always trying hard to win the ball.

SANDRA COLLINS: Although selected as a Right Winger Sandra played all over the field helping both in attack and defence.

LIANNE GILLARD: Lianne was our Left Winger but continually roamed the field assisting where she could. She was the Most Consistent Player for 1983.

ROBYN RUSHWORTH: Robyn always put in a strong effort at Inside Left and continually turned defence back into attack.

PENNY RUSHWORTH: Penny played on the left side in defence and was an aggressive and smart player.

JACKIE ETTLIN: As Right Half, Jackie performed well each week.

JENNY FURNER: Jenny played in the middle of defence and always made strong tackles on the opposition.

LYNETTE SIBBRITT: Lyn unfortunately injured her knee during the season but played very well up to that time as Left Back.

MICHELLE REYNOLDS: Michelle replaced Lyn at Left Back and displayed a very good kick when required.

MARIA O'SULLIVAN: Maria played Centre Half for half of the season and improved her game each match.

LOUISE DIB: Louise was a very hard tackling player who did her work at Right Back with a minimum of fuss.

JOANNE APPEL: Joanne, until a leg injury, was the best controller of the ball in the team and shows great prospects.

IAN "MACKA" McLAREN (COACH)

[illegible]

As can be seen in the Players' Statistics for 1983 it is vital that each player is recorded correctly as regards his (or her!) games and goals.

It is the Club's endeavour to record all players' statistics each year and I cannot place too much emphasis on the weekly return of those vital team and point sheets. Far too often returns are not submitted and this causes undue delays in the compilation of the Annual Report list.

My thanks again go to those Managers and Coaches who kept the returns flowing in and I look forward to this continual co-operation in 1984.

May I remind Club members that the Annual List includes only those players who represented the Club this year and does not include players who have departed from the Congs in previous years.
