MILTON BROWN AND BERT HILLYARD

Members of our soccer club were saddened to learn of the passings this year of Milton "Cobber" Brown and Albert "Bert" Hillyard.

I had the privilege to be associated with both people during the early days of the club with Milton playing in our first-ever side in 1939 and continuing his career after seeing service in the RAAF during World War 2.

Milton was an accomplished sportsman who also enjoyed golf and cricket and after his soccer playing days had finished he became a team manager and coach for our Club during the 60's and 70's before moving to the Central Coast.

Bert joined the club in 1960 and became Senior Vice-President involving himself with numerous teams as manager.

An undoubted highlight for Bert was to see his Under 16 side take out the 1962 Six-a-side competition while his delivery of the speech and club toast at the 40th Anniversary Dinner in 1979 will long be remembered.

To all families I extend the club's heartfelt sympathies and they can be assured that both Milton and Bert will long be remembered as true Lidcombe Congos.

SECRETARY'S REPORT

The Lidcombe Churches Soccer Club was formed in 1985 when St Joachims Parish Soccer Club and Lidcombe Uniting Church Soccer Club amalgamated, and was again run this year by senior players most of whom started with Lidcombe Uniting as juniors and grew up with the Club.

Life would be much easier for these players if they did not have to worry about the juniors and just had to turn up for their own game each Saturday afternoon.

However these senior players have made a conscious decision to put something back into the game and to give local juniors the same opportunity as they were given many years ago to play organised sport each Saturday morning with their friends at a ground close to their homes.

On behalf of the junior players and their parents I therefore thank these senior players for their valuable contributions to the club.

A summary of the Club's activities during the 1991 season is set out as follows:-

JUNIORS:

Despite only fielding five teams this year (one less than in 1990) the number of junior players actually increased from 62 to 67 with the most pleasing features being the fielding of a very strong Under Six team and the last minute formation of an Under 14 side.

I should also mention that the Under Six team included one very keen young girl - well done Belinda Larkin!

Our only competition successes came from the Under 12 side (undefeated premiers and six-a-side winners) but from what I could see all other teams tried their hardest and were a credit to the Club.

SENIORS:

Our First and Second Grade teams both made it to their respective Grand Finals but unfortunately met better teams on the day and had to be content with the runner-up positions while the All Age C Grade six-a-side was won by a composite team from the 1990 and 1991 All Age.

The All Age side's form fluctuated during the season - losing 13-0 one week and then defeating the second-placed team two weeks later - but the most significant feature of their season was the continued improvement shown by some of the younger players and they are now ready to advance to the top grades next season.

COACHES AND MANAGERS:

My thanks go to those dedicated people who undertook these positions with special mention being made of Alex Morozoff and James May who looked after two sides and were responsible for organising the Under 14 team at the last minute.

Continued.../

SECRETARY'S REPORT (continued):

Unfortunately it would appear that some of our Coaches and Managers may not be backing up next season and I am therefore very keen to hear from anyone interested in volunteering their services next year.

BEST CLUBMAN:

The choice of James May and Alex Morozoff as joint recipients of the Best Clubman award was a foregone conclusion.

Not only did they look after two sides (the Under 6s and Under 14s) but they also went to the markets most Saturdays to purchase oranges and then returned to Phillips Park to assist with putting up the nets.

If that wasn't enough, they also looked after the canteen wherever possible!

Thanks for all your efforts!

CANTEEN:

Due to the sharing of Phillips Park with Berala Uniting club this year and some excellent programming by the Association, the canteen operated on most Saturdays and we were able to record a profit of almost \$1,000.

This excellent result should ensure that even after paying for today's picnic and presentation day the club should have sufficient funds to purchase new strips for ALL junior sides next season.

In addition to James and Alex mentioned above, I would also like to thank the small band of helpers who answered my call for assistance at various times throughout the year namely Mesdames Firmstone, Haddad, James, Larkin, Norris, Ryan, Rudgley together with April Pilling and Nadalie Rudgley.

INDIVIDUAL PERFORMANCES:

Two players- Mick Anlezark and Stephen James - netted their 100th club goal this season. This is quite an achievement when you consider that only 24 players have been able to reach this milestone in the Club's 52 year history and my congratulations go to both of them.

Other noteworthy performances were recorded by Peter "Spindle" Hamilton and Ken Cambaz who both played their 200th game this season. Peter reckons he is going into retirement but I've got a feeling that he will be back next year!

Congratulations also to Glenn Spierings, Peter Barry, Trevor Hofer, Kurt Edwards and Vincent Gerada who all reached their 100th game during 1991.

CONCLUSION:

Over the years the Club has, I believe, been very good to its juniors. Our emphasis has been as much on having fun as learning to play soccer.

Wherever possible we let the juniors play with their friends, we

SECRETARY'S REPORT (continued):

guarantee everyone a "fair go" regardless of ability or experience, our training requirements are not as strict as many other clubs and our picnic/presentation day is the equal of any other club.

It therefore disappoints me that despite all the Committee's efforts, some players and parents are still not happy and are apparently thinking of playing elsewhere next season.

There is not much else we can do to retain these people but I believe that if they go to another local club they will soon come to realise Lidcombe Churches is not such a bad club after all.

To complete my report I would like to record my appreciation to all the people who have assisted me this year particularly Neil Rudgley, James May, Alex Morozoff and all the team managers and coaches.

UNDER SIX TEAM REPORT

In what turned out to be a most enjoyable year for all concerned, the Under Six side developed their skills, team work and, most importantly, made new friends catching up with school-mates in a more social environment.

Early in the season the mere sight of a soccer ball would start a rush that meant players were forgetting positional play etc. but this was soon overcome after the first few weeks of training and games.

After the problems of positional play were overcome, teamwork was the next factor that was achieved with relative ease. This was due to the fact that all players were such good friends and could communicate with each other.

Results were very pleasing with the side only losing two games and both of these against Georges Hall Tigers although we deserved a draw in the return match rather than losing 1-0.

I must not forget to mention the quote of the year which came from Rani Haddad in the game against St Lukes Concord at Phillips Park. Rani had just played the first half in goals and we were losing 1-0 when, as usual, we changed goalkeeper.

Rani then said: "You only want me on the field so I can score goals!!"

It turned out that we finally won 3-1 with Rani scoring twice and Abdul-Rahman netting the third goal.

I must thank the parents for their tremendous support throughout the year, not only on the sidelines, but also at training and assisting with the transport. I hope to see this support continue in future years.

Thanks must also go to Alex Morozoff for ensuring that the oranges were in good supply and for his efforts with other "general duties" all season long.

The team was:

RAMMY DARSA: Rammy was one of the noticeable improvers who always gave 100% in both defence and attack. He also showed flair in goals.

ABDUL-RAHMAN ABU-MAHMOUD: Abdul-Rahman has tremendous skill and ball control knowing how to use his body to full advantage. He has a very strong boot as evidenced in the final game against Balmain when he scored from the sideline.

RANI HADDAD: In his third year for Lidcombe, Rani lead the way in defence and showed his experience in knowing when to make a run for goals and when to stay back and defend. He also found time to pull off some good saves in goals. Well done, Rani, for winning the Most Consistent Player and Leading Goalscorer awards for 1991!

Continued.../

UNDER 6 TEAM REPORT (continued):

FERIT KAPLAN: Ferit only played seven games this year before travelling overseas but he showed good skill and control. I hope to see him back safely next season.

BELINDA LARKIN: Started out a little shy but once she got going she mixed it with even the largest opponent showing surprising ball control and showed ability when called upon to play in goals.

JIM MOUSSA: Jimmy played his best game of the year in goals against Georges Hall pulling off some excellent saves. He is skilled in all positions on the field notching three goals in 1991.

SCOTT RYAN: Never one to take a backward step, Scott played hard and improved his positional play throughout the year and was never afraid to head the ball.

DANIEL VYAS: A big improver who found his position late in the year as a defender where he learnt to read the game. He also played well as attacker, in goals and as a midfielder!

GLEN WILSON: Glen improved with every game and never stopped trying. He has good ball control and some off-season speed training will mean the difference between his getting a goal and just missing out.

SALAH ZEIN: Salah showed good soccer sense in his first year and knows which way to the goals scoring on eleven occasions this year. He also displays a good defensive game and will develop into a fine midfield player in the next two or three years.

In conclusion I would like to thank the team for their efforts throughout the year and I trust that their enthusiasm carries on into 1992 and beyond.

As our patron Ray "Curley" James once said and is often heard to repeat...

"Once a Congo - ALWAYS a Congo!"

UNDER EIGHT TEAM REPORT

For the eight of this year's team that had not played soccer before and also for the six returning from last season 1991 turned out to be quite an experience for all concerned.

Getting used to playing in a position on the field as well as playing on a full-sized field, the boys started the year off on a high note winning the first two games and drawing the next two however as the opposition improved over the rest of the season the efforts of our players were not reflected in the overall results.

Many games were decided by the one goal with four of those being losses so once the team learns the art of goalscoring then we should be on the road to success.

Looking back over the season my disappointments included losing to Carlingford (who previously had not scored a goal all year!) and also losing to leaders Greystanes when we missed many scoring opportunities allowing the opposition to scrape home by 1-0. That's the game of soccer for you!

I would like to express my appreciation to Kerry Bunnell for her valuable assistance over the year and the efforts of those parents who helped me each week transporting the boys to the matches.

The team was:

RAYMOND ANJOUL: Making countless breaks into the opposition half each game it was unfortunate that Ray was unable to capitalise on these threatening runs but I know that success is very close for him!

UNDER 8 TEAM REPORT (continued):

TOUFIC BOSTANY: A tireless worker who could be relied upon every game to give his best irrespective of the position in which he was selected.

ADAM BUNNELL: Adam's consistency from last season was maintained in 1991 and his performance at Centre Half proved to be vital to the team's defence each game.

RUI DE SA: Rui learned from his four games last year and with the additional training and games in 1991 he showed immense improvement each match.

ANDREW ELIA: Whenever Andrew put his mind to his game his strong approach gave the opposition something to look out for.

ANDREW KARABETSOS: For Andrew the season started out like being "thrown to the lions" but in his first year of soccer his role of goalkeeper was handled as if he had played the position before!

STEVEN KOVELIS: One of the side's smallest players who would not stop until the final whistle. Congratulations on a fine year and for receiving the Most Improved trophy!

DANIEL LARKIN: A player whose talent in both defence and attack was vital in holding the team together. Daniel showed courage and determination each week against all opponents regardless of their size and for his efforts this season he has been awarded the Most Consistent Player award.

PETER MOSES: Learning this new game of soccer took Peter a little longer to show his skills but he certainly gave his best and played hard all year.

GEORGE PAPOULIS: Playing his first season the "Quiet Achiever" gained much experience from his efforts for his side.

SUNDEEP REHILL: Sundeep's competitiveness towards the game is improving along with the knowledge and confidence gained from playing each week.

CHRISTIAN SMITH: Christian continued where he left off last season with outstanding performances in the defence.

ARTURO TYRER: Arturo is a player determined not to allow his opponent to get past him and his speed always troubled other teams.

BRIAN IBRAHIM: With a late start to the season, Brian's services were thankfully accepted as a utility player with the side.

UNDER TEN TEAM REPORT

The Under Ten's had a fairly successful season in 1991 coming fifth on the competition ladder with the boys showing that they could play well when they really wanted to.

Every week the team's performance was one of courage but on several occasions the lack of a goal scorer had an adverse affect on the result.

However with more parent encouragement and team support we feel that this team will do even better in 1992.

The boys worked hard at training taking what new skills they were shown to the games and attempting to put them to good use.

We wish the boys all the best for the future and especially for 1992.

Thanks goes to those parents, brothers and sisters of the players who were always there to cheer the side on at the games.

Thanks must also go to those parents who supplied transport for those boys who turned up without parents and we appreciated the efforts of those mums who took care of the shirts throughout the season.

The team was:

MIRO BUGARIJA: Miro only turned up for the first half of the season but with more effort in attendance he could develop into a good footballer.

Continued.../

UNDER 10 TEAM REPORT (continued):

DAVID BURTON: David's defence improved with every game but unfortunately he seemed to lose interest towards the end of the season missing the last few matches.

JASON BURTON: Jason always tried his best and showed that he could play good football if he set his mind to it. He missed a number of games and training nights in the second half of the season but he's needed back in 1992!

NICHOLAS CAPRATISIS: Again, as in past seasons, Nicholas enjoyed a very good season with his drive, football skills and ability to work well with his co-players. Nicholas worked hard on training nights which showed in the Saturday games.

SHANIEL DATT: Shaniel showed some good form when he was able to take the field. He adapts well to any position in which he is selected.

EVAN FIRMSTONE: This was Evan's first year with our club and he played very well throughout the season with his speed across the field being a feature of his play. Well done, Evan, who is always a great team player.

SHAADI HADDAD: Shaadi is a very promising footballer with good ball skills and, being quick off the mark, he made numerous breaks in the games. He is an excellent supporter of his team and works well at training. A footballer of the future!

OMAR HAWLI: Omar showed potential as a goalkeeper but when his team needed him he was not there. He lost interest halfway through the season but it is hoped he returns next year.

RICHARD KISSUN: Richard was another newcomer who played well helping his side with numerous long attacking runs. He is always attentive at both training and at the matches.

ANTHONY PILLAI: He has shown a lot of potential and he is never short on enthusiasm and with additional skills practice he will improve even more.

REECE RAPER: Reece's high kicks are features of his play giving great support to his team throughout the year. The opposition would duck when Reece was about to kick and his improvement in 1991 has been rewarded by winning the Most Improved trophy.

MARK RENSHAW: Mark is a very keen player displaying excellent defence work and team support.
Well done, Mark!

TIMOTHY RENSHAW: Timothy was our smallest player in the team but his skills and drive proved to be great assets to his side and also a target for the opposition.
Always a reliable defender so keep up the good work, Tim!

UNDER 10 TEAM REPORT (continued):

JOHN TANNOUS: John shows great promise as a top goalkeeper and he has the ability to also work out on the field. He tends to get upset when he misses a goal but even the top footballers miss them, John!

TAREK (TERRY) ZEIN: Terry is another new player who showed improvement and increasing confidence with each game.

UNDER TWELVE TEAM REPORT

Another successful season for this very fine side who once again won the competition undefeated (66 goals for and 5 against) and made amends for an unlucky defeat in last year's six-a-side competition by winning the 1991 six-a-side in dashing style (24 goals for and 1 against).

In addition, the boys made it to the final of the Sports Expo seven-a-side competition held at Lidcombe Oval in March playing great attacking football and defeating quite a few district sides in the process.

Since these players came together six years ago they have won four premierships (1986, 1987, 1990 and 1991), finished second in 1988 and were leading in 1989 when unfortunately the competition was called off because of the wet weather.

I hope that the boys stay together next year because their victories have been mainly achieved through a TEAM effort but to any of those who may not return I wish them every success in the future and trust that they take with them many fond memories of their time with Lidcombe Churches.

In conclusion my thanks go to the parents who supported the team and helped out with transport, washing the shirts etc. particularly John Williamson, Ian and Rhonda Smith, Neil and Judy Rudgley, Kathy (and 'Pop') Hastings and Sandra James.

The team was:

KURT EDWARDS: Played mostly as a defender where his no-nonsense tackling and excellent positional play were vital. When given the opportunity in the forwards he also performed well and scored some good goals. Kurt reached his 100 Club games this season but unfortunately is moving out of the district and we will certainly miss him next year.

VINCE GERADA: A speedy player constantly looking to link up with his team-mates and always on the spot to take advantage of any goal-scoring opportunities. 80 goals in just six seasons is testimony to his excellent finishing skills. Congratulations on also reaching your 100 games, "Vinnie"!

CHRIS HASTINGS: A very reliable defender whose selective passes to team-mates initiated many attacking moves from within our half. Chris is a "thinker" on the field and has the necessary ball skills and with a bit more fitness he would make an ideal midfielder.

MATHEW JAMES: Mat has excellent ball skills, plays with fierce determination and kicks powerfully with both feet. Whenever he makes a run down the right wing the opposition is in real trouble. His left-footed "screamer" against North Parramatta was certainly a goal to remember and he deservedly won the Most Consistent Player award.

STEPHEN JAMES: Continually terrorised opposition defences with his attacking runs down the left wing and his powerful crosses.

UNDER 12 TEAM REPORT (continued)

created numerous goal-scoring opportunities for his team. Scored some fine goals with his lethal left foot including vital pressure goals in the last two games against Greystanes and Chester Hill. Well done "Eddie" on netting your 100th goal this season!

BRETT MAY: A reliable player who does his best, enjoying himself both on and off the field. He went missing in the swamp at Everley Park when he was due to go on as a replacement against Chester Hill!

JOHN MOUSSA: Another good season for the "Moose" whose strength and speed through the middle caused many problems for opposition defences. He scored some nice goals especially the double against Chester Hill because of the way he anticipated and ran onto the ball.

TOM PAVLEK: A valuable member of the team who broke down many opposition attacking moves with his determined tackling and also utilised his ball skills and powerful left foot to support the forwards, scoring some great goals in the process. His heading, particularly in the last game against Greystanes, also deserves a mention.

MUNDEEP REHILL: Played steadily at fullback and thwarted a number of opposition attacks. He also had a couple of mighty "air swings" during the year and must remember to keep his eye on the ball.

STEVEN RUDGLEY: Steve doesn't say much on the field merely letting his boots do all the talking! A rock-solid defender, very cool under pressure, Steve read the play well and utilised his big kicking game to get his side out of trouble on many occasions. Also when given the opportunity he showed he has the necessary ball skills to beat opposition players and a couple of vital headers in the dramatic Greystanes encounter certainly impressed "Curley" James. Well played, Steve!

TRENT SMITH: This fiercely determined and non-stop player had another good season with his support play to his team-mates improving noticeably and it was also pleasing to see him confidently dribbling past opposition players when the opportunity arose. Trent can always be relied upon to give his best!

BEN WILLIAMSON: Ben is not the fastest player on the field but he tries his hardest and his game continues to improve. Congratulations on winning the Most Improved Player award and keep working on your fitness, Ben!

JOHN ZAIDAN: What a luxury it was to be able to send a team onto the field with John in goals, a natural goalkeeper if ever I saw one! He saved the team on many occasions by reading the play well and not being afraid to come off his line when the need arose. He also showed ability out on the field scoring seven goals but his future is "between the sticks"! Well played, John!

UNDER 14 TEAM REPORT

On paper the season's results appear quite disappointing but it only had to take one less defensive lapse or convert one of many missed goalscoring opportunities for this side to finish near the top of the table.

One must take into consideration that this team was only formed a week and a half before the competition commenced.

The side started the season slowly but gained confidence with each game and the "barbeque" incentive inspired the team to play some of its best football towards the end of the season with victories over Greystanes (5-1) and Chester Hill (6-0).

One pleasing aspect of the season was the excellent attendance from the youngsters at training on Tuesday nights (even on one rainy Thursday night before the six-a-side ten players turned up to train in the torrential downpour!).

Two teams were entered in the six-a-side competition with the 'A' side being knocked out in the semifinals after previously eliminating hot favourites and competition winners Penrith Churches.

The 'B' side performed exceptionally well only to miss out on a semifinal berth on percentages.

I would like to thank the following people for their valued assistance with the side this year:-

- Mesdames May, Norris and Morozoff who happily shared the duties of shirt washing;
- those parents who were able to assist in chauffeuring the guys to and from the away games.

A very big thank-you must go to James May who assisted me greatly throughout the season and 'happily' took over the reins when commitments prevented me from attending training and the occasional game.

On the humorous side, this team proved that if there is a short cut to take during the road runs then these guys will find it (it took me about 3-4 weeks to work out why they were not struggling back from the road runs!).

Continued.../

UNDER 14 TEAM REPORT (continued):

The team was:-

TROY BATY: A good defensive player who will become a very good footballer if he concentrates a lot more during the game.

SAMMY DARSA: Sammy was a consistent performer this year but his game will improve once he starts looking for the ball and becoming more involved.

PAULO DE SA: Playing soccer against opponents who were years older than himself and also being relatively new to the game, Paulo was always looking to distribute the ball to his team mates.

The quiet one was a deserved winner of the Most Improved Player award.

MICHAEL GIANG: Michael had a shaky start to the season in goals but once the side started playing like a soccer team he regained his confidence and pulled off some super saves between the sticks.

TREVOR HOFER: Always a danger to the opposition with his darting runs he has the makings of a very good soccer player but he sometimes has a tendency to hold onto the ball a bit too long.

Trevor was always prepared to do the hard work in defence when required.

ADAM JACKSON: Always solid in defence and constantly thwarting the opposition Adam was always willing to attack when the opportunity arose.

He rarely played a bad game during the season and showed a ton of courage.

KAMAL JAMAL: The "King", "Maestro" or "Superstar" are just some of the names Kamal uses to describe his OWN soccer talents! He has unlimited potential and the ability to score goals from all over the park but must refrain from criticising his own players and start encouraging them instead.

NGUYEN LE: Nguyen had a very good season and was able to beat the defence consistently down the wing and provide the opportunites for the forwards.

Very unlucky not to score in the final match of the season when the ball bounced awkwardly for him in front of goals with no-one to beat!

FRANK LUBURIC: After a slow start to the season Frank became more involved and his game improved out of sight. Don't wait for the ball Frank - go looking for it!

MINH TU: Without doubt Minh thoroughly deserved the Most Consistent Player award.

A non-stop performer who led by example in attack and defence where his efforts in the latter continually saved his side.

Continued.../

UNDER 14 TEAM REPORT (continued):

TYRON MAK: Tyron was a player that you could rely upon to put in a 100% effort each game. On the field he tackled determinedly and always followed the coach's instructions.

STEPHEN MAY: The "Enforcer" started the season off gingerly but with each game he became more confident in his approach. During the last couple of matches very few opposition forwards were able to get past him and he was able to score his first-ever goal for the club this season.

BRETT NORRIS: A coach's delight is the best way to describe Brett - he is prepared to play anywhere on the field. Solid in defence, with a no-nonsense approach, he also possesses a lethal left foot which put premiers Penrith out of the six-a-side competition.

MUSTAFA JEBARA: If Mustafa puts his mind to it, tries that much harder and gets more involved he will become a very good footballer.

JOUNIOR PEI: Jounior started the season with the team but unfortunately went missing after a couple of games.

ALL AGE TEAM REPORT

What a mixed season this side had in 1991!

After crashing to an inglorious 13-0 defeat against competition hot-shots Rozelle the team picked itself up two games later to defeat second-placed Haberfield and end any hope that side had of taking out the competition but our overall position should have been much higher up the table.

I suppose we had excuses that day against Rozelle fielding only nine players and three of those badly injured but it appears, like 1990 against top side St Pats., Lidcombe is mentally beaten before taking the field against a good footballing team as was the case twice with Rozelle.

Playing in the lowest division certainly does not mean that all team are strugglers and these past two seasons have seen St Pats and Rozelle generally sweep all before them.

To compound the low side of the season we again lost to last-placed Burwood Tuesday. This side has only won TWO games in two years and BOTH against us!

Marking discipline (or lack of it!) was the area of most concern in our team's play in 1991 and far too often opposition players were allowed to run free through the middle without being challenged.

It was quite apparent that we were let down in the basic area of marking an opponent and it is obvious that some players believe that they are on the field solely to go for goal rather than close marking their opposite number in line with set tactics.

This was never so more patently obvious than in the games against Rozelle whose midfielders must have thought it was Christmas so poor was the marking!

Training, as in the past, was abysmal with only a couple of players making the effort to turn up on Wednesday evenings.

Again the "ankle biter" Joel Harvey was there most training nights and when he was absent he must have been sick or dead such is his keenness!

Kieran O'Hara led a six-a-side team made up of players from last year's third grade side and it was no surprise when the team took out the final!

We could have used Nashaud and co. in the competition proper this year!

Continued.../

ALL AGE TEAM REPORT (continued):

One pleasing aspect was that most games we fielded a full side plus reserves and when a third grade side can say that then it must be a first for the club!

The team was:

KEN EMME: Ken returned after a long absence and showed just how tough it is to buy new soccer gear as he generally played in his paint splattered track suit bottom and a holier-than-thou tee shirt! However he is a trier and the way he "gallops" across the field is a spectator's delight! Best game of the season was when he was crunched early against Chester Hill and got off the ropes to gain sweet revenge!

GABREAL HALVAGI: A fine year from Gabe up front as he consistently found holes through the middle going past much bigger opponents scoring 14 goals in the process.

MICK HANNOUCH: "Gooch" has the ability but a bit more thought in the execution and his game will improve. It's a pity that he directs play in Lebanese as it's a bit hard for some of us Queen's English commoners to work out what he's going to do next!

JOEL HARVEY: Joel is renowned for his tenacity in defence and again he showed his wares with some fiery displays including acting as Ring Second in the ten-rounder against St Lukes! Still looking for his first-ever goal!

JOHN HAWACH: "Half-a-game" Johnny turned it around this season and was in goals for most of the season unless work commitments prevented otherwise. Had the misfortune to be there when Rozelle let loose but showed his true form in the second game against Sydney University with three point-blank saves in the first ten minutes!

GRAHAM HOLLEBONE: Finally made the move to the forwards late in the season and what an impression Graham made with his size and crunching runs!

His talents have been wasted in the backs so I believe a full season up front in 1992 will undoubtedly strengthen the side. Capped his season with an amazing 50 metre (gale assisted!) goal against Sydney University which bounced over the goalkeeper who was standing outside his penalty box looking elsewhere!

KEN JAMES: "K.J." tried ever so hard to overtake "Bub" Turnbull's 547 games but finished two short and will be itching to get back on the park next season barring, of course, knee reconstructions, back strains, ankle sprains etc. etc.! Like "Rock" he has proven to be a better footballer than referee according to the critics (especially "Roscoe", that anonymous Italian critic!)

Was in with a chance to get his seasonal goal but bombed it again (better learn off the twin sons!)

TREVOR DUTTON: Emerged from the distant past (1971 we think!) to play only his second season with the club and never missed a game playing most impressively all year.

Continued.../

ALL AGE TEAM REPORT (continued):

Bit difficult to hear his voice even when you are standing next to him but Trevor's class was a welcome addition and he is destined for the higher grades next season. Congratulations to the pommy for winning the Most Consistent award!

LOUIE LOULACH: Louie's a real goer out wide but saw his cracker-jack shot into the net disallowed against Burwood because his mate "Gooch" was offside (great mate!). Missed one game when he reported in injured after being "shot" by a paint pellet in one of those action-packed "War Games" in the bush!

ROSS MENDICINO: This bloke takes the award for "Voice of the Year" with some stunning vocals which seem to echo off the goalposts and nearby houses sending cats and dogs scurrying! Roscoe scored five goals and can always be relied upon to play hard and give vocal approval (mostly disapproval) to those poor associate referees! "K.J." has asked Ross to referee a few games next season!

FIL MILIC: Fil returned to the side full of running but copped a nasty hip injury in the opening game which restricted him for most of the season. His hard running and determination will be used to greater effect in 1992 and it was justice to see his name on the score sheets towards this season's end.

KIERAN O'HARA: Strong and very reliable Kieran will certainly be required in the top grades next season. Kieran's presence in the defence stopped many opposition attacks and perhaps he may improve on his solitary club goal in 1992 although his excellent performances in goals may see him between the sticks in future!

JIM PINCOTT: Maybe we didn't know before that Jimmy did some prelim. boxing in the forties but, after that St Lukes clash at Phillips, all of Lidcombe (and Concord) knows about that now! The "War Horse" continues to belie his age (somewhere between 19 and 33 - sorry, that's when he was BORN!) and continues to more than hold his own with the youngsters i.e. EVERYONE ELSE! Sylvester Stallone has asked Jimmmy to star in Rocky 58! Scored his first goal in three seasons against University!

NEIL RUDGLEY: "Rock" spent a fair bit of the season refereeing rather than playing this season and in one of his eleven games he was "banzaied" by a foreign gentleman who must have thought it was Pearl Harbour! That ended his contribution for 1991 but he'll be back, strapped ankles and all (decked out in full combat gear!).

MICK AZAR: "Flasher" Mick helped out in our Knock-out game but his speed of old has disappeared! Why "Flasher"? Well it seems a few years ago Mick's dramatic backside flash at a Berala opponent was viewed by a Lidcombe player's daughter who later repeated the effort at Dad after not getting her way!

ALL AGE TEAM REPORT (continued):

SAM DIB: The "Maharishi" returned from his world travels to play in the last game as first-time goalkeeper and kept a clean sheet!

Sammy finished on 299 games and will be back next season to get his 300 games trophy!

PETER HALLAK: Peter has played virtually every year since 1986 but has only registered 15 games so don't hang around in anticipation of his 100th game celebration! Again Pete only lasted a few games so maybe it was the \$95 registration fee that scared him off this season!

NICK MILIC: Fil's younger brother played when we were short and his fiery displays indicate better things ahead when he plays a full season!

JOHN SAMAN: Came on in the tenth minute against Rozelle in that 13-0 thrashing and left at halftime never to be seen again! Must have received an early message from up above!

MICK TALBOT: Up from Camden for the day and decided to drop in, scored a goal and returned home! Pity he couldn't stay all year as he was a classy player!

Other to play were Mehmet Icli, Faiyez Khan, Nashuad Khan, Vince Shankar and Peter Rompies (all in the six-a-side).

RAAHAUGE CUP FIRSTS TEAM REPORT

Any team with an uncompromising defence, a resourceful midfield and an enterprising attack is destined for success and so it proved for our first grade side in 1991.

An inauspicious start to the season (two games, two losses) meant that it would be playing catch-up football for the remainder of the year.

And catch up it did, burying a few eggs on the way, playing with true courage and comraderie, conceding more than one goal on only six occasions in a 21 game season.

The first grade was out-played, but not disgraced, by a very good Telopea Christian Ministry side 3-1 in the grand final at Campbell Park.

In the preliminary competition rounds our side inflicted the only defeat of the season on Telopea (2-0) and we certainly did the club proud on grand final day.

Other notable games were the swampings of North Parramatta (8-1 and 11-0), the back-from-the-dead effort against Berala (3-2) and the magnificent display in the final against Telopea Church of Christ (3-1) after being down 1-0 and conceding a penalty (tremendously saved by "Normie" diving to his right!).

Craig "Normie" Hinton in goals was a solid foundation for the side to build upon - a team with confidence in its goalkeeper always plays well. Craig added "striker" to his repertoire scoring vital goals for the second grade in successive matches, increasing his overall club tally to six in 344 games!

RAAHAUGE CUP 1STS TEAM REPORT (continued):

It was a welcome return for Graeme "Robie" (otherwise known as "Groin") Roberts who strengthened the defence and scored in both whitewashes of North Parramatta but the lure of the snow bunnies and a full time job down at Thredbo took him away in July.

Mark Spierings showed his versatility by switching to fullback after Graeme's departure and he excelled in this position as he had done in midfield or up front (remembering his unstoppable penalty against Telopea C.C. in the final!)

Nigel Batts had an extremely successful season showing maturity and authority that necessitated elevation to the first grade compiling several "man of the match" points and continually supportive to his team mates.

Glenn Spierings plays the game hard and tough, an uncompromising style that is hard on opponents and he is the player that Lidcombe looks to when the going gets tough.

Eile Melki was having a good year when he suffered a bad case of "publicity blues" and decided to call it a day midway through the season while veteran Alan Pilling battled injuries and hard knocks to keep on the field.

Mick Anlezark had an exceptional season, his cool manner in a crisis is always an inspiration to other players. He capped a fine year by scoring his 100th club goal in the final against Telopea Church of Christ.

Peter "Spindle" Hamilton, the team captain, was as resolute as ever, playing it hard when needed and leading by example. He is a player who will be sorely missed if rumours of his retirement are confirmed.

Peter Oberemok is a player who has dazzled friend and foe alike with his tremendous ball skills. "Obo" is always encouraging his team and with his great season he is the senior player that all the juniors look up to.

Andrew "Nudge" Grattan and Alex Morozoff formed a solid partnership, each alternating from centre to wing quite readily reaping twenty two goals between them. Their ability to score goals with either foot and their continual chasing of the ball were good examples of quality forward play.

A non-smoking Ken Cambaz showed the true form and finishing that he was always capable of, proving more than a handful to the other sides with hard and fast play.

I would be remiss if I did not mention the great support received throughout the season from our female supporters. These hardy ladies turned out on many a freezing afternoon to barrack for both the firsts and the seconds and some of the credit for an enjoyable and successful season must go to them.

Both sides would like to thank Robby Clyne, the publican at the Lidcombe Hotel for his continued support of the club

RAAHAUGE CUP SECONDS TEAM REPORT

The 1991 season results for second grade seemed to echo the old adage "it ain't over 'til the fat lady sings!"

This team clearly outplayed all its opponents throughout the season, losing only two games but one of those losses was the most important game of the season - the grand final!

The side had previously defeated St Lukes Concord 4-3 and drawn 2-2 in the competition games and was victorious over them 4-2 in the major semi-final but the grand final 2-0 loss was our worst performance of the year.

That aside, this team played to its game plan without question all year, more than once demoralising opponents with a high level of ball control and team football and providing more than adequate replacements for the first grade on many occasions.

The players can look back on this season with pride displaying an outstanding offensive game netting 68 goals coupled with a strong defence that conceded only 26 goals.

Trevor "Lumpy" Lavender again showed his goalkeeping easily outclasses his goat herding abilities while James May proved an excellent substitute 'keeper.

The team defence (Bob Barry, Kevin King, Geoff Rider, Dino Gelmetti and James May) was a formidable barrier to all opponents, each having the ability to switch defence into attack which broke the hearts of many opposing players.

The midfield (Terry Rooney, Dave Robins and Scott Ashbrooke) was the true engine room of the side, plying skills as any good team should, readily supporting either the defence or attack as required. Between them they scored 23 goals, a good indicator of a quality midfield.

The forwards (Scott Anlezark, Peter Claxton, Matt Smolders and Peter Barry) outclassed many defences throughout the season able to get behind the defensive line and lay off a goal to a support which was illustrated many times.

This team now has the resolve and commitment not to falter at the final hurdle next year. It can only be hoped that all players are available to achieve this aim.

Also played were Eddie Pardo (now in Espana!), Anthony Kinda, Kieran O'Hara, Trevor Dutton, Russell Hore, Sam Lei and Mick

YOU ARE THE REFEREE!

1991 saw the introduction of Associate Referees whereby any all-age team had to provide two referees before that team would be eligible to play. TEN players from Lidcombe fronted for the examination and amazingly ALL passed! Here's some little referee questions which MUST be easy considering the chaps who passed from our Club!

QUESTION: A match has been extended at full-time to allow the taking of a penalty kick. The player hits the post with the penalty attempt and another of his team-mates drives the ball into the net. DECISION?

ANSWER: It's NO GOAL as the penalty kick was unsuccessful when it hit the post and did not go into the goal so the referee whistles full-time immediately.

QUESTION: The ball is kicked over the side-line but before it hits the ground the winger, standing in the field of play, hooks the ball back to his team-mate.

ANSWER: The ball is out once it is WHOLLY over the side-line whether on the ground or in the air. THROW-IN to other side.

QUESTION: The captain winning the toss wishes to take the kick-off rather than choice of ends. DECISION?

ANSWER: The team winning the toss has the option of choice of ends or the kick-off therefore once the captain requests the kick-off the other side selects the choice of ends.
