PRESIDENT'S REPORT

It is indeed an honour to present to you this report as your new club President.

Firstly I must commend the great work carried out by retiring President, Gordon Weeks.

Gordon held this important position for many years and during that time he has worked tirelessly for the good of all Congos.

Gordon's continual advice to me was an invaluable source of assistance throughout 1984 and it is a comforting thought to know that there are people like him still eager to help our great club.

Now that the season has drawn to another successful close we can take the opportunity to take a "breather" and congratulate each other for a job truly well done.

Once again we were ably represented in the Churches competition from Under 11s to All Age and to those teams who were fortunate enough to win trophies I offer my congratulations.

Thanks must go to those Congos who attended the Annual General Meeting and I hope that we will be honoured by your presence again on February 6th.

The club's success is always gauged by the strength of those working "behind the scene" and it is to those people that I extend a big thank you.

It is only through the unselfish endeavours of these untiring people that we can offer the youth of the area healthy sport and recreation within the club spirit of Lidcombe Uniting.

It would be remiss of me to not mention within this Report the work of "Big" John Hawach who was seen every Saturday catering to the needs of the hungry players and supporters in our club canteen.

John's innovative ideas (notably the popular "Hot Dog!") swelled the coffers of the club and we are all very appreciative of his efforts.

In conclusion, may I extend to all our players, supporters, Management Committee and officials my appreciation for yet another satisfying year for the Congs.

BRENDAN MCKEOWN (PRESIDENT)

SECRETARY'S REPORT

It gives me great pleasure to report to you for a second time and I am happy to say that the support and encouragement I have received has definitely made the job much easier.

Although 1984 has seen a decrease in the number of teams representing the Congs, the year will certainly be long remembered for the number of successes recorded on the field.

I am pleased to report that both the Under 13s and the Raahauge Cup Seconds won their respective competitions in the very last game of the season. The Under 11s and Under 12s both won their Six-a-side competitions whilst the Under 18s won the Knockout.

Several other sides finished close on the heels of the eventual premiership winners but all of the teams representing the club did so with distinction both on and off the field. I congratulate all players on their efforts in 1984 and to those who did not win trophies I remind you that there is always next year!

The club's activities can be summarised as follows:-

TEAMS:

A total of nine teams were entered in the Churches competition in ages ranging from Under 11s to All Age with a total playing strength of 125.

MANAGERS:

It is always gratifying to attend Congo matches and note the splendid work being undertaken by our Managers. They always carry out their duties in a first class manner and we are indeed fortunate to have such people prepared to give their time and talent to the club.

COACHES:

As always, our teams were well catered for in this area and we are very appreciative of the dedication and application shown by all those who undertook these vital roles. Several of the All Age players have shown interest in the club's juniors by coaching them in the finer points of the game and this must surely benefit the Congs now and in the future.

CANTEEN:

Once again the canteen was the hub of all activity for the club be it sausage sizzles, match information, outings etc. My thanks go to John Hawach, Ken James, David Larkin and all the other helpers for carrying out a great job behind the counter.

GROUNDS:

Both grounds at Phillips Park were used in 1984 and the Number 1 (lower) ground is looking better than it ever has for years following returfing and levelling work carried out by the Council in the off season.

Thanks must go to those Congos who assisted with the marking of lines, net erection and clean up of the grounds.

EQUIPMENT:

The Raahauge Cup 3rds and 4ths, together with the Under 13s, received new shirts in 1984 as a result of our generous sponsors. All sides received new balls and next season it is intended to supply additional training balls.

*Secretary's Report Continued....*DRESS OF TEAMS:

A pleasing aspect of the 1984 Congo teams was the pride taken in appearance and all players are to be congratulated in this regard.

SUPPORTERS:

The club is very appreciative of the sideline support given by parents and friends. It is hoped that this support will continue to increase in 1985 and that more parents will come and watch their sons play on Saturdays.

SUSPENSIONS:

Unfortunately the club had several players incur the wrath of the referees this year but it is hoped that with a little more thought this aspect of their play will be eliminated.

SPONSORS:

Thanks to our sponsors' continual support, the club was able to purchase a variety of much needed gear. The club is indebted to our major sponsor, F & G Shoe Stores in Joseph Street who have followed our club for many years. I would like to thank our new sponsor, Pinto's Auto Port, for donating the new strip for the Under 13s whilst other generous donations were received from Lidcombe Travel Service and the Lidcombe Hotel.

CHURCH PARADE:

This function was held to mark the end of the soccer season and it is planned to make this an annual event. It was gratifying to see the numbers of Congos who attended this service in the Martin Street church.

SOCIAL COMMITTEE:

Many thanks to our hard working committee led by Margaret Gaunson who organised several functions throughout the season, the highlights of which were the F.A. Cup Final evening and the Wine tasting trip down to Gledswood.

300 GAMES:

Always a notable milestone in a Congo's career and the club congratulates the following players who reached the magical 300 games:- Ray "Tatters" Taylor and Steve Edenborough (who both reached this great mark in the very same game!), popular Jimmy Pincott, Michael Anlezark, Kevin James and Geoff Rider.

200 GAMES:

Sammy Dib and Geoff Morgan both reached the 200 games mark this season. Well done!

100 GAMES:

Congratulations go to the following players who "cracked the ton" in 1984:- Harry Stone, Scott Rayner, Michael Hawach, Johnny Hawach, Edgardo Mendez, Joseph Ivankovic, Metin Sima and Tony Wright.

100 GOALS:

A truly great effort from "Big" Bob Eagleson who, apart from rapidly approaching the 500 game mark, has now notched his 100th goal in his long career with the Congs.

ANNUAL REPORT:

A highlight of the Annual Picnic Day is always the eagerly awaited Annual Report and the club is appreciative of the splendid work undertaken by Neil "Rock" Rudgley who spends many hours putting together this marvellous publication.

Thanks must also go to Vice President, Ray James, for arranging the printing and I must not forget all those people who contributed reports, statistics etc. for inclusion in the Annual Report.

GORDON WEEKS:

GORDON WEEKS: My personal thanks go to our former President, Gordon Weeks, who has greatly assisted and encouraged me this year. Gordon has been a driving force behind our club's continual success and has always offered his valuable services to help the Congs.

In conclusion, may I take this opportunity to thank the Management Committee of the Congs, especially Brendan McKeown and Ken James, for their tremendous work throughout the year.

To all those people who helped the club in any way, I extend my thanks and I trust that you will be back with us in 1985.

As that man, Ray "Curly" James once said (and often repeated!).....

"Once a Congo - ALWAYS A CONGO!"

GEOFF MORGAN (SECRETARY)

## UNDER 11 TEAM REPORT

### *Six-a-side Winners 1984*

The 1984 season will long be remembered by those people associated with the Under 11s mainly because the team won the Six-a-side for the first time with the final score favouring the Congs by two corners to nil after the score was 1 - 1 at fulltime.

This year the team was graded in a much harder competition than that of last year and games were generally decided by the odd goal rather than a wide margin which was the case in 1983.

The boys played the game hard yet sportingly and their results were indicative of their wholehearted efforts throughout the year.

My thanks are extended to my Manager, Lorraine Yee, who made my job that much easier by handling all the paperwork and collecting the players' fees.

On behalf of the team may I make special mention of the great sideline support that we received all year from the parents and supporters. I am indebted to them for taking charge of the team when I was unavailable.

The team was:-

JOSEPH IVANKOVIC: As team captain, Joseph led the side by example and was dominating in the Six-a-side victory. He always gives a 100% effort.

METIN SIMA: Metin was the top scorer in the Six-a-side competition but perhaps this was not reflected in the premiership as most players were still on a high after that great June effort.

JASON YEE: Jason had an excellent season frequently giving strong performances and always holding the defence together. Another member of the Six-a-side team.

MARK McKEOWN: Little Mark had another great year playing against footballers twice his size. Yet it didn't bother Mark as he threw himself into tackle after tackle.

OZCAN TUYSUZ: As team goalkeeper, Ozcan had a brilliant season pulling off many great saves. He is one of the best young 'keepers that I have seen and he was safe as a bank in the Six-a-side.

OZGUR TUYSUZ: Ozgur is a big, strong player who isn't afraid of anything as he launched himself into some crushing tackles. A very skilful footballer.

KENAN TIFLIS: A dominating mid fielder, Kenan controls the area well and played good football in the Six-a-side as well.

HAKAN ERGUN: The team's only left footer, Hakan enjoys his soccer and he is always looking to score. His first goal for the club came this year and it was a 30 yard beauty which our photographer was on hand to see. Well done!

CHAU TRAN: Chau is a unique Congo in that he uses both feet. He rarely makes a mistake and is a tough defender. He had an excellent season, both in the Six-a-side and the competition proper and deservedly won the Most Consistent Trophy.

ALEX XENOS: Alex gives a wholehearted performance each week and is always keen to learn the finer points of the game.

MURAT ERGUN: Murat is an excellent defender who was extremely difficult to beat. He is very fast and eager to learn.

JAMES TRIKALIS: James has improved greatly and with every game he plays he gains in confidence and skills.

CHARLIE HARB: Unfortunately Charlie didn't play too many games but his game will improve if he concentrates and listens to instructions.

## UNDER 12 TEAM REPORT

### *Six-a-side Winners 1984*

Continuing the excellent form from last year, the Under 12s in 1984 had another great season despite missing out on premiership honours.

The team showed excellent capabilities when faced with much taller and stronger oppositions but invariably our boys came out on top.

Last year the side was beaten in a play-off and this year they had to be content to finish runners up again, this time to Castle Hill. Our congratulations go to them.

The team's successes have been a fitting reward for the efforts of Coach John Hawach and, on behalf of the boys, I wish to thank him for his splendid coaching especially at the six-a-side.

To Anna Baran goes the team's thanks for her support on the sidelines and also for provision of transport.

To the boys goes John's and my thanks for a satisfying season and you have all worked very hard to reach the position you achieved.

The team was:-

GARRY BARAN: Garry didn't have too much to do this year because of the strong defence in front of him but he was extremely safe at all times.

MATTHEW BARAN: Matthew had an excellent season turning in strong performances every week. He was the mainstay of the defence. Well done, Matthew!

ANGELO BERIOS: Angelo started the season the same way as he left off last year and was in fine early form. However he faded towards the end of this season but with a bit more effort he will regain his former self.

TONY HARB: Tony suffered a broken arm at the start of the season but he came back as good as ever.

BAYRAM CEYLAN: Bayram had a good year and shows lots of promise. Well done.

ADAM MITCHELL: He never stopped trying and gave a top effort each game. Once he learns to stay in position, his game will be even better.

JASON BRAND: Jason had a good year with his blistering speed down the right wing. Each game he played he improved in leaps and bounds. See you in '85!

TROY WATSON: A very good player who kept the boys on the move all throughout the season. Good work, Troy!

UMIT EVIRGEN: Umit always plays the game as it should be and never fails to impress.

ANTHONY KINDA: The "Mighty Atom" never gives up even though he is smaller than most. He is a great player who will be greater in the future.

MINH TRAN: Minh plays the game hard and is a constant nightmare to the opposition defences. He manages to score goals from anywhere and everywhere and had a great season in attack. Well played Minh!

GABRIEL HALVAGI: Gabriel did a good job again this season and will have an even better year in 1985.

# CANDID CONGOS

1. The facial expressions tell the story as KAREN BELL (left), ANNA and LEANNE BARAN (front), watch the Under 12s concede a goal against Baulkham Hills.
2. "Gee, where's the ball got to?" asks a rather bewildered HAKAN ERGUN (U/11s).
3. ANDREW LOVERIDGE (U/13s) battles for possession against a Greystanes opponent.
4. Discussing tactics after the match are 2nd Graders IAN "BUB" TURNBULL (left) and ALAN PILLING.
5. The British Lion roars as ROGER BOWDEN (A/A 5) sizes up his Cabramatta opponent who, apart from wearing unlucky 13, is about to wear something even unluckier!
6. It's ROCKY IV as referee GEOFF MORGAN books GLENN SPIERINGS whilst "innocent" SAMMY DIB (left) hightails it!
7. MURAT ERGUN (U/11s) hugs brother HAKAN (front) after Hakan's great first ever goal - a piledriver against Baulkham Hills!
- 8/9. A pat on the cheek and a bit of a hug from Coach JOHN HAWACH gets a tearful ANTHONY KINDA (U/12s) back onto the field.
10. First game back after a broken jaw and Club Secretary GEOFF MORGAN (R/C 1) netted two goals against Abbotsford.
11. Stars from the 1966 and 1967 premierships sides, BOB EAGLESON (left), PETER JAMES, NEIL RUDGLEY and RON HOLLEBONE, got together at Phillips Park for a reunion.
12. HARRY STONE (U/13s) breaks away down the wing.
13. Enjoying a quiet drink are RON HOLLEBONE (left), BARRY WILLIAMS, TREVOR "LUMPY" LAVENDER and JIMMY FRAME.
14. It was a surprise birthday party for Vice President RAY JAMES and boy, was he surprised!
15. Veteran JIMMY PINCOTT (R/C 4) pulls on the boots for yet another season!
16. U/12s Manager CHRIS WATSON displays great concentration as he slices the half time oranges.
17. MARTIN STONE is a sad and lonely figure as Greystanes send our Under 13s to their first defeat of the season.
18. Playing 300 games is quite a milestone and RAY TAYLOR (left) and STEVE EDENBOROUGH both did it against Cabramatta in May.

## CANDID CONGOS (CONTINUED)

19. Raahauge Cup First Grader GLENN HAMILTON easily beats his Abbotsford opponent in a mid-air duel.

20. TERRY ROONEY (R/C 1) confidently chips one across.

21/22. Here's the "big bloke" BOB EAGLESON (R/C 4) in action against Castlefield (hope the wife likes the photos!)

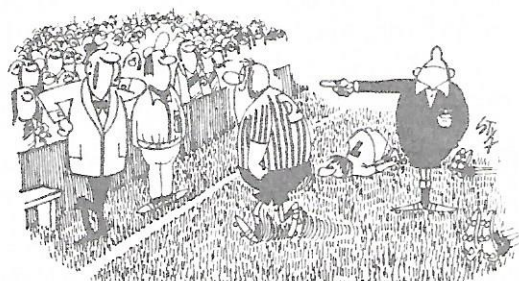

23. PERRY PANOUSOPOULOS ( or PERRY ABC to his mates!) cracks in a long distance shot against Yaralla Under 12s.

# FOOTBALL FUNNIES

*"That's not what I meant when I told him to practise kicking with both feet."*

**"Your New Year's resolution has lasted exactly ten seconds."**

"I think he's going to try one of his long throws."

"I asked him for something for pre-match butterflies."

## UNDER 13 TEAM REPORT

### *Competition Winners 1984*

*(Awarded the Robert Brown Memorial Shield for Meritorious Team)*

The Under 13s capped an excellent season by winning the competition after an exciting battle over the last few matches of the premiership.

The team defeated Yaralla Bs 2 - 0 in a deferred match to take out the competition and it was a fitting reward for the boys' efforts throughout the year.

Consistency was the keyword with this team and their ability to bounce back into attack through the quick breakaway invariably found their opponents in disarray resulting in some fine goals for the Congs.

From the goalkeeper, James May, through to the attacking forwards led by Con Kottaridis, the Under 13s were strong in every facet of the game and if this side stays together for the next few seasons I feel confident that the club will see more premierships coming our way.

Coach Bulent Pinar worked very hard to teach the side all the facets of the game and the team is very appreciative of his efforts.

The team was:-

JAMES MAY: James is a very talented goalkeeper who always give a 100% effort. Keep up the good work!

HAKAN SAGLAM: Hakan was a newcomer to the team who always tried his best and he improved out of sight throughout the season.

SCOTT RAYNER: Scott is a very talented player who can read the game well.

CHRIS WOO: Although small in stature, Chris never cared about the size of the opposition and always gave his utmost in defence. Great work, Chris!

NASA ABDU: Nasa was another newcomer this year but he always puts a lot of effort into the game. Well played!

CON KOTTARIDIS: Con is a very talented player who uses all his skills and knowledge of the game to stop attacking raids from the opposition. Con also is the team's top goalscorer. Great future is assured.

CRAIG CULLEN: He is a much improved player who always gives his best.

PERRY PANOUSOPOULOS: Perry is a very skilful player and with a bit of off-season sprint training he will become a really top player.

PHILLIPO DIMARCO: He has an abundance of speed but needs to concentrate just a little more to improve his game.

HARRY STONE: Harry is a great young footballer who always tries his best.

BILAL CAMBAZ: He is a very talented individual player but to improve his overall game he must remember to play as a team footballer.

JOHN VENDITTI: John might not have the skills of some of the other boys but he is a player who gives his all in every game.

ANDREW LOVERIDGE: Andrew hadn't played soccer before this season but he has shown surprising skills and is an enthusiastic learner.

STEVE GULDUR: A player with all the skills and knowledge of the game and he always tries his hardest in matches.

MESUT ULUTURK: One of the big improvers in 1984 and seems assured of a great season next year.

### UNDER 14 TEAM REPORT

I am pleased to report that the Under 14s played excellent football this season despite some very tough opposition.

Although results indicate that 1984 was a poor year for the team, I am sure that all the boys enjoyed their soccer and learnt a few things in the process.

The highlights of this past season included making the semi-finals of the Knock-out; winning a game 9 - 0; and leading the eventual competition winners by 2 - 1 (with five minutes to play) only to lose 2 - 3!

The team is indebted to Margaret Gaunson for all her help and encouragement throughout the season whilst thanks must also be extended to Mrs. Forbes whose assistance with transport was greatly appreciated.

In conclusion I would like to thank the boys themselves for their enthusiasm and energy and I will see you all again in 1985!

The team was:-

MICHAEL HAWACH: On numerous occasions Michael produced some great saves but he needs to be a bit more dedicated and to practise his diving.

EDGARDO MENDEZ: Eddie had a good year at fullback and continually frustrated the opposition with his tackling. However, his game will improve if he spends more time learning heading skills.

SCOTT FORBES: At centre-back, Scott played some great games and he continually encouraged and drove the team on.

LEVENT PINAR: Levent improved immensely this year and deservedly won the Most Improved Trophy for 1984. With a bit more speed he could be a First Grade fullback of the future.

GLEN VARTIAINEN: Glen joined us halfway through the season. His solid running and tackling strengthened the midfield and provided an example for the rest of the team.

JANG LEE: Jang is a gifted footballer and I know he will eventually play in First Grade.

JASON LARKIN: Jason continued to improve this year and with more dedication at training, combined with practising controlling the ball, he could develop into a very competent player.

MATTHEW GAUNSON: Matthew scored two excellent goals this year but needs to improve his tackling and become more involved in the game.

ENRICO CIOFFI: Enrico has a lot of ball skills and would be a very good player if only he would learn to tackle.

*Under 14 Team Report Continued.... /*

TUNCAY ICLI: Due to his non-stop effort combined with his undoubted ability, Tuncay won the Most Consistent Player Trophy for 1984. His game will improve even more if he thinks about his game and listens to advice.

KERIM TIFLIS: Kerim is one of the most feared strikers in the competition due to his speed and strong running. With more involvement and harder training his game will improve even more.

### RAAHAUGE CUP 1STS TEAM REPORT

The First Grade experienced only moderate success in 1984 and were probably a disappointment to all but their most ardent supporters.

On their day, the Firsts would have more than matched most of the sides in the division but unfortunately their "day" did not dawn and they never really challenged as premiership material.

Retaining nine of last year's unsuccessful Grand Final side, the Firsts welcomed back top striker Graeme Heterick and also midfield general Geoff McGuirk.

Goalkeeper Ron Irwin and strong defender Sammy Dib completed the four "prodigal sons" who returned to the fold after long absences and it appeared that last year's finals upset might be avenged.

Unfortunately this was not the case and despite the goalscoring feats of Graeme Heterick (a constant threat to the strength of opposition goal nets!) the side appeared to be more intent on attacking than defending.

The amount of goals scored as against those conceded was just about even-stein - not a good statistic for such a reputed top team.

However our side's robust style of play did bring back the fans and the rematch between Glenn "Rocky" Spierings and the whole of the Abbotsford team certainly attracted a full house at ring-side!

The team did perform better in the other competitions reaching the semi-finals of the Knock-out, the quarter-finals of the six-a-side and, following a 4-1 win on 4/9/84, the State Cup semi-finals.

Many thanks go to Coach George "Shine" Luke and Manager Ian "Bub" Turnbull who both controlled the side well.

Maybe George's vision of a First Grade premiership could just materialise in 1985 - a better defensive record this year might have seen us advance into the semis but maybe THAT was just a vision!

*Raahauge Cup 1sts Team Report Continued..../*

The team was:-

SAMMY DIB: As strong as an ox and an equally strong clearance, Sammy was his usual reliable self and plays by the old "when in doubt...!"

GLENN HAMILTON: Glenn provided the midfield with solidarity and scored a super goal against Blacktown.

GRAEME HETERICK: Easily one of the most dangerous strikers the Congs have ever fielded - if only we had a team of players like him!

RUSSELL HORE: Russell made many fine breaks down the left flank.

RON IRWIN: Unfortunately for Ron and the club, he only played for half a season and his experience in goals was sadly missed.

GARY JAMES: "Swinger" was reliable as ever in the backs and his experience always came to the fore in the big games.

EILE MELKI: The popular 'playboy' filled in the vacant goalkeeper spot quite admirably.

GEOFF MORGAN: Suffered a broken jaw when another teacher hit him (?) and missed the first half of the season but then came back as strong as ever.

GEOFF MCGUIRK: "Bluey" returned to the Congs after an absence of several seasons and, as team Captain, he brought the midfield to life.

GRAEME ROBERTS: He played both up front and at the back and also scored a match winning goal!

TERRY ROONEY: Terry is one of those busy players who seems to be everywhere.

GLENN SPIERINGS: As the strong man of the team, Glenn constantly urged the team on even when things weren't going our way.

MARK SPIERINGS: Mark was injured early in the season but returned to play the last few matches.

PHIL RUSHWORTH: Phil dominated the air in all his midfield clashes.

GEOFF MORGAN

### CURLY'S PERSONALITY PARS

- \* JIMMY PINCOTT: "Old Pinny" is improving with age. He loves the game and will be around for a long time!
- \* ROBERT EAGLESON: At last the big fella has reached the magical 100 goals - the next 100 aren't as tough!
- \* TREVOR LAVENDER: "Lumpy" is popular with the Congs and the kids up at Baulkham Hills! He is a real top club man!
- \* MINH TRAN: The Under 12s goal scoring whiz is destined for a great Congo future!

## RAAHAUGE CUP 2NDS TEAM REPORT

*Competition Winners 1984*

The Raahauge Cup 2nds were always going to win this competition but they certainly made heavy work of it!

The Congs have always fielded a strong Reserves side and this season was no exception with the team setting a cracking pace throughout the first round and finding themselves well in the lead in the points department at that stage.

However the second round saw the team dropping valuable points especially against some of the lesser known teams and their visions of premiers began to look very shaky.

A loss in the last competition match meant a play-off was necessary with arch-rivals Revesby and the Congs were certainly not sure things!

The play-off was a nail-biting affair with both teams locked together at full-time so the match went into extra time.

The referee had no sooner blown time-on than goal poacher Brendan McKeown headed in the winning goal with Peter Hamilton sealing the match with another of his specialties. Final score was 4-2 to our boys.

So what should have been a formality just took that much longer but the team did it in style and full marks to them.

Stars of the team this season were undoubtedly the Captain Alan Pilling, who marshalled the defences around him, and that top marksman, Ian Turnbull who always seems to turn on the big ones when needed.

Many thanks to our supporters who travelled around to see all matches and the players were very appreciative of this.

The team was:-

MICHAEL ANLEZARK: Mick scored several important goals this season.

SCOTT ANLEZARK: "Boats" made sure that no wingers ever got past him. If they dared, those big legs stuck out and won back possession.

EDDIE CARTER: Eddie reappeared after a long absence and proved a tough footballer always eager to head goalwards.

PETER HAMILTON: "Spindle" snaked his way down the wing, scoring some good goals and providing excellent crosses.

IAN JAMIESON: Another former Congo who made a reappearance after a long absence. Ian proved a fine tactician.

KEVIN JAMES: "Ekka" was in everything including the neat trick of trying to eat an opponent's boot! This little trick meant a few more stitches for our battle-scarred defender.

EILE MELKI: Eile, popular as ever, filled in the keeping spot in Firsts.

EDDIE PERDOMO: Eddie was a rock in defence- quiet yet effective.

BRENDAN MCKEOWN: "Paddy" is dynamite in the air and is a real terrier!

ALAN PILLING: In the backs this season, Alan easily had one of his best ever years and deservedly won the Most Consistent Player Trophy.

*Continued.... /*

*Raahauge Cup 2nds Team Report Continued....*

GEOFF RIDER: Between the sticks, Geoff was steady and reliable.

IAN TURNBULL: "Bub" scored some amazing goals this year especially in the play-off match.

STEVE WILLIAMS: Steve is a first year player and was a reliable midfield competitor.

### RAAHAUGE CUP 3RDS TEAM REPORT

Despite the early season loss of our Coach coupled with the loss of the Under 18 competition, this team performed quite well in 1984!

Originally our team entered the Under 18s competition for this season however just as the Knockout commenced most of the other sides dropped out and it was left to us and Carlingford for the honour of playing in the K.O. final - fortunately it saw a Congo victory by 1 - 0!

The side was then placed in the 5th Grade All Age however after showing early promise we then slumped and were then transferred to become the Raahauge Cup 3rds where we played out the rest of the season.

Despite all the trauma, results were encouraging, to say the least, especially after the side reached the quarter-finals of the Six-a-side.

Prior to this point we went without a victory for six matches but the team picked up and we won four out of the last five games.

I feel that this is where the side peaked and really played the good soccer that they were capable of playing.

Many thanks must go to our sideline supporters who never missed a game and they always gave us great encouragement.

The experience learnt in playing against All-Age sides this year will certainly be to our advantage in 1985 and I'm sure that the 3rds will be up there with the best of them next season!

The team was:-

SAM ANNOUS: Sammy is a hard, defensive fullback who always likes to be in the thick of the action.

MARK BANDY: A strong midfield player, Mark unfortunately was limited in his appearances this season.

WALTER BRZICA: As captain of the side, Walter led by example and played excellent football in every game.

MAHOMOD GUNTEKIN: He is a tough, hard running player who contested every tackle and challenge with vigour.

ANDREW ISAACS: Andrew is very fast and causes a lot of trouble for the other sides but he finds it hard to stay on his feet!

THEO KARABETSOS: Theo is a strong and determined footballer who plays with plenty of fire.

*Continued....*

*Raahauge Cup 3rds Team Report Continued..../*

DAVID KINDA: David is a consistent player who is very difficult to beat. He was the scorer of three good goals this year unfortunately at the WRONG END!

NEVEN KINDA: He was the strength of the midfield and scored some cracking goals!

TONY MITAR: As striker, Tony scored some great goals using his skill and powerful shots.

JOHN MYLONAS: As goalkeeper, John kept well and made some nice saves to keep the side in the match.

MURAT SIMA: Murat is a good reader of the game and coupled with his skill he was able to score some spectacular goals.

JIM TSIKLIERIS: Jim is a strong defender and it was rare that the opposition striker got past him.

ANDREW ZRNO: Andrew is a big, tall winger who used his clever ball skills to get around behind the defence and set up his inside runners.

JOHN MYLONAS (MANAGER/COACH)

### RAAHAUGE CUP 4THS TEAM REPORT

On the field, the season commenced on a dismal note with the 3rd and 4th Grade teams failing to win in their first four games.

It was obvious that both teams were outgraded and, following the failure of the Under 18 competition, the Congs' Management Committee approached the Association for permission to rearrange the sides.

Approval of this request resulted in our Under 18s playing as our 3rds Cup side with the former 3rds and 4ths dropping back a grade.

From that stage the 4ths never looked back and in their remaining 14 games they won 12, drew 1 and lost 1 (the final game of the season!).

It was unfortunate but the winners, Liverpool, had been given too great a start and we were unable to catch them finishing a gallant second by three points.

The 4ths comprised a number of Congo "veterans" and we were fortunate to go through the season without any major on-field injuries although both Peter James and Wayne Smith missed matches after suffering off-field accidents.

On behalf of the players I would like to express thanks and appreciation to Dave and Stella Eagleson for ensuring that the half-time "reviver" was always available and also to Ken James and John Hawach for keeping the canteen functioning throughout the year.

*Continued..../*

*Raahauge Cup 4ths Team Report Continued....*

The team was:-

BOB BARRY: "Ribot" is a strong and very fast right winger who scored three good goals this season. The former rugby league player is certainly taking a liking to the round ball code.

PETER BARRY: Peter had a very good season and from the midfield he consistently won the 50-50 ball and set up our attacks.

ROBERT EAGLESON: Bob was a tower of strength up front and the opposing players found it almost impossible to take the ball away from him as he shields the ball so well. He was right on target with 13 goals this year.

JIMMY FRAME: "Captain Frank" always has a good season and in his role of sweeper or centre back, Jimbo always reigned supreme. His two goals this season were his first for about five years!

LINDSAY FRAME: Like his brother, "Stink" had a good season - probably one of his best for years. His speed hasn't diminished at all.

RICHARD HOLLAND: "Dutchy" continues to defy doctor's orders and plays on irrespective of possible injuries. Saw his famed "hitch-kick" once in 1984!

GRAHAM HOLLEBONE: At left fullback, Graham seems to be improving every year.

ROY HOLLEBONE: Roy is the bigger of the brothers and plays equally well in the backs or up front.

KEN JAMES: "K.J." as right back or sweeper was as strong as ever.

PETER JAMES: A bad car smash failed to dim Vince's determination and on the left wing he potted in a goal direct from a corner!

TREVOR LAVENDER: "Lumpy" again showed he has lost his "wild man" tendencies and he had a super season between the sticks!

GARY NIXON: Gary is a real terrier from the midfield and never knows when to stop!

JIMMY PINCOTT: Representing the club's more "senior" side of football, Jimmy keeps on plugging away. His determination and consistency are models on which us younger blokes can copy!

WAYNE SMITH: After suffering a bad accident at work, Wayne fought his way back to the field after a long absence. His hard running and skills are big assets to the team and he'll return stronger than ever in 1985. It is said that Smithy would chase a parked car such is his determination!

## ALL AGE 5THS TEAM REPORT

This year saw the team begin the season as the Reserves side for the Raahauge Cup however after some disappointing results it was decided to transfer our players back into the 4th Division All Age.

The first two games in this division gave us hope that success was on its way especially since we held the undefeated leaders Greystanes to 0-0 with only five minutes to go.

Unfortunately the floodgates opened and Goalkeeper John Hawach spent the next five minutes picking the ball out of the net at the rate of one per sixty seconds!

Injuries coupled with mid-season "retirements" played havoc with the side from there on and rarely did we field the same side the following week.

In fact it was rare that we were able to field eleven players in a match although when we did our boys played at least as good as the other team and we should have picked up more points than we did.

The side was a mixture of new players and old stalwarts and on more than one occasion a new face would play one week and never be seen again!

However, despite the rough road traversed this season some bright patches of play did emerge and congratulations must go to our popular Captain Ray "Tatters" Taylor and to Manager Steve Edenborough who both played their 300th club game in the match against Cabramatta.

Unfortunately for the Congs both players have announced their retirements (at least for this season!) and will be missed by the club, both having given great service for many years.

The team is very appreciative of the support given by the wives, friends etc on the sidelines this year and a special thanks must go to those girls who carried out the rather arduous chore of washing the shirts.

Gordon and Peg Weeks supplied the halftime oranges and I'm sure they were a contributing factor in our side defeating Cabramatta 1-0 in the second last game of the season!

Apparently Peg's neighbour handed over some "sweet" home-grown oranges and these were used at halftime that day.

I heard one comment that even for lemons, Peg's new found "oranges" were pretty bitter!

Maybe the players couldn't wait to get back onto the field rather than face second helpings of the lemons/oranges or whatever!

However, all jokes aside, the Weeks family always gave strong support and Gordon even refereed one match (we drew with 8 men!!)

In conclusion, it was a rather tough season to say the least but to those players who stuck by us to the end I must thank you and hope that 1985 brings better results and a full team!

The team was:-

ROGER BOWDEN: The "Pom" hasn't lost his agro but we lost him halfway through the season! Has he retired or has he merely thrown his boots into the bin once again as a symbolic "see you all next year?!!"

*Continued....*

*All Age 5ths Team Report Continued.... /*

JIM GALL: Jimmy had a good season both in goals and out on the field. Set a course record over the furlong when "Rock" Rudgley gave him a pass about 80 yards in front of him and expected Jim to get it and centre it in to goals...and that's just what he did!

STEVE EDENBOROUGH: Solid in defence as usual but missed his "testimonial" last match when he pulled out through injury. Well played!

HEINZ GOMERSKI: Newcomer to the Congs this season Heinz played in various positions both up front and at the back.

JOHN HAWACH: Big John alternated between the team and the canteen and after a short absence made a welcome return in the last game at Gladesville.

NEIL RUDGLEY: "Rock" returned for the last three matches - scored a goal, set up our only winner and broke down with ankle injuries! Shows nothing's changed with him at all!!

ALAN WEEKS: "Killer" still gallops hard down the wing and was unlucky not to score more goals this season.

BARRY WILSON: Barry was injured in the latter part of the season but did show he still has quite a good shot on him.

RONNY WILSON: Ronny played his best game in the very last match of the season so we hope he kicks on throughout the summer into 1985!

TONY WRIGHT: Tony rejoined the club after a long absence but after showing some good form earlier on he suffered a serious injury which put him out for the season.

RAY TAYLOR: "Tatters" continually urged on the players from the midfield and his goal out at Carlingford was as sweet as you would wish to see from a first timer...bad luck that it was an own goal! However, Ray never gave up and his best game was his 300th against Cabramatta at Granville.

Also played Rolf and Richard Gomerski, David Larkin, Jimmy Ironside and Ken Emme.

STEVE EDENBOROUGH (MANAGER)

### CURLY'S PERSONALITY PARS

- \* JOHNNY HAWACH: Who else but Big John would know what our eating preferences are? He still loves those Rosehill pies!
- \* MARTIN STONE: The Auburn dad is doing a great job keeping the young 'uns together!
- \* PERRY PANOUSOPOULOS: Perry is a typist's nightmare but he loves the game and we love the name!
- \* GEOFF MORGAN: Even that broken jaw couldn't stop him from carrying out his Secretary duties in his usual top manner!
- \* THE BARANS: This family has become one of the Congo favourite regulars at Phillips Park!
- \* JAMES MAY: The Congs' goalkeeping supremo!

Back in 1982, the Annual Report ran a special quiz on some ticklish little refereeing questions and it proved so popular that another well known church football club used the same story in its Annual Report the following year (oh, lord, it's hard to be humble...!)

either! P.S. We didn't take out copyright on this item

- QUESTION 1- As referee, you extend time to allow a penalty to be taken. The kick is saved (good on you, "Lumpy"...again!) but the kicker follows up and shoots the ball into the net. Should you allow the goal?
- QUESTION 2 A player taking a throw-in throws the ball directly into the opponent's goal. What is your decision?
- QUESTION 3 A defender jumps up and down immediately in front of an opponent taking a throw. Should you take any action?
- QUESTION 4 You have cause to send a player off during the pre-match kickabout. His manager asks if he can use the substitute to enable his team to start with 11 players. Is this allowed?
- QUESTION 5 As a high ball drops into the penalty area, a defending player shouts out: "My ball- leave it!" Would you award a penalty?

RECORDING OFFICER'S REPORT

Once again the Coaches and Managers were responsible for the club statistics being recorded faithfully and on time.

It made my job as Recording Officer that much easier to have the various weekly returns submitted on time.

Several teams had changes of administrative personnel and this resulted in several late returns but, on the whole, the recording was completed earlier than in the past.

My thanks must go to Secretary Geoff Morgan for assisting me to collect the returns and also to those people who were responsible for the submission of the returns themselves.

GRAEME ROBERTS (RECORDING OFFICER)
