PRESIDENT'S REPORT

Once again it is my pleasure to present my report for the season just concluded.

It has been a highly successful year with three teams winning their respective competitions but all sides displaying the true Congo spirit.

However successes aside, as we near our 50th anniversary in 1989, it has been obvious that our ranks are thinning and the 'life blood' of our club, the juniors, are virtually extinct.

With that in mind and after a number of approaches from St. Joachims Parish Soccer Club, the Management Committee, under the direction of the last Annual General Meeting, has worked towards amalgamation of the two clubs for the 1986 season.

Our endeavours have been rewarded and Lidcombe Uniting Church Soccer Club and St. Joachims will take the field next season as the LIDCOMBE CHURCHES SOCCER CLUB.

A word of warning. Let us not destroy this promising future with complacency.

The 'blue and gold' will field around 15 teams in 1986 and we will be looking to our senior members for assistance on committees and as coaches and managers.

YOUR SUPPORT IS PARAMOUNT.

In conclusion I would like to congratulate the players, coaches and managers for their contribution to the club's fine performance in 1985.

May I also extend to all officials of our club my appreciation and thanks for your support and for a job well done.

SECRETARY'S REPORT

I am pleased to be able to report to you for a third time and I am happy to say that the club is still alive and well.

The 1985 season saw another decrease in the number of teams representing the Congs from nine last year to seven this season.

However it is pleasing to confirm that three of this year's sides were successful in their respective competitions. These are the Raahauge Cup Seconds, the All Age Fourth Grade and the Under 14s.

Perhaps the only disappointment was the failure of the Raahauge Cup Firsts who went through the competition undefeated but were beaten in the final. I am sure that those people who watched this side play each Saturday would have seen a side which will carry the hopes of the club into 1986 and we wish them well for the next season.

I congratulate all teams for their exemplary behaviour both on and off the field. To those teams who did not meet with success on the field I remind them that there is always next year and I know that you will be with us again for an even better season.

The club's activities can be summarised as follows:

TEAMS:

The seven teams playing this year ranged from Under 13s to All Age being three junior sides and four senior teams. The total playing strength was 120.

MANAGERS:

Once again the club is indebted to these people who carry out this position. Without them the club would not be able to function.

COACHES:

Our teams were again well catered for in this area and the club is very appreciative of the dedication and application shown by these people in their important roles. The three junior sides were each coached by current all-age players, a trend which we are hoping will continue especially with the increase in the junior sides next season.

SECRETARY'S REPORT CONTINUED...

CANTEEN:

Unfortunately the canteen was not open for business as many times as in previous years and perhaps the reason for this was the often confusing match draw which saw our sides play away leaving Phillips Park unused by our club and often used by other clubs. However thanks are again extended to Ken James and John Hawach for their efforts behind the counter and I know that 1986 will see the canteen return to its former importance as the hub of activity for the Congs.

GROUNDS:

Both grounds at Phillips Park were used in 1985 and I am pleased to report that the efforts of the Auburn Council have certainly upgraded the two playing surfaces.

EQUIPMENT:

The Under 13 side received a new set of shirts this year thanks to one of their sponsors and most teams were given new match balls.

DRESS OF TEAMS:

Most players took pride in their appearance and it is pleasing to be able to watch a match with our side decked out in the familiar blue and gold colours.

Although there was an array of socks in some teams the amalgamation next season will see a different style of socks being introduced similar to the Parramatta League team.

SUPPORTERS:

I believe that there was an increase of support given on the sidelines this season which can only benefit the club. I can see that the presence of parents and friends at matches certainly helps the players and in the all-age it was good to see the support given at our games by the Lidcombe rugby union boys.

SPONSORS:

Thanks to our various sponsors, the club was able to purchase much needed equipment and I would like to thank the following for their generous support:-

Pinto's Auto Port in Bridge Street;

500 GAMES:

Robert Eagleson from the All Age Fourths reached this milestone in a memorable match on the 10th August when he also scored four goals to seal his side's premiership victory.

Robert, who started his career with the Congs back in 1956, becomes only the second player to reach the 500 game mark following the efforts of another great Congo Ray James.

400 GAMES:

Peter (Vince) James also from the Fourth Grade, played his 400th game for the club on the 13th July when he lead his team to an amazing victory with only eight players!

300 GAMES:

Two players from the Raahauge Cup teams, Scott Anlezark and Russell Hore, reached this mark in 1985.

200 GAMES:

Congratulations go to Lindsay Frame, Alan Pilling and Brendan McKeown, all Raahauge Cup players who played their 200th club game this season.

100 GAMES AND 100 GOALS:

Quite a rare double for any player to attain but Graeme Heterick, the Raahauge Cup's deadly striker, did it this year in fine style.

REPRESENTATIVE SELECTIONS:

Congratulations to Glen Vartiainen (U/15s) and Con Kottaridis (U/14s) who were selected in the State teams that played in Brisbane.

Several other Congos also were selected in the various zone teams in matches against Tasmanian sides.

8 GOALS IN A MATCH:

Minh Tran (U/13s) equalled Terry Rooney's record set in 1971 when he scored eight goals in a match against Penrith. Minh has only to score another 13 goals to bring up his 100 for the club. Well done!

continued...

SECRETARY'S REPORT CONTINUED...

WASHOUTS:

This season was notable for the number of washouts that occurred in April and May. The weather played havoc with the draw and even had the Six-a-side cancelled.

ANNUAL REPORT:

Neil "Rock" Rudgley laced up the boots again this season and ended up with a competition winners cup. His efforts as Publicity Officer and his weekly newspaper column in the "Review" have become famous and this year's Annual Report has seen Neil maintain his high standard.

I am especially grateful to him for his work this season and the assistance he has given me throughout 1985 and he deservedly won the Best Clubman trophy.

In conclusion may I take this opportunity to thank the Management Committee, notably your president Brendan McKeown and Treasurer Ken James, for their tremendous work this year.

On a sadder note I advise that this will be my last year as Secretary as I will be moving to Mt. Pleasant (near Penrith) after my marriage in January.

I have certainly enjoyed my time as Secretary and have appreciated the assistance and encouragement given to me throughout the three years.

To all those people who helped our great club in any small way I extend my thanks and I trust that you will be back in 1986 when the Congs enter a new chapter in their history with the amalgamation between Lidcombe Uniting and St Joachims to form the Lidcombe Churches Soccer Club.

How else could I sign off than to repeat that well-known quote from Ray James...

"Once a Congo - ALWAYS a Congo!"

GEOFF MORGAN (SECRETARY)

UNDER 13 TEAM REPORT

This season our side welcomed several new faces who strengthened both defence and attack. The Farache brothers, Kareem and Nasser, along with Abraham Bisseh, Danny Smith and Vedat Yilmaz, added to the nucleus of last year's team and, after a disappointing start the 13s proved they were the equal of the other sides in the competition.

The return of striker Minh Tran in the third match of the season had a profound effect and his 36 goals in the fourteen matches he played were testimony to the brilliance that he possesses.

Anthony Kinda was another player to perform well and he is a real terrier wherever he plays.

Jason Yee was the improver of the team and his overlapping down the sideline was a highlight of his game.

Although going down to top side Blacktown twice we were able to defeat the other high flier St Columbas 4-1 although they reversed the result in the Knock Out semi final.

It was a credit to the team's sportsmanship that every player endeavoured to help Minh Tran in his quest to break the club's long-standing record of scoring more than eight goals in a match however by equalling the record in the match against Penrith Minh has played himself into the record books.

I remain indebted to Lorraine Yee for her help all throughout the year which included supplying the boys with oranges and transportation to our away games.

Raahauge Cup player Geoff Rider also put in a lot of time with the team by passing on his knowledge and skills at training sessions.

This report would not be complete without a special vote of thanks to our sponsors Lawrenson Die-castings Pty Ltd of Birnie Avenue who kindly donated our shirts.

To well known 'Congo' Ted Bird from this company I pass on the boys' gratitude for your support throughout the year.

UNDER 13 TEAM REPORT CONTINUED...

DANNY SMITH: Danny was one of the finds of the season and he had a great season both in goals and out on the field. Looking forward to seeing you in 1986!

JASON YEE: Jason continued his improvement this season and it was satisfying to see that he is now putting more thought into his game. Jason deservedly won the Most Improved Player trophy for 1985.

NASSER FARACHE: Nasser is a defender who showed a great deal of potential this season with some strong tackling and hefty clearances.

KAREEM FARACHE: Like his brother, Kareem has a good soccer future ahead of him and will be a big asset next season.

ABRAHAM BISSEH: Abraham in his first season with Lidcombe had some top games and his two goals against Penrith were just rewards for a good display.

VEDAT (DANNY) YILMAZ: A new player who joined us only in the second round, Danny turned in some fine performances in goals. Well done!

CHAU TRAN: The youngest and one of the smallest players in the team Chau has the heart of a lion and never gives up. Chau gives a 100% effort whether winning or losing. Scored his first ever club goal this season.

MINH TRAN: Minh is one of the best players in the side. He puts a lot of effort into his game with great ball skills and speed. What more can you say about this top player who is the complete footballer with an abundance of talent and goalscoring ability. He will shoot (and score!) from almost anywhere.

TROY WATSON: As captain of the side, Troy was always busy mapping out the game plan and more often than not it came off! He plays a hard game and is a constant danger to the opposition. Well done and hope to see you next season.

ANTHONY KINDA: Little Anthony showed his versatility by playing well in any position he was selected. Scored eight

goals this season and shows he will be probably be a better player than his brothers! Never takes a backward step. Had a top season in 1985!

ADAM MITCHELL: Missed some early matches but came back to turn in some great performances out on the wing scoring three excellent goals. He has improved 100% this season and will be an even better player next year.

GABREAL HALVAGI: Our longest serving player, Gabreal is "the mighty atom" who never gives up although he is smaller than most other players. He kept the boys on the move all through the season scoring nine good goals along the way.

JASON BRAND: Although we only saw Jason for half the year he was a player who never stopped trying and he help set up a lot of goals.

Also played: Angelo Berios, Daniel Chapman, Wayne Doyle, Tony and Sammy Harb.

COMPETITION WINNERS 1985

Awarded the Robert Brown Memorial Shield for Meritorious Team

For the second successive year, this side took out the competition and in 1985 the team went through undefeated.

A broken jaw suffered in an early trial game saw Craig Cullen spend most of the season on the sidelines but it was pleasing to see him return during the latter part of the year and play a big part in his team's premiership.

The season opened on a cautious note with a 1-0 victory over Macquarie Fields thanks to Nasser Abdu's goal.

With a Bye in the next match and two washouts following we were keen to get back into the matches but had to wait until after the school holidays!

From then on we hit our straps and did not drop a point all season.

Full marks must go to our representative players Con Kottaridis, James May, Perry Panousopoulos and Scott Rayner who formed the nucleus of the side.

Nasser Abdu is full of potential and he has many exciting ball skills.

Bulent Pinar spent a great deal of time with the side and along with Manager Jim Rayner earns the thanks of the boys for the excellent manner in which they carried out their duties.

Despite the Six-a-side being washed out and a narrow loss to Abbotsford in the Knock Out we had a very enjoyable season and thank our supporters who came along to cheer us on.

Hopefully we can return in 1986 and win the competition for three years in a row - a record that will be hard to beat!

Thank you boys for a great season and see you all back in the new year!

The team was:

UNDER 14 TEAM REPORT CONTINUED...

JAMES MAY (Goalkeeper): James is a very talented goalkeeper who only let in five goals all season. His height is a great advantage and he always gives a 100% effort.

CHRIS WOO (Right Fullback): Although Chris is small in stature, he never cares about the size of the opposition and gave his utmost in defence. Scored the match-winning goal in the last game.

SALVATORE DI MARCO (Left Fullback): Sal was a first-year player with Lidcombe and he turned in some good performances.

SCOTT RAYNER (Sweeper): Scott is a very talented player who can read a game well. Played very consistently all season and he was rewarded with the Most Consistent player trophy.

CON KOTTARIDIS (Centre Half): Con is a big, strong footballer who uses all his skills and knowledge to stop attacking raids from the opposition. A notorious 'talker' on the field, Con was selected in the representative side to play in Brisbane.

HARRY STONE (Left Half): Harry is a bright young player who always tries his best. Congratulations go to Harry for winning the Most Improved trophy for 1985.

APOLLO MARDONES (Right Half): A newcomer who never played soccer before, Apollo is a footballer with a lot of enthusiasm. He is destined to become a great player in the near future.

VEDAT AKDOGAN (Half): Vedat performed well in the season and even scored a goal when switched up to the forwards.

JOHN VENDITTI (Half): John has improved this year which must have been satisfying for himself. Bit more control needed and more left foot kicking will see him improve even more!

PERRY PANOUSOPOULOS (Right Wing): Perry has improved quite a lot in his sprinting and ball skills. He became the club's youngest all-age player this year when he had a run in the Fourth Grade!

CRAIG CULLEN (Forward): Craig had the misfortune to suffer a broken jaw in a trial game but to his credit he came back late in the season and played as well as ever.

STEVE GULDUR (Striker): Scorer of seven goals this season Steve is a very talented player but we did not seem him often enough.

NASSER ABDU (Centre Forward): Nasser is an exciting prospect with the ability to dribble around defenders. He also played in the halves which greatly assisted the team.

FILIPPO DI MARCO (Left Wing): Filippo has an abundance of speed and he used it quite a lot this season however he needs to use his left foot more often. Has goalscoring potential.

ANDREW LOVERIDGE (Forward): Andrew only played three games this season unfortunately but he gave a 100% effort.

CONGO CHATTER

* GRANT JARVIS (A/A4), a 'Roadie' for rock group "Mental As Anything" showed soccer potential when he scored a goal in his only appearance for the Congs in April.

His love for the music turned a bit sour though when he dropped one of his beloved group's speakers on his goal-scoring foot and broke a bone putting him out for the season.

Hey, Chucky babe! Is that why you don't LIVE IT UP!!

* PETER 'SPINDLE' HAMILTON (R/C2) had a good finals run!

Apart from winning a competition, Peter also picked up a \$1,400 trifecta on finals day!

* A big "giddy, mate" to Congos PHIL and KATHY BIRD reading this Report in downtown Denver, Colorado (USA!).

* Good to see the daughter of former Raahauge Cup player LINDSAY "THE BULL" RUTTER appearing on Simon Townsend's "Wonder World" these days.

Malinda was a regular at Phillips Park to see dad play and caught the eye of many a Congs' footballer!

(Now we know why Lindsay Frame volunteered to do all that tiling at the Rutter's house, eh!)

* And speaking of LINDSAY FRAME. Seems he knows how to get publicity in the local rag as he was seen palming off a great box of Cadbury's chocolates (guess who works for Cadbury's?) to a certain unnamed Publicity Officer!!

* Best wishes to retiring Club Secretary GEOFF MORGAN who ties the knot with SHARON GLASSEY on January 11 at the Berala Uniting Church.

* Speaking to another former Congo JOHNNY KEMP the other day and from his home in Newcastle he reports that he came across another old stager RALPH BRANDIE playing for Port Macquarie in the Newcastle competition. (Distance is apparently no trouble up there!)

UNDER 15 TEAM REPORT

The Under 15 side showed this season that it had the ability to play top class football however this ability was unfortunately only displayed on few occasions and, as in previous years, the side finished in the middle of the competition table.

On many occasions the team was handicapped by not being able to field eleven players. In those games that we did manage to put a full side on the ground we were able to match most of the opposition.

In fact, most games were characterised by Lidcombe scoring the first goal but failing to go on with the job.

I know that all of the players enjoyed their soccer this season and in all cases their game improved immensely.

The team is indebted to our Manager, Margaret Gaunson, for all her assistance and encouragement throughout the season whilst thanks must also be extended to Mr. Bonnyman and Mr. Stone for their help with the transport.

As this is my last year as coach of the team I would like to thank the boys for their enthusiasm and effort and wish them well for the future.

The team was:-

STEVEN ZOURNAZIDIS (Goalkeeper): Steve took over the vacant keeper position halfway through the season and did a fine job. If he intends to make this his regular position he needs to have more confidence in his ability and practise catching high balls. Thank you Steve for doing such a good job in a difficult position.

EDGARDO MENDEZ (Right Fullback): Eddie had one of his best-ever seasons and proved a big asset to the team. He reads the game well and his tackling and running with the ball has improved 100%. He has a big future with the club as was demonstrated by his debut in the Fourth All Age this season.

JANG LEE (Centre Back): Jang's move to Centre Back this year was a success as he did not put a foot wrong. He is a gifted player with great ball skills and is also a very hard tackler. Jang organised the defence around him and, as can be seen by this year's results, the team's defensive record was much better than in previous years.

continued...

UNDER 15 TEAM REPORT CONTINUED...

MICHAEL HAWACH (Left Fullback): Michael started the year off as goalkeeper but due to a back injury he was forced to move out into the field. What Michael lacks in speed he makes up in his courage and determination. However his game will improve if he practises heading and tackling.

TUNCAY ICLI (Midfielder): Tuncay missed several games in the latter part of the season owing to other commitments and his absence was felt by the team. He is a player with great potential however his attitude to the game will need to change dramatically if he wishes to keep up his improvement. Tuncay has the ability but this is often overshadowed by inability to control his mouth.

SCOTT FORBES (Defender): Scott made the long trip down from the central coast and we were happy to see him. He never stops running and a number of opponents will remember his tackling! Scott's game will improve if he gives more thought to the way he uses the ball.

DAVID BONNYMAN (Midfielder): David returned this year after a two year absence and his arrival strengthened the team. As a midfielder David worked non-stop in both attack and defence. Despite his lack of height David was dominant in the air as well as being very gifted in ball skills. Once he learns not to try to do too much with the ball his game will improve.

GLEN VARTIAINEN (Centre Half): As captain of the side Glen was the dominant player in all our games this season. He controlled the midfield and inspired the team when things were going bad. His ability in the air, combined with his fearless tackling make him an asset to any team. Glen's future in soccer is assured as shown by his selection in the N.S.W. Churches representative side that played in Queensland in August.

LEVENT PINAR (Left Half): This is Levent's best position and his game improved throughout the season. His tackling and game involvement were better but he still needs to concentrate on the accuracy of his passes and the timing of his headers.

MATTHEW GAUNSON (Right Winger): Matt deservedly won the Most Improved Trophy for 1985. His positional play on the wing was excellent as were his pin point crosses. Matthew's tackling has also improved along with his ability to beat the man but with a bit more involvement he will be an even better footballer.

continued...

UNDER 15 TEAM REPORT CONTINUED...

CON STONE (Centre Forward): After missing last year Con returned to the side and was the leading goalscorer with 11 goals. His shooting and ability to beat the man are highlights of his game as was demonstrated with his four goals against Gelnbrook in July. Con has good ball control but must improve his positional play as well as learning to move to the ball.

ENRICO CIOFFI (Left Winger): Enrico is a very talented player who probably has the best ball control in the team. His tackling and involvement have improved a great deal in 1985 however he still needs to display more determination and courage in general play.

Thank you to the following players who filled in when we were short during the season:- Filippo Di Marco, Salvatore Di Marco, Grant Forbes, Con Kottaridis, Jason Larkin, Boris Oberemok, James May and Perry Panousopoulos.

ALL AGE 4ths TEAM REPORT

Competition Winners Division 12

The Fourth Grade displayed enough potential in its trial games against Berala and Baulkham Hills to suggest 1985 could be a big year and by winning the 12th Division undefeated, the pre-season form was certainly a good omen.

From the early matches it was clear that St Lukes, Concord was going to be the threat and both sides were level pegging in the competition lead with five games to go but whereas St Lukes started dropping points, Lidcombe continued its winning run and when Strathfield thrashed St Lukes in the second last game Lidcombe went four points in front with only one game remaining so the competition was safely in Lidcombe's hands.

The last game ended in a 2-2 draw with St Lukes and this enabled the Fourth Grade to complete the season as undefeated premiers after 17 matches - quite an outstanding achievement for a side that was probably the "oldest" to have represented the club.

The opening game of the season was a disappointing one for the team as they drew 1-1 with new team Strathfield.

The next game against Kingsgrove saw veteran Robert Eagleson virtually demolish the opposition on his own as he scored five goals in a 9-0 romp.

The third match against St Lukes was probably the most important of the season as a Peter James goal direct from a corner in the last few minutes gave Lidcombe a vital 2-1 victory.

The courage of the side was seen at its best when it faced third-placed Lilyfield with only EIGHT players and went on to a memorable 4-1 win - what a performance to celebrate captain Peter James' 400th club game!

But the outstanding feat of the season must surely have been Robert Eagleson's 500th game on 10th August when he took Lilyfield apart scoring another four goals in a 6-0 win!

Not too many of our players will ever reach that elusive 500 games mark but certainly Robert Eagleson will cherish the memory as he scored with both left and right foot shots!

The decision by Geoff Morgan and Alan Pendleton to return to the playing field gave the team added strength up front and at the back and Morgan's 25 metre goals were some of the best that he'll ever score!

Morgan's dominance in the forwards allowed the side to emerge as the premiership front runners and his 21 goals were testimony to his influence in the team.

Lidcombe's ability to play well against the stronger sides was sometimes diminished by some struggling performances against the lesser lights yet the 2-0 win over Strathfield in the third last game of the season brought the team to a peak and the subsequent 6-0 thrashing of Lilyfield placed the team in an unbeatable position in the competition.

Some of the other many highlights in this bright season were:-

ALL AGE 4THS TEAM REPORT CONTINUED...

Jimmy Pincott and Bob Barry playing all games;
Wayne Smith's dramatic release from incarceration
so that he could play in goals only to find that he hardly touched
the ball all day in a 9-0 win!

The fact that after only six matches the team had seen
TWENTY players take the field at some stage or another!

Peter James' amazing recuperative powers after being
attended to by a 17 year old blonde medico from Strathfield's team!
Geoff Morgan's four successive hattricks!

Kenny James' one goal for the season - his first in
over a year!

The state-wide search for the nomadic Wayne Smith who
disappeared before signing the registration form. Late mail is that
our resident Sherlock Holmes, Rock Rudgley (he always gets his man!),
found him up at Maitland so all's well that ends well!

The team was:-

WAYNE SMITH (Goalkeeper): 'Smithy' was last to arrive at Phillips
Park for the first game of the season so he was 'volunteered' into
goals and he adapted quite well to the position until he went bush
halfway through the second round!

RICHARD HOLLAND (Left Fullback): "Dutchy" found form in the vital
matches. Sad to report that his famous "hitch kick" was nowhere to be
seen in '85! A great team man.

KEN JAMES (Right Fullback): Kenny played with divine guidance this
season as he continually beat a variety of wingers ranging from
bespectacled pensioners to 14 year old juniors with two left feet!
Had a solid season.

ALAN PENDLETON (Sweeper): The 'cat came back' after a 12 year absence
and showed that he hasn't lost any of the magic as he continually
won the high ball at the back.

PETER BARRY (Midfield): Peter is a real "goer" and he always made
his presence felt in the mid-field as he continually battled for
possession. His best season to date.

JIMMY PINCOTT (Midfield): What more can you say about the one of the
real veterans of the club than to say that Jimmy improves with age!
His performances this season were an inspiration to the younger
brigade.

PETER JAMES (Forward): Still the master of the curling corner from
the left wing "Vince" drove the players on and, as always, runs until
the hamstrings start to twinge! A great job as captain of the team.

GEOFF MORGAN (Forward): What a season Geoff had! Easily the most
dominant player in the competition he continually tore opposition
defences apart and was rewarded with 21 goals and the Most Consistent
trophy for 1985. A top season.

BOB BARRY (Right Wing): "Ribot" always ran hard down the flank and
his 'boomer' goals against Kingsgrove and Lilyfield were beauties!

continued...

ALL AGE 4THS TEAM REPORT CONTINUED...

ROBERT EAGLESON (Striker): "Big Bob" had his eyes on that magic 500 games and who will ever forget that sunny day in August when he reached that mark and scored four goals as well. Robert played several games in goals and always gave his best.

NEIL RUDGLEY (Left Wing): After a four year absence Rock returned to his favourite left wing and his thunderbolt goals against Lilyfield and St Columbas were an indication that he is hitting the ball harder than ever.

ROGER BOWDEN (Midfield): Roger missed the first few games but down from the mountains he came and showed that he still has that pommy agro and fierce determination.

ROY HOLLEBONE (Fullback): In between work commitments Roy turned in some creditable performances and used his height to great advantage.

GRANT JARVIS (Winger): "Chuck" or "Darby" or whatever he was called suffered a foot injury in his one and only game after scoring.

GRAHAME HOLLEBONE (Defender): Grahame opened the season with a good game against Strathfield then joined the army. Great haircut, eh?

BOB KELLY (Defender): Bob played four games before a change of work kept him out on Saturdays. Used the vertical header in three games!

MICK JACKSON (Winger): Our former Parramatta first grade rugby league player suffered archilles tendon trouble after showing he has adapted well to the round ball code.

MATTHEW HEYSMAND (Goalkeeper): Matthew only played one game but he certainly showed a lot of potential.

GEORGE LUKE (Defender): "Shine" filled in on one occasion much to Jimmy Pincott's relief as George has retained the "oldest player" mantle - a title he has continually won in recent years since Ray James retired!

ALEX MOROZOFF (Goalkeeper): Alex filled in on three occasions and performed admirably between the sticks.

CHRIS HOLLAND (Defender): Chris answered the call on two occasions including a spell in goals against Narraweena. A hard competitor.

Also played: Edgardo Mendez, Perry Panousopoulos, Glen Vartiainen, Ken Emme and Eddie Van der Meer.

JIMMY FRAME: "Jimbo" had a new lease of life in 1985 and now that he's hit 30 years it's a whole new ball game!

GEOFF MORGAN & BRENDAN McKEOWN: A great effort to lead the club this year.

CRAIG CULLEN: The "Rocky Balboa" of the Congs returned after a bad injury but he played in the winning Under 14s!

GABREAL HALVAGI: Little Gabe played his heart out this season and will be rewarded with his 100th game early in '86.

SCOTT & GLEN FORBES: Great to see the brothers playing in the Under 15s as they are now living on the Central Coast.

KENNY JAMES: Earnt the title of "Mr Phillips Park". A true blue (and gold!) Congo!

LORRAINE YEE: Staunch supporter of the Under 13s and good to see son Jason pick up the Most Improved Junior Player!

ALL AGE 3rds TEAM REPORT

At the beginning of the season the Third Grade side appeared that it was set for a bright season. There was an overflow of players for our first game of the year against Wombat Wanderers and the form displayed that day in winning 2-0 was enough to suggest that we were a chance in the competition.

Our next game saw Gladesville forfeit to us but then we lost to Auburn and the 'wheels fell off'!

With intense rivalry for the various positions on the field and the reluctance of several players to pay their subscriptions we were forced to play short for most of the season and it was so bad that we forfeited the last four games.

However there was always a dedicated group of players who stuck by their commitments and always turned up to the matches.

These players, assisted by several keen juniors, could always be relied upon to play for the club irrespective of the off-field dramas!

It was rare that we were able to field eleven players in a match but when we did our boys were certainly the equal of the opposition as we displayed against Chester Hill and St Columbas.

Despite all the traumas the following players never took a backward step:-

ALEX MOROZOFF (Goalkeeper): "Davo" had not played a game for the Congs since being a member of the 1974 Under 10 side that won the competition yet his performances between the sticks were noted by the Fourth Grade who requested his presence on several occasions. He also performed well out in the field.

ERHAN ERDOGAN (Right Fullback): "Bismarck" was a true diehard of the team and if there was a defensive award handed out Erhan would certainly win it. Highly commendable effort this year and we hope to see you back with us in 1986.

DAVID LARKIN (Left Fullback): A hard defender "LLLLLL" never gave up and it was an indication of his never-say-die attitude that he played on to make up the numbers even after fracturing an arm!

BULENT PINAR (Left Half): Bill, our expert penalty taker, didn't get an opportunity to shoot from the spot this season however he gave opposition goalkeepers a lot of headaches with his powerful left foot drives. Never missed a game all season.

continued...

ALL AGE 3RDS TEAM REPORT CONTINUED...

CHRIS PSATHAS (Sweeper): The "Greek" was one of the best players with his solid defence and highly entertaining dribbles. He also included some acrobatic tumbles in his repertoire to gather many free kicks for our team!

JOHN HAWACH (Centre Half): John was a solid as a rock in defence and was an inspiration to the rest of the team as he was always trying to lift the side's morale in times of trouble. Many thanks for your assistance in 1985 John!

PETER ECKERSLEY (Right Half): Our version of "Kevin Keegan" Peter played his heart out every week until a bad leg injury sidelined him for most of the second round. Popular club man.

Also played this season were: Alex Acevski, James Carroll, Andrew Hoffman, Matthew Hoffman, Jim Lee, Bob Mitrevski, John Dostovalov, Frank Cizmar, Louie Hawach, Frank Cizmar and half of the Fourth grade side (thanks!).

I would like to thank two people in particular for their assistance in coaching and running this side namely John Hawach and Bill Pinar. Both John and Bill gave up a lot of their time in passing on their knowledge of the round ball code and I'm sure that next season we will improve our position up to the top of the table!

FOOTBALL FUNNIES

Sport Injuries

Vincent Ardill, well known to Congo footballers for his treatment of sporting injuries, has kindly given some helpful advice to overcome some of the mis-conceptions that can cause serious problems.

He has treated many soccer teams such as Auburn, Avala and Melita and he includes several Australian Socceroos on his books.

QUESTION: Hamstrings are a common soccer injury. What can we do for treatment?

ANSWER: This is only my opinion but I believe hamstring injuries are directly related to a "rotated" hip. This means that the hip is not sitting properly in its socket but it is a simple matter of adjustment by a qualified person to place the hip in its correct position.

An out-of-position hip will put a great strain on the hamstring so always go for an examination.

QUESTION: When I feel an ankle or knee give way what should I do?

ANSWER: If you wish to play again in the not-too-distant future you should come off the field immediately.

Treatment in the first instance is the same for all muscle injuries and that is to apply ice packs to the affected area. Continue the ice three times a day for 20 minutes each day for 72 hours then alternate with heat such as a ray lamp, Deep Heat or similar.

Of course the sooner you attend a clinic the sooner will you be back on the field.

QUESTION: What advantage is there in having a massage?

ANSWER: A massage will relieve aching muscles and often other serious injuries can be treated on the spot. One club I treat has no-one from the Third Grade in for a massage, several in from the Reserves and ALL the First Grade! Might be something to do with age!

QUESTION: What are your views on the use of medicated sprays such as "Skefron"?

ANSWER: As a pain relief spray for muscle injuries I believe "Skefron" is excellent but definitely NOT for injuries to

hard-boned areas such as ankles or knees. The reason being that the use of the spray may disguise a fracture and by playing on you would cause greater injury.

RAAHAUGE CUP 2nds TEAM REPORT

COMPETITION WINNERS 2ND DIVISION

I am as equally proud of this side as I am the First Grade.

After losing three games on the trot early in the season, the team put their heads down and bottoms up!

The match against the weak Flo Harris team saw a change of fortune so much so that the side went through the next 13 matches without defeat only to go down to minor premiers Caringbah in the major semi final.

With several players out of the side in the preliminary final against St. Lukes three members of the victorious Fourth Grade side were called up and a comfortable 4-2 victory was registered.

The Grand Final on September 14 will be one that will remain etched in the memories of those who played and those who witnessed the extraordinary fightback to end all fightbacks!

Down 0-3 with 15 minutes left to play and looking down and out for 1985 the team fought back in one of the most exciting revivals in Congo history to hit the lead 4-3 in the 42nd minute and hold out the stunned Caringbah opposition!

After the disappointments of the First Grade being defeated in the preliminary final the week before, this victory was sweet revenge for Lidcombe and Coach George Luke was a happy man that day!

The celebrations at Carroland Kevin James' house that evening went long into the early morning and First and Second Graders spent hours reliving those four magic goals!

Perhaps that game overshadowed the efforts earlier in the season however a victory in the 'big one' is always cause for jubilation!

The season saw the return of former Congos Garry Williams and Peter 'Body' Burton. Garry was a solid defender all season while Peter was a grand performer until injured just before the semi finals.

Big Scott Anlezark at fullback came of age this season and along with Kevin James and Steve Williams turned

in some excellent performances.

Jimmy Frame, the 'Mr. Reliable' of the team, had another of his brilliant seasons and it was pleasing to see that his younger brother Lindsay has finally shown the form that he always promised.

With both Trevor 'Lumpy' Lavender and Peter Burton injured it was left to Geoff Rider to take on the goalkeeping position and his form in the Grand Final justified the Coach's faith.

The team is very appreciative of the work put in by Coach George Luke and Manager Ian Turnbull and we also thank those players who prepared the weekly 'sausage sizzle' after each game.

What more is there to say except it would have been tremendous for the Firsts to also win the premiership but they showed their ability by going through the preliminary rounds undefeated - the only Congs First Grade ever to manage such a feat.

Thanks also to those players from Firsts and Fourths who filled in when required especially Geoff Morgan who, apart from his five goals, must have set some sort of a record when he played in ALL FIVE of the finals matches that the Firsts and Seconds were in!

To our supporters on the sideline, especially at the Grand Final we say thanks and it was reassuring to have this support to urge us on to victory!

The last match was a lesson to all our young (and not so young!) players: Never Give Up!

It was a very hard job coaching this year in as much that all 26 players turned up each week so I would like to thank all the players for being such good sportsmen.

Premiers for the second successive year. Can we make it THREE in a row? I hope so!

Congratulations to all teams for their efforts and also to all trophy winners.

The team was:-

GEOFF RIDER (GOALKEEPER): The "Muhammed Ali" of the Congs played well all season both in goals when Trevor Lavender was injured and out on the field. Scored two good goals against Flo Harris.

TREVOR LAVENDER (GOALKEEPER): "Lumpy" missed a fair part of the season through injuries however he turned in top games against Castlefield and Caringbah in the first round.

GARRY WILLIAMS (RIGHT FULLBACK): Back for the first time since 1977 Garry showed that he still has it with many strong efforts this year notably in the second round.

SCOTT ANLEZARK (RIGHT FULLBACK): "Boats" had an impressive season and his height, reach and ferocity in tackles made many opposition wingers run the other way. Reached 300 games against Padstow.

JIMMY FRAME (SWEEPER): Although Jimmy played more the Centre Back role he turned in yet another excellent year as the mainstay of the defence. His goal in the Grand Final (first of the year!) was the turning point on the path to victory!

KEVIN JAMES (MIDFIELD): Many an attack was broken up by "Ekka" as he stormed into the fray with boots flying. Will have to give up the indoor cricket if he wants to survive as that was where he received his worst injury of the season!

STEVE WILLIAMS (MIDFIELD): In his second season with us, Steve showed his class both in attack and defence. A match winner against Castlefield in June.

LINDSAY FRAME (MIDFIELD): Lindsay had his best season for years and played in many positions. Where has this chap been hiding those skills all these years! We knew he had them!

MICK ANLEZARK (FORWARD): As captain Mick could be relied upon to set the example. Missed half a dozen matches around May and June through injuries but returned for the big ones!

BRENDAN McKEOWN: "Paddy" scored a dozen goals this season and 'to be sure, to be sure' not many from his head! Great trier but must have been disappointed to miss the Grand Final owing to injury.

PETER HAMILTON (RIGHT WING): "Spindle" can always be relied upon to beat his man and whip the ball across to the centre. When he gives up football he can always turn to race tipping!

PETER BURTON (GOALKEEPER): The "body" was another old boy to return after a long absence and until injured he showed his class whether in goals or on the wing. His experience at our sausage sizzles has seen him open up a take-away at Ballina on the north coast and he has "kindly" offered all his team mates free hamburgers after every match at his north coast eatery (weird sense of humour, eh?)

MARK FORREST (WING): New boy Mark only lasted the first match of the season. He cleaned up the best player award and then got injured headbutting the door!

GEOFF MORGAN: A word of thanks to Geoff who played in the finals matches and scored five goals for us! His presence always lifted the side and hopefully he won't mind the long distance from his panther territory home to Congo land as he will be a vital player again next season.

...AND A WORD FROM CURLY ON THE GRAND FINAL!

Saturday 14th September, 1985 will be a day to remember.

Mabel and myself were fortunate enough to be in attendance at Tempe to witness the tremendous fightback by our Second Grade in the Grand Final against Caringbah.

All had seemed lost but the well known fighting qualities of the Congs emerged and the team ran out quite deserved winners.

Much has been written and said about the 1966 team however they were there in support of the Seconds that day.

It was great to see Barry Williams, Bob Eagleson, Neil Rudgley, Peter James and Curly James lending vocal support!

Congratulations Second grade! You have certainly done the Lidcombe Uniting Church S.F.C. proud!

Ray "Curly" James.

RAAHAUGE CUP 1st TEAM REPORT

I am very proud of our First Grade side for completing both rounds of the competition undefeated. I believe this is the first time ever by the senior side.

Although losing several good players from the previous year we gained some equally as good players this season namely Keith Woods, Mark "Eddie" Baty, Steve Enfield, Darryl Barker and Craig Hinton.

Added to these players we welcomed first timers Dave "Haggis" Currie and Glen Boyle.

With Graeme Heterick in sparkling form and Keith Woods and Mark Baty making welcome returns, the side struggled in the first few matches but then began a military-like demolition of all teams who opposed them.

After being down 3-1 to eventual premiers Castlefield, Lidcombe showed fighting qualities to bounce back and win the game 5-3.

Coan also suffered at the hands of the team in a 3-1 defeat.

That's the sweet part - now the sour part!

How a side can win the Minor Premiership by ten clear points undefeated then lose the major semi and the final is quite hard to understand.

In both the final games the team was unlucky as they hit the posts and crossbar with regular monotony in the early stages. Add these to a few decisions that went against us and we became frustrated instead of playing our natural game.

By losing our cool and our rhythm we found ourselves watching the Grand Final from the sidelines!

The failure of the side in the finals was totally unexpected although the loss of Sammy Dib and Glen Boyle with injuries did not help the cause.

With Graeme Heterick scoring with regular monotony it probably took the opposition sides until the finals to map out their tactics to blot him out of the match.

However Graeme did have a fine season and his hatrick against Rockdale in the State Cup brought up his 100th goal for the club- a tremendous feat!

RAAHAUGE CUP 1STS TEAM REPORT CONTINUED...

Remember my two points:

- (1) POSSESSION and POSITION,
- (2) The ball is ROUND to roll on the GROUND! If it was meant to be in the air it would have had WINGS!!

Many thanks to all the players who represented the side this year and it looks as if I will have to wait until next season to at long last coach a winning First Grade team!

The team was:-

CRAIG HINTON (GOALKEEPER): Back after an absence "Norm" was a reliable performer in goals showing out in matches against Caringbah and Flo Harris in the first round.

SAMMY DIB (LEFT FULLBACK): Sammy's strong, no-nonsense defence was sadly missed in the finals after being injured earlier playing indoor cricket (another one!).

GLENN HAMILTON (RIGHT FULLBACK): Another good season from Glenn and he rarely puts a foot wrong.

STEVE ENFIELD (MIDFIELD): Steve is the mystery player of the side as he would appear one week then not the next. Has the ability but obviously not the dedication.

GLEN BOYLE (MIDFIELD): First year for Glen and he turned in some clever games but was missing late in the season.

KEITH WOODS (MIDFIELD): A welcome back to Woodsy and he had a magnificent season inspiring the team with his non-stop attack and defence.

ALAN PILLING (CENTRE BACK): Alan has certainly come of age in this position since moving from the forwards a few years ago although injuries this season hampered his performances.

MARK BATY (MIDFIELD): "Eddie" is another hard attacker and defender in the "woodsy" mould. Had a good season.

IAN TURNBULL (STRIKER): A hard working player with a lethal left foot "Bub" can read a game well and is always dangerous.

GRAEME HETERICK (STRIKER): A most impressive season from one of Lidcombe's best ever goal scorers. Obviously the player the other teams feared and he netted four hat-tricks this year including a mammoth five goals against Flo Harris!

TERRY ROONEY (STRIKER): Terry is an aggressive player and is always on the go. Still possesses a hard shot.

RAAHAUGE CUP 1STS TEAM REPORT CONTINUED...

DAVE CURRIE (WING): "Haggis" impressed in his first season with us and was frequently switched from the forwards to the backs with equally excellent results.

DARRYL BARKER (RIGHT WING): Darryl is a bright, attacking winger with heaps of goalscoring ability.

RON IRWIN: Ron played two games this season but left to join the army.

PHIL RUSHWORTH: A vital player in past seasons, Phil made a late start to the year but suffered a recurrence of his back injury and missed most matches.

RUSSELL HORE (WING): Scorer of six good goals this year Russell also reached the 300 game mark with a good display in the first round draw with Flo Harris.

You Are The Referee

QUESTION 1: Paddy takes an indirect free kick inside his opponent's penalty area. He merely touches the ball and his captain drives the ball in for a goal. DECISION?

QUESTION 2: Extra time is played at the end of ninety minutes. How do you determine who kicks off? DECISION?

QUESTION 3: At an indirect free kick the ball strikes the referee and goes into the net. DECISION?

QUESTION 4: During the taking of penalty kicks to decide the winner of the Knock Out the goalkeeper is injured. Do you allow a substitute or continue without him? DECISION?

QUESTION 5: A player taking a throw-in throws the ball directly into the opponent's goal. DECISION?

QUESTION 6: At a free-kick the ball strikes the bar and bursts. DECISION?

QUESTION 7: At the taking of a throw-in a defender jumps up and down in front of the thrower. DECISION?

...AND YOUR ANSWERS!!!!

1 Paddy, you had a benevolent referee against Coan!
NO GOAL as the ball has to travel its circumference and
that is approximately 27-28 inches!
2 : Toss up between the two captains.
3 : Order a goal-kick.
4 : Allow a substitute to replace him.
5 : Award a goal-kick.
6 : Drop the ball to re-start the game.
7 : Caution the defender.

GREGORY ROSEVEAR

Members of the soccer club were saddened by the passing of GREG ROSEVEAR on August 11, 1985.

35 year old Greg spent six seasons with Lidcombe Congs joining the club in 1960 in the Under 10 side.

He achieved the honour of becoming the first player to reach the 100 games mark with the Congs in 1964 and his undoubted ability on the field was an example to all his teammates.

To his wife and family Lidcombe Uniting Soccer offers sympathy and prayers.

RECORDING OFFICER'S REPORT

Perhaps I am a little biased but it is interesting to note that five out of the top seven players in the 1985 Players' Statistics came from the All Age 4ths team!

Con Kottaridis (U/14) is the junior player with the most number of games while the 29 players above him are from the senior teams.

Last season Graeme Heterick (R/C 1) tied with Minh Tran as the season's highest goalscorers after some last minute scoring after the Annual Report was produced.

This season the Annual Report has been published after all games had concluded so the statistics are right up to date.

Many thanks to all those who gave their time to assist with the compilation of the statistics and I was pleased at the number of general enquiries that came from players during the season concerning the nearness of 200 games etc.

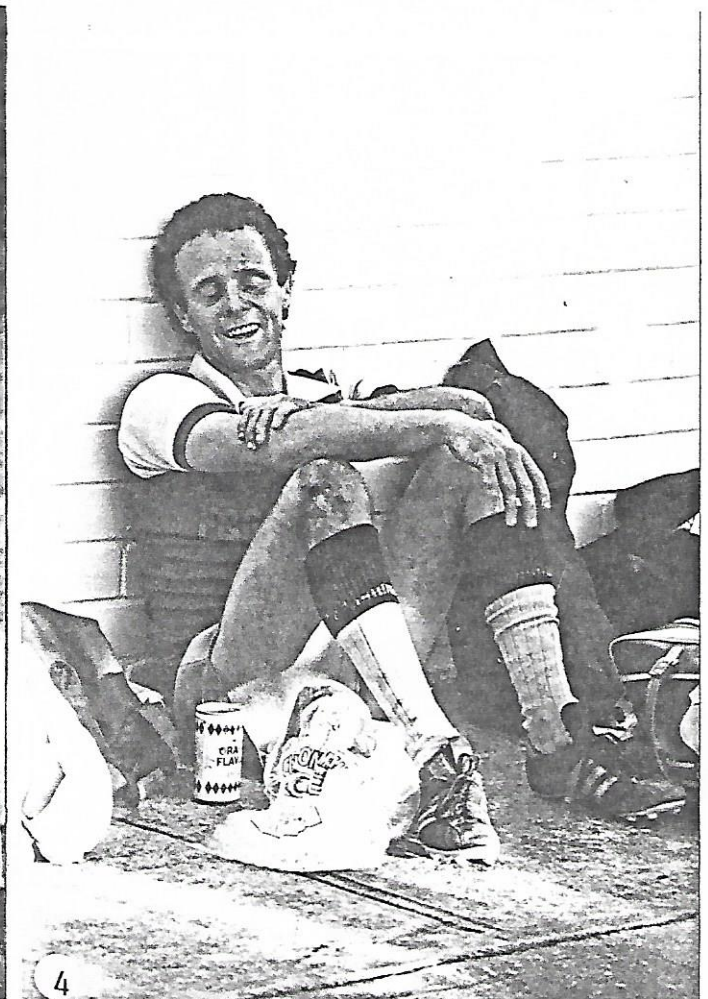

I trust that the information contained throughout this year's Report will support the importance of maintaining such material. The 'Honour Roll' and 'Life Members' sections have been enhanced by the addition of the year.

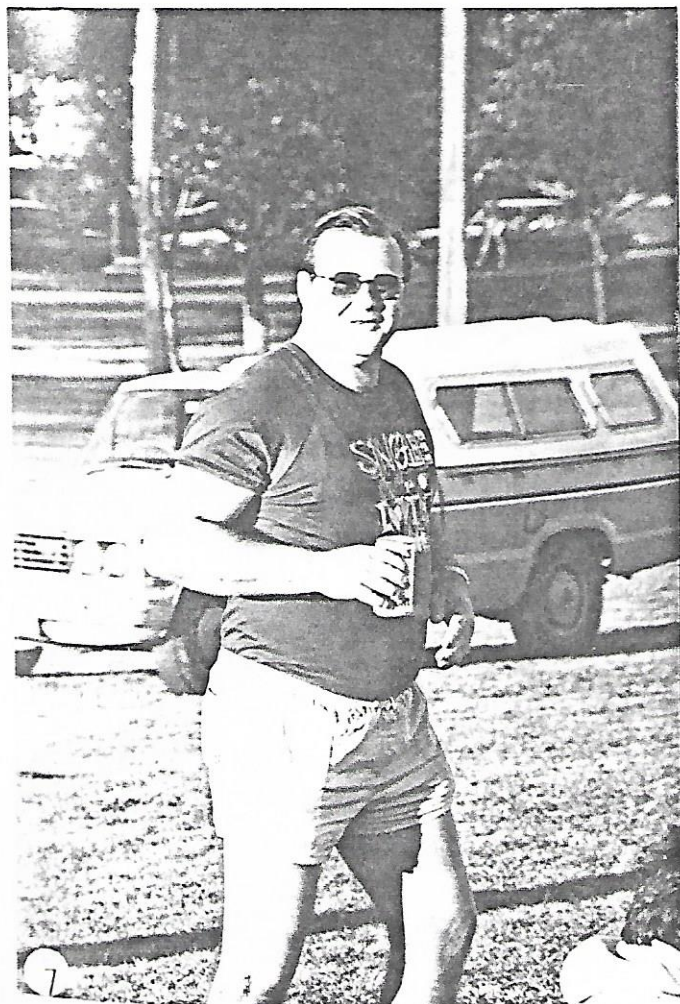

Geoff Morgan, a previous club Recording Officer, was of great assistance in 1985 and John Hawach contributed some vital information.

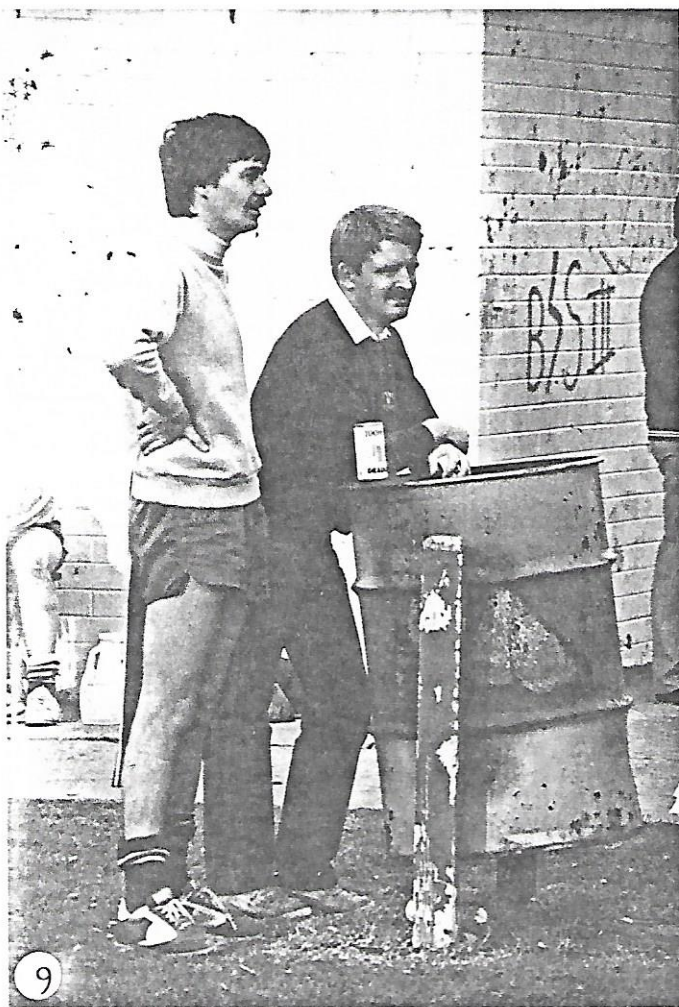

Many thanks for the assistance!
