# PRESIDENT'S REPORT

BARRY HICKEY

Soccer is a team sport and anything that a player does influences the other members of that team.

By being part of a team one becomes reliant upon team mates for support and assistance in order to achieve the goal and ultimate victory.

Like the teams that we play in and support the Lidcombe Churches Soccer Club is also a team and its future is very much dependent upon the contribution of its members to achieve its goal - provide all players with a game of soccer.

The amount of administration required to achieve our objective is enormous and all assistance, no matter how small, will help relieve the burden on another of your team mates.

Players and supporters of Lidcombe Churches Soccer Club - show your team spirit and interest in YOUR future by attending the ANNUAL GENERAL MEETING on Tuesday, October 28th, 1986 at the Lidcombe Catholic Workmen's Club.

Perhaps you may have an idea which could benefit the Club so do not be hesitant about speaking out as we welcome all contributions.

1986, being the first year of the amalgamation, was a success both on and off the field.

Irrespective of results, all teams represented the Club with pride and I know opposition clubs were impressed with the playing and sporting standards displayed.

Your committee carried out the Club's administration in an efficient and methodical manner and I congratulate the members on their excellent work throughout the year.

Many thanks to our fine canteen brigade who spent many long hours behind the counter for the benefit of our players.

Following a season of unqualified success I look forward to 1987 for an even bigger and brighter year.

BARRY HICKEY,  
PRESIDENT

# SECRETARY'S REPORT

In its inaugural year the Lidcombe Churches Soccer Club has enjoyed a most successful season.

The amalgamation between the St. Joachims Parish and the Lidcombe Uniting Church Soccer Clubs proceeded much more smoothly than had been earlier anticipated and 1986 saw three of the junior sides - the Under 7s, 10s and 13s- take out their respective competitions.

KEN JAMES

However the greatest measure of the season's success was the Club's ability to attract thirty five children who had never played soccer before.

We were also fortunate to field full strength Under 7 and Under 8 sides which is something the two former clubs had been unable to achieve prior to amalgamation.

Our successes on and off the field in 1986 signify a bright future for Lidcombe Churches but we must beware of complacency.

A summary of the Club's activities during the season is set out below:-

## TEAMS:

Eleven teams were fielded this season - seven junior sides ranging from Under 7s to Under 15s (total playing strength of 100) and four senior sides (55 players).

The growth of numbers in the very junior ranks is especially significant and is the most pleasing aspect of the amalgamation.

Congratulations go to those players and officials who were successful in their competitions however equally satisfying was the performances of all our junior sides.

Of the senior sides in 1986 both the First and Second Grade teams had disappointing seasons after promising so much in the earlier rounds.

A combination of both injuries to key personnel and the

## SECRETARY'S REPORT (continued)...

unreliability of others saw the two sides' performances slip dramatically in the latter part of the season.

Obviously the Club's Management Committee will take a long and hard look at these players who let us down in 1986 especially when it comes to registration time next season.

More pleasing was the efforts of the 3rd and 4th grade sides who both made the semi finals.

The 3rds, a team comprised of many long serving Club players (ten aged over 35!) finished in fourth position after being defeated in the minor semi final.

The 4ths finished as Minor Premiers but were defeated unluckily in the final.

### COACHES AND MANAGERS:-

Signing-on day in February attracted more juniors than anticipated and fortunately we were eventually able to fill all coaching and managerial positions.

Special mention must be made of four Under 15 players- James May, Eddie Mendez, Levent Pinar and Scott Rayner who coached and managed the Under 8s and Under 10s.

On occasions they were prepared to miss their own game when playing times clashed rather than leave the young ones without supervision.

Scott and Mick Anlezark, who coached the Under 15s, attended a Level One coaching course organised by the Association in May and the feedback from them was quite favourable.

The course is not difficult and is designed for anyone looking after junior teams.

### CANTEEN:-

It was pleasing to see the canteen fully operational this year and acting as the focal point of our Club's activities.

Special mention must be made of Betty Lancaster and Jeanette Raffaele who took prime responsibility for the running of the canteen.

Betty willingly continued in this role even though her

son had to withdraw from the Under 11s after only a few games as he was required to play for his school side on Saturdays.

Many thanks also must go to Carol and Chuck L'Heureux who worked quietly in the background purchasing and restocking the canteen.

### SPONSORSHIP:-

The Club is indebted to Lidcombe Travel Service for their monetary support this season and any Club member intending to travel should certainly consult this firm concerning any arrangements needed.

At the time of writing I report that our approach to the Lidcombe Catholic Workmen's Club for monetary support has not been successful to date but we understand that this matter is still being considered by the club.

### EQUIPMENT:-

1986 saw each team supplied with training balls as well as a new quality match ball.

In addition each player received a pair of Club socks on registration.

Unfortunately due to the Club's inability to attract a major sponsor we were unable to achieve our goal of outfitting each team in a strip of the new Club colours.

However the team strips that we inherited from the former clubs were, with rare exceptions, in good condition.

All teams were well presented and new shirts were obtained for the Under 14s and 15s but only for the last few matches due to late shipment.

### SUPPORTERS:-

Most of the junior sides were very well supported and it was heartening to hear the constant sideline encouragement from parents and friends.

This encouragement can only help the players to enjoy their soccer which is important if we are to avoid the "dropping out" of footballers which is happening in the various codes.

## SECRETARY'S REPORT (Continued)...

### PUBLICITY:-

All members of our Club are well aware of the excellent soccer reports which appeared this year in the Review Pictorial newspaper.

You may not be aware that these reports were written by Neil Rudgley and involved him in a considerable amount of time and effort each week.

The Lidcombe Churches Soccer Club is indebted to Neil for his excellent publicity and many thanks must also go to Mr. Charles Elias and his staff at the Torch Publishing Co. for allowing our reports to be published in the local paper.

As you read through this year's Annual Report I am sure you will have appreciated the high quality of the publication and again Neil Rudgley, as he has done so for many years, has been the driving force behind this excellent magazine.

I am pleased to report that Neil, in addition to being awarded the Best Clubman Trophy for the third time, will be honoured at today's presentation with a Life Membership badge.

### INDIVIDUAL PERFORMANCES:-

Congratulations go to Bill Knowles (R/C3) on reaching the 200 game mark on 21/6/86 following an illustrious career which started back in 1967.

100 game awards have gone to Keiran O'Hara (U/13), Gabreal Halvagi (U/14), Perry Panousopoulos (U/15), Chris Woo (U/15), Peter Hamilton (R/C2) and Glenn Hamilton (R/C1).

Four other former St. Joachims players, Alex and Pat Pereda, Mario Vukelic and Phillip Milic, reached the 100 game mark in previous seasons and the Committee has awarded these players appropriate trophies.

It is also pleasing to report that popular Brendan "Paddy" McKeown scored his 100th goal for the Club on 31/5/86 in the Raahauge Cup 2nds game against Lugarno.

Captain of the victorious Under 10 side, Danny Susovich, has been voted the Most Promising Junior Player for 1986 and I am sure that those of you who have seen this young lad play will agree that he has a great soccer future.

## SECRETARY'S REPORT (Continued)...

### CONCLUSION:-

I have enjoyed my first year as your Club Secretary and I am highly appreciative of the support and assistance I have received from many people but none more so than my wife Sandra.

I extend a warm welcome to ALL people to attend the Annual General Meeting which will be held at the Lidcombe Catholic Workmen's Club in John Street on Tuesday, October 28th, 1986.

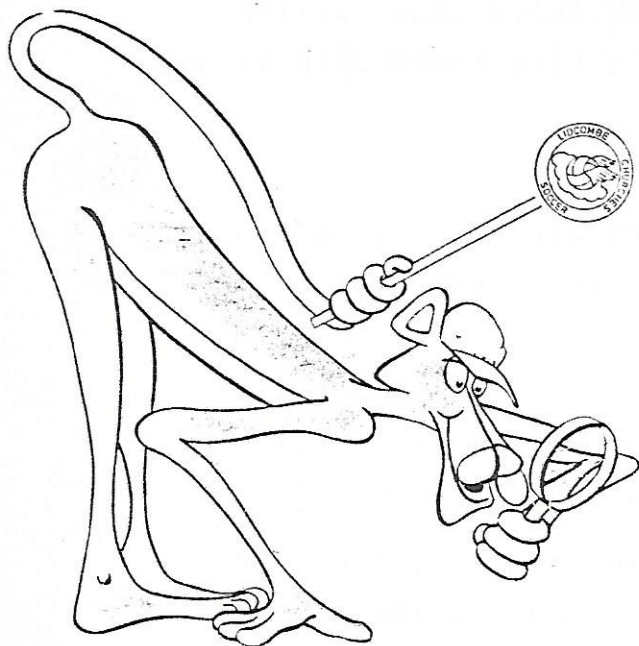

Also a reminder that the Club's 1987 Registration Days will be held on Saturday mornings February 7th and 14th.

Yours in Sport,

KEN JAMES,

HONORARY SECRETARY.

# UNDER 7 TEAM REPORT

## COMPETITION WINNERS DIVISION 2

This team had a very successful season winning fourteen games, drawing 2 and losing 1 although this loss against Arncliffe was reversed by the Association due to the Arncliffe side fielding over-aged players.

As a result Lidcombe ran out competition winners by a clear ten points.

However even if the side had not won the competition I would still have voted 1986 as a most successful season because it was obvious that the boys all enjoyed themselves making many new friends and this is what sport is all about.

On the technical side the boys showed good progress in developing their soccer skills and it was a delight to watch the development of team work as the season progressed.

The parents are in no small way responsible for these excellent results because of their constant encouragement throughout the year.

Not once did I hear a word of criticism of the boys which is how it should be in junior sport.

The team is especially indebted to Sandra James who not only washed shirts and provided drinks after training and on Saturdays but also trained the boys when I was running late.

Thanks must also go to Bruce Cragg who assisted at training, provided cool drinks and generally helped out in managing the team.

To those mothers who took turns at washing the shirts I offer the thanks of the team.

The team was:-

SCOTT CRAGG (Attacker): A strong runner with the ball who scored some excellent goals especially with his powerful left foot.

More goals will come his way when he learns to conserve his energy & keep the ball closer to his feet when dribbling but he has got plenty of time to develop these skills.

A joint winner of the Most Consistent Player award.

VINCENT GERADA (Attacker): A whole hearted player who never

## UNDER 7 TEAM REPORT (Continued)...

stopped trying and scored some very good goals. He is a coach's delight in that he is always prepared to listen and attempt to carry out what he has been told.

An excellent season and congratulations on being the joint winner of the Most Consistent Player award.

MATHEW JAMES (Defender): Mathew is a strong defender who displayed excellent positional sense as well as making several great goal-keeping saves. His ability to beat the man when dribbling the ball was another feature of his play.

STEPHEN JAMES (Attacker): A clever runner with the ball Stephen also has a powerful left foot but even so he understood to pass the ball to a teammate in a better position. It was pleasing to see him use his right foot whenever possible.

He is the team's No. 1 goalkeeper also and this is the reason why he was selected in goals for the harder games.

KURT EDWARDS (Attacker): A strong determined runner with the ball Kurt's dribbling and ball control skills improved considerably as the season progressed. His strong tackling was another feature of his play and he also scored some excellent goals.

TOMMY PAVLEK (Defender): Another strong defender with a powerful left foot who could always be relied upon to follow instructions and play in his position. Along with Mathew James and Michael Mesic, Tommy formed the backbone of the team's defence.

MICHAEL MESIC (Defender): A big strong defender who made many strong tackles and was always willing to follow his coach's instructions even if this meant waiting back in defence instead of going up with the rest of the team chasing the ball.

Thanks for a great job, Michael!

TRENT SMITH (Defender): Trent is another wholehearted player who could always be relied upon to do his best. He was never far away from the ball and made many good tackles as well as some strong attacking runs.

MARK JONES (Defender): A non-stop trier who played steadily all throughout the season and was in for his share of kicks and tackles. If he practises his kicking he will develop into a very handy player.

Continued...

## UNDER 7 TEAM REPORT (Continued)...

RYAN TWOMEY (Attacker): Another non-stop trier who deservedly scored his first-ever club goal in the second last game. He only has to learn to go in harder for the ball and to practise his sprint training to develop into a really fine player.

ANDREW NELSON (Attacker): A whole-hearted chaser of the football who was able to get himself into many goal scoring situations only to see it break down at the last minute. When he learns to control the ball better (especially keeping the ball closer to his feet when dribbling) the goods will come.

Scored his first-ever goal in the last game.

PAUL BENNETT (Attacker): Paul tried very hard and in some games he proved what he could do when he put his mind to it and tried to get his share of the kicks.

PRZEMEK DEREGOWSKA (Attacker): Another player who tried hard and had his best game in the final match when he had some good kicks.

DANIEL RAFFAELE (Attacker): When Daniel displays the same "tiger" in games as he does at training or when someone spills a soft drink then he will become a useful player. However, it is all up to Daniel to decide whether he wishes to become a soccer player or not and, if so, he must put his mind to it.

STEPHEN MORRE (Attacker): Stephen was the youngest player in the side (5 years old) and did not play many games. On the occasions he was selected he was prepared to get in and have a go and he is a good prospect for next season.

In conclusion I would like to thank the boys for giving me so much pleasure during the season.

KEN JAMES  
(MANAGER/COACH).

## TOP AWARD TO RAY

RAY JAMES BEING PRESENTED  
WITH HIS AWARD BY THE MAYOR  
OF AUBURN, ALD. TERRY KEEGAN.

Co-patron of the Lidcombe Churches Soccer Club, Ray James, was this year honoured by the Rotary Club of Auburn for his outstanding contribution to junior soccer in Lidcombe.

At a glittering presentation at the Auburn Baseball Club on 22nd April, 1986, Ray received a Citizenship Award from the Mayor of Auburn, Ald. Terry Keegan.

The Lidcombe Churches Soccer Club congratulates Ray James, a worthy recipient of this prestigious award.

## UNDER 8 TEAM REPORT

The new season presented our club with an Under 8s side but without a coach nor manager so James May and myself gladly took the positions.

Our initial problems revolved around teaching the boys the basics of soccer as well as getting to know the boys themselves.

As the season progressed both boys, parents and coach became well acquainted and it was satisfying to see that those boys with prior experience set fine examples to the others.

The team started out slowly as the mere sight of a soccer ball would start a rush that meant players were forgetting positional play etc. but this was soon overcome after the first few games of the season.

By midway through the season the boys were playing as a team and strung together some draws and some wins.

Just when the boys were putting it together the season came to an end but we settled down to a sausage sizzle and drinks after the final game.

I would like to thank the boys for their efforts in 1986 and trust that their enthusiasm carries on into 1987 when I am certain we will have a bigger and better season.

In conclusion the team is indebted to the parents for their support throughout the year.

The team was:-

PETER SAVAGE (Goalkeeper): After previously playing for Auburn out on the field Peter slotted into goalkeeping exceptionally well and he made many fine saves.

TROY BATTY (Right Back): Troy scored the team's opening and winning goal in the fourth game against Glenbrook and was always up amongst the forwards or in defence as required.

BRETT NORRIS (Centre Back): Brett enjoyed himself in this position and made several attacking raids at the opposition.

JOSE DOMINGUEZ (Left Back): After a late start to the season Jose fitted into the fullback's position quite well.

DAVID WALKER (Right Half): David is one of the smallest in the

Continued...

## UNDER 8 TEAM REPORT (Continued)...

team but that did not stop him from having a pleasing season being one of our two right halves.

BRETT MAY (Right Half): One of the youngsters in the team Brett was called up from the Under 7s to make up the numbers and he performed well throughout the year.

CLINTON LANE (Centre Half): Even though he is one of the smallest players, Clinton shone in his defensive duties.

SEAN HOWES (Left Half): A newcomer this season, Sean enjoyed himself immensely and turned in some fine performances.

ADAM DUNPHY (Right Wing): The tallest player in the side, Adam showed speed and agility in all his matches.

MICHAEL GIANG (Inside Right): Michael had a fine season and showed plenty of promise as an attacking player.

SAMMY DARSA (Centre Forward): Being the most experienced, Sammy scored four goals this year in a bright display.

PAUL CRUMPTON (Left Wing): Short in stature, Paul had a good season and often let his thoughts be known out on the field.

SHAUN CLOWES (Utility): Playing his first season Shaun, despite being the smallest in the team, was able to play in all positions.

NALDO LABA (Utility): Being his first year, Naldo was unsure of the game but showed improvement by the season's end.

RICHARD KRONBERGER (Utility): Richard missed a few games this season but was able to capably fill in on the right wing despite this being his first season.

## Competition Winners Division 2

(Awarded the Robert Brown Memorial Shield for Meritorious Team)

For many of the Under 10s, 1986 was the first season of soccer but, by winning the first few games, the boys were quite a pleasant surprise - a surprise which continued right throughout the season and culminated in a premiership victory.

The side got off to a good start and took a lead in the points but following some disappointing performances this lead started to slip.

However by sticking together the boys saw their way out and went into the vital last game one point clear of second-placed St Matthews (b) and a Danny Susovich goal gave us a win and also the competition.

Of course none of this would have been possible without the splendid help of the parents and I would like to thank the following people for their assistance with the boys:- Mr. and Mrs. Edwards, Mr. and Mrs. Kealy, Mr. and Mrs. Susovich, Mr. Kronberger, Mrs. Lerotic, Mr. May, Mr. and Mrs. Pecnik.

To anyone else I may have missed I offer my apologies and thanks for your support which, I'm sure, was rewarded by our boys bringing home the cup!

On behalf of Levent and myself, I would like to thank the boys for their enthusiasm and efforts and I would like to see them all again in 1987.

The team was:-

ESAR BISSEH (Goalkeeper): Esar had a great season in goals saving some really hot shots. He has great potential so keep at it, Esar!

JAY CLOWES (Half): Jay started the season a bit shy but he improved immensely as the season progressed and he deservedly won the Most Improved Player trophy.

DAVID EDWARDS (Forward): David is a good player but only when he involves himself with the game. More involvement next season and your game will be even better.

EFRAM HALVAGI (Back): Efram is a player who always puts in a full effort every week and carries out his job well. Keep up the good work, Efram!

## UNDER 10 TEAM REPORT (Continued)...

DREW KEALY (Centre Forward): Drew has the makings of a great soccer player but sometimes tends to hold onto the ball a bit too long. He does his job very well.

STEVEN KRONBERGER (Utility): If Steven puts his mind to it and tries that much harder he could become a very good footballer.

PETAR LEROTIC (Back): Petar is a top defender, always clearing the ball and backing up his team mates. Good season, Petar!

LUCHANO LISICA (Wing): He is a very good winger, fast and good ball control. He has great potential following a great 1986!

FRANK LUBURIC (Back): Frank is an excellent fullback who has a big kick that continually got the side out of trouble. Well done!

STEVEN MAY (Utility): Steven is a player who shows the goods only when he gets involved but he displays tons of potential.

SEAN O'HARA (Wing): Sean is a very talented player who is good in playing his position and continually pushed the team. Good season!

DENIS PECNIK (Half): Denis is a strong tackler and when his ball skills improve he will become a very good player.

IVICA PUSKARIC (Forward): Ivica is a great battler and with more speed he could become a very good forward.

STEVEN SIEM (Back): Steven is a trier and with some ball skill practise during the off-season he will improve his game.

DANNY SUSOVICH (Half): Danny was the team captain, always playing his best and never giving up. He deservedly won the Most Consistent Player award.

FREDERICK LEE: Frederick left us mid-season but he showed that he had the makings of a fair footballer.

EMILE ISAAC: Emile played five games early in the season and was an impressive player until his departure.

## FOUNDER DIES

TED JAMES

Edward (Ted) James, the founder of the Lidcombe Congregational Church S.F.C., passed away on July 10th, 1986.

Ted, father of our current club Patron, Ray, formed the club in 1939 and was instrumental in the formation of sporting clubs in the Lidcombe area.

Ted was honoured by our club in 1979 when he was awarded a Life Membership badge at the 40th Anniversary Ball.

Previously, Ted had also been awarded Life Membership of the N.S.W Protestant Churches Soccer Association.

Soccer will be poorer for the loss of Ted James.

## UNDER 11 TEAM REPORT

This season our side welcomed several new faces, the nucleus of last year's team returned and together they all blended in very well.

We started the season on a bad note losing 4-0 to eventual premiers Greystanes but that loss did not deter the boys because they came back from that defeat and ended up having a very good season.

We finished fourth in the competition but with a little more luck we could have finished higher up the ladder.

The team went exceptionally well in the Knock-out reaching the semi-finals before losing to Abbotsford in an excellent match.

This is my first year as coach and I can honestly say that I have thoroughly enjoyed the company of the boys and I look forward to an even better season in 1987.

Many thanks to those parents for their loyal support throughout the year for without your assistance my job would have been that much harder.

The boys all had a good share of the games and were a great credit to the club and I hope to see you all back with us next year to start 1987 off with a bang!

The team was:-

MICHAEL HALVAGI: Michael is a midfield player who had a good season and shows a great deal of promise. Well done!

JOHN LANCASTER: John performed well in the first two games but had to drop out to play with his school side.

TIMOTHY PENNINGTON: An excellent season for Tim who played both defence and midfield equally as well. Shows a lot of promise as he has immense skill and talent. A complete footballer and one of the most improved players.

GUISEPPE DI MARCO: He is an exciting player with an abundance of speed. With his speed he has the ability to make length-of-the field runs from the defensive position.

ANDREW McNAMARA: A defender who had a good season. Rock solid at the back combined with strong tackles and big clearances.

Continued...

## UNDER 11 TEAM REPORT (Continued)...

JAMES TRIKALIS: Our right winger who showed a lot of improvement throughout the year and was always a danger to opposing sides with his running down the flank. Like Timothy, James was one of the big improvers this season.

CHRISTIAN PINO: Christian had a very good season in goals saving the team on numerous occasions. He deservedly won the Most Promising Junior Goalkeeper award.

ALEX PEREDA: Alex was an excellent captain and sweeper who controlled the game well from his position. He is safe in defence and excelled in attack. For the second year in a row Alex has won the Most Consistent Player award.

ROBERT APPS: An excellent left footed player who troubled many sides with his crosses from the left as well as his dangerous shots at goal.

GERARD TRIVES: Our substitute goalkeeper and forward shows great courage irrespective of which position he is called upon to play. What he lacks in ball control he certainly makes up for in commitment.

SEAN TWOMEY: A striker in the classic mould who has a real nose for scoring and can turn half-chances into goals. Good season!

WESLEY FULLER: Only played two games but may return in 1987.

TREVOR HOFER: Trevor is the youngest player in the side and he handles the left wing or left back with ease. He shows a lot of pace and has a very promising future.

OKAN BASACIK: Okan was our utility player covering any position capably. A very versatile player.

Also played:- Attila Yilmaz and Nabil Abdul-massih.

# UNDER 13 TEAM REPORT

## Competition Winners Division 2

After several seasons of narrow misses this season the boys finally took out the competition after a struggle with Blacktown.

Only two of the team had ever tasted success before and this made the season's victory so much sweeter.

In attack this season we saw Subhi Folfol net 17 goals before he returned to Lebanon in early July but we were fortunate in gaining Sarkis Boudaher who took over from where Subhi left off and scored five goals in eight games.

After being level-pegging with Blacktown all the season we broke away from them following a 1-0 victory in late July and our 0-0 draw with them in the last match saw the competition head for Lidcombe.

I know the boys will join me in thanking Sam and Marion Abdallah for their assistance this year.

GOALKEEPERS-The team was:-

TONY TANNOUS (Goalkeeper): A superb season for Tony who has become a first rate keeper.

SEREF UGRAS: A handy back-up keeper who stopped all the hard drives yet sometimes dropped the easy ones! A bit more concentration will improve his game.

HALVES-

ANTHONY IGLIC: Tony has enormous potential as a defender. He is a big strong boy with a very quick turn of pace using quality ball control.

SAM ZAPPALA: Sam is a very fine captain and an inspiration to his team mates. Never turned in a bad performance.

MATTHEW HICKEY: Matt joined the team midyear and became a stalwart. A tenacious player who never gives up.

JASON TILLOTT: Jason became a versatile player being a first class back and a substitute forward. He added a couple of goals late in the season - his first ever goals! Well liked by all the boys Jason is a fine club man.

MIDFIELD-

KEIRAN O'HARA: I class Keiran as an unlucky player because he sets such a high standard every game that he often gets taken

## UNDER 13 TEAM REPORT (Continued)...

for granted when the awards are being handed out. The backbone of the side he scored a fine goal against Glenbrook.

ALEX XENOS: Alex is a player with fine ball control skills and a good brain for the game. He created many opportunities for the forwards as well as scoring two goals himself. Bit more concentration needed to improve even more.

CHRISTIAN ORREGO: We lost Christian for half a season due to injury. He was much missed during his absence as he never knows how to go at half pace. A very talented player.

EDDIE ABDALLAH: Eddie was our most versatile player being selected in almost every position including goalkeeper. He never let the side down whatever position he played.

### FORWARDS-

MARK McKEOWN: We lost Mark midseason when he travelled overseas and his extraordinary speed and tenacity were sadly missed.

NICK MILIC: Nick is a determined player with abundant ball skills and speed. He created havoc with opposition defences and scored three goals this season.

SUBHI FOLFOL: Subhi was our main striker scoring 17 goals before going overseas and obviously he would have scored many more had he stayed with us.

SARKIS BOUDAHER: He joined us mid year and his talents were a big reason for top position on the ladder. A player with all the skills but still plays a team game.

CHRISTIAN MARINAS: A big improver late in the year who became a real handful for the opposition. Christian is very quick and he has a fine positional sense scoring five goals this year.

CON KANDILIERAKIS: He is a real trier who never gives up. He often worried about letting the side down but he never did.

## *You Are The Referee*

Here we are back again to test out all you budding referees! With the Churches Association crying out for some new blood (?) within the ranks try these questions out and see if you are (or are not!) as smart as you reckon you are!

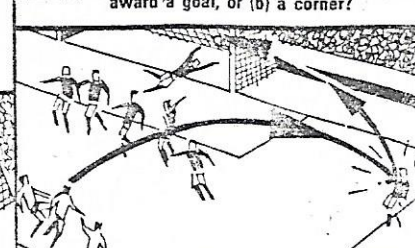

**1** An attacker is standing in an offside position in the opposing half when the ball is kicked direct to him from a goal-kick. The attacker goes on to score. Should you (a) allow the goal, (b) award an indirect free-kick or (c) direct free-kick?

**2** From a free-kick a defender passes the ball back towards his goalkeeper. An attacker, standing in an offside position, intercepts the ball and scores. Should you allow the goal?

**3** The ball, miskicked from a free-kick inside the penalty-area, strikes you standing just outside the area and rebounds into the goal. Should you (a) award a goal, or (b) a corner?

**4** Two players accidentally run over the goal-line but the ball remains in play. The defending player holds the shirt of his opponent. Should you award: (a) a penalty, or (b) drop the ball?

## ANSWERS

(1) Allow the goal. (2) Allow the goal. (3) Award a corner. (4) Drop the ball.

## UNDER 14 TEAM REPORT

This year's Under 14s started the season in great style and by the completion of the first round we were well up on the ladder having won five out of the seven games played.

Despite players from both the amalgamated clubs not being familiar with each other at the start the boys soon settled down and developed into a very good side.

In the second round we dropped valuable points to teams that we had earlier beaten however the only difference between us and the other top sides was the lack of size (but plenty of heart!).

Gabreal Halvagi kept up his goalscoring efforts with 10 goals including two hattricks.

I would like to thank Mrs. Yee and Mrs. Pereda for their continued assistance throughout the year which made the season so much easier.

Congratulations must go to the team who, despite losing many games in the second round, never stopped trying their hardest throughout the season.

The team was:-

SHANE ARIANSEN (Fullback): Despite playing his first year of soccer Shane put in some excellent games especially towards the end of the season when his knowledge and confidence grew.

ABRAHAM BISSEH (Right Wing): Abraham showed his potential this season with some good displays speeding down the flank.

SAM FOLFOL: Sam unfortunately left us midway through the second round and his loss was invaluable to the side.

GABREAL HALVAGI (Striker/Inside Left): Although lacking in size "Gubs" showed plenty of heart scoring goals in a very consistent display.

ANTHONY KINDA: Anthony missed the early part of the season through injury but returned to play as a partner to Gabreal. He was later switched to Centre Half where he played some of his best soccer for seasons.

Continued...

## UNDER 14 TEAM REPORT (Continued)...

PHILLIP MILIC: Phil proved to be the competition's most dangerous left winger with his ability and ball skills.

ADAM MITCHELL: Adam is a very versatile player who has finally found his best position as striker. He can be very quick and used his speed to great advantage.

PAT PEREDA: Pat is one of the club's best sweepers and he has the great ability to read a game. His height is his biggest advantage and he turned in top performances all year.

DANNY SMITH: Danny has the ability to kick with both feet and he put in some good games. Danny will improve even more when he learns how to clear the ball more quickly away from goals.

MARIO VUKELIC: Mario's game improved throughout the season with very few wingers getting past him. Stay with us Mario as you have a great future.

JASON YEE: Another player who has put in some excellent games this year. Jason played in many positions throughout 1986 and was unlucky not to score on several occasions.

ANTHONY GERADA: He joined us midway through the season and it was refreshing to finally hold a regular goalkeeper. He proved his worth with some great saves.

Many thanks to all those who assisted this season which proved to be a most enjoyable year.

## UNDER 15 TEAM REPORT

It was a disappointing year this season for the Under 15s who were chasing their third successive premiership.

Following the loss of four players from last year's successful side, the team started off on a bad note with a 5-0 loss against Greystanes which was also the side's first loss since 1984.

It wasn't until the fourth game of the season against St. Andrews Bexley when we picked up our first point of the season and this game, coincidentally, was the first game where a full side was fielded.

During the season it was a constant battle to field eleven players on Saturdays with Scott Rayner, Eddie Mendez, James May and Levent Pinar all controlling younger sides whose game times frequently clashed with some of our matches.

The second half of the season finally saw the team field a full side producing four successive wins at one stage allowing the side to finish in fourth position on the table.

Continued...

## UNDER 15 TEAM REPORT (Continued)...

The Under 15s also made it to the semi-finals of the Knock-out competition only to go down 1-0 to eventual winners, Southern Aurora, who also took out the competition.

We would like to thank those players from the Under 14s who filled in during the season when we were short.

A special thanks also must go to Martin Stone for his support throughout the year and also for his assistance with transport.

The Team was:-

JAMES MAY: Another strong year in goals although he missed several matches through volleyball and coaching commitments. He had a run out on the field late in the season and seemed to enjoy the change.

CHRIS WOO: A late start to the season for Chris but he put in a good effort in the games that he played.

SCOTT RAYNER: Proved once again how well he can read a game putting in some fine performances throughout the year.

LEVENT PINAR: Levent played the previous two seasons above his age group before dropping back to his own age team. He had a strong season at fullback although found some of the opposition a bit quick for him. With some improvements he could become a real good footballer.

PAOLO MARDONES: A very strong player who, in only his second year of soccer, has shown some great skills. He is destined to become an even better player if he sticks with the game.

EDDIE MENDEZ: An outstanding year for Eddie after also dropping back to his own age group. He has great skills and ability and used his size to great advantage. Can only go on to better things.

HARRY STONE: Another consistent year for Harry who scored four goals and always gave a 100% effort no matter what position he played.

Continued...

## UNDER 15 TEAM REPORT (Continued)...

SALVATORE DI MARCO: In his second season with Lidcombe Sal showed his versatility by playing in numerous positions from midfield to fullback and finally in goals.

Congratulations on winning the Most Improved Trophy for 1986!

FILIPPO DI MARCO: Filippo has an abundance of speed and used it to advantage during the year to score ten fine goals. Could have scored more had he used his left foot more often.

CRAIG CULLEN: Craig showed his ability as a striker and with his speed was able to score three goals. He also helped out in the defence at times when the opposition was in attack. A fine year.

PERRY NIKOLIC: Perry is a hard runner and never gave up all year. Always ran at the opposition hard and gave it his best at all times.

PERRY PANOUSOPOULOS: Perry P. has plenty of ball skills and along with his size was able to use these to advantage throughout the season to score some fine goals.

Also played:- John Venditti, Michael Hawach, Sam Arab and Con Kottaridis.

## PATRON'S VIEW

RAY JAMES

The wise decision to amalgamate the Lidcombe Uniting Church S.F.C. and the St. Joachims Parish S.C. this year has proved to be a veritable success story.

Under the control of caring and dedicated sportspeople this newly formed club is playing such an important part in the lives of the many youngsters in the area.

These youngsters are not only taught the basics of soccer but also the basics of good sportsmen and, in turn, good citizens.

The work carried out this year is the forerunner of future planning for our club and it could not be in better hands.

Good luck and further successes in the future!

## RAA HAUGE CUP 4 t h s T E A M R E P O R T

---

The fourth grade side commenced the season as a team of virtual strangers being composed mainly of players new to the club.

However the players were able to overcome this obstacle and developed as a team to such an extent that they finished the season as Minor Premiers.

Unfortunately the team could not win a game in the end of season play-offs and were eliminated in the final after three hard fought games when decisions just didn't go with them, especially in the major semi final replay.

The team is grateful to Sandra James who washed the shirts and to Dave and Stella Eagleson who ensured that they never went thirsty throughout the season.

The team was:-

SAM KANAAN (Goalkeeper): Started the season as a winger but volunteered to perform between the sticks when it was found that we had no keeper. He performed creditably throughout the season and also makes the best pizzas in the west!

NIGEL BATTS (Fullback): Returned to the club after several years absence and the improvement in his play was especially noticable to his former coach (K.J.). Played a consistent, no frills defensive game and wasn't afraid to take on the big boys!

BULENT PINAR (Fullback): Started the season as a forward but proved an instant success when switched to the backs where he has found a home. Had a good season.

ERHAN ERDOGAN (Fullback/Centre Back): A rugged, no-nonsense player whose tackling was a feature of his game. One tackle in the semi final replay will live long in the memory of those who saw it! Played well throughout the season.

ROSS MENDICINO (Fullback): Ross missed a number of games but played wholeheartedly when he appeared. Showed he hasn't got a glass jaw either when the Oatley West player socked him!

STEVE RAPSON (Centre Back/Midfield): By far the team's (and the competition's) most dominant player. Skilled in all facets of the game he has a never-say-die attitude coupled

with a powerful shot. A tremendous long-range goal against Carlingford set up our victory that day! Well played, Steve!

LOUIE LOULACH (Midfield): Maybe not the most skilful ball player but he is certainly a whole hearted player who never gives up chasing the ball or harassing the opposition.

JOE LOULACH (Midfield): A good ball player who never stops running and had a good season. When he learns to be a bit "cooler" in possession of the ball he will be an even better player.

DAVE ROBINS (Midfield): A skilful ball player who consistently set the side on the attack through his ability to draw and beat the opposition and then slip the pass. Wholehearted effort throughout the year.

STEVE LANKIN (Forward): An aggressive runner with the ball who never stopped chasing and who scored some good goals. He must also have the best doctor in the west because even though he finished most games limping and in doubt for the next match he would always be one of the first to line up for a shirt the following Saturday.

BILL SULLIVAN (Forward): Played solidly throughout the year and scored ten goals. He contributed to the side's good performances through his continual encouragement of his team mates.

SCOTT ASHBROOKE (Forward): The quiet player of the side Scott played reliably on the wing and his pace was a factor in a number of goals scored by the team.

JOHN SAMAN (Forward): Gehad played consistently and did some good things with the ball. Scored four good goals.

MICHAEL HANNOUCH (Midfield): Mick did not make many appearances but when he did he showed that he was a more than useful player.

## R A A H A U G E C U P 3 r d s T E A M R E P O R T

"Old footballers never die - they just keep on playing for Lidcombe"!

That phrase could certainly belong to this side as the 1986 Thirds team was basically a team of "veterans" with ten players aged over 35!

I can recall the team preparing for a second round game against Ryde and you should have heard the laughter when ace statistician, "Rock" Rudgley, informed the rest of us that by his reckoning the side was in the semi-finals!

Considering that we had only won three matches and somehow picked up a forfeit when both Carlingford and us refused to play because of no official referee, the laughter was understandable - but it proves you should treat Rock's statistics with a bit more respect as we made the semi-finals against the odds!

Highlights of the season were:-

- two exciting games against eventual undefeated winners, Oatley West, resulting in a 3-2 loss and a 1-1 draw.
- the 2-2 draw with the other grand final team Carlingford.

The two draws were sufficient to gain us fourth spot and a semi-final berth.

Throughout the season the "veterans" succumbed to a variety of injuries and most players missed at least one game.

Many thanks go to that keen band of Fourth Graders who backed up and filled in when we were short and I believe that this contributed to the great team spirit with both sides.

It would be remiss if we did not acknowledge the following people for their contributions during the season:

-Dave and Stella Eagleson for the half time lemon drink (whoever has the red cup please return a.s.a.p.!) and for ensuring that the full time "reviver" was always cold and available;

-Ken and Sandra James for washing the shirts during the season.

The team was:-

-BOB EAGLESON

## RAAHAUGE CUP 3rds TEAM REPORT (Continued)...

ROBERT EAGLESON: Bob continued where he left off last year and used his size and strength to notch up seven goals. Also had a few more games in goals to get square with some smart=alec centre forwards!

KEN JAMES: K.J. had another strong season but just couldn't get that elusive one goal of the season. Broke his heart to see even our goalkeeper, Alex Morozoff, score his first goal!

PETER JAMES: Vince battled against injuries all year and surely mustn't have any hamstrings left to tear!

RICHARD HOLLAND: Dutchy battled on against some really big opponents but kept on belting those long kicks down field.

JIMMY PINCOTT: The war horse came off second best in the semi-final clash against Berala but boy, was he going for the jugular in that ten round clash against Carlingford. Hard as nails and was a popular captain.

GRAHAME HOLLEBONE: In between trips representing our armed forces Grahame put in some fine efforts at the back.

BOB BARRY: "Ribot" didn't miss a game (must be one of the younger brigade!) and showed some dazzling footwork out on the wing (coupled with a beautiful cross) against Carlingford!

ROY HOLLEBONE: Roy had a good season and is improving with each game as his height gave him added advantage.

ALAN PENDLETON: The "Cat" was an impressive performer all season and along with Alex Morozoff was the pick of the players.

ALEX MOROZOFF: Alex had a fine season in goals and continually brought off miraculous saves. His penalty goal in the semi final was his first-ever and you would have thought Alex had won the World Cup. (Nearly right! He was our Most Consistent!)

STEVE GREENTREE: Re-emerging after a lay-off which extended back to 1974 "Keg" gave those spindly legs a work out and grabbed a couple of goals in the process!

BILL KNOWLES: Bill returned to the mid-field after an eight year absence and just fell into his 200th game when he, like the others, suffered an injury.

DONN EAGLESON: "Spider" came back but went just as quick when he...you guessed it... suffered an injury that put him out

for the season after playing only three games.

NEIL RUDGLEY: 'Rock' started the season late and ended early after breaking a wrist (not ankle!) in the drawn game against Oatley West but it was his long range goal that gave us the point so he sort of went out a winner!

CHRIS PSATHAS: Chris only appeared for three games early in the season but then had to give it away owing to work committments.

MICK JACKSON: Must be pleased to see Parramatta (his old side) take out the league this year but as with last year, Mick suffered an archilles heel injury and only played three games.

MATTHEW HEYSMAND: Mat came along for the last few games as he did last year and helped out when we were struggling to field a full side.

Also played:- Peter Hallock, Jeff Ryan.

## RAAHAUGE CUP 1sts & 2nds TEAM REPORT

Both the First and Second Grade Raahauge Cup sides this season showed that they had the ability to play top class football and the early season form suggested that 1986 could be a big year.

Unfortunately this potential was only displayed on too few occasions and as the season progressed the form, together with the performances, deteriorated to such an extent that both sides missed out on the semi-finals - quite a disappointment compared to previous seasons.

After starting out the season with a keen squad of 27 players it was very disheartening to find that the two sides together could only muster a total of 13 players for the second last match of the season against Carlingford.

The situation was so bad that Coach George Luke donned the boots and played First Grade that day in a disastrous 10-0 thrashing - obviously one of Lidcombe's blackest days!

The First Grade suffered from too many forced changes with injuries restricting the appearances of such key personnel as Keith Woods, Sammy Dib and Dave Currie.

Apart from Sammy Dib, the other players have since made a welcome return to the ranks and we are confident that Sammy will also be back for next season.

However there were several bright spots for the teams with Glenn Hamilton performing consistently well each week while Graeme Heterick once again displayed his goalscoring ability by becoming leading goalscorer in both First and Second Grades!

Scott "Big Foot" Anlezark finally cemented a permanent spot in First Grade and came of age with a match-winning performance against Coan in the first round clash at Birrong while ever-green Garry Williams played strongly.

Peter "Spindle" Hamilton, when he was not winning on the horses, found time to continue his bright form from last

season and was a dominating figure in the Second Grade's early season matches but through the lack of players, Peter, along with Lindsay Frame, was forced to double up into the First Grade.

Both players never shirked their responsibilities and continued to battle hard right to the last match.

The Second grade found it hard to find the back of the net all season and fought out many close matches only to lose by the odd goal.

It was unfortunate that the side failed to sneak into the semi-finals as they were the only side to defeat the eventual premiers, Engadine Crusaders.

Peter Barry, up from last season's fourth grade side, was our 'Mr Versatile' playing in just about every position on the field except goalkeeper (maybe next year!).

Jimmy Frame was once again tireless in defence as was Lindsay Frame and Steve Williams.

It was great to see Brendan "Paddy" McKeown finally get his 100th club goal after so many near misses and his jaunt overseas to Ireland would have been sweeter for the memory!

In the Knock Out and State Cup competitions the First Grade did exceptionally well even though through a mix up in dates the side had to unluckily forfeit in the K.O.

The State Cup was a continuous saga of wins, alteration of playing dates, wash outs etc but the side went quite well into the semi-finals losing 2-0 to Premier League Minor Premiers St Andrews Bexley.

Our thanks must go to Coach George Luke who must have had second thoughts halfway through the season but stuck it out although he surely lost any remaining hair after some of the matches!

On the bright side George, by virtue of his one game this season, still retains the title of Lidcombe's oldest player and Jimmy Pincott (R/C3) will have to wait another year!

A special thanks must also go to Alan Pilling and Geoff Rider for their efforts in organising the weekly "sausage sizzle".

\* Goals details not supplied for ex-St Joachims players

A WORD OF EXPLANATION!!!

The amalgamation of the Lidcombe Uniting Church S.F.C. and St. Joachims Parish Soccer Club did raise the probability that some statistical information would have to be estimated.

Through the assistance of Club President, Mr Barry Hickey, an estimate of the number of games standing to the credit of each former St. Joachims player prior to 1986 had to be made.

In this respect the credit to each player has been listed in the PLAYERS' STATISTICS however no information was available concerning the number of goals.

Should any Club member be able to assist in this regard it would be appreciated if contact be made with Secretary Ken James for future inclusion.

Many thanks to all Managers, Coaches and players who supplied information concerning weekly teams, results etc and it is very gratifying to know that this vital area of the Club's operations is very well received by all members and was the source of much of the information placed in THE REVIEW each week.

\* \* \*

- \* GORDON WEEKS: Co-patron saw many matches this season but he'll never forget the First Grade clash fixture against Carlingford!
- \* THE ERMINGTON MOB: Lifted the Raahauge Cup 4ths throughout the season. Hope there are more in 1987!
- \* SAM KANAAN: His pizza bar in Joseph Street was always overflowing with footballers (and pizzas!)
- \* KEN JAMES: Great effort first time round as Secretary!
