## Results of Semi Finals Played on Tuesday 13th October

### **Under 8's defeated Wentworthville 2-1 at Jones Park**

After losing 8 - 0 to Kings at Freame on Saturday, we had a second chance to make the grand final against Wentworthville who defeated Guildford in the other semi final. All players from both teams were at Jones Park well before kickoff in what was their first 'night' game. From the kickoff Wentworthville showed their determination and enthusiasm for the contest, out running our team to the loose balls for most of the first half. We didn't help ourselves, with our defenders trying to dribble the ball straight back through the middle of the field rather than to the side further adding to Wentworthville's early pressure. This resulted in them taking a well deserved early lead. To our credit we managed to rally ourselves and slowly got ourselves back into the contest after our slow start. We finished the half with the better pressure and field position with Safal again stepping up when it counted by scoring our equaliser in a timely fashion before half time.

Going into the second half at 1 - 1, it truly was anyone's game to win. The second half saw back and forth action with much better defending and passing from our team eventually proving the difference between the two sides on the night, with Bahir this time taking his chance in front of net to give us the late lead. A testament to Wentworthville's will on the night, they continued to attack until the final whistle and forced a full diving save from Likhil who secured us the win and our first grand final appearance.
