# PRESIDENT'S REPORT

In what was another season affected hugely by COVID, it was great to see the club's front line committee control this very difficult period by keeping coaches, players, and parents involved right up until the last moment of play this season.

While the season only lasted ten weeks, there was still plenty done by our volunteers to keep the club and Phillips Park running smoothly behind the scenes, and at training and game day. I thank all involved for without you the club wouldn't exist.

The clubman of the year Daniel Da Silva is one such individual, doing a tremendous amount of work with the junior teams, especially coaching the U8-10 Girls. It would be safe to say that the girls team may not have lasted the season were it not for Daniel.

The junior clubman of the year has been awarded to Justin May, who helps in any way he can, setting up and packing away nets and goals, cleaning the park, and helping his father clean the change rooms.

We had just taken stock for one of the busiest periods of the season when the COVID shutdown enforced by the empowering bodies occurred, which was unfortunate timing and resulted in no profit this year. However for the time we operated the canteen I had the help of Emmanuel Mylonas and Margaret Kabat, as well as John Mylonas on the barbeque.

# SECRETARY'S REPORT

While we only played half a season in 2021, it was nevertheless a successful season while it lasted. Despite the loss of the teenage teams that resulted in us having no teams in GDSFA, the rest of the juniors swelled in numbers compared to last year with a dozen Congo Kickers, two Under 6 teams, almost enough for two Under 7 teams, an Under 8's, two Under 10 teams, and the Under 8-10 Girls. The senior player base was bolstered by new registrations with the Raahauge Cup squad at times being able to field two strong independent teams on the day.

The U8-10 Girls especially were great to see, with them being our first girls team since [YEAR]. Special thank you to CFA Sydney for making this possible, the parents and players who stuck through the hard early weeks and helped to bring in more players, Krish De for pre-season coaching, Margaret Kabat for coaching at the Six a Side, and Daniel Da Silva for all his work and effort as coach.

The growth in player numbers also brought with it new coaches, without who the teams wouldn't be possible: Krish De (U6B), Adam Jackson (U6G), Robert Gherlenda (U6G), Nelson and Cynthia Terk (U7), and Daniel Da Silva (U8-10G). Thank you for your commitment in front and behind the scenes throughout the year and I hope that this can continue for years to come.

Given the changing restrictions brought on by Covid and the lockdown that eventually ended the season, we weren't able to play finals or zone, or be represented at the national titles. However there was still on-field success, as the Under 10 Gold were named minor premiers at season's end. Six a Side resulted in the Under 10's and Mens teams making the semi finals, and the Under 9's (Under 10 Blue players) being runners up.

Congratulations to the following players for reaching the following milestones this year:

- Christopher May (R/C) 400 games (24/4/21 Reserve Grade vs St Barnabas)
- Matthew May (R/C) 200 games (14/6/21 Six a Six Round 1 vs Inter Parramatta)
- Emmanuel Mylonas (R/C) 200 games (29/5/21 First Grade vs Al Ahwaz)
- Zachary May (U10B) 100 games (14/6/21 Six a Side Round 2 vs Guildford (Red A))

Thank you also to our new and returning sponsors for their support in the 2021 season:

- Jim Courtwood from Time & Attendance Solutions
- Mathew James from Soccer City
- Thomas Roncone from Physio Quest
- Trent Smith from DTS Auto & Marine Trimming & Upholstery
- Steven May from SJM Sportsturf

We sadly lost some treasured Congos this year, and the club extends it condolences to the families:

- Howard "Pop/Howie" Hastings (passed away 22/8/21): Grandfather of former players Chris and Robert, he was a regular sideline supporter at the kids' games

- Robert May (passed away 9/10/21): Father of President James, committee member Steven, and former player Brett
- Merv Ismay (passed away 24/11/21)
- Richard Bartlett (passed away December 2021): Played 1951-1954, he was a regular guest at our anniversary dinners

Unfortunately the season ending early resulted in us being unable to have team photos taken, and I thank the Congos that were able to provide the photos in this annual report which are shown in the Candid Congos.

Thank you to everyone that helped make the 2021 season a success for as long as it lasted, from James May and John Mylonas in the canteen, to the coaches and managers, to the committee.

**Once a Congo, always a Congo.**

# CONGO KICKERS

It was once again great to see the enthusiasm of the Congo Kickers and their parents every Saturday morning, and to see their social and football skills improve week by week.

It was also good to see some of the "Kickers" play in the association's six a side tournament in June. This was a tremendous opportunity for the Kickers who aren't just quite old enough or developed enough to play in a full season in the six year old competition and they performed well.

The players were:

Hajun	Kim
Ricky	Wang
Rose	Tran
Jayden Jung Thapa	
Liam	Booth
Jasper	Roman
Evan	Yip
Aashvith	Monga
Elvis	Lin
Vicky	Cha
Ignatius	Scillitani
Advik	Saini
Atarah	Kennedy

## Blue

The U6 Blues had a spectacular season! The U6Bs won 9 out of 10 games played, scoring 48 goals and conceding only 15 goals. As a rookie coach, I was nervous at first - but found the team made it very easy to coach through their active listening and application of learning. I was proud that every player gave it 100% in every minute they were on the field.

The U6Bs success this season came from their robust defence and lightning quick counter attack. Their commitment to tackles and challenges intimidated many opponents! In attack, the through-ball from our own half up the field with one or two short passes was used with devastating results. Most pleasing of all was that the team really bonded and have made solid friendships that I trust will last for years to come. Lastly, I would like to thank the parents for their support and community building throughout the season – it gave the games a great atmosphere and a safe space where our kids could take risks and be their best selves! Well done U6Bs and I look forward to seeing your development next season!

**Leo DA SILVA** – Leo was a defensive star. His tackles and clearances from difficult situations saved the Blues in most of our games. Leo was also a corner kick specialist with many crisp passes leading to at least 4 goals. Leo also scored a thrilling long range goal himself. Well done Leo!

**Cooper RENSHAW** – Cooper was one of our most improved players this season. He brought a lot of energy and effort each week and made some really crucial saves as goal keeper and in defence. He really improved his concentration and ability throughout the season. Great job Cooper!

**Blake RICHARDS** – Blake was our most energetic midfielder, defending and attacking tirelessly. Blake committed himself fully in every tackle and often backed it up with great linking passes to our forwards. He also brought a positive attitude to every game and bravely overcame a number of injuries to play. Bravo Blake!

**Axl KABAT** – Axl built on his skills from Kickers to graduate to the U6Bs mid-season and he did not take a backwards step! Active in midfield, Axl made a number of excellent passes resulting in goals and defended our middle with gusto. Awesome Axl!

**Emre SUMAKTAS** – Emre built on his attacking skills this season and initiated many attacking raids. Emre used his speed and dribbling skills to score 5 goals this season, including a spectacular hat-trick in Round 3 vs Guildford Black. Emre also bravely overcame a number of bad tackles during game as he didn't want to let his team down. Excellent Emre!

**Kyra TRIANTOS** – Kyra was the youngest member of our squad but she didn't let that get in the way of her whole-hearted efforts this season! Kyra steadily improved her defence and dribbling throughout the season and greatly improved her confidence to challenge for every ball. I predict her next season will be her breakout season! Well done Kyra!

**Wenzel LAIKUM** – Wenzel was an absolute force of nature this season! Wenzel's all-out attack netted him a stunning 23 goals from 8 games including 5 hat-tricks in a row from rounds 1 to 5. Wenzel made the most of his speed, skill and size to defeat most defences but also greatly improved his passing game to set up his other forwards to score. Wonderful Wenzel!

**Dylan DE** – Dylan's first season in competitive soccer was not hampered by having his dad as coach. As a natural striker, Dylan scored in every game this season, netting 19 goals in 10 games, including a 5 goal bag vs Wenty United in Round 6. Most pleasing was his commitment to defence – he stopped countless opposition counter attacks using his speed, agility and grit. Good job Dylan.

**Most Consistent:** Dylan De. Dylan scored in every game he played, scoring 19 goals in 10 games and leading the player of the match leader board with 19 points. He could always be relied upon for a solid performance whether as goalkeeper, in defence, in passing and in attack. Congratulations on an impressive debut season!

**Most improved: Kyra Triantos.** This was a difficult decision with so many players showing great development this season. Overall, Kyra improved the most. Kyra really overcame her initial nerves and grew in confidence and ability. Kyra was an excellent trainer also, which I believe led to her skills development. All of this was especially impressive given Kyra was the youngest member of our squad. Well done Kyra!

## Gold

This year was a challenging year for the U'6s with a mix of kids that have played a small amount of soccer at home or at school to kids that have not play at all and with the add mix of COVID, but with a good support group and coaches from where the skills of the kids and the two U'6s to where they were at the end of the short season that has all improved so much, for me being one of the coaches it was also a very enjoyable experience see all the kids becoming very good friends throughout the season and I know the kids are certainly looking forward to coming back next year to be even better than this year and grow together.

The players were:

Dimitri GHERLEND  
Dominic GHERLEND  
Finn JACKSON  
Eason JIANG  
Felipe LAMAS  
Eric LIN  
Ahmad SHABBIR  
Dhashwin SIVARASA

This year was a challenging year for the U'7s due to the lock down when the players were starting to get to know each other and the state went into lock down. The kids are generally well behaved and want to play in the games. Big thanks to everyone that was able to help out through the season and thank you to the parents for bringing the kids to the game, training and who offered to drive other people to the game. It was good fun to see the kids starting to pick up good skills and make some good friends in the team. Hope to see you all next year have a good and safe break.

The players in the team were:

**Daniel BOOTH:** He can lose focus at times but good as a defender, need to improve in ball control but can see he is trying and improving

**Aadhav CHIDAMBARAM:** Very good when it comes to sliding tackle, he put his body on the line to defend the ball and is also good in attack

**Logan DOYLE:** Good as a defender and is willing to pass the ball to his team mate. Will show attacking strength given the opportunity up front.

**Alex HOFER:** Gifted striker, need to pass the ball more, he is the top scorer and his speed is his strength

**Siena HOFER:** The only girl in the team but most definitely showed up a lot of the boys with her soccer skills, always supporting the attack and defence.

**Hail LEE:** He is a funny boy who always smile and will try his best to get the ball from the opposing team

**Josiah OKWUAGWU:** He is a good combination with Alex when it comes to attacking, unselfish and passing the ball to his team mate. A well-rounded player in all positions.

**Sheisan RAJAN:** Hardworking player on the pitch and good in defence

**Moiz SHABBIR:** can kick the ball hard and is willing to chase after the ball, all he needs is confidence, he has a lot of potential to better his performance.

**Titus TERK:** Always trying hard and enjoying the game. Always the one who tries the hardest during training and listen to instruction

**Alan ZHANG:** Improved in ball control over time, quiet but willing to try

**Jasper Lang:** Joined at the end of the season, good runner of the ball but needs to improve in controlling the ball.

# UNDER 8

The under 8's this year was a combination of new players, last year's under 7's, and the younger members of last year's under 8's. It was a bit of a challenge as the occasional clash in game time with the girls team left us short on numbers with an early forfeit occurring because of it.

The journey of the team (both players and coach) growing and learning together wasn't able to reach a conclusion as the season ended early. However, from what we were able to see there was potential for the side to improve and have some more competitive showings. That being said, if there was one thing we did well by season's end it was defence, which is always a good skill to have.

Our six a side team had Hakash return and borrowed Logan and Moiz, our normal games featured Alex, Siena, and Josiah from the Under 7's, as well as Safal and Rithul from the Under 10 Blue. All were valued players that helped either make those games possible or allowed for needed substitutions to happen.

Thank you Daniel Da Silva for helping me train the team alongside the girls, and to the parents for their commitment in bringing the players to training and the games throughout the year, especially after I mixed up which councils Freame and Jones Park were in and sent out the wrong game details on the rainy Friday night. Extra special thank you to Margaret and Donna for bringing Zoe and Mackenzie to our games after the girls games on Saturday which were often back to back.

I hope to see everyone back for a proper length season next year.

**Liam ARROZA:** Our most skilled player, Liam would work himself into the ground to be where the ball was in attack or defence and didn't want to be subbed off when he was spent. Though he would get frustrated that he'd often be the only one in a position to attack, he is definitely a team player and a close contender for the most consistent player.

**Dante GHERLEND:** Dante is one of the most committed young goalkeepers in the club, throwing himself at the ball and opposition players with little hesitation that lead to us having lots of goal kick practice. His best game being in the rain at Jones Park after six a side where not even the opposition going studs up deterred him. Very deserving of being named the most consistent player.

**Anwar JAMAL:** Anwar was an absolute joy to coach and it was fun to get him more involved in the game and training. His training suggestions made it more fun for all and it was great to see him start kicking the ball during the games.

**Jude JAMAL:** Jude found a home as right back and right midfield and improved there every week as he became more confident. He also served as an able goalkeeper when Dante was playing on the field.

**Zoe KABAT:** Zoe was our trusted centre back that would cover for other players and clear the ball well, as well as our main goal kick taker. If I didn't know any better I wouldn't know that she had played in the girls game immediately before ours. With more experience she will be able to be a proper sweeper on the full field.

**Mackenzie MAY:** The second player playing back to back games on Saturdays, Mackenzie always wanted to play in the position that would let her "run everywhere." She eventually found a place as part of the defensive backline with occasional games further up the field where she did well against the boys.

**Nandhan NATTUDHRAI:** Nandhan had a strong early showing as a forward and also did well in the midfield, always improving and applying himself while not letting his poor hearing deter him.

**Brendon NGUYEN:** Brendan is a player with potential to become a good midfielder or forward, he has speed and ball control but needs experience on the bigger field.

**Lucas QIU:** Lucas' interest in running and playing held him back, but he was at training and all the games on time. Once he gains confidence he'll be a force to reckon with.

**Eric QU:** As the only left footer in the team Eric was able to play left midfield and create options with his big kicks that we wouldn't have otherwise, even if we sometimes struggled to get the ball that wide.

**Ronan SARITAS:** Ronan was eager to play but struggled on the larger field compared to the under 7's, however he improved and found a place as right back where he was key in stopping attacks.

# UNDER 8-10 Girls

As the under 8-10 girls coach it was such a privilege to be able coach the 2021 girls' team. 2021 was a year for challenges from trying to get numbers to form a girls only team at the start, the girls having to push themselves a little harder due to numbers, and dealing with covid 19 lockdown. Whatever the challenge was, the girls showed a lot of heart, spirit, and worked together as a team, as a family to overcome the challenge, move forward and succeed. The girls have had some great wonderful wins, some losses, but overall they had a lot of fun. Special thanks to the all the girls, each girl brings something special to the team.

Zoe gets the golden boot award as top goal scorer and being the fairest player, Parvati gets the rookie of the year and the most consistent player awards for always being happy and never giving up, McKenzie gets the outstanding teamwork award for always showing support to her team mates, Jaydah-Rose gets the super sportswomen award for positive attitude on the field, Ella gets the award for most improve player and always giving her all, Ava gets the queen goalie award and has shown great leadership.

Thank you girls for a great season.

## Blue

Due to an excess of under 10 registrations and our team comfortably finishing in 2<sup>nd</sup> position last year, our team took on the challenge of playing in the older competition to accommodate all the registered players. This meant that we unfortunately had to part ways with Liam, Dante and Lucas for this season with our team once again being a good mix of new and returning players – gaining Ricky, Mirhat, Thanmikil and Adam. This situation meant that our team had successfully gone into this season with the attitude and mentality that we had nothing to lose and everything to gain each week. We were very much thrown in the deep end at the start of the season as we were drawn to play against both Guildford sides in the first three competition matches who were both destined to finish in the top 3 for the third consecutive season. However, despite losing these matches we learnt that we needed to play a defence orientated game and utilise Safal and Rithul's skill through the middle of the field to counter attack. Having learnt this early in the season and putting it into practice in the coming weeks, we were able to take wins against Inter Parramatta, OLQP (Blue) and Kings. In fact, a win against OLQP (White) in what turned out to be our last competition match of the season would have seen us sneak into 4<sup>th</sup> spot after the first half of the season – an impressive feat that we were just unable to achieve.

A special mention to the six-a-side team (Likhil, Zachary, Paul, Safal, Rithul, Thanish and Liam) who defeated the SAP side Rockdale in the semi-final to set yet another grand final showdown against Kings where we unfortunately went down 1 – 0 having been undefeated for the entire day.

I genuinely hope all the players return next year and have the opportunity to play a full season together to see how good you really are.

Players in the team were:

**Thanmukhil BALAJI:** Thanmukhil joined the team after the first few weeks of training. He was full of enthusiasm as it was his first ever season of playing football. He had much to learn and went into every training and match at full speed. Just as he was getting the hang of concentrating for 40 minutes and positioning himself as a striker, the season was cut short before he could truly gain combinations with his fellow attacking players.

**Rithul BASKARAN:** This was Rithul's fourth consecutive year in the team and he was forced to show his versatility by just about playing in a different position each week due to our team always missing a player or two. As a testament to his skill and team work, every time Rithul received the ball we entered counter attacking mode – even if he received the ball deep in our own half.

**Safal BHANDARI:** Convincing me to allow him to play in centre midfield instead of Rithul, Safal showed his ball skills in every match and was constantly the biggest attacking threat on our team. Unfortunately the season was cut short before he was able to truly develop his combination with Liam which was just starting to be fruitful at the six-a-side tournament.

**Ricky BOOTH:** An original Congo Kicker, Ricky joined our team from the Gold team in search of more match time and a friendlier environment. He played the trial match as a striker before settling into left defender alongside Paul and Zac. Unfortunately for the team he was only available every second week. However, this served as a big morale boost for the matches he was available where the team's performance difference was very noticeable.

**Liam HO:** Another new player, Liam joined the team a few weeks into training and started to play as a striker. His potential in this position was apparent due to his raw speed and strong right boot that he showed during training, but it took him a while to overcome his initial shyness of playing in a new team and showcase his skills in the matches. Just as he was starting to attack well at the six-a-side – particularly with Safal and Rithul – the season got cut short. His improvement throughout the short season earned him this year's Most Improved Player Award for our team. Congratulations!

**Zachary MAY:** Along with Rithul, Zac also returned for his fourth consecutive season with the team. Being a very experienced and consistent defender meant that he broke up many attacking plays by the opposition before they became threats. He also showed his experience by once again scoring a 'seagull' goal at the six-a-side tournament in his 100<sup>th</sup> match for the club against Guildford. Well done Zac!

**Thanish MAYUTHARAN:** Thanish returned for his second consecutive season and quickly settled in as our right midfielder. He worked well with the other midfielders and strikers to create many attacking opportunities both during the regular season and at the six-a-side tournament. He also built on his defensive skills by identifying when he needed to get back and defend deeper against the top 3 sides (Lidcombe Gold, Guildford White and Guildford Red).

**Paul McGARVEY:** Playing in his third consecutive season for the team, Paul showed his class and skill by moving from left defender to play as our centre defender. He rarely missed a tackle and when he did he was able to utilise his speed to chase down and tackle the older kids. This year he excitingly added to his skill set by being more calm on the ball and distributing the ball to our midfield players whenever he was afforded the chance to do so rather than merely booting the ball clear every time he was in possession.

**Adam MOSTAFE:** Adam joined our team after playing in the Gold side two years ago in search of a calmer environment. He was full of curiosity, questions about the game and how he could improve himself. After giving his all in every position I asked him to play, he settled in as a striker along-side Liam. He learnt to receive the ball and pass it forward into space for the quicker players and then follow through the middle in support when we were on the attack. Just as he was regularly getting in positions to score himself, the season unfortunately came to an end.

**Mirhat OZEL:** Mirhat joined our team at the commencement of the season and was very keen to play well as our left-midfielder. He learnt when to make attacking runs as well as where to run to at Phillips Park against Wentworthville in round 6 and was a big attacking threat in the matches since. Like the other players, it was unfortunate that the season was cut short before he could truly showcase his attacking combinations with the remainder of the team.

**Likhil Mahitej VALIVETI:** Playing in an older age group meant that the team was going to be defending much more than the last few years. As such, Likhil had the responsibility on his shoulders to be our goal keeper each match. Far from disappointing, Likhil picked up right where he left off last season by making one incredible save after another as he kept us in just about every match we played. Only letting in goals when his vision was blocked by team mates and/or the opposition, Likhil was much more consistent in his performances this season. In fact so much so that he has been awarded the team's Most Consistent Player Award as well as the club's Most Promising Junior Goal Keeper Award. Congratulations on an amazing season!

## Gold

With most of last year's team signing up again and with the welcome return of Abe Birgen and Jiwu Park it was obvious that we had a team well capable of going all the way in the competition and the boys did not disappoint. When the season was halted and then subsequently terminated due to Covid-19 after round 10 due we were undefeated, leading the competition by 6 points and deservedly declared competition winners (Minor Premiers).

The team played an exciting brand of attacking football (with 51 goals scored in just 8 games) which I'm sure delighted all their supporters, but equally pleasing to me as coach was the obvious friendship that existed between the boys.

Thanks to everyone for their support and encouragement throughout the season with special mention for: Kano Park's help in setting up and packing up after each training night; the dads' help with the temporary goal posts on Saturdays and assistance at training; and, Afonso Caxala for assisting in managing the team.

Hopefully we will see everyone returning next year and get to play a full season so we can make a run for that elusive grand final win.

The players in the team were:

**Nanartha ADHIKARI:** Tried hard to score when given the opportunity playing up front as an attacker but found the faster opposition defenders difficult to get past. Also had a little bit of trouble with the offside rule! Proved to be our best goalkeeper and made it easier for the coach by willingly playing in goals against the stronger opposition teams.

**Abe BIRGEN:** First time I've coached Abe and it certainly made my job easier with having him in the team. A highly talented youngster with wonderful ball skills, a powerful shot in either foot which brought him 13 goals and, the ability to read the play well which saw his well-timed passes set up much of the team's attack. In addition, he often found the energy to assist the defence at the back when the situation required it. Without a doubt the team's **Most Consistent** player with a bright future in soccer.

**Noah CAXALA:** Noah's first attempt at playing soccer so it was naturally all a bit new to him, but he tried hard and I'm sure he will be all the better for the experience should he want to give soccer another try instead of moving on to another sport next year.

**Makaii JAMES:** Defended strongly in his usual position at right back. Still has the occasional "air swing" when he takes his eyes off the ball, but it was pleasing to see him playing with increased confidence towards the end of the season, trying to control the ball and run it downfield instead of just kicking the ball up the other end of the field whenever it came his way. Also, scored just his second ever goal with a well taken penalty against Wentworthville.

**Nitin MOHARANA:** Once again played safely in the familiar left back position where he successfully blocked many opposition attacking raids. His willingness to take a couple of turns as goalkeeper was also appreciated by the coach. Had his chance to score his first goal in a game against Wentworthville, but unfortunately he “bombed” the penalty kick!

**Jiwu PARK:** Played reliably at left midfield often surprising us all, including the other team, with some amazing ball skills before causing further problems for the opposition with his accurate left foot crosses to the middle. Good positional play also saw him score 8 goals. The “boss” was certainly pleased with his efforts throughout the season!

**Dilan SAG:** Played with his usual determination and enthusiasm, whether it be at fullback or in the midfield. With the benefit now of having played 3 seasons I’ll be looking for him to step up a bit next year, anticipating the play better and getting more involved in the game.

**Vedic SAINI:** Returned to the team after missing out on playing last year, scored his first goal in our first match and put in some reasonable efforts, but I would like to see him show a greater awareness of what is happening on the field and try to get more involved in the game.

**Vihash SUTHARSAN:** His speed and good ball skills regularly troubled the opposition in his many runs from midfield down the right side of the field. Good support play in attack also saw him rewarded him with a few nice goals including an absolute screamer against OLQP (White) which almost tore through the top of the net. Has the ability to score many more goals with that powerful shot of his, just needs to learn to stay composed and not rush things so much when goalscoring opportunities arise.

**Ethan TRAN:** Not an easy first season for Ethan coming into a team where just about everyone else had already been playing for a few years so naturally he found it difficult keeping up with the other boys. What I did see however was a determined youngster keen to learn and improve his skills.

**Suriyah VADIVALE:** A good team player who certainly proved to be the linchpin of our defence playing in the vital centre back position. When the team’s situation allowed it, he also got the opportunity to push up in the midfield where he gave a good account of himself but defending at the back is definitely his forte.

**Bravin VASITHARAN:** Small in stature but a wholehearted youngster gifted with plenty of pace who really loves his soccer. Has the happy knack of scoring goals (team’s leading goalscorer with 21 goals), including a few when he was playing as goalie in our games against Wentworthville! Now that he is coming up against some much bigger defenders he needs to play a bit smarter, looking for more opportunities to work with his teammates to get past the opposition rather than try to take them on and beat them all on his own.

**Jeremiah YOO:** Some extra training he did before the season started and being able to regularly attend training this year undoubtedly contributed to the continuing improvement in Jeremiah’s game which has seen him awarded the ***Most Improved*** player trophy. Next season I want to see him “hungrier” for the ball and looking for every opportunity get more involved in the play.

The Raahauge Cup squad had a successful year and it seemed as if both teams had a decent chance of making it to the semi finals with strong independent teams but as it stood after ten weeks when the season was cancelled first grade was third and reserve grade was sixth. There was plenty of early on field success from both firsts and reserves due to the combination of new and returning players. The best player from both teams demonstrate this:

- Best Reserve Grade player: Brendan Enright is new to the squad and made an immediate impact in centre midfield with his ability to quickly see and execute passing opportunities while also filling in defensive gaps and scoring 3 goals.
- Best First Grade player: Emmanuel Mylonas continued to show his experience within the squad by being able to play effectively wherever he was needed with excellent positioning, ball control, and clean tackles. He also played his 200<sup>th</sup> game for the Congs and scored 11 goals, which probably would have been higher if he wasn't selfless in attack.

The six a side tournament was a rollercoaster for the team and myself as it looked as though we wouldn't have a team until a late phone call saw Tim Yoon return and bring his mate to fill out the team. We also had to convince Matthew on the day to forego having his 200<sup>th</sup> game at Phillips Park and help us out, and while I still haven't forgiven him for abandoning us during our first round loss to coach his junior side to the grand final, I'm still grateful for him, Blake, and Chris being able to take the time to pull double duty on the day and be the rightful uncrowned B grade grand finalists.

The players were: Aydin AGAR, Muckbil ALI, Aytug ALTUNAG, Abel AMBAYE, Blake BATCHELOR, Ehlerwah CHAR, Will COURTWOOD, Ben COUTTS, Brendan ENRIGHT, Rakulan GANESARAJAH, Hussein GHASSANI, Benjamin GIBBONS, Nick GRASEVSKI, Khaled HAMDAN, Mushtaba HAYDARI, Jayden HUGHES, Lachlan HUGHES, Ahmad (Jack) HUSSENI, Woo Sung (Andy) JI, Daniel KRATZ, Tiernan MARRON, Christopher MAY, Matthew MAY, Patrick MAY, Adam MOTYOVSKY, Gadafi MUHAMMED, Emmanuel MYLONAS, John MYLONAS, Wilmar RUIZ, Trent SMITH, Desimir STANKOVIC, Jayden VAN DIGGELE, Mohammad Zayan YOUSUF, Jawad ZEINEDDINE
