PRESIDENT'S REPORT

Firstly I would like to start by offering a huge amount of thanks to our coaches and managers this season who stepped up to coach their respective sides. A huge thankyou to Emmanuel Okwuagwu who took on the Under 10s this season and ended up having to manage a squad of 19 players.

I can't go past also thanking the canteen volunteers, as well as the parents and volunteers who helped set up the fields and also bring in the goals, nets & corner flags at the end of the days play.

There was a number of players who achieve some personal milestones. Congratulations to the following players on achieving their own individual milestones while loyally representing the club:

- Patrick May became the 27th person to play 400 club games. He commenced playing in 2003 and notched up his milestone against Inter Parramatta in May at Phillips Park.
- Three players joined the Honour Roll this season when they played their 100th club game. They were:
 - Nicholas Grasevski (P/L) - commenced 2018
 - Mackenzie May (U/12 Girls) - commenced 2017
 - Suriyah Vadivale (U/12s) - commenced 2017
- Also congratulations to the following two people for scoring their 100th club goal this season;
 - Aydin Agar (P/L) - commenced 1997
 - Emmanuel Mylonas (P/L) - commenced 2008

Congratulations must go to Margaret Kabat and the Under 12 Girls team. The side struggled for players early in the season and when a couple of new players joined the side a few of the original signings left. This did not deter Margaret or the team who signed up some very reliable players and the team went on to play in the Preliminary Final against competition favourites OLQP. Congratulations to these young ladies, a great effort in true Congo Spirit.

Another team success saw the Under 8s take out the Six A Side completion in June. Congratulations to Krish De and his team of young athletes.

I would like to thank the Committee for their support and help throughout the year, especially John Mylonas, Ken James and Assistant Secretary Dave Miller for his work in collecting and compiling the player statistics for each game played and for his work behind the camera filming and posting games to Facebook.

With the Clubs 85th Anniversary next year I encourage everyone to attend our Annual General Meeting on the 2nd of November so that we can plan for the and betterment of the Club.

We look forward to seeing each and every one of you back at Phillips Park next season and please remember that LOYALTY IS PRICELESS.

Finally a reminder of those immortal words that our former patron Ray "Curly" James once said and was so often heard to repeat:

"Once a Congo, ALWAYS A CONGO"!

PRESIDENT

SECRETARY'S REPORT

With my involvement this year mostly being limited to ground setup and running the Congo Kickers at Phillips Park, it was good to see people step up to help the other volunteers our club usually relies on. Those people that kept the Congs running smoothly were:

- The coaches and managers: Emmanuel Mylonas, Daniel Da Silva, Margaret McGarvey, Krish De, Margaret Kabat, Emmanuel Okwuagwu, Ken James, Daniel James, Mathew James and John Mylonas.
- James and Jodie May taking stocktake and organising the shed.
- Grant Leslie, Justin Kabat, David Miller, John Mylonas, and Krish De who answered the call and kept Phillips Park running smoothly the first week when we would otherwise have been short staffed.
- Daniel Da Silva and Justin May for their regular efforts in setting up and packing up fields, as well as Kieran O'Hara whenever he was passing by.
- Steven May, Wasyl Prytouiak, Daniel James, Renee Miller and more who helped on junior zone nights.
- James May and John Mylonas keeping the canteen running every week.
- David Miller doing a tireless job keeping player stats updated, filming senior men's games, keeping the website maintained, and helping in the canteen when available.
- Ahmed "Jack" Hassaini for recruiting over a dozen players to the men's squad, helping us to bring back the reserve grade team.

Without these contributions we wouldn't have had a functioning club and all deserve more thanks than I'm able to give. One other contribution to note is that of James May who took over my job as secretary for the year on top of his usual role as canteen coordinator and Junior Referees Convener for the association. In doing so he had almost single handily managed the day to day running of the club.

In that vein, the clubman of the year is awarded to someone who likewise stepped up when needed and went above and beyond throughout the year. Margaret Kabat coached the U12 Girls to the preliminary final, helped the Under 8's and Under 12's, helped run the canteen on Saturdays and zone nights, and organised the team photos for the Under 8's and U12 Girls.

The junior clubman goes to Justin May, who was eager to help out any way he could at Phillips Park, by setting up and packing away fields, and filling in holes in the fields (and was always sure to let his feelings be known about the dogs that left them).

We were thankful to receive the generous donation of the funds from the existing Lidcombe Hotel Cricket Club (also known as Lidcombe R& SL Cricket Club). The club was formed by the All Age Men players and friends in the mid 1990's as a social activity in the off season. The Cricket Club was very successful winning 3 premierships during the seasons they were established. We appreciate these monies received and we look forward to using these funds to grow our club in the future.

With the annual general meeting occurring on the 2nd of November, it would be great to continue this trend of more people stepping up to help out where they can, especially as I will be unable to stand for secretary next season.

“Once a Congo, ALWAYS A CONGO!”

CONGO
KICKERS

It was a pleasure coaching the Congo Kickers this year.

It was great to see the kids grow in confidence week after week, getting to know each other and developing their soccer skills. This was shown by them increasingly deciding the activities and what they looked like. On top of this, the parental involvement helped everyone show what they were capable of.

I'm confident that some will be able to be in the Under 6's next year without issue and I look forward to seeing the Kickers again next year.

I'd also like to thank Hoyjin for her help through the year and Emily Reuter for her cameo appearance helping the setup of one of the sessions.

The Congo Kickers were:

Cecil SISAVANH
Virgil SISAVANH
Hudson AGIUS
Matthew MA
Oliver TRAN

Jonathan HUANG
Mason S MA
Jarrad JUNG THAPA
Hajra SHABBIR

- PATRICK MAY
COACH

It is with great pride and pleasure that I had the opportunity to coach the Under 6's this season. This year has been filled with remarkable growth, achievements, and memorable experiences for our young athletes.

With most of our players being the successor of last year's Congo Kickers, our Under 6's team continued to flourish as a place for our players to learn, develop, and enjoy the beautiful game of soccer. With a primary focus on skill development, teamwork, and fostering a love for the sport, and to provide a nurturing and fun environment for our players to thrive.

Throughout the year our young athletes exhibited remarkable growth in their soccer skills. From dribbling and passing to throws in's, and even their first goals, our players demonstrated immense growth throughout the year. We emphasized the importance of teamwork and sportsmanship with our players building strong bonds with their teammates both on and off the field.

Furthermore whilst our season was filled with achievement and growth, we did however encounter some challenges. One of which was that most of the opposition were bigger and faster than us. This however brought out the best in our players making them tougher, exhilarating their Congo spirit and never giving up which was a joy to watch.

Finally I'd like to give a big thank you to all the supportive parents and enthusiastic players who made this year a joy for me to coach. Helping set up and pack up at training and even help manage and coach especially on the days I was away. Your unwavering commitment and passion for the game bringing the kids down week in week out was truly commendable.

In conclusion, this season's Under 6's experienced a year of remarkable growth and achievements. We actively anticipate the journey ahead and look forward to another year of cultivating the love of soccer in our young athletes.

UNDER 8

The U8s impressed with how well they developed as a team from the start of the season to the very last game.

Expectations were high in the preseason as the majority of our squad were returning players from U6 and U7 teams in previous seasons. The high expectations were carried forward with some a massive 15-0 preseason win against Guildford.

However, as the season kicked off, we were all unprepared for the impact of the larger 3/4 sized pitches and the quality of opposition. The U8s were determined to improve, so our focus as a coaching team also shifted to improving fitness and our structures by offering an optional additional training on Friday afternoon that was well attended.

The U8s showed steady improvement throughout the season, narrowly losing quite a few games by 1 or 2 goals, drawing a couple games and notching up wins against Kings Old Boys and Greystanes.

After a thrilling and hard earned overall victory at the 6-a-side gala day during the June long weekend, the U8s tackled the last portion of the season with vigour and confidence. The game of the season was the amazing 1-0 win against the Falcons in late July.

Despite not winning as many games as hoped, the U8s showed great growth in their individual skills and teamwork. Their resilience was tested throughout the season - I'm pleased to report that the team stepped up and absorbed the adversity and never let it dampen their enthusiasm and love of the game.

I'd like to thank all of our athletes and their parents for their efforts and commitment to the team – they should all be very proud. As coach, I am most definitely am.

The players in the team were:

Ahmad Shabbir: Ahmad played well in defence for the first part of the season but was a revelation as a forward for the remainder. He always applied pressure to opposition defences and scored a number of crucial goals using his dribbling and polished finishes. One area to further develop is timing attacking runs to avoid offside traps. Ahmad also saved a number of crucial goals whilst filling in as goal keeper. Overall, a formative season for Ahmad.

Alex ZHOU: Alex played another great season for the Congs. He was an ever reliable centre and left back and threw himself full tilt against much bigger opposition attackers. His heart and conviction served our team well. Alex also displayed some great attacking skills when playing in the forwards and this versatility was appreciated by the team. One area to focus on is passing under pressure.

Axl KABAT: Axl showcased his excellent defensive skills throughout the season as our team's most consistent player. He had a number of important assignments as the teams left back and did not miss these, taking quality opposition forwards out of games.

Blake RICHARDS: Blake played a key role in securing the central zone of our team structure. As centre back Blake provided robust defence. When playing centre mid, he provided great transition from defence to our forwards. One area to further develop is greater control over first touch which will serve him well in both defence and midfield.

Dimitri GHERLENDIA: Dimitri showed great improvement from last season as a reliable defender and goalie. His determination to win the ball saw many opposition attacking raids diffused and he worked tirelessly in transition as a wing back in a number of games throughout the season.

Dominic GHERLEND: Dominic's versatility was such a benefit for the team. Seamlessly transitioning between goalkeeper and forwards gave our team rotation options. Dominic was just as determined to win balls as his brother and also gave our forwards great support with clearances from the middle.

Dylan DE: Was awarded the team's Most Consistent Player. Dylan's efforts in both attack and defence were appreciated by all. Dylan scored the goal of season, an exquisitely struck free kick into the top right corner from 25 yards out against Greystanes.

Esa KHALID: Esa's enthusiasm and energy will be missed as he completes an end of season transfer to the Saudi Pro League. Esa shored up our team's midfield with his presence and clearances. His pressure in the opposition penalty box also led to a couple of great goals for himself and the team. Esa will be missed and we wish him and his family all the best in their move overseas.

Emre SUMAKTAS: Emre was a great competitor on the field this season and definitely our most passionate player. His attacking skills were crucial in a number of games this season with some excellent solo efforts leading to goals. One area for development is to balance going solo with passing amongst his fellow attackers.

Eric LIN: Eric was a revelation as goalkeeper for the second half of the season. He single handedly kept the team in games with some amazing saves. Eric also displayed great game awareness when rotated into the forwards and strung together some great passes and goals through sheer determination.

Eason JIANG: Eason led our team's defence this season from centre back. Often playing as part of a box midfield with Blake, Eason's permanent smile provided the team a calming influence in many tight games this season. The team also appreciated his long clearances and free kicks from the back which really helped our midfielders and forwards in transition. One area to further develop is ball control which will make him unstoppable.

Kai LOUK: Kai was our most improved player this season. Apart from his positive energy, Kai really developed from left back to a roving defender as the season progressed. His desire to win the ball from anywhere in the back line got the team out of many sticky situations deep in our half. Kai was the epitome of safety first defence throughout and can really go to the next level by incorporating some passing in his defence.

After struggling to get a full complement of .players on a regular basis in 2022 things looked on the up at the start of this season with 17 players registered and another three registering through the first half of the season. The good number of registrations meant that the team would take to the field each week with a full team.

The season started off slow with two big losses then the team recovered well with most of the following games proving to be close contests. With a mixture of nine and ten year olds and eight first time players making up the team it was going to be a difficult season. But the experience of players like Liam Arroza, Dante Gherlenda, Alex & Siena Hofer, Josiah Okwuagwu and Ronin Saritas led the way for the new players to create a competitive team.

With the experience of a year's football under their belts this side will improve even more next season.

The players in the team were:

Liam ARROZA	Siena HOFER	Aryush KHADGI	Moiz SHABBIR
Ethan CHOI	Anwar JAMAL	Yusuf KHALID	Darren SHI

UNDER 12 Girls

We had a bit of a rough start at the very beginning of the season. We went from a 6-a-side games last year (U11 girls) to 9-a-side games this year. There were concerns that we may not have the numbers to have a team this year. Luckily, we had a great number of new players come through for us.

I feel very lucky that we have such a wonderful and supportive bunch of girls this year and an equally wonderful and supportive group of Parents. Our group of parents were very active, positive and vocal, always ready to step in and help each other out. Our girls really appreciate and grow from all the encouragement from their parents.

Congratulations to Jaydah-Rose Waters and Aaliyah McKay on winning the Most Consistent and Most Improved player awards respectively.

The players in the team were:

Joanne CHEN: Our top goal scorer who is fearless and relentless in every game. With her excellent footwork she was able to score numerous goals for the team this season.

Parvati DE: Our designated sweeper for most of the season was fearsome despite her size. Ready to tackle any opposition she was a reliable last line of defence. Later in the season Paru tried her skills up front and proved she can play any position scoring her first goal in the semi-finals.

Zoe JIANG: One of many girls playing their first season of soccer this year, Zoe proved to be a fast learner earning her the most improved player. A reliable, speedy, and formidable defence.

Zoe KABAT: Zoe is an excellent all-rounder. Zoe has also scored several goals for the team at the front as a striker. She has also performed exceptionally when marking the opposition's most dangerous players.

Kayla LEUNG: Kayla was our part-time player who assisted when the team was short. A great defensive player who is determined and has a great understanding of her role in the game. The girls appreciate the extra help on the field.

Alexis RICHARDS: Our most mature and experienced player, Alexis has provided guidance and encouragement to the less experienced players on the pitch. With her speed, strength, and ball handling skills combined with her strategic mind, Alexis has been an invaluable member of the team.

Mackenzie MAY: Our youngest player, and also volunteer Captain. Mackenzie has demonstrated consistent dedication to the team and is a presence in the game. She is a tough midfielder who is able to make her small size count.

Ella SUMAKTAS: Mostly in the midfields and front line, Ella is an excellent team player and is ready to assist at every opportunity. Ella always manages to find the open space on the pitch. Keep up the good work Ella!

Deena UMMULKHAIR: One of many girls playing their first season of soccer this year, Deena joined late in the season. She has shown great enthusiasm for the game being very active on the field.

Sangittaa VADIVALE: One of many girls playing their first season of soccer this year, Sangee is a passionate player who tries her heart out at every game. She has made many great tackles as a defensive back.

Summer ZHOU: Fast on her feet, Summer has been an excellent midfielder and defence, with her big kicks and even bigger throw-ins. With her cheerful disposition Summer has made Training entertaining and lively.

Sydney ZHOU: Our Star Goalie who is always on her toes. She has great instinct for the game and is a very vocal and focused goalie. We appreciate her big kicks and big catches as well.

After coming equal 4th on points in 2022 (we missed out on playing in the semis on goal differences) and finishing last year with wins against two of the teams that played in the semis, with just about everyone indicating they would be back again this season, our prospects for 2023 looked promising.

However, at the start of this season we found that, with three boys deciding not to return and Paul McGarvey only available when it didn't clash with his school soccer, we would certainly be down on experienced players. Fortunately, with four new players signing up we at least had enough to field a full team each week, but realistically we couldn't expect these boys to immediately "slot" into the team's pattern of play especially as they had little previous experience playing soccer.

In addition, my hip and knee problems prevented me from getting out on the training field with the boys during the week and taking on a much more active coaching role on the sidelines on Saturdays. We were lucky that Matt James stepped in and ran the trainings sessions on Tuesdays and my thanks to Matt for his efforts. Unfortunately, Matt's commitments at his soccer store on Saturday mornings prevented him from attending our games, because I'm sure the team would have played much better with Matt's input and enthusiasm.

Player absences mainly due to family commitments overseas, injuries and illnesses also had an unsettling effect on the team's performances throughout the season. It was a very rare Saturday when we were able to field a full-strength side and my thanks to Margaret Kabat and her Under 12 Girls – in particular, Alexis Richards, Zoe Kabat and Joanne Chen – for helping us out in many games.

It was obviously a difficult season for everyone concerned and my thanks to the boys and the parents for their patience and for continuing to support the team despite so many disappointing losses.

Hopefully, if we get enough players keen to play again next year we can have a much better season.

The players in the team were:

Zak AZMI: Continued on from the promise he showed as goalkeeper towards the end of last season, performing well between the "sticks" in most games although he sometimes had the occasional lapses in concentration. He needs to learn to keep his mind on the game all the time so that he is ready to react when opposition attackers come threatening.

Yusuf AHMED: A newcomer who showed some good ball skills and an awareness to pass the ball to teammates. Surprised us all when he found himself in the right place to score his first ever goal in our 4 – 2 win against Greystanes (Black) at Phillips Park. Only a little fellow and still has a lot to learn especially about positional play, but he tries hard and will benefit greatly from his first season of team football.

Nathanael GURMESSA: Really loves his soccer and played mostly in the midfield where he showed a willingness to pass the ball, but needs to play with more confidence, get more involved with play and be "hungrier" for the ball.

Arham IQBAL: A newcomer and the biggest boy in the team, but it was frustrating to see him just "cruising" around the field, not using his size to get more involved with the play or putting more power into his kicks. He needs to play with a lot more hunger and desire if he wants to succeed at soccer.

Braxton JAMES: The youngest player in the team who should probably have been playing in the Under 10's, however he wanted to play in "poppy's team." His first season and understandably he still has much to learn especially about positional play, but he always tries his best and there was no

keener boy at training. He will benefit greatly from the experience of playing with the older boys. Also scored his first ever goal with a well taken penalty against OLQP (Blue).

Makii JAMES: As we have come to expect he played soundly in his familiar right back position, but with a shortage of experienced defenders he was often seen showing the initiative to defend further up the field when the situation demanded it. It was also pleasing to see him attempting to head a very high ball kicked by OLQP (White) in our last game even if it did result in an own goal when the ball came off the back of his head and straight into our goals!

Zachary MAY: Without a doubt one of our keenest players – his dad tells me that most Saturdays he would be up at the breakfast table, dressed and ready for soccer by about 6 AM! A shortage of defenders at the back meant he was called on to do much more work in the left back position. His game improved to the extent he gained selection in the Zone Representative team and, for his efforts Zac has been awarded the teams' **Most Improved Player Trophy**. He certainly didn't lack confidence, always ready to give the coach a bit of advice if he thought it necessary.

Thanish MAYUTHARAN: A frustrating youngster to coach. He really loves his soccer, has the size and ball skills to cause plenty of problems up front in attack and scored some good goals. However, he sometimes "switches off" and needs to be constantly thinking about what is happening on the field and how he can get more involved in the game.

Paul McGARVEY: Even though required to play soccer for his school on Saturdays, Paul showed great team spirit by backing up and playing for us whenever possible where he played with his usual enthusiasm and determination.

Caleb PALLETT: Another newcomer who always tried his best, but he needs to show a greater awareness of what is happening on the field and try to get more involved with play wherever possible. No doubting his keenness and he will benefit greatly from his first season of soccer.

Jiwu PARK: Due to the lack of experienced defenders, particularly in the midfield, I had to move him to the centre midfield rather than play in his preferred position out on the left. Jiwu worked tirelessly in his new position and the "boss" certainly appreciated his efforts. It was also pleasing to see him heading the ball whenever the situation required it.

Vihash SUTHARSAN: Could not play quite a few games in the early part of the season due to his absence overseas and we certainly missed him. He certainly played with his usual dash and ball skills in our best win of the season against Greystanes (Black) at Phillips Park where his 3 goals resulted in a 4 – 2 victory, however there were some games where I would have liked to have seen him getting more involved in the play. Like a few of the other players, Vihash needs to be always thinking about what is happening on the field and go looking for the ball.

Suriyah VADIVALE: With the team having to play some of the inexperienced newcomers in defensive positions, Suriyah was called upon to do much more work playing in the crucial centre back position. Despite his desire to play further up the field in the midfield he followed instructions and kept to his position where he played with dogged determination. For his unselfish efforts throughout the season Suriyah has received the **Most Consistent Player Trophy**.

Bravin VASITHARAN: A disrupted season for Bravin with a couple of injuries and an unfortunate suspension seeing him play only 11 games and we certainly missed his attacking skills when he wasn't there. He had trouble getting past some of his much bigger opponents which also seemed to dent his confidence. Bravin tries to do too much on his own and, as I've tried to explain to him, he needs to show more confidence in his teammates and work with them to get around opposition defenders.

ANOTHER GREAT CONGO MOMENT!

- **August 8 1970: Lidcombe 3rd Grade vs Auburn Churches at Wilson Park Silverwater.**

Don Lane was a T.V. personality in those days but he really didn't have much to do with us except...

Third Grade player STEVE GREENTREE was being cautioned by the referee and the man in white asked him his name.

Steve replied: "DON LANE!!"

The referee then said: "Mr LANE, I'm taking your name and cautioning you for dissent!"

Needless to say Don Lane has a booking against his name and our Steve had an unblemished record!

PREMIER LEAGUE

The return of the All Age Men's Squad to the Premier League after a number of years was a very satisfactory one. The team consisted of a core group of players from last year's successful season.

For the first 2 games we could only field a first grade team, but then we managed to bring in a lot of new and young players with very good potential for the future. This saw a newly formed team with a mix of youth and experience. This was a benefit for both the older ones and the young ones who gave a lot of energy, exuberance and freedom to play football.

The squad performed strongly and competed in every game. Both First Grade and Reserve Grade finished 5th, with a lot of boys having to back up for both games as we struggled to get players down to the game week in week out, and encountered injuries throughout the season, potentially costing both teams semi-final positions.

The Ray 'Curly' James Trophy for the Best All Age Player goes to Patrick May. Pat hardly put a foot wrong and played 2 full games nearly every week with even a few games in Goals.

The Bill Stevens Memorial Trophy for Best Reserve Grade Player is awarded to Nicholas Grasevski for his outstanding efforts throughout the season.

Overall I think it was a very satisfactory season. Hopefully now that we laid the foundations we can further build on this squad for next year. Well done boys it was a pleasure working with you guys. See you all next season.

The players in the squad were:

Jabril ABDULLAHI, Ali Reza AFZALI, Ali Sajad AFZALI, Aydin AGAR, Mustafa (Musti) AL-BADRE, Sarfaraz AMIRYAN, Blake BATCHELOR, Jonno CHAMBERLAIN, Will COURTWOOD, Daniel DE LOS EYES HELICES, Nicholas GRASEVSKI, Ghulam Reza HASSANI, Mushtaba (Mujie) HAYDARI, Hussain HUSSAINI, Asadullah (Asad) HUSSAINI, Sajad Ali HUSSAINI, Sakarija (Zak) HUSSEIN, Ahmed (Jack) HUSSEINI, Christopher MAY, Patrick MAY, Sayed Hadi MOSAVI, Adam MOTYOVSKZI, Emmanuel MYLONAS, Mirza Hussain POUYA, Rohullah SHAFIAE, Farhad SHARIFI, Anshul (Ash) SHUKLA, Trent SMITH, Elias YOUSEFI

YOU ARE THE REFEREE

Ok all you budding Referees, Let's see how you go with these scenarios prepared by the Cong's own "Walking Rule Book"

- Q.** Playing at Phillips Park running downhill towards the B.B.Q in the second half Christopher May takes a goal kick that goes straight to Jack Hussein who is, as usual, very slow coming back into position and is just outside the opposition's penalty area, in an "off-side position". After he receives the ball Jack turns, shoots, and puts the ball in the back of the net.
- Decision.** **Law 11 (Off-side).**
There is no offside offence if a player receives the ball directly from a goal kick, a throw-in or a corner.
Therefore you award a GOAL!
- Q.** A player is passing the ball to a team mate unfortunately for you as referee, the ball strikes you and lands at the feet of an opposing player who kicks the ball into the goals!
- Decision.** **As Referee if the ball strikes you must stop the game and recommence the game with a drop ball to the team that was passing the ball. Therefore NO GOAL.**
- Q.** A player takes a corner kick, the ball hits the goalpost and bounces directly back to him without touching another player. He then crosses the ball into the goal area!
- Decision.** **After taking a free kick, goal kick, corner, kick-off or throw-in player MUST NOT play the ball a second time before it has been touched or played by another player. Indirect free kick against the offender where the infringement occurred.**
- Q.** You, the referee award an INDIRECT free kick and the striker blasts the ball at the goal and goes straight into the net.
- Decision.** **Law 13 – Free Kicks**
No Goal. A goal can only be scored if it subsequently touches another player before it enters the goal.
Play is to be restarted by the awarding of a goal kick.
- Q.** The defending team receives a free-kick. The ball is passed back to the goalkeeper, who is standing in front of his goal, to clear the ball up field. However he misses the ball and it goes straight into his own goal!
- Decision.** **Law 13 – Free Kicks**
Award a corner kick! If the defending team plays the ball directly into their own goal from a free kick play is to recommence from a corner taken by the attacking team..
